Discussions

1. Discussion on Garbage Haulers.

Ricchio wants to see the city enforce the ordinance that is already in code, but also would like to see the ordinance reviewed. Ricchio is tired of seeing trucks leak all over town and haulers not have proper registration.

Payne feels solid waste is contaminating the streets and could cause harm to children.

Weber asked who would enforce this ordinance and how much time the city would put toward enforcement.

Ricchio said the police department could enforce the ordinance.

Cannon asked if Community Development could enforce the ordinance.

Mulfinger confirmed the code enforcement position could write a citation.

Mulfinger advised the city council could vote on the ordinance review at the next city council meeting.

2. Discussion on the Fiscal Year 2027 Budget.

Mulfinger went through the city's revenues and explained what was to be voted on in April. The city council will vote on the budget, tax levy, and capital improvement plan at the April meeting.
