## Discussions

1. Consideration of a motion providing direction to Council on the property forfeiture for 316 1st Avenue NE from Anthony and Teresa Murphy.

Mulfinger provided some background on the property. While the city does not try to collect properties, the city was most likely going to end up with the property. Mulfinger advised the city wants to see homes back on these lots.

Weber requested city crews provide a number for cleaning up and removing the burned down property.

Seeders motioned to recommend accepting the property to the city council. Weber seconded the motion. All were in favor.
