**INSTRUCTIONS FOR COMPLETING THE CITY TIF INDEBTEDNESS CERTIFICATION FORMS
USING MICROSOFT EXCEL**

Item 9.

Create a separate Excel workbook file for each Urban Renewal Area in your City naming the individual files using the Area Name and County-assigned Area Number.

FORM 1 - USED AS THE COVER SHEET FOR URBAN RENEWAL AREA INDEBTEDNESS CERTIFICATIONS

Enter the City, County, Urban Renewal Area Name, and County-assigned Urban Renewal Number on Form 1 which passes this information to all of the Forms 1.1. Use the Urban Renewal Names and Numbers assigned by the County Auditor.

Indebtedness amounts must be individually entered on Forms 1.1 where they are then carried forward and totaled onto Form 1.

FORM 1.1 - USED FOR ENTERING TIF INDEBTEDNESS NOT PREVIOUSLY CERTIFIED

List the individual TIF indebtedness obligations not previously certified to the County Auditor. Start entering data on Page 1 of Form 1.1 and move to subsequent pages if necessary.

List the type of indebtedness such as Rebate Agreement, Internal Loan, G.O. Bond, or TIF Revenue Bond.

For Rebate Agreements provide details such as % of TIF dollars going to the developer, maximum dollar amounts, time limits, etc. Where the county will be segregating the rebate property into separate TIF Base and Increment taxing districts, list the five-digit county-assigned TIF Increment taxing district number, if known. Error on the side of providing too much detail as opposed to not enough. Attach supporting documentation, such as development agreements, to aid the County Auditor in administering your request.

If indebtedness is legally structured to be subject to annual appropriation list only the amount that the City has obligated to pay next fiscal year.

**FORM 2 - USED ONLY FOR INDIVIDUAL FISCAL YEARS WHERE ALL OF THE LEGALLY AVAILABLE
TIF INCREMENT TAX IS NOT WANTED**

File Form 2 with the County Auditor by December 1, prior to any fiscal year, ONLY when for that upcoming fiscal year less than the legally available TIF Increment tax is requested.

Provide sufficient detail so that the County Auditor will know how to specifically administer your request. For example you may have multiple indebtedness certifications in an Urban Renewal Area, and want the maximum tax for rebate agreement property that the County has segregated into separate taxing districts, but only want a portion of the available increment from the remainder of the taxing districts in the Area.

**FORM 3 - USED ONLY WHEN INDEBTEDNESS HAS BEEN REDUCED BY ANY REASON OTHER THAN
APPLICATION OF TIF INCREMENT TAX RECEIVED FROM THE COUNTY TREASURER**

File this form with the County Auditor ONLY when TIF indebtedness has been reduced by reason other than application of TIF increment tax received from the County Treasurer. Reasons could include receipt of PPEL funds from a school district for the purposes of paying down TIF bonds issued before July 1, 2001; reducing previously certified indebtedness, that for any reason, is later determined to be in excess of what is required; and for de-certifying balances which are refinanced.

If balances are refinanced, you will file both a Form 3 (to decertify the outstanding balance) and a Form 1 to certify the newly refinanced amount.

Provide sufficient detail so that the County Auditor will know how to specially administer your request. For example, you may have multiple indebtedness certifications in the Urban Renewal Area and the County Auditor will need to know which particular indebtedness certification to reduce.

**CODE OF IOWA SECTION 403.19 TAX INCREMENT FINANCING (TIF) INDEBTEDNESS
CERTIFICATION TO COUNTY AUDITOR**

**Due To County Auditor By December 1 Prior To The Fiscal Year TIF Increment Tax Is Requested
Use One Certification Per Urban Renewal Area**

City: Oelwein County: Fayette

Urban Renewal Area Name: Oelwein Industrial Park UR (Urban Renewal #2) East Penn Related

Urban Renewal Area Number: 33004 (Use five-digit Area Number Assigned by the County Auditor)

I hereby certify to the County Auditor that for the Urban Renewal Area within the City and County named above the City has outstanding loans, advances, indebtedness, or bonds, none of which have been previously certified, in the collective amount shown below, all of which qualify for repayment from the special fund referred to in paragraph 2 of Section 403.19 of the Code of Iowa.

Urban Renewal Area Indebtedness Not Previously Certified*: \$ 0

*There must be attached a supporting itemized listing of the dates that individual loans, advances, indebtedness, or bonds were initially approved by the governing body. (Complete and attach 'CITY TIF FORM 1.1'.)

The County Auditor shall provide the available TIF increment tax in subsequent fiscal years without further certification until the above-stated amount of indebtedness is paid to the City. However, for any fiscal year a City may elect to receive less than the available TIF increment tax by certifying the requested amount to the County Auditor on or before the preceding December 1. (File 'CITY TIF FORM 2' with the County Auditor by the preceding December 1 for each of those fiscal years where all of the TIF increment tax is not requested.)

A City reducing certified TIF indebtedness by any reason other than application of TIF increment tax received from the County Treasurer shall certify such reduced amounts to the County Auditor no later than December 1 of the year of occurrence. (File 'CITY TIF FORM 3' with the County Auditor when TIF indebtedness has been reduced by any reason other than application of TIF increment tax received from the County Treasurer.)

SPECIFIC DOLLAR REQUEST FOR AVAILABLE TIF INCREMENT TAX FOR NEXT FISCAL YEAR
CERTIFICATION TO COUNTY AUDITOR
Due To County Auditor By December 1 Prior To The Fiscal Year
Where Less Than The Legally Available TIF Increment Tax Is Requested
Use One Certification Per Urban Renewal Area

City: Oelwein County: Fayette

Urban Renewal Area Name: Oelwein Industrial Urban Renewal (Urban Renewal #2) East Penn

Urban Renewal Area Number: 33004 (Use five-digit Area Number Assigned by the County Auditor)

I hereby certify to the County Auditor that for the next fiscal year and for the Urban Renewal Area within the City and County named above, the City requests less than the maximum legally available TIF increment tax as detailed below.

Provide sufficient detail so that the County Auditor will know how to specifically administer your request. For example you may have multiple indebtedness certifications in an Urban Renewal Area, and want the maximum tax for rebate agreement property that the County has segregated into separate taxing districts, but only want a portion of the available increment tax from the remainder of the taxing districts in the Area.

Specific Instructions To County Auditor For Administering The Request That This Urban Renewal Area Generate Less Than The Maximum Available TIF Increment Tax:	Amount Requested:
The City requests 100% of available TIF dollars for East Penn Urban Renewal area for FY 2024	
Approximately	730,000
The above dollars will service the following debts:	
2016A Taxable GO Annual Appropriation Bonds - FY 2024 payment \$552,000	
2016B GO Bonds - FY 2024 payment \$30,252.50	
Funds rec'd over what is necessary for GO Bond payments will go to pay back 3 water fund interfund loans which paid interest on the bonds in early years totaling \$590,297.	
Certified new debt for first 3 years interest due on 2016 Series GO Bond Water fund transfer per Ted Dept Mgmt totaling \$12,661	
Once all the above debt is paid, the City requests:	
East Penn Rebate - 90% of available , approximately \$ 0.00

**INSTRUCTIONS FOR COMPLETING THE CITY TIF INDEBTEDNESS CERTIFICATION FORMS
USING MICROSOFT EXCEL**

Item 9.

Create a separate Excel workbook file for each Urban Renewal Area in your City naming the individual files using the Area Name and County-assigned Area Number.

FORM 1 - USED AS THE COVER SHEET FOR URBAN RENEWAL AREA INDEBTEDNESS CERTIFICATIONS

Enter the City, County, Urban Renewal Area Name, and County-assigned Urban Renewal Number on Form 1 which passes this information to all of the Forms 1.1. Use the Urban Renewal Names and Numbers assigned by the County Auditor.

Indebtedness amounts must be individually entered on Forms 1.1 where they are then carried forward and totaled onto Form 1.

FORM 1.1 - USED FOR ENTERING TIF INDEBTEDNESS NOT PREVIOUSLY CERTIFIED

List the individual TIF indebtedness obligations not previously certified to the County Auditor. Start entering data on Page 1 of Form 1.1 and move to subsequent pages if necessary.

List the type of indebtedness such as Rebate Agreement, Internal Loan, G.O. Bond, or TIF Revenue Bond.

For Rebate Agreements provide details such as % of TIF dollars going to the developer, maximum dollar amounts, time limits, etc. Where the county will be segregating the rebate property into separate TIF Base and Increment taxing districts, list the five-digit county-assigned TIF Increment taxing district number, if known. Error on the side of providing too much detail as opposed to not enough. Attach supporting documentation, such as development agreements, to aid the County Auditor in administering your request.

If indebtedness is legally structured to be subject to annual appropriation list only the amount that the City has obligated to pay next fiscal year.

**FORM 2 - USED ONLY FOR INDIVIDUAL FISCAL YEARS WHERE ALL OF THE LEGALLY AVAILABLE
TIF INCREMENT TAX IS NOT WANTED**

File Form 2 with the County Auditor by December 1, prior to any fiscal year, ONLY when for that upcoming fiscal year less than the legally available TIF Increment tax is requested.

Provide sufficient detail so that the County Auditor will know how to specifically administer your request. For example you may have multiple indebtedness certifications in an Urban Renewal Area, and want the maximum tax for rebate agreement property that the County has segregated into separate taxing districts, but only want a portion of the available increment from the remainder of the taxing districts in the Area.

**FORM 3 - USED ONLY WHEN INDEBTEDNESS HAS BEEN REDUCED BY ANY REASON OTHER THAN
APPLICATION OF TIF INCREMENT TAX RECEIVED FROM THE COUNTY TREASURER**

File this form with the County Auditor ONLY when TIF indebtedness has been reduced by reason other than application of TIF increment tax received from the County Treasurer. Reasons could include receipt of PPEL funds from a school district for the purposes of paying down TIF bonds issued before July 1, 2001; reducing previously certified indebtedness, that for any reason, is later determined to be in excess of what is required; and for de-certifying balances which are refinanced.

If balances are refinanced, you will file both a Form 3 (to decertify the outstanding balance) and a Form 1 to certify the newly refinanced amount.

Provide sufficient detail so that the County Auditor will know how to specially administer your request. For example, you may have multiple indebtedness certifications in the Urban Renewal Area and the County Auditor will need to know which particular indebtedness certification to reduce.

**INSTRUCTIONS FOR COMPLETING THE CITY TIF INDEBTEDNESS CERTIFICATION FORMS
USING MICROSOFT EXCEL**

Item 9.

Create a separate Excel workbook file for each Urban Renewal Area in your City naming the individual files using the Area Name and County-assigned Area Number.

FORM 1 - USED AS THE COVER SHEET FOR URBAN RENEWAL AREA INDEBTEDNESS CERTIFICATIONS

Enter the City, County, Urban Renewal Area Name, and County-assigned Urban Renewal Number on Form 1 which passes this information to all of the Forms 1.1. Use the Urban Renewal Names and Numbers assigned by the County Auditor.

Indebtedness amounts must be individually entered on Forms 1.1 where they are then carried forward and totaled onto Form 1.

FORM 1.1 - USED FOR ENTERING TIF INDEBTEDNESS NOT PREVIOUSLY CERTIFIED

List the individual TIF indebtedness obligations not previously certified to the County Auditor. Start entering data on Page 1 of Form 1.1 and move to subsequent pages if necessary.

List the type of indebtedness such as Rebate Agreement, Internal Loan, G.O. Bond, or TIF Revenue Bond.

For Rebate Agreements provide details such as % of TIF dollars going to the developer, maximum dollar amounts, time limits, etc. Where the county will be segregating the rebate property into separate TIF Base and Increment taxing districts, list the five-digit county-assigned TIF Increment taxing district number, if known. Error on the side of providing too much detail as opposed to not enough. Attach supporting documentation, such as development agreements, to aid the County Auditor in administering your request.

If indebtedness is legally structured to be subject to annual appropriation list only the amount that the City has obligated to pay next fiscal year.

**FORM 2 - USED ONLY FOR INDIVIDUAL FISCAL YEARS WHERE ALL OF THE LEGALLY AVAILABLE
TIF INCREMENT TAX IS NOT WANTED**

File Form 2 with the County Auditor by December 1, prior to any fiscal year, ONLY when for that upcoming fiscal year less than the legally available TIF Increment tax is requested.

Provide sufficient detail so that the County Auditor will know how to specifically administer your request. For example you may have multiple indebtedness certifications in an Urban Renewal Area, and want the maximum tax for rebate agreement property that the County has segregated into separate taxing districts, but only want a portion of the available increment from the remainder of the taxing districts in the Area.

**FORM 3 - USED ONLY WHEN INDEBTEDNESS HAS BEEN REDUCED BY ANY REASON OTHER THAN
APPLICATION OF TIF INCREMENT TAX RECEIVED FROM THE COUNTY TREASURER**

File this form with the County Auditor ONLY when TIF indebtedness has been reduced by reason other than application of TIF increment tax received from the County Treasurer. Reasons could include receipt of PPEL funds from a school district for the purposes of paying down TIF bonds issued before July 1, 2001; reducing previously certified indebtedness, that for any reason, is later determined to be in excess of what is required; and for de-certifying balances which are refinanced.

If balances are refinanced, you will file both a Form 3 (to decertify the outstanding balance) and a Form 1 to certify the newly refinanced amount.

Provide sufficient detail so that the County Auditor will know how to specially administer your request. For example, you may have multiple indebtedness certifications in the Urban Renewal Area and the County Auditor will need to know which particular indebtedness certification to reduce.

*There must be attached a supporting itemized listing of the dates that individual loans, advances, indebtedness, or bonds were initially approved by the governing body. (Complete and attach 'CITY TIF FORM 1.1'.)

The County Auditor shall provide the available TIF increment tax in subsequent fiscal years without further certification until the above-stated amount of indebtedness is paid to the City. However, for any fiscal year a City may elect to receive less than the available TIF increment tax by certifying the requested amount to the County Auditor on or before the preceding December 1. (File 'CITY TIF FORM 2' with the County Auditor by the preceding December 1 for each of those fiscal years where all of the TIF increment tax is not requested.)

A City reducing certified TIF indebtedness by any reason other than application of TIF increment tax received from the County Treasurer shall certify such reduced amounts to the County Auditor no later than December 1 of the year of occurrence. (File 'CITY TIF FORM 3' with the County Auditor when TIF indebtedness has been reduced by any reason other than application of TIF increment tax received from the County Treasurer.)

RESOLUTION _____

Approving Internal Loan and Obligating funds from the City's Central Urban
Renewal Tax Revenue Fund for appropriation to the payment of Project

WHEREAS, the City Council of the City of Oelwein, Iowa (the "City"), pursuant to and in strict compliance with all laws applicable to the City, and in particular the provisions of Chapter 403 of the Code of Iowa, has adopted an Urban Renewal Plan for the City's Central Urban Renewal Area (the "Urban Renewal Area"); and

WHEREAS, the City Council has adopted an ordinance providing for the division of taxes levied on taxable property in the Urban Renewal Area pursuant to Section 403.19 of the Code of Iowa and establishing the fund referred to in Subsection 2 of Section 403.19 of the Code of Iowa (the "Central Urban Renewal Tax Revenue Fund"), which fund and the portion of taxes referred to in that subsection may be irrevocably pledged by the City for the payment of the principal and interest on indebtedness incurred under the authority of Section 403.9 of the Code of Iowa to finance or refinance in whole or in part projects in the Urban Renewal Area; and

WHEREAS, the City has approved an amendment to the urban renewal plan for the Urban Renewal Area that authorizes a project consisting of the use of incremental property tax revenues to expand existing business, encourage development of new business, improve buildings and building facades and provide for renovation of upper stories into housing units (the "Project"); and

WHEREAS, payments related to the Project are scheduled to be made in the fiscal year 2023-24 (the "Fiscal Year 2023-24 Payments"); and

WHEREAS, in order to make the amount of the Fiscal Year 2023-24 Payments eligible to be paid from future incremental property tax revenues that will be received in the Central Urban Renewal Tax Revenue Fund, it is necessary to create an internal TIF debt; and

WHEREAS, it is now necessary for the City Council to obligate for appropriation to the Fiscal Year 2023-24 Payments funds from the Central Urban Renewal Tax Revenue Fund;

NOW, THEREFORE, It Is Resolved by the City Council of the City of Oelwein, Iowa, as follows:

Section 1. It is hereby directed that \$75,000 be advanced to the Central Urban Renewal Tax Revenue Fund from the City's Local Option Sales Tax Fund, in order to make the Fiscal Year 2023-24 Payments. This advance shall be treated as a loan (the "Loan") to the Central Urban Renewal Tax Revenue Fund and shall be repaid to the Local Option Sales Tax Fund out of incremental property tax revenues received in the Central Urban Renewal Tax Revenue Fund in the future.

Payments may be made on the Loan on June 1 of each year, to the extent there are incremental property tax revenues available for such purpose which have been allocated to or accrued in the Central Urban Renewal Tax Revenue Fund. The City reserves the right to issue other obligations, or to enter into additional loans, payable from the Central Urban Renewal Tax Revenue Fund, which may either rank on a parity with the Loan or may have a priority over the Loan with respect to the revenues in the Central Urban Renewal Tax Revenue Fund.

Section 2. There is hereby obligated for appropriation from the Central Urban Renewal Tax Revenue Fund the amount of \$75,000 in order to make the Fiscal Year 2023-24 Payments

Section 3. The Central Urban Renewal Tax Revenue Fund is hereby pledged to the repayment of the Loan, and a copy of this resolution shall be filed in the office of the Fayette County Auditor to evidence this pledge. Pursuant to Section 403.19 of the Code of Iowa, the City Clerk is hereby directed to certify to the Fayette County Auditor, no later than December 1, 2022, the amount obligated for appropriation in Section 2 above as part of the City's 2024 certification of debt payable from the Central Urban Renewal Tax Revenue Fund and to reflect such amount in the City's budget for the current fiscal year.

Section 4. All resolutions or parts of resolutions in conflict herewith are hereby repealed.

Passed and approved November 14, 2022.

RESOLUTION _____

Obligating funds from the Performance Rehab Subfund of the City's Central Urban Renewal Area Urban Renewal Tax Revenue Fund for appropriation to the payment of annual appropriation economic development tax increment payments due to be paid in the next succeeding fiscal year for Performance Rehab

WHEREAS, the City Council of the City of Oelwein, Iowa (the "City"), pursuant to and in strict compliance with all laws applicable to the City, and in particular the provisions of Chapter 403 of the Code of Iowa, has adopted an Urban Renewal Plan for the City's Central Urban Renewal Area (the "Urban Renewal Area"); and

WHEREAS, the City Council has adopted an ordinance providing for the division of taxes levied on taxable property in the Urban Renewal Area pursuant to Section 403.19 of the Code of Iowa and establishing the fund referred to in Subsection 2 of Section 403.19 of the Code of Iowa (the "Central Urban Renewal Area Urban Renewal Tax Revenue Fund"), which fund and the portion of taxes referred to in that subsection may be irrevocably pledged by the City for the payment of the principal and interest on indebtedness incurred under the authority of Section 403.9 of the Code of Iowa to finance or refinance in whole or in part projects in the Urban Renewal Area; and

WHEREAS, the City Council has approved a Development Agreement (the "Agreement") with Performance Rehab (the "Company"), pursuant to which the City has agreed to make annual economic development tax increment payments to the Company, subject to annual appropriation by the City Council; and

WHEREAS, in the resolution approving the Agreement, the City Council created a subfund of the Central Urban Renewal Area Urban Renewal Tax Revenue Fund to be used to account for payments to be made under the Agreement (the "Performance Rehab Subfund"); and

WHEREAS, payments under the Agreement are scheduled to be made from the Performance Rehab Subfund during the fiscal year that will begin July 1, 2023, in an amount equal to 50% of the incremental property tax payments made by the Company in that fiscal year (the "Payments"); and

WHEREAS, it is now necessary for the City Council to obligate for appropriation to the Payments, funds anticipated to be received in the Performance Rehab Subfund in the fiscal year that will begin July 1, 2023;

NOW, THEREFORE, It Is Resolved by the City Council of the City of Oelwein, Iowa, as follows:

Section 1. There is hereby obligated for appropriation from the Performance Rehab Subfund the approximate amount of \$4,000.00, which is estimated to be an amount equal to 50% of the incremental property tax revenues that are expected to be received by the City in such Subfund from the Fayette County Treasurer in the fiscal year that will begin July 1, 2023.

Section 2. The City Clerk is hereby directed to certify to the Fayette County Auditor, no later than December 1, 2022, the amount obligated for appropriation in Section 1 above as part of the City's 2024 certification of debt payable from the Central Urban Renewal Area Urban Renewal Tax Revenue Fund and to reflect such estimated amount in the City's budget for the fiscal year that will begin July 1, 2023.

Section 3. All resolutions or parts of resolutions in conflict herewith are hereby repealed.

Passed and approved November 14, 2022.

Oelwein IA. 50662

Dear foundation board members:

The City of Oelwein park and recreation department is respectfully requesting a multi-year investment for improvements to the Williams Wellness Center, Oelwein Family Aquatic Center and Oelwein parks. The projects in this proposal will create new and updated additions to city facilities. These amenities are a tremendous asset to this community and will create a destination for our community members that invite visitors from out of town to spend their time and live in Oelwein!

The Oelwein park and recreation commission and city council has approved this proposal as it aligns with the park and rec master plan and is fully supportive of this proposal. The park and recreation department is growing by leaps and bounds because of the support from, city council, community, and this foundation. This is an exciting time that the city is embracing to make this community a wonderful place to live, work and raise a family. The development of the citywide trail system is a tremendous developing achievement that has other communities talking.

Park and recreation departments are leaders in improving the overall health and wellness throughout the nation and play a major role in enhancing the physical, social, behavioral, environmental, and mental health of our communities of all abilities, ages, social-economic backgrounds, and ethnicities. The projects listed in this proposal represent the goals and expectations of the oelwein park and recreation commission in their long-term outlook for theses departments.

Please feel free to contact the city at any time with any questions and let us know whether we might meet with you to discuss the merits of this proposal. Thank you for your time and consideration of our request.

Sincerely,

Joshua A. Johnson MA

5. Intention

It is the intention of the Park and Recreation department to transform the cities facilities for the community and surrounding areas for recreation. These stunning parks are an absolute perfect opportunity to create a facility that has amenities to bring people into this region and spend their money in this community. More importantly this is a huge opportunity for this community to create an area that the whole family can spend an entire day enjoying a leisurely atmosphere participating in a social activities.

Parks are a tangible reflection of the quality of life in a community. They provide identity for citizens and are a major factor in the perception of quality of life in each community. Parks and recreation services are often cited as one of the most important factors in surveys of how livable communities are perceived. Parks have a value to communities that transcend the amount of dollars invested or the revenues gained from fees. Parks provide a sense of public pride and cohesion to every community. Parks are crucial to the healthy development of our city, and should be a major part of any city planning going forward. Parks benefit everyone in the community. Being outside and playing in nature is crucial for the healthy development of children. Learning to play in nature improves hand eye co-ordination. Regular time in nature also improves the child's ability to learn and reduces symptoms of ADHD, training the brain to focus better. Children who spend a significant amount of time in nature also experience better emotional stability and improved mental health.

The nation's public parks and recreation are leaders in improving the overall health and wellness of the nation. They are essential partners in combating some of the most complicated challenges our country faces – poor nutrition, hunger, obesity, and physical inactivity. Park and recreation agencies effectively improve health outcomes and thus should be supported through national and community level funding and policies that enable them to continue to expand their efforts in making a positive change in the health and wellness of our nation.

Public park and recreation agencies create healthy communities and play a fundamental role in enhancing the physical environments in which we live. Through facilities, outdoor settings, and services provided, they support good health for people of all abilities, ages, socio-economic backgrounds, and ethnicities. They foster change through collaborative programs and policies that reach a vast population to:

- Help reduce obesity and incidence of chronic disease by providing opportunities to increase rigorous physical activity in a variety of forms.
- Provide a connection to nature which studies demonstrate relieves stress levels, tightens interpersonal relationships, and improves mental health.
- Aid in reducing hunger in America and increasing access to nutritious food options; and
- Foster overall wellness and healthful habits, such as becoming tobacco-free and engaging in enrichment opportunities that add balance to life.

Williams Recreation Pavilion – Wings Park

Pavilion

This pavilion measures one hundred four feet by thirty two feet in size. The main pavilion will house fifteen eight foot picnic tables with 2 3/8" outer diameter, eleven gauge pipe with a heavy PVC coating seating two hundred persons. Two addition tables will be fastened to the deck outside by the heavy gauge steel fire pits. There will be a four foot sidewalk around the perimeter for access to the bathrooms on the west side of the building. An ADA compliant facility with wheelchair access from 8th Avenue NE and paths to both diamonds will complement the pavilion. All lighting throughout the pavilion will be LED with a cupula on the peak with atomic clocks. Steel skin on ceiling, LP diamond coat vertical siding and trims to cover headers, 19-6" can lights in ceiling with switch and time clock, six GFCI protected outlets on interior walls.

The building portion will measure 32 ft x 32 ft with bathrooms, storage, concession, and storm shelter. This includes, full height concrete walls on perimeter, dividing walls wood construction with steel skins, ceiling steel skin, shelving in storage area, two stainless counters and sink in concession area, two rollup counter windows in concession area, one rollup garage door in storage area, women's bathroom two regular stalls, one ADA stall, one sink, one changing table, men's bathroom one ADA stall, three- urinals, one sink, one changing table, electrical outlets, and lighting. The layout will be different from the schematic below to maximize our needs for the facility.

Exterior

Versetta stone wainscot with cap approximately three feet tall with remainder of siding being LP diamond coat smart siding. Vertical siding and trims (prefinished), soffit and fascia cover, 23-6" LED can lights in soffit. Contractors will install gutters and 4-3x4 downspouts on roof perimeter and connect the downspouts into a 4" underground tile to be run away from the building.

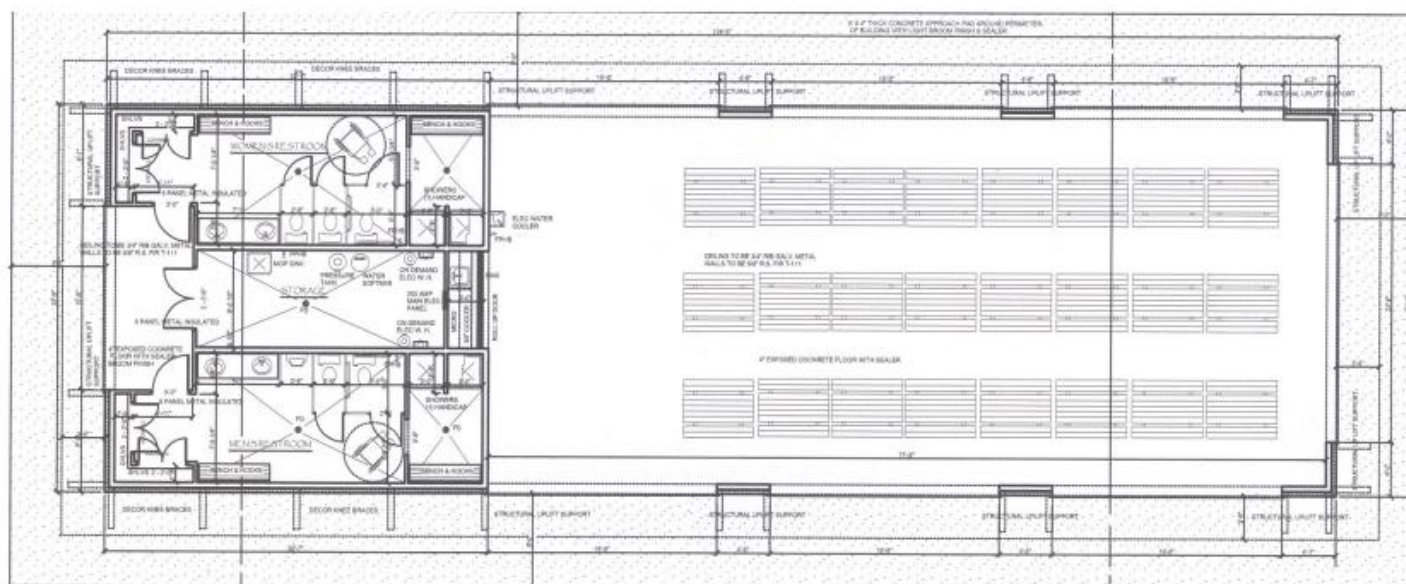

Electrical

A new meter and underground electrical feed will be installed. Contractors will relocate controls for ball diamond lights from the existing utility pole to the pavilion. Exhaust fans with ducting and exhaust fans will be installed in each bathroom, 2-4 ft wrap around LED 4ft fixtures.

Gator/Drags

Purchase a TH 6x4 diesel John Deere gator to drag and maintain the ball diamonds. With its 6-wheel design, the Gator TH is designed to haul materials typical of a turf environment such as rakes, shovels, soil, grass clippings, hoses, and gravel. This model's 16.4 cubic foot (.46 cubic meter) capacity reinforced box includes a gas-assist shock for easier lifting and dumping, pick-up style tailgate, 20 integrated tie-down points, and removable composite side panels and tailgate for flatbed operation.

Compliment the gator with a Broyhill ball field finisher with scarifier features rugged construction. Features 45-degree back slope level bar. 12" x 2" rubber strips with pattern grooves for a quality playing surface, 74" wide. A heavy duty 12-volt actuator kit with control box. Acquire a mesh drag the levels with its flat rugged design and a sand rake with finishing broom.

Veterans Sports Complex Soccer Fields

Convert the existing farm field that the city owns on the corner of highway 150 and 20th street SE into two regulation size soccer fields. Additional parking along the east side of the fields with a 10' wide sidewalk along the north end of the fields and drinking fountains installed for each field. Four premier 24' x 8' regulation soccer goals will compliment the facility.

Reidy Park Playground Equipment

Sensory Play

Self-led exploration on sensory play panels helps children to further develop their senses. High-touch panels provide multiple ways to grow cognitive, tactile, sensory/motor, emotional/social and language skills, and invite children to play with each other and use their imaginations.

Swinging

The back-and-forth movement of swinging provides a child's nervous system with a wealth of visual as they learn how their bodies move in space and how much effort it takes to increase or decrease their speed.

Spinning

Multi-dimensional movements like spinning and rotating supply children's brains with valuable, complex vestibular information. It connects input from head and body position in space, helping children maintain proper body posture and balance while they play. Our spinners offer optimal opportunities for interchangeable roles and group interaction.

Social/Imaginative

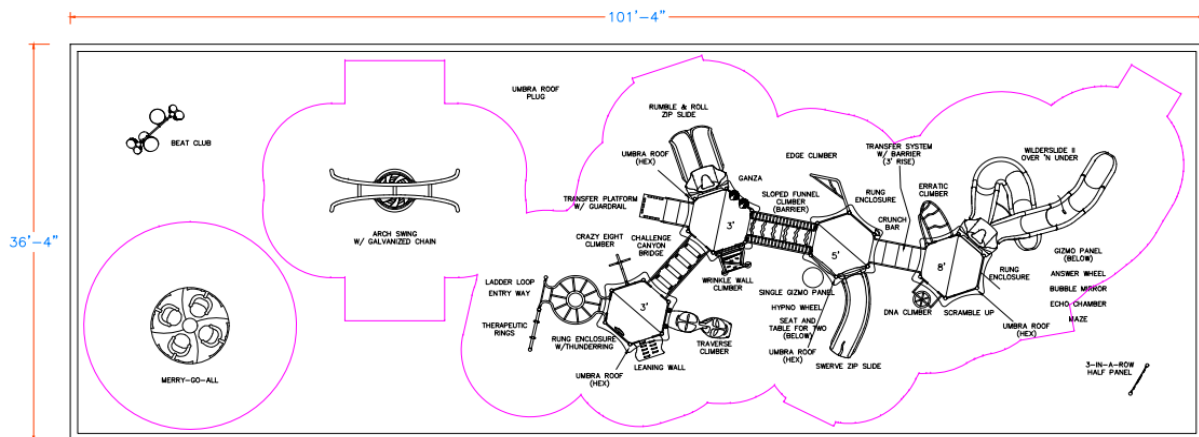

Whether it's a group playing together or one or a few children finding spaces for a quieter adventure, our playground products provide opportunities for all levels of social interaction.

Oelwein Park and Recreation

www.Oelwein.fun

Replace the existing dated playground equipment with updated amenities that are inclusive. This equipment will utilize interlocking rubber tiles for fall protection. The tiles will give the area a clean appearance that is low maintenance while eliminating an ongoing cost to the city with regards to mulching playground areas.

Williams Wellness Center Updates

Gymnasium Painting

All the concrete and gypsum board walls, metal panel walls, steel structural beams and HVAC ductwork will be painted with a high-quality paint surface. All the steel doors, frames, and window frames will also get a new paint surface. The outdated analog score boards from the walls that are no longer utilized will be removed from the facility.

Gymnasium Flooring

The Gymnasium flooring and track has a twenty-year expectancy lifespan which as of this November the facility turns twenty years old! As the floor has aged over the years it has become more slippery as maintenance efforts are becoming less effective. The new flooring would be an overlay over the existing floor that has held up for the various activities that are held in the gym seven days a week.

Oelwein Park and Recreation

www.Oelwein.fun

Track

A 6 millimeter overlay for the track, gym area, machine weight area fitness classroom and cardio room. This project includes the preparation of the existing flooring to receive the new Mondo overlay and all of court and track markings, disposal of the flooring in the Cardio Room and Fitness classroom. Flooring will be installed in all the workout spaces to have a uniform flooring system throughout the facility like the picture on the right.

Machine Weight Area

This machine weight area will receive the new mondo flooring that will be at the exact same height as the new track overlay.

Cardio Room

The cardio room has mismatched rubber mats that are not all the same thickness. Also, an uneven surface when you enter the room from the hallway, or the free weight room will be addressed.

Fitness Classroom

The fitness classroom has temporary flooring that is at the extent of its useful life. The temporary flooring that has been put into place creates an uneven surface that has the potential for a trip hazard for patrons and staff.

Corridor Painting and Flooring

All the existing concrete walls, metal doors & frames, metal window frames and handrails will be painted using a high-quality paint system that will last for years. With a fresh coat of paint and continuous flooring application the facility will have an inviting natural flow to it to welcome guests.

24-Hour Access Control

The current 24-hour access controller software is not being supported anymore by the manufacturer, and the key fobs are not as accessible to purchase. Currently there are three hundred seventy active fobs that members utilize. The old fobs would no longer work on the new system. The quoted price includes an upgraded access control unit, 500 fobs, and Kantech 1 door controller kit.

Surveillance System

The current surveillance system is approaching the end of its technological lifespan and is need of an upgrade. As stewards of this facility it is the cities responsibility to ensure a safe environment for both staff and facility members. The proposed system has an exponentially larger hard drive back up system that would give the city months of digital recordings. This system has been used by the aquatic facility and has a proven track record of high quality digital clarity and very user friendly.

Text includes: 'High Definition Video Surveillance', 'Improve overall safety and security', 'Monitor parking lot activity and entrances', 'Deter break-ins, theft, and vandalism', 'Ensure employee protocol & compliance', 'Professional Services: Licensed Installers, Customized solutions for YOUR application, Local maintenance & support', 'POWERFUL VIDEO ANALYTICS: Region entry/exit, Line crossing, Object removed', and 'View live & recorded video from your smart phone'. Images show a security camera, a monitor, and a smartphone.

Storage Room

The city is proposing to add to the storage capacity of the facility by adding a second level mezzanine to storage space. The city will see a huge return in investment in recreation supplies if the equipment is stored in a climate-controlled environment. Keeping all the recreational equipment in one central location will benefit the department in record keeping and inspections. Equipment will be protected from the dry, cold conditions that shrink and crack equipment and will keep wildlife from chewing on the foam components of the children's safety gear.

Front Desk Area

Turn the front desk area into a functional workspace with two workstations for employees. A well-organized workspace has numerous benefits. Properly laid out workspace helps employees stay clearly focused and define areas for office work. An organized space can literally eliminate distractions and position employees for success, saving time and keeping employees stay productive.

Wings Park ball diamond LED lighting conversion & fencing

In an effort to reduce the cities carbon footprint we are proposing updating the lighting at the Wings Park ball diamonds. The current lighting at diamonds one and three is not adequate and expensive to operate as they have 1000w incandescent bulbs in the fixtures. Diamond one will receive new updated wiring as the two outfield poles will have their lines trenched to the poles with new LED fixtures. Diamond two which has never had lighting on it will receive six new 40' poles and new fixtures. Diamond three will get new LED fixtures and another pole in the outfield. Along with the new lighting fixtures, the fencing at diamonds one and two will be replaced as they are past their useful life.

Diamond Brite Pool Surface

The City of Oelwein has done a terrific job taking care of the chemistry of the pool water over the past 26 years. This in turn means the pool, piping and components have been well taken care of extending the life of all these components. After all these years under the surface coating is starting to wear and has become rough to the touch and does need replacing. The entire surface of the pool will be removed and new diamond brite material will be replaced on the pool. The tile for the lap lanes will also be replaced as the six lanes run the length of the pool and travels up the ends of the lanes.

After 26 seasons, the Oelwein Family Aquatic Center is in need of a fresh coat of paint on the interior of the shower house. Along with the painting the walls, partitions and ceilings the contractors will address the taped joints on the ceilings as well.

The City of Oelwein has vested a lot of time in the past few years to make improvements to the facility to attract as many patrons as possible to the facility.

Park Tree Replacement

www.Oelwein.fun

These past four years the emerald ash borer has been devastating the urban tree canopy in this community. The park department alone has taken down 131 ash trees this past fall in parks and cemeteries, with more to go. The city is requesting funds to start replanting trees with the help of the tree board in all the parks in town. The oelwein tree board has worked diligently these past years to diversify their tree plantings and would like to add a spring tree planting each year to help repopulate the tree canopy.

9. Additional Information

This is one of many projects that this department has envisioned for the future. We invite you to join the City of Oelwein websites and Facebook pages to see all the projects that this newly invigorated department has completed in the past few years.

Public Communications

Marketing communication for Park and Recreation and Wellness Center Improvements.

Audience: Facebook users, online web page users

Strategy: Because we anticipate most of our customers to be college age students, we are focusing primarily on online advertising on the above listed sites/formats. Our message will be similar on each, but tailored as follows:

- Facebook's new advertising platform will let us target ads and "like" posts.
- Online web page usage is one of our core communication channels for the public. The City of Oelwein utilizes this service to keep the public informed on changes and upcoming projects. The Park and Rec department also utilizes this outlet by posting links to information about their department.
- The local paper will print an article for this community project, The Oelwein Daily Register.

Content: The importance of hiring local contractors to complete this project and create a safer environment for all visitors.

Future formats: We understand the online world changes and fads must be aggressively when relevant. To that end, we will seek out new forms of communicating with the public as we try to be as transparent as possible with the public.

Projected effectiveness: We expect our three-pronged approach to online communication to be successful in such a tech-accepting community as Oelwein.

Closing: This serves as a general guide to our online communications and may change depending on the Cities needs and focus.

**10. Mission Statement**

It is the mission of the Oelwein Parks and Recreation Department to create recreational opportunities and provide consistent, reliable public service; creating diverse programs and services to promote community involvement; and being a leader in recreation and leisure services while preserving our facilities for future generations.

AGREEMENT

This Agreement made and entered into by and between the City of Oelwein, Iowa, hereinafter referred to as the Employer, and Chauffeurs, Teamsters and Helpers Local No. 238, affiliated with the International Brotherhood of Teamsters, Chauffeurs, Warehousemen and Helpers of America, hereinafter referred to as the Union. The parties mutually agree as follows:

ARTICLE 1 -- COVERAGE

1.1 The Employer recognizes the Union as the exclusive collective bargaining representative of those classifications of employees as set forth by the Public Employee Relation Board Ruling Case No. 461, as amended by Case No. 6232.

Included: all full time and regular part time employees of the City of Oelwein in the Utilities Department, Street Department, and Clerks.

Excluded: the Cemetery Sexton, Supervisors of the Street Department and Utilities Department, Clerk Typist and all persons excluded by Section 4 of the Act.

There shall be three (3) departments covered under this contract. They shall be referred to herein as the Street Department, the Utilities Department and the Clerical Department. The Street Department shall be comprised of one classification of worker referred to as Street Laborer. The Utilities Department shall be comprised of one classification of worker referred to as Operator. The Clerical shall be comprised of one classification of worker referred to as Clerk.

1.2 The purpose of the City and the Union in entering into this labor contract is to set forth their agreement on wages, and other conditions of employment to achieve the highest level of employee performance consistent with safety, good health and sustained effort.

ARTICLE 2 -- MAINTENANCE OF STANDARDS

2.1 The Employer agrees that all conditions of employment relating to wages, hours of work, overtime differentials, and general working conditions shall be maintained at not less than the highest standards in effect at the time of the signing of this Agreement, and the conditions of employment shall be improved wherever specific provisions for improvement are made elsewhere in this Agreement.

2.2 The term "employee" wherever used in this Agreement refers only to those employees included in the bargaining unit.

2.3 In the event both the City and the Union mutually agree in writing to amend or modify any terms or provisions of this Agreement, such amendments or modification in writing shall be subject to the approval of the Mayor and the Council and the Business Representatives of the Union and will not be effective until such approval is given. In the event of disapproval of the Mayor and Council or the Business Representative of the

Union, said amendment or modification shall be null and void and of no force or effect.

2.4 The parties acknowledge that during the negotiations which resulted in this Agreement, the Union had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the areas of collective bargaining and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the Union, for the life of this Agreement, agrees that the Employer shall not be obligated to bargain collectively with respect to any subject or matter referred to or covered in this Agreement recognizing the right of the parties to mutually agree to discuss any subject or matter not specifically referred to or covered by this Agreement. Matters involving disputes as to the application or interpretation of this Agreement shall be processed through the grievance procedure.

ARTICLE 3 -- LIMITATIONS

3.1 Should any portion of the Agreement during the life of the Agreement be rendered invalid by state or federal legislation, the remainder of the Agreement will remain in full force and effect for the life of this Agreement.

3.2 Special rules and limitations shall follow the State of Iowa Public Employment Relations Act, and rules and regulations promulgated thereunder.

3.3 Consideration given to 4.1 and 4.2, the provisions appearing herein represent the total Agreement between the parties.

ARTICLE 4 -- UNION STEWARDS

4.1 The Employer recognizes the right of the Union to designate one (1) steward and one (1) alternate steward. Such designation shall be made in writing. Any changes shall be promptly reported by Union to the Employer. Union Steward shall be granted time off with pay during working hours to conduct union business that they are required to attend to. However, the steward shall notify their department head prior to leaving their work place for the purpose of investigating or presenting grievances.

ARTICLE 5 -- WAGE SCHEDULE AND JOB CLASSIFICATION

5.1 Rates of pay for job classification are as listed on Exhibit A attached to this Agreement and by reference shall become a part of this Agreement.

ARTICLE 6 -- TERM OF AGREEMENT

6.1 City Proposal: This Agreement shall be in full force and effect from July 1, 2019 to and including June 30, 2020 and shall continue in full force and effect from year to year thereafter unless written notice of desire to change or modify is served by either party by the end of September of the year prior to expiration.

City of Oelwein, Iowa

Request for Proposals

Single Hauler Program

Residential Refuse Collection, Recycling, and Bulk Pickup

1. Introduction

The City of Oelwein, Iowa (the City) is soliciting proposals from qualified bidders for Residential Refuse Collection, Bulk Pickup, and Recycling. This program will involve single family residences, duplex family residential units, and all city buildings. This program does not include apartment buildings, multi-family complexes and commercial properties located within the City.

For the purposes of the health, safety, welfare and the potential cost reduction for our residents the City Council has decided to enact the Single Refuse Hauler aspect as a viable alternative to the current system. All single and dual family residential units will be required by local ordinance to participate in the Single Hauler Program.

All bidders must submit a complete proposal which includes the form attached as **Exhibit A**, as well as a Statement of Bidders Qualifications, Documentation of Proper Insurance Policies and a list of references.

Request for Proposal (RFP) specifications can be picked up at the City Hall, 20 2nd Ave. SW, Oelwein, Iowa 50662.

All RFPs shall be marked: **"Single Hauler Refuse Program-BID"** and shall be delivered to the City of Oelwein- City Office by: December 14, 2023 at 11:30 A.M. Public Bid opening will be December 14, 2023 at 11:35 A.M. in the City Council Chambers Office located at City Hall, 20 2nd Ave. SW, Oelwein, Iowa 50662.

2. General Information

The City of Oelwein is located in southern Fayette County, Iowa. A twelve-month average shows there are 2,430 total residential units that use the single hauler program. The residential refuse to be collected, hauled and disposed of by the successful bidder consists of normal household rubbish, garbage, and recycled materials.

As a condition of the local ordinance, residents would not be allowed to contract with another waste hauler outside of the successful bidder's agreement. Recycling containers shall be provided for residents and shall be hauled and disposed of as a matter of contract.

Services are to begin May 1, 2023.

The form of the contract to be entered into between the City and the successful bidder, which contains all terms and conditions for providing the Services, is attached as Oelwein Single Hauler Agreement.

The RFP is a solicitation for bids and not intended as an offer to contract. The City of Oelwein reserves the right to issue clarification(s) and other directives concerning this RFP, to require clarification or further information with respect to any Proposal and to determine the final terms of the contract. The City also reserves the right to accept or reject any and all Proposals in the best interest of the City and its residents. Acceptance of the Proposal will be based upon factors including, but not limited to, cost to provide the services, completeness of Proposal, thoroughness of information provided, customer service standards, value-added services and prior Bidder performance with waste collection systems similar to those described herein.

All Proposals are firm offers to enter into the Contract and no Proposal shall be deemed rejected, notwithstanding acceptance of any other Proposal, until the Contract has been approved by the City Council and executed by both the City and the Successful Bidder.

3. Scope of Services

A. The Services to be provided by the Successful Bidder for the per unit prices to be indicated on **Exhibit A** include the following:

- 1) Collecting, hauling and disposing of Residential Refuse from dwelling units and city buildings located within the city once per week.
- 2) Collecting, hauling, and disposing of residential refuse from dwelling units and all city operated buildings, curbside collection of recyclable materials. Collection of recyclables shall be the same day as the collection of residential refuse and shall occur bi-weekly.
- 3) Collecting, hauling, and disposal of solid waste, rubbish, building materials and garbage of all city operated buildings from approved dumpsters (to be provided by the Successful Bidder) can occur independently of the residential refuse pick-up schedule.
- 4) The hauler will provide a bulk item pickup on the first full week of each month. Residential units will be allowed to place paid for bulk items on the curb the night before their normal pickup day. Bidders may be able to negotiate the bulk item pickup to work best for the bidder and city. Pickup for bulk items changes to weekly from May until August. The city has a program from May 1 to August 31 where bulk item tickets are discounted to residents. In 2022, the City had over 545 bulk items picked up from May to August during the weekly pickup.
- 5) The city will bill on the utility bill and pay the hauler monthly. The city will pay based on the number of bills sent out for the month. This number will be provided to the contractor.
- 6) Hauling of all residential refuse collected in accordance with the Fayette County Comprehensive Solid Waste Management Plan along with the Fayette County Landfill 28E Agreement at the Fayette County Transfer Station, and permitted by the Iowa Department of Natural Resources.
- 7) The hauler must provide separate, hard sided, plastic containers for the collection and temporary storage of residential refuse and recyclables (an approved container). The approved container for residential refuse shall have an attached, closing lid. It shall also have upon it the company name of the successful bidder and an "800" or local number for contact.

- 8) The successful Bidder shall provide at least two (2) 96 gallons carts. One cart will be clearly marked for refuse, and one container clearly marked for recycling. The city has a green lid for recycling, while this is ideal, it can be negotiated with the hauler. Additional options should be quoted if the bidder has a preference.
- 9) The Bidder's Proposal shall also include service for the elderly or the physically disabled.
- 10) The successful Bidder shall provide the services to all participating dwelling units between the hours of 6:00 A.M. and 5:00 P.M. on Monday, Tuesday, Wednesday or Thursday of each week, contingent upon the approval of a specific day of the week for collection by the City Council (Collection Day). The successful Bidder may not change the Collection Day, except when there is a legal holiday, without the approval of the City. If the City approves a change in the Collection Day, the Successful Bidder, at its cost, must provide notice of the change in the Collection Day to all of the Dwelling Units. In the event there is a legal holiday on the Collection Day, the successful Bidder shall collect the Residential Refuse and Recyclables on the following day, excluding Sunday. Legal holidays shall be New Year's Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, and Christmas Day.
- 11) The City's single hauler routes are split into four sections of the city based on Charles Street and Frederick Avenue:
 - i. Monday- Northeast
 - ii. Tuesday- Southwest
 - iii. Wednesday- Southeast
 - iv. Thursday- Northwest
- 12) The successful Bidder shall maintain a toll-free or local telephone number to receive service calls and complaints and be available for such calls between 8:00 A.M. and 5:00 P.M. Monday through Friday, except on the holidays listed above. All complaints must be given prompt attention. In the case of a missed scheduled collection, the successful Bidder shall immediately investigate, and if verified, shall arrange for pick-up of said residential refuse within twenty-four (24) hours after the complaint is received. The successful Bidder shall maintain a daily log of all such calls and complaints, which shall be open to the City for inspection and shall make annual reports regarding the same to the City.
- 13) The successful Bidder shall develop, print and distribute a brochure describing the services covered by this RFP, which includes a collection schedule, a list of materials that can be included in the approved container for recyclables, instructions on proper handling of the approved containers, instructions on what the customers are to do with Residential Refuse that does not fit into the approved container, etc. The brochure must be approved by the City prior to distribution. Whenever there is a change in services, an updated brochure must be distributed to all existing customers.
- 14) Dispose of the recyclables collected pursuant to the Contract in accordance with the all local and state laws.

- 15) Ensure that the successful Bidder's trucks and equipment is adequately marked with the name of the company, the telephone number and any other markings required by state or federal law.
- 16) Comply with all rules and regulations established by local, state and federal laws. The Successful Bidder shall be responsible for obtaining all permits, licenses and insurance to provide the Services.
- 17) Provide all services in an orderly, efficient and workmanlike manner, with a workforce adequate to accomplish the same on a regular basis, despite adverse conditions, equipment breakdown or similar hindrances.

4. Additional Services

The Bidder shall include a separate Proposal price for additional services that may be proposed by the Bidder

5. Qualifications of Bidder

- A. All Bidders must submit the following to the City in order to be deemed qualified and responsible:
 - (1) The original completed Proposal, including all exhibits thereto, delivered to the City Clerk at City Hall, 20 2nd Ave. SW, Oelwein, Iowa 50662 by the specified time set forth in Section 1 of this RFP. All Proposals must be typed or written legibly in blue or black ink. All Proposals shall use the form attached as **Exhibit A**. The Proposal form must indicate a fixed price quotation for each individual year of the Contract for the Service being bid, as well as additional services and any alternatives. Each hauler can provide a Proposal for Consumer Price Index (CPI) increases or fuel surcharges. A Proposal may be rejected if it does not contain a requested rate or charge for each and every item named in the Proposal form or may be interpreted as bidding "no charge" for any item left blank.
 - (2) Bid Security in the form of a certified check or money order in the amount of \$5,000.00, which shall be refunded or returned to those Bidders who are not the successful Bidder within five (5) days after the City Council executes the Contract for Services with the successful Bidder. If the successful Bidder fails to timely submit all additional information as requested, the City may retain all or a portion of the successful Bidders Bid Security as liquidated damages.
 - (3) Each Bidder submitting a Proposal expressly represents and warrants that it has an adequate period of time to conduct, and has conducted, all independent examinations, inspections and investigations required to make a fully informed Bid.
 - (4) Each Proposal shall include the cost of obtaining all permits, licenses and other authorizations required by law for performance of the Services. Each Bidder shall be responsible for determining the applicable licenses, permits and other authorizations required.
 - (5) Each Proposal shall be signed by the authorized officer, member or partner of the entity or by an individual, if the Proposal is submitted by an individual.
 - (6) Each Bidder shall furnish satisfactory evidence that it has the requisite experience, ability, capital facilities, organization and staffing to enable it to perform the Services successfully.

- B. If the City issues a request for Additional Information, the Bidder shall provide such information within two (2) business days after the receipt of the Request for Additional Information, or such other period as may be set forth therein. Any Bidder that fails to respond to the Request for Additional Information within the allotted time shall have its Proposal deemed incomplete and non-responsive.
- C. The items set forth above are the minimum qualifications that a Bidder must fulfill. However, exemptions to any condition may be submitted as alternatives.

6. Withdrawal of Bid Proposal

Any Proposal may be withdrawn at any time prior to the opening of any Proposals, provided that such a written request executed by the Bidder is filed with the City. The withdrawal of a Proposal prior to the opening of any Proposals will not prejudice the right of the Bidder to file a new Proposal, so long as such new Proposal is submitted prior to the due date and time of the Proposals.

7. Award of Contract

All Proposals shall be publicly opened and read aloud immediately upon the close of the bidding.

All prices set forth in a Proposal shall be held firm, open and capable of acceptance for 150 calendar days from the date Proposals are due as set forth above. The Agreement is proposed to start in May of 2023.

The City Council shall award the Contract(s) who, is best qualified to perform the Services to the satisfaction of the City and will best accomplish the objectives of the City. The City reserves the right to reject any and all Proposals, to reject any Proposal not complying with the specifications set forth in the RFP or the Contract Documents, to accept all or a portion of any Proposal, and to waive any informality in any Proposal if the City such waiver to be in its best interests. Any computational errors in the Proposal may be waived by the City if it deems such waiver in its best interests.

Upon award of a Contract by the City Council, the City shall prepare a notice of award. The successful Bidder shall enter into a negotiated contract with the City. The Successful Bidder shall execute said Contract within fourteen (14) calendar days after notice from the City of the award of the Contract.

As noted in Section 4 of this RFP, the City reserves the right to accept all, some or none of the additional services specified in the Bidder's proposal in the City's sole discretion.

At the time of execution of the Contract, the Successful Bidder shall post a performance bond with a corporate surety authorized to do business in Iowa and acceptable to the City, in an amount calculated as set forth in the Contract. Said performance bond shall indemnify the City against any loss resulting from any breach or failure of the performance by the Successful Bidder. Upon verification of this performance bond, the City shall refund the Successful Bidder's Bid Security. The bid bond shall be ten percent of the FY2022 revenue of \$341,484.15. The required bid bond shall be \$34,148.42. The bid bond shall be provided in separate envelope to be opened first.

Once awarded the Contract, the Successful Bidder shall provide, at its own expense, the following types of coverage of insurance:

The Bidder must provide certificates of insurance for all of the following insurance coverages:

A. The Bidder agrees to provide workman's compensation and employer's liability insurance for the term of this Agreement. Worker's compensation, as required by Iowa State law and employer's liability shall provide coverage for \$500,000.00 per accident, \$500,000.00 for each employee, and a \$500,000.00 policy limit.

B. General Liability – This insurance shall be written on an occurrence form of policy and shall protect the Bidder against all claims arising from injuries to members of the public or damage to property of others arising out of any act or omission of the Bidder or its agents, employees, or subcontractors. This policy shall specifically insure the contractual liability assumed by the Bidder under any lawsuits arising from the above actions or omissions. The City, its agents, officers, and employees will be named as additional insured. In addition, this policy shall include coverage for contractual incident contracts, broad form property damage, personal injury, underground explosion, collapse hazards, and coverage for punitive damages.

Bodily Injury - \$1,000,000/combined single limit/occurrence

\$2,000,000/aggregate

Property Damage- \$1,000,000/ combined single limit/occurrence

\$2,000,000/aggregate

C. Vehicle liability – This insurance shall be written in occurrence form and shall protect the Bidder against all claims arising from injuries to members of the public or damage to property of others arising from the use of licensed motor vehicles, whether owned, non-owned, or hired. The liability limits shall be no less than:

Bodily Injury - \$1,000,000/person

Property Damage- \$1,000,000/occurrence

D. Umbrella Liability – This insurance shall apply directly to excess of above liability coverages

Bodily Injury - \$3,000,000/combined single limit/occurrence

\$3,000,000/aggregate

Property Damage- \$1,000,000/ combined single limit/occurrence

\$1,000,000/aggregate

All such insurance policies and coverages shall be from an insurer acceptable to the City. The City, its officers and employees, shall be named as additional insured with respect to each of these required policies. The certificates shall contain the following statement:

"This is to certify that the policies of insurance described herein have been issued to the insured for whom this certificate is executed and are in force at this time. In the event of cancellation or material change in policy affecting the certificate holder, thirty (30) days prior written notice will be given to the City of Oelwein."

If the Successful Bidder fails to execute a Contract within this time period, sign any other required documentation, post the required bond or submit the required certificates or policies of insurance, the City shall have the right to annul the award of the Contract and impose liquidated damages on the Successful Bidder. If the award is annulled, the City may accept and award a Contract based upon the other Proposals remaining, as the City, in its discretion, deems to be in the best interest or may reject all Proposals and choose not to proceed with the program.

The successful bidder shall indemnify the City of Oelwein, and its officers and employees, against any and all damages to property or death of any persons or person, including property and employees, agents or invitees of the City of Oelwein and shall defend and indemnify the City of Oelwein from all and any claims, demands, action or proceedings of any kind or nature, or by anyone whatsoever, including but not limited to costs, expenses, and attorney fees, resulting from or arising out of the Successful Bidder's performance under the terms of this RFP and Contract and the operations connected herewith, including all operations of subcontractors, if any, and actions or omissions of employees or agents of the Successful Bidder. The Successful Bidder's insurance shall include contractual coverage of the forgoing indemnity agreement.

The successful bidder shall not discriminate against an employee or applicant for employment with respect to hire, tenure, terms, conditions or privileges of employment, or a matter indirectly or directly related to employment because of race, color, religion, national origin, age, sex, disability that is unrelated to the individual's ability to perform the duties of a particular job or position, height, weight or marital status.

Motions

17. Consideration of a motion authorizing staff to submit the Park and Recreation grant
 1. City staff prioritizes grant applications and applies for projects when necessary. The normal practice for staff is to apply for grants without council approval. Due to the large request in the Park and Recreation grant, the City Administrator felt it was necessary to seek council approval. This grant will be instrumental in helping the city provide excellent services for the next five years. The City Administrator recommends approving the grant application.
18. Consideration of a motion to approve the Public Works Chauffeurs, Teamsters and Helpers Local Union No. 238 2023-2024 Contract.
 1. The City Administrator negotiated with the union and came to a single year contract. The three percent follows the public safety union and the six percent for grade three and four is needed to ensure these positions are competitive. The City Administrator recommends approving the contract.
19. Consideration of a motion for council to seek proposals for a three-year single hauler agreement.
 1. The City is ready to seek proposals for single hauler services. The City Administrator recommends approving the motion.
20. Consideration of a motion approving Urban Renewal Report re: Fiscal Year 2021-2022 TIF Debt Outstanding.
 1. The City Clerk takes care of this entire item. All questions and concerns should be directed at the City Clerk.

PARKS MONTHLY UPDATE, SEPTEMBER 2022
PARKS / CEMETERY / AQUATICS / CAMPGROUND / TRAILS

Park and Recreation

www.oelwein.fun

This month in the park department we have been super busy completing tasks with very limited staff. This month the park and cemetery staff poured concrete foundations at Woodlawn for their fall pour. The front sign was decorated with a fall theme by the donor who gifted the sign to the city. The contractors came in with the final signs for segment three trail to wrap up that aspect of the project. I walked the new trail with Jon with Fehr Graham, and we came up with some items for the punch list for the contractor to address. We are getting ready for our big tree planting next week with this department. We have laid out plantings and called in utility locates for all the locations around town. The employees pulled t-posts from last year tree planting, cut tile for animal guards we place on the trees, and purchased string to tie up the new trees. Andrew Rust, our new Trees Forever representative attended the Tree Board meeting at the park building. The park employees installed all the 4x4 posts for the new disc golf course at City Park as we are trying to get as many projects completed as time allows. The employees took down another two dead ash trees in Wings Park this week near the trail. As the temperatures are starting to drop, we started winterizing bathrooms in some of the parks and closing them up for the season. Last week we watered all the trees at Redgate Park that have been planted in the past two years as it had not rained for a while. On the west side of Redgate Park we dropped 5 dead ash trees that were hanging over west Charles Street. We have been downtown trimming off the lilies in the mornings as this is a large task to complete each season.

This month we had our large tree planting with the Branching Out grant that was awarded to the department. There is a ton of leg work to complete for these projects beforehand that we complete to make this day go efficiently. After a two-hour rain delay, tree board members Jeff Milks and Kyle Scheel gave a great tree planting demonstration to the volunteers. Park and Rec board members brought volunteers from East Penn; Kyle Scheel brought employees from his landscaping business as well. Tree board members took the day to come in and help with park and cemetery employees and our Trees Forever representative, Andrew Rust cataloged the plantings with a GPS device. Both departments have been busy winterizing bathrooms and water lines in all the properties as the mornings continue to get colder. The employees started gathering all the equipment and bringing it back to the shop for annual maintenance. I attended the annual Iowa trails summit as some of the presenters were with some of the organizations that offer grants that we apply for. This week we also have the monthly trails committee meeting on Tuesday that was held at the park building and sent out the agenda for Mondays Park and Rec meeting.

Tree Board Members: Jeff Milks, Ron Lenth, Kyle Scheel, Bill Brownell

Please make sure and thank these board members that do a fantastic job for this community.

Since 2016 we have planted 585 trees, with an average estimated **annual** benefit value of \$199 per tree as approximated in the 2018 street tree survey the Park Department and DNR Forestry Department completed.

This month the employees have been working hard cutting down more dead ash trees in Platt Park. With the cold weather that rolled in we were busy last week winterizing the final water lines which included the campground. The campground was closed for the season as Carolyn and Craig Rohrick did a great job hosting for the city this year. Sweeping trails is an ongoing task this time of year as the leaves continue to fall. At City Park we removed the old yellow gates that are never used to spruce up the front entrances. I have filled out and sent in the follow up portion of the Branching Out project to Trees Forever. I have also called to area nurseries to get quotes on trees for the next round and working on that grant proposal. The employees have been watering all the trees we just planted from the Branching Out project as they will do into next week.

I met with Cristen Gallup with Alliant Energy to go over some projects that will be coming up next season. The employees have been busy with their weekly tasks with trail sweeping and other chores walking through the downtown. Nate replaced a board in the bridge by the pool that had a hole developing in it. At Platt Park the guys took several more trees down as they have taken 45 trees down in that park alone. We took down an ash tree in Chrysler Park with the bucket truck with it being in proximity of the gazebo. This week I turned in the Trees Forever grant proposal for 2023 and submitted the Tree City application for the city. I have been working on updating the trail presentation for segment two for final approval. The employees are finishing up the final days of watering the trees from the Trees Forever planting that are location throughout town. I also finished up the signs for the disc golf course for City Park and sent them off for production.

"The only thing that you absolutely have to know, is the location of the library." - Albert Einstein

Author Jocelyn Green will give a presentation at the Oelwein Public Library on Monday, November 7th, at 6:00 p.m. Jocelyn Green inspires faith and courage as the award-winning and bestselling author of twenty books. Her most recent release, *Drawn by the Current*, is a finalist in historical fiction for the Christy Award. Jocelyn will speak to attendees on how to transform the dusty textbook past into a living, breathing world that lifts right off the page. After identifying the top reasons people read historical fiction, she will explore how to satisfy hopes for an immersive setting, historical integrity, nuanced characters, and timeless truths. With strategies, examples, and a few cautions, participants will come away with new ways to approach and appreciate historical fiction. This session will appeal to both readers and writers. This event is hosted by PEO and sponsored by the Oelwein Public Library.

Wreath Making Class Saturday, November 5th at 10 a.m.

The Fayette Take A Kid Outdoors (TAKO) chapter is hosting a kids and adult family program to learn how to use materials from our woodlots, ditches, and natural areas to create seasonal wreaths. It is free and open to the public. A free will donation of canned goods will be accepted for area food pantries. Presenting the program will be Ron Lenth, TAKO board member and also with Iowa State University Extension.

Attendees will learn how to use natural materials like; wild grape vines, pine boughs, sumac, milkweed and others. Make a wreath for your home to enjoy or share. To aid in material needs, please contact the library at 319-283-1515 to register. TAKO focuses on outdoor education for our youth and holds regular area programs throughout the year.

To request an accommodation call 319-283-1515 or email oelwein@oelwein.lib.ia.us
