Discussions

1. Discussion with Chris Troendle from Upper Explorerland Regional Planning Commission on the Northeast Iowa Regional Housing Trust Fund.

Troendle informed the city council funding from the city comes back to the community as a match for grants. The city has a 1,307.40 percent return on its investment with \$1,200,610.79 being invested in Oelwein homes. The programs administered by Upper Explorerland have improved and saved homes in Oelwein. Troendle encouraged the city council to continue to provide funding and requested additional, if possible, over the current \$20,000.
