## Discussions

### 1. Discussion on City Hall

Mulfinger went into a brief history of the ideas for City Hall. Council discussed that staff has been through many renditions of a City Hall.

Mulfinger discussed that he is making headway with improvements to City Hall. He wants to make sure 6 feet can be obtained before City Hall is open and that employees can be separated.

Council directed Dylan to stick with the plan of investing \$30,000 into city hall and getting it open to the public. Council provided direction that if a space in town becomes available it should be looked at and determine if it can work as a City Hall. Mulfinger explained that he is looking into FEMA money for a new Fire Station/City Hall. Mulfinger would explore all options that make a new City Hall more affordable.
