Discussions

1. Discussion on City Hall Renovation.

Brian Stark from Martin Gardner Architecture presented the proposed plans to Council on the improvements. Stark walked through the main improvement and the two additional optional improvements. Stark stressed the ADA needs were to be met with the improvement.

Seeders requested better audio visual for the council room. Mulfinger advised that could be resolved outside of the City Hall improvement project.

Mulfinger informed Council the project bids would be the ultimate factor in deciding what could be improved.
