5. Trees Forever Planting

Johnson and Milks discussed the upcoming planting in October. Johnson stated that they will have to go around and pull t-posts from last year's planting and check on those trees as well.

6. Park and Cemetery Tree Survey

Johnson explained that he arranged for Emma Hannigan with the DNR forestry department and her helper to come in and complete a tree survey of the trees in the parks and cemeteries. Johnson stated it was like the street tree survey that he and the DNR completed in 2018.

7. Downtown Trees

Johnson talked about the trees downtown and stated that he had Emma look at the struggling trees. Emma suggested that since they are still green to leave them to spring, give them a good watering a week and see if they leaf out in the spring.
