Subject: No Overnight Parking North Frederick

Policy Date: 6/27/2022

The City Administrator was asked to research the option of no overnight parking on the 100 block of North Frederick.

Staff provided the following comments:

The no parking 2 A.M. to 6 A.M. would benefit snow removal and street cleaning, while easing the issue of one property having 6 to 8 cars parked on the road.

Staff also discussed consideration of an additional restriction of two hour parking to prevent daytime issues. It would be labor intensive to monitor but would certainly resolve the issue.
