Discussions

1. Leash Law Discussion.

Mulfinger talked through his memo and the changes that were needed for the ordinance.

Weber felt the changes could help people understand when they need a leash.

Weber motioned to recommend an ordinance to council. Payne seconded the motion. All were in favor.

2. Drones Ordinance Discussion.

Mulfinger advised an ordinance would be difficult to enforce.

Payne still wanted to make sure we could regulate a drone used to invade personal privacy.

Logan assured council current ordinances allowed for the city to regulate drone use of spying on personal property.

Weber motioned no further action was needed on the ordinance. Lenz seconded the motion. All were in favor.
