The City of Oelwein staff presented several ideas to move forward with the Wings East improvement project.

A	Patch Panels	\$980,000	2-5 years
B	Partial Pavement	\$1,472,000	25-35 years
C	Full Pavement 32'	\$1,880,000	35-40 years
D	Crack/Seal & HMA Overlay	\$1,173,000	15-20 years
E	New Curb & Gutter & Crack/Seal & HMA Overlay	\$1,290,000	20-25 years
F	Failed Portions with 12th/13th	\$1,600,000	35-40 years
G	Complete Pavement Replacement with 12th/13th	\$2,120,000	35-40 years
H	Failed portion fix with storm sewer	\$900,000	35-40 years (fixed portions)

A progressive option was presented showing not to repair 12th St NE. Community members did not immediately voice their disagreement. Staff requested that council set the dollar amount that council wanted to spend so that staff could provide the best option.

After much discussion, council decided to direct staff to present an option that used \$645,000 from the original city loan.

Staff informed council that they will present when time allows.

Adjournment
