Discussions

1. Consideration of a motion recommending approval for the Hotel Motel Application for the Williams Center for the Arts in the amount of \$1,500.00.

Payne motioned to recommend approval, Weber seconded. All were in favor.

2. Consideration of a motion recommending approval for the Hotel Motel Application for T&T BBQ in the amount of \$15,000.00.

Thyron and Terrishane Mathews presented on their May 4th, 2024 event. They are planning for a large BBQ event which will bring in cooks from all around the country. They are asking for hotel motel tax to make the event happen.

Mulfinger advised they would need to work with a non-profit to get funding from hotel motel and their event cannot make money. Should the event make money, the event would need to reimburse the city.

Weber motioned to recommend approval provided the event find a nonprofit sponsor and provide a more thorough budget. Payne seconded the motion. All were in favor.
