5. Arbor Day Planting

Johnson talked about the Sunday planting at Redgate Park. Johnson stated that Milks and Length did a great job of presenting proper planting techniques to the kids. Milks stated that Length was great teaching the kids and thought the planting was a big success.

6. Free Seedlings

Johnson stated that he had received the tree saplings the week before and they are ready for distribution. Johnson stated that he has been in conversation with Jennifer Dillon with the school and they have 79 kids to hand out to kids. Johnson said they have oak and hickory trees to give out, bare root saplings. Scheel and Milks stated that they would be able to come to the school and demonstrate tree planting to the kids on Thursday at 10am.

7. United Way - Day of Caring

Johnson stated that they postponed the Day of Caring until May 13, because of the rain expected this week.
