## Discussions

1. Discussion on 1st Avenue SE traffic restrictions at Rock Island Road and 3rd Street SE

Mulfinger let council know that the plan for Dollar General to take the road fell through due to utilities. Mulfinger wanted council to know that added traffic from Dollar General will make 1<sup>st</sup> Ave SE turn into 150 even more dangerous.

Vic explained that the street would not be a one way, but it would only allow a left turn to northbound traffic.

Dr. Clint Berryman thanked staff for the open communication and felt the new proposal would work well for his business and his clients.

Weber asked that city staff look into moving the trees on the chamber's triangle.

Mulfinger said he would prepare an ordinance for council at the next meeting.
