ORLAND CITY COUNCIL REGULAR MEETING
Tuesday, December 16, 2025

CALL TO ORDER

The meeting was called to order by Mayor Terrie Barr at 6:30 PM.

ROLL CALL

Councilmembers Present: Councilmembers John McDermott, JC Tolle, Matt Romano, Vice Mayor Alex Enriquez, and Mayor Terrie Barr

Councilmembers Absent: None

Staff Present: City Manager Joe Goodman, City Attorney Scott Drexel, City Clerk Jennifer Schmitke, Police Chief Joe Vlach, Library Director Jody Meza

PLEDGE OF ALLEGIANCE

ORAL AND WRITTEN COMMUNICATIONS

PUBLIC COMMENTS: None

CONSENT CALENDAR

- A. Warrant List (Payable Obligations)
- B. Approve City Council Minutes from December 2, 2025
- C. Authorization to Update Public Works Equipment Lifts
- D. Authorization to Install Battery Backup System at Commerce and Newville Stoplight

ACTION: Councilmember Romano moved, seconded by Vice Mayor Tolle, to approve the consent calendar as presented. Motion carried by a voice vote 5-0.

PUBLIC HEARING

City Manager Joe Goodman presented a public hearing closing out 3 grants (20-CDBG-CV2-3-00204 – Recreation Center Automatic Doors, 20-CDBG-CV2-3-00205 – City Hall/Police Department Automatic Doors and 20-CDBG-CV2-3-00207- Library Automatic Doors and Shade Structure)

Mayor Barr opened the Public Hearing at 6:36 P.M.

With no comments made Mayor Barr closed the Public Hearing at 6:36 P.M.

ACTION: Councilmember Romano moved, seconded by Vice Mayor Enriquez, to approve the matter as presented. Motion carried by a voice vote 5-0.

PRESENTATION

Library Director Jody Meza presented a slideshow highlighting the library's 2024/2025 status and accomplishments. She reported a diverse and growing collection, including over 400,000 eBooks, 36,482 physical items, Chromebooks and connectivity kits, Learning2Go kits, and specialty items such as Parks Passes and telescopes. Library use increased, with a 9% rise in visits and digital checkouts and a 5% increase in overall checkouts. The library served 10,443 users and hosted 176 programs with 4,163 attendees.

Ms. Meza outlined major facility and service improvements completed in 2024/2025, including a new generator, roof, HVAC system, and ADA doors, along with continued designation as a Clean Air Center. The library also secured multiple grants supporting youth literacy, programming, and facility enhancements.

Looking ahead to 2025, goals include strengthening student success partnerships, expanding literacy initiatives and outreach, increasing community education, and offering more all-ages programming. Ms. Meza concluded by acknowledging the strong support and partnerships from community organizations and local agencies.

Orland resident Coreen Deleon asked whether the schools were aware of the program schedule and suggested notifying them to help spread the word.

The Council thanked Ms. Meza and Library staff for their continued dedication and outstanding service to the community, noting that the library serves as a true beacon for Orland. Councilmembers expressed appreciation for the library's extensive outreach programs and the positive impact they have on residents. When asked about the library's current needs, Ms. Meza shared that the library is in a strong position staffing-wise, with a capable and successful team. The Council also commended Ms. Meza for her success in securing grants for the library and expressed sincere appreciation for her leadership and commitment, as well as for the exceptional contributions of her entire team.

ADMINISTRATIVE BUSINESS

Review of the Community Enrichment Ad Hoc Committee Framework

After reviewing the Community Enrichment Ad Hoc Committee Framework at the December 2 City Council meeting, the Council directed City Manager Joe Goodman to return with a revised proposal after receiving feedback from both the Council and the community. Mr. Goodman explained that the committee's purpose is to expand community events, activate public spaces, and enhance Orland's social and civic life. He noted that the committee will engage diverse community voices, support downtown activation, promote public gatherings, maintain a neutral mission that does not focus on any one cultural or identity advocacy group, and assist in carrying out Council priorities. Mr. Goodman also outlined the revisions that were made to the policy.

Ms. Deleon thanked the Council for reviewing the policy.

County resident Sarah Bosley shared her perspective on the policy and requested further review, noting that she felt there were areas of ambiguity within the framework.

Following the discussion, the Council agreed that the proposed policy is a solid starting point and expressed interest in having the committee revisit and refine the policy once it is formally established and bring any changes to the policy back to Council for consideration.

Action: Vice Mayor Enriquez moved, seconded by Councilmember Romano to Approve the attached Resolution establishing the Community Enrichment Ad Hoc Committee and authorize staff to begin the application process. Upon voice vote, the motion carried 5-0.

City Accounting and Budgets Update for Q1

City Manager Joe Goodman presented the First Quarter Budget Review for the period ending September 30, 2025, using the City's new financial reporting system, Tyler ERP Pro 10.

As of the first quarter, the City has expended 17.37% of its total budget, with the General Fund at 27.3%. Most other funds remain below the 25% benchmark. Mr. Goodman noted that some expenditure variances are expected due to the transition to the new accounting system and will be corrected before the next quarterly report.

Estimated revenues are generally tracking as expected, with sales tax at 23.47%, Measure A at 30.78%, Measure J at 37.48%, Water Enterprise at 40.98%, and Sewer Enterprise at 49.89%. Staff will continue monitoring revenues and recommend mid-year budget adjustments if needed.

Mr. Goodman stated that staff will provide more detailed financial analysis in upcoming meetings and work toward reducing the General Fund deficit while preparing the FY 2026–27 budget.

Councilmembers expressed concerns regarding expenditure amounts, allocation issues, and the underlying reasons for the City's budget deficit. City Manager Goodman explained that there is no single cause for the deficit, noting that operating costs continue to rise while revenues have remained relatively flat. He also stated that staff is working to bring all City funds into a consistent reporting format and anticipates completing that effort by the next budget cycle.

Councilmembers discussed the new reporting format and expressed their appreciation for its clarity and usefulness. Mr. Goodman added that he will be meeting with all department heads to review individual departmental budgets.

Employment Agreement for UPEC General Unit

City Manager Joe Goodman presented the General Unit agreement, which provides a 2% salary increase effective July 1, 2025, through June 30, 2026, with a salary reopen scheduled to begin in January 2026. Employees who hold state-required certifications in pool operation, water treatment, Grade I or Grade II water distribution, wastewater treatment, or Class A or Class B licenses will receive a 4.5% salary increase per certification, up to a maximum stipend of 18%.

In addition, the agreement also increases the annual boot allowance from \$220 to \$300, with an increase up to \$380 in special circumstances requiring a medical prescription. Mr. Goodman noted that the action also includes approval of the updated salary schedule.

Council thanked the employees for their patience throughout the lengthy process and expressed appreciation that an agreement was reached. They also shared their hope that future revenue growth will allow the City to continue supporting employees in upcoming negotiations.

ACTION: Councilmember McDermott moved, seconded by Councilmember Romano, to approve Resolution 2025-21, a Resolution of The City Council of the City of Orland Approving a Memorandum of Understanding Between the City of Orland and the Employees Represented by the United Public Employees of California Local 792, Orland General Unit, for One Year, Effective July 1, 2025, through June 20, 2026. Motion carried by a voice vote, 4-0-1. (Vice Mayor Enriquez abstained from voting as he was not part of the negotiations).

Authorization for Carnegie and Purity Building Hazardous Materials Survey

City Manager Joe Goodman requested Council authorization to conduct hazardous materials surveys of the Carnegie Center and the Purity Building at a cost of \$21,200. The surveys, including limited demolition at the Purity Building, will help identify materials requiring mitigation and provide more accurate cost estimates for demolition and renovation. Funding is proposed from Development Impact Fees allocated for City Hall and future community/recreation facilities.

Council discussed project priorities and reached a consensus that the City Hall/Police Department building is the top priority and should be addressed first. Council also emphasized that Carnegie is an important part of the community and should not be overlooked. Mr. Goodman shared that the survey is expected to take two to three days on site, after which it will be included in the feasibility report.

ACTION: Councilmember McDermott moved, seconded by Councilmember Romano, to recommend that the City Council authorize staff to execute a \$21,200.00 contract to conduct a comprehensive hazardous materials survey at the Carnegie and Purity Buildings. The motion carried by voice vote, 5-0.

City Council 2025 Appointments to Boards and Commissions

Mayor Barr announced the City Council appointments to Boards and Commissions for 2026.

2026 Council Appointments to Boards and Commissions

Updated December 16, 2025

City Commissions

Arts 3 rd Wed, monthly, 7 pm	Barr Romano (alternate)
Economic Development (EDC) 2nd Tues, every month, 4 pm	McDermott Barr (alternate)
Library 2 nd Mon, every other month, 5:00 pm	Barr Tolle (alternate)
Parks & Recreation 4 th Wed, meets when called, 6:30 pm	Enriquez Romano (alternate)

Planning Barr
4th Thurs, monthly, 5:30 pm McDermott (alternate)

Public Works/Safety Tolle
2nd Tues, every even month, 4 pm Enriquez (alternate)

City Selection Committee Mayor - Barr

Orland Unit Water Users' Assoc Romano
Voting delegate (Membership)

(Council minute order if City asked to serve on board) (One Councilmember, One Alt.)	Vice Mayor (alternate)
Airport Land Use Commission No meeting schedule	Romano No alternates on this commission
Glenn County Groundwater Sustainability Agency (GGA) & Drought Task Force (One Councilmember, One Alt.)	Romano Joe Goodman & Barber (alternate)
Golden State Risk Management 2 nd Wed every other month, 6 pm <i>GSRMA pays \$100 per meeting stipend</i>	Romano
Cal Cities (a.k.a League of California Cities)	Barr Tolle (alternate)
Resource Conservation District	Enriquez
Glenn County Senior Wellness Roundtable	McDermott
Glenn Continuum of Care	McDermott
Abandoned Vehicle Abatement Services Authority	City Police Chief – Joe Vlach

ACTION: Councilmember McDermott moved, seconded by Vice Mayor Enriquez, to: approve updated Council appointments to boards and commissions. The motion carried by voice vote, 5–0.

Authorization to Retain Demographer for City Council District Voting

City Attorney Scott Drexel informed Council that staff will need authorization to engage a demographer to assist with transitioning the City of Orland from at-large to district-based voting for future City Council elections. He noted that he has reached out to a demographer who handles approximately 80% of this type of work in California, and that the estimated cost for their services is \$20,000–\$30,000. This demographer will ensure the districting process is completed by May 2026, ahead of the November 2026 election.

Mr. Drexel also noted that, while he has contacted one demographer, the City could alternatively issue a Request for Proposals (RFP) to solicit additional bids. He further addressed questions from the community and Council that were raised at the previous meeting.

County resident Kristi Rumble asked how community members will determine which district they are in. Mr. Drexel shared that community members will be notified and that there will be multiple community meetings, as well as notices on the City website, Facebook, and possibly in the water bill.

County resident Sarah Bosley asked questions regarding district voting.

Council directed City staff to do an RFP for a demographer and follow through with the timeline to transition.

City Manager Verbal Report

City Manager Joe Goodman provided the Council with an update on several ongoing projects throughout the community, highlighting the following:

- Roof repairs at the Fire Department are progressing quickly, with only trim work remaining; however, weather conditions are delaying completion.
- An offer has been extended to a candidate for the part-time accounting position, with an anticipated start date of January 5.
- A tree ordinance will be included on the next Council agenda, and landscaping around the water park will also be discussed.
- The City Planner is currently reviewing the Objective Design Standards, and recommendations will be presented to the City Manager for consideration.
- Roy Stewart, Lead Mechanic, assisted in securing the City's placement on the list for significant funding from the Clean Water State Revolving Fund for wastewater pond stabilization, which will allow the City's wastewater ponds to be cleaned and relined.
- The pre-bid meeting for the downtown water main replacement project was successful, with strong contractor interest in replacing water mains in the alleys.
- The City Engineer is working to identify funding opportunities for the City dump location.

CITY COUNCIL COMMUNICATIONS AND REPORTS

Councilmember McDermott:

- Had no items to report.

Mayor Barr:

- Had no items to report; wished everyone a Merry Christmas and Happy Holidays and thanked the community for attending the meeting.

Vice Mayor Enriquez:

- Had no items to report.

Councilmember Romano:

- Provided a brief report from the 12-hour ambulance committee.
- Shared that City support for a 24-hour ambulance service will need to be reviewed at the first meeting in February.

Councilmember Tolle:

- Served as a judge for the City's light parade along with Councilmember McDermott.

MEETING ADJOURNED 9:04 PM

Jennifer Schmitke, City Clerk

Terrie Barr, Mayor

CITY OF ORLAND STAFF REPORT

MEETING DATE: January 6, 2026

TO: Honorable Mayor and Council

FROM: Joe Goodman, City Manager

SUBJECT: **Authorizing the City of Orland to Access State and Federal Summary Criminal History Information**

Background

The City of Orland currently conducts background checks for employment and volunteer positions through third-party providers. In order for the City to conduct Live Scan fingerprinting and receive state and federal criminal history information directly from the California Department of Justice (DOJ) and the Federal Bureau of Investigation (FBI), the DOJ requires formal authorization by the City Council.

Discussion

California Penal Code Sections 11105(b)(11) and 13300(b)(11) allow cities to access state, local, and federal summary criminal history information for employment purposes, provided the governing body adopts a resolution specifically authorizing such access. These statutes also require that employment eligibility be tied to specific criminal conduct and that criminal history information not be disseminated to private entities.

Approval of this resolution will authorize the City's Department of Human Resources to:

- Conduct Live Scan fingerprinting for City employment, volunteer positions, and contract employees.
- Receive and review state and federal criminal history information directly from DOJ and FBI.
- Ensure compliance with state law regarding confidentiality and appropriate use of criminal history information.

The resolution also establishes that individuals convicted of specified violent or serious felonies or misdemeanors may be deemed ineligible for employment or service with the City, consistent with state law and public safety best practices.

Attached: Resolution 2025-XX

Fiscal Impact

There is no direct fiscal impact associated with adoption of this resolution.

Staff Recommendation

Adopt Resolution No. 2025-XX authorizing the Department of Human Resources of the City of Orland to access state and federal level summary criminal history information through the California Department of Justice Live Scan program for employment, volunteer positions, and contract employees.

CITY COUNCIL

CITY OF ORLAND

RESOLUTION NO. 2025-XX

A Resolution of the City Council of the City of Orland Authorizing the Department of Human Resources of the City of Orland to Access State and Federal Level Summary Criminal History Information

WHEREAS, Penal Code Sections 11105(b)(11) and 13300(b)(11) authorize cities, counties, districts and joint powers authorities to access state and local summary criminal history information for employment; and

WHEREAS, Penal Code Section 11105(b)(11) authorizes cities, counties, districts and joint powers authorities to access federal level criminal history information by transmitting fingerprint images and related information to the Department of Justice to be transmitted to the Federal Bureau of Investigation; and

WHEREAS, Penal Code Sections 11105(b)(11) and 13300(b)(11) require that there be a requirement or exclusion from employment based on specific criminal conduct on the part of the subject of the record; and

WHEREAS, Penal Code Sections 11105(b)(11) and 13300(b)(11) require the city council, board of supervisors, governing body of a city, county or district or joint powers authority to specifically authorize access to summary criminal history information for employment.

NOW THEREFORE, BE IT RESOLVED, that the Department of Human Resources of the City of Orland is hereby authorized to access state and federal level summary criminal history information for employment with the City of Orland (including volunteers and contract employees) and may not disseminate the information to a private entity; and

BE IT FURTHER RESOLVED that the Department of Human Resources of the City of Orland shall not consider a person who has been convicted of a violent or serious felony or misdemeanor eligible for employment (including volunteers and contract employees, if applicable).

The Clerk of the City of Orland shall certify as to the adoption of this Resolution.

PASSED, APPROVED, AND ADOPTED this 6th day of January, 2026 by the following vote:

AYES:

NOES:

Terrie Barr, Mayor

ATTEST:

Jennifer Schmitke, City Clerk

CITY OF ORLAND STAFF REPORT

MEETING DATE: January 6, 2026

TO: Honorable Mayor and Council
FROM: Justin Chaney, Fire Chief
SUBJECT : 2025 Volunteer Fire Capacity Grant Resolution

Request for resolution approval for the annual VFC Grant

BACKGROUND:

Every year Cal Fire puts out a Volunteer Fire Capacity Grant (VFC) for up to \$40,000 with a \$20,000 match for any city or district under 10,000 people. We apply for this grant every year and almost always receive the full amount.

DISCUSSION:

This year we received approval for our grant application but for a reduced amount of \$15,000 from Cal Fire with an Orland match of the same amount. This year our grant application is for new radios to put into our excess Federal Forestry engine that will be used locally and going out of County for future strike teams.

RECOMMENDATION:

City Council approve resolution 2026-XX for this year's VFC Grant from Cal Fire

FISCAL IMPACT OF RECOMMENDATION:

\$15,000. The Measure A Public Safety budget includes \$20,000 for this purpose.

**RESOLUTION NO.
A RESOLUTION OF THE CITY COUNCIL
OF THE CITY OF ORLAND**

IN THE MATTER OF:

Resolution Number: 2026-XX

Approving the Department of Forestry and Fire Protection Agreement #7GF25732 for services from the date of last signatory on page 1 of the Agreement to September 30, 2026 under the Volunteer Fire Assistance Program of the Cooperative Forestry Assistance Act of 1978.

BE IT RESOLVED by the City Council of the City of Orland, that said Board does hereby approve the Agreement with the California Department of Forestry and Fire Protection dated as of the last signatory date on page 1 of the Agreement, and any amendments thereto. This Agreement provides for an award, during the term of this Agreement, under the Volunteer Fire Assistance Program of the Cooperative Fire Assistance Act of 1978 during the State Fiscal Year 2025-26 up to and no more than the amount of \$15,000.00.

BE IT FURTHER RESOLVED that Justin Chaney, Fire Chief, or his designee, is hereby authorized to sign and execute said Agreement and any amendments on behalf of the City of Orland.

The foregoing resolution was duly passed and adopted by the City Council of the City of Orland, at a regular meeting thereof, held on the 6th day of January 2026, by the following vote:

AYES:

NAYS:

ABSENT:

Terri Barr, Mayor

Alex Enriquez, Vice Mayor

CITY OF ORLAND STAFF REPORT

MEETING DATE: January 6, 2026

TO: Honorable Mayor and Council

FROM: Joe Goodman, City Manager

SUBJECT: **Approval of MOU Between the City of Orland and OUSD for Joint Funding of Shared Fence Improvements**

Background

The City of Orland and the Orland Unified School District (OUSD) share a common boundary along the northeast side of the Orland High School football field and the back side of the City swimming pool. The existing fence along this boundary has reached the end of its useful life and no longer adequately serves its purpose of providing separation, safety, and controlled access between the two public spaces.

The District has developed a plan to replace the fence and has obtained a cost estimate for the work. Given that the fence serves both District and City properties and provides mutual public benefit, the District has approached the City to request participation in funding the improvements.

Discussion

The proposed improvements include the installation of approximately 705 linear feet of 7-foot-high chain-link fencing along the northeast portion of the shared boundary. The project scope also includes the installation of one 10-foot and one 20-foot double swing gates to maintain appropriate access.

The total estimated cost of the project, as documented in Exhibit A to the MOU, is \$65,435. Under the terms of the proposed agreement, the City's financial participation is limited to no more than one-half of the actual final project cost, with a maximum contribution not to exceed \$32,717.50.

The project enhances public safety, security, and facility separation for both the high school campus and the City pool, benefiting students, patrons, staff, and the broader community.

Fiscal Impact

The City's financial obligation under the MOU shall not exceed \$32,717.50. Funding is anticipated to be available within measure J unallocated revenue. Payment will be made only after project completion and acceptance by the District.

Staff Recommendation

Approve the MOU between the City of Orland and the OUSD for joint funding of the replacement of the shared fence.

Attachments

1. Memorandum of Understanding Between the City of Orland and Orland Unified School District – Fencing Project Funding Agreement
2. Exhibit A: Cost Estimate for Fence Improvements

Memorandum of Understanding
Orland Unified School District and the City of Orland
Fencing Project Funding Agreement

The Orland Unified School District (District) and the City of Orland (City), together, Parties, agree as follows:

1. The District plans to replace the Northeast shared fence between the Orland High School football field and the back side of the city pool. The scope of work involves installing approximately 705 feet of 7-foot-high chain-link fencing along the northeast portion. This replacement will also include a 10-foot and a 20-foot double swing gate.
2. The District has obtained a cost estimate of the Improvements attached as Exhibit A, in the amount of \$65,435.
3. The Improvements will be of public benefit to the City and to District, enhancing overall safety.
4. The District has approached the City, requesting joint funding of the Improvements.
5. The City agrees to jointly fund the Improvements subject to all of the terms and conditions herein:
 - A. After completion of the improvements and final acceptance thereof by the District, the District will submit an invoice to the City.
 - B. The amount of the invoice shall not exceed the lower of one-half of the actual, final cost of the Improvements or \$32,717.50. The City will pay that amount within 60 days of receipt.
 - C. This is a funding agreement only. The District shall indemnify, hold harmless and defend the City in any action or claim arising from or in any way connected with the design and construction of the improvements. This indemnification agreement shall require, in any such action or claim, that the District provide the City with for full defense and indemnity costs, including attorney fees.

CITY OF ORLAND STAFF REPORT

MEETING DATE: January 6, 2026

TO: Honorable Mayor and Council

FROM: Lisa Lozier – City Planner

SUBJECT: **Tree Ordinance – Policy Discussion and Direction (Discussion)**

Background

At the request of the City Council, staff has prepared this report to provide general information and policy considerations related to the potential development of a Tree Ordinance for the City of Orland.

The purpose of this item is to facilitate discussion and obtain direction from City Council regarding:

- Whether a future tree ordinance should augment existing landscape regulations contained in Title 17 (Zoning) of the Orland Municipal Code, or
- Whether the City should pursue a stand-alone tree ordinance focused on tree conservation, protection, and maintenance for future development and/or existing properties.

Based on City Council direction, staff may return at a future meeting with additional information or prepare a draft ordinance for Planning Commission review and recommendation prior to consideration by the City Council. This information will also help inform the landscaping design for the new City water tank nearing completion on 6th Street.

Discussion

Existing Regulations -

Title 17 of the Orland Municipal Code currently includes landscape standards applicable to:

- Residential development
- Commercial and industrial development
- Parking lot landscaping

These standards address planting requirements but do not comprehensively regulate tree removal, long-term protection, or maintenance, particularly for mature or significant trees.

Policy Question for City Council -

Is the intent of a future “Tree Ordinance” to:

- Enhance and supplement existing Title 17 landscape regulations, or

- Establish a stand-alone ordinance addressing tree conservation, protection, and maintenance citywide?

Tree Ordinance vs. Tree Conservation Program

Understanding the distinction between these approaches is important for setting policy direction.

Feature	Tree Ordinance	Conservation Program
Nature	Mandatory legal regulation	Voluntary or incentive-based
Scope	Focused specifically on trees	Broader natural resource management
Authority	Enforced by local government	Administered by agencies, nonprofits, or partnerships
Goal	Protect trees for safety, canopy, and aesthetics	Promote long-term ecological health
Mechanism	Permits, standards, penalties	Education, incentives, grants

In summary: An ordinance emphasizes rules and compliance, while a program focuses on incentives, education, and voluntary participation to achieve broader environmental goals.

Common Elements of Tree Ordinances

If City Council directs staff to pursue a tree ordinance, typical components may include:

- Permits:** Required for removal or significant pruning of protected trees (often based on size, species, or location).
- Public Safety:** Clearance requirements for sidewalks, streetlights, traffic signs, and utilities.
- Protected Trees:** Additional standards for native, heritage, or significant trees.
- Development Standards:** Tree preservation, replacement, or mitigation requirements during construction.
- Exemptions:** Emergency removal of dead or hazardous trees, often with documentation by a certified arborist.
- Enforcement:** Penalties and replacement requirements for unauthorized removal.

Implementation Considerations

City Council may wish to consider:

- How a tree ordinance would interact with existing Title 17 development standards
- Potential unintended consequences, including:
 - Increased development timelines
 - Additional costs for arborist reports and mitigation
 - Administrative workload for staff

Tree Conservation Program (Alternative or Complement)

A tree conservation program could be implemented independently or in conjunction with an ordinance and typically includes:

1. Assessment & Planning

- Canopy mapping and goal setting
- Urban forestry or tree master planning

2. Protection & Policy

- Long-term goals and policies through the General Plan
- Tree protection orders or buffer areas

3. Active Management

- Strategic planting using diverse species
- Proper pruning, pest management, and wildfire mitigation
- Invasive species removal and restoration

4. Community Engagement

- Public education and volunteer planting programs
- Workforce training in arboriculture

5. Science-Based Practices

- Use of standards such as ANSI A300
- Ongoing monitoring and adaptation

Example for Reference

The City of **Red Bluff** has adopted a tree ordinance that:

- Protects Heritage Trees and mature native species
- Requires permits for removal or significant work
- Imposes replacement requirements for unauthorized removal
- Integrates tree protection into development standards

Staff may use similar ordinances as reference points if directed to prepare a draft for Orland.

Fiscal Impact

There is **no fiscal impact** associated with receiving this report and providing direction. Any future ordinance or program may have fiscal implications, which would be evaluated and presented at that time.

Staff Recommendation

Receive and file this report and provide direction to staff regarding whether to:

1. Prepare a Draft Tree Ordinance for review by the Planning Commission; and/or
2. Request additional information or alternatives, including consideration of a broader Tree Conservation Program or amendments to existing zoning regulations.

CITY OF ORLAND STAFF REPORT

MEETING DATE: January 6, 2026

TO:

FROM: Paul W. Rabo, City Engineer

SUBJECT: City Council discussion and possible action to award a construction contract for 3rd Street and 4th Street Alley Water Main Replacement Project (Discussion/Action)

BACKGROUND:

The City of Orland is the recipient of \$826,703 from the Department of Water Resources Urban and Multibenefit Drought Relief Grant. The purpose of the grant is to fund projects that will provide a drinking water benefit to the community. City staff has prepared three projects that would utilize the available funding. The projects include:

1. Central Street Well: work includes the re-lining of the well, installation of a new motor, pumps, controls and appurtenances.
2. 3rd Street and 4th Street Alley Water Main Replacement Project
3. 4th Street and 5th Street Alley Water Main Replacement Project

The work to be done under this Contract includes:

- Replacing approximately 483 linear feet of the original (1912) 4" diameter cast iron water main with an 8-inch diameter water main
- Installing gate valves
- Replacing 20 water services
- Replacing fire hydrant assemblies

A mandatory pre-bid meeting was held on December 15, 2025 so contractors could walk the project limits and ask questions. A total of 16 contractors attended the pre-bid meeting.

ANALYSIS:

A total of 9 bids were received from contractors with one of them being non-responsive. Please see the attached Bid Summary for the results. The engineer's estimated construction cost for the project was \$375,000.00. Staff has evaluated the bids and determined the lowest responsible bidder to be Walberg, Inc. with a bid of \$329,698.88.

RECOMMENDATION:

1) Staff recommends the City Council award a construction contract for the 3rd Street and 4th Street Alley Water Main Replacement Project to Walberg, Inc.; and 2) Authorize the City Manager to execute the contract and all other documents necessary to complete the project.

FISCAL IMPACT OF RECOMMENDATION:

A portion of the costs incurred for construction are being funded by DWR. Project costs in excess of the provided funding will be paid by the City.

CITY OF ORLAND STAFF REPORT

MEETING DATE: January 6, 2026

TO:

FROM: Paul W. Rabo, City Engineer

SUBJECT: City Council discussion and possible action to award a construction contract for 4th Street and 5th Street Alley Water Main Replacement Project (Discussion/Action)

BACKGROUND:

The City of Orland is the recipient of approximately \$826,703 from the Department of Water Resources Urban and Multibenefit Drought Relief Grant. The purpose of the grant is to fund projects that will provide a drinking water benefit to the community. City staff has prepared three projects that would utilize the available funding. The projects include:

1. Central Street Well: work includes the re-lining of the well, installation of a new motor, pumps, controls and appurtenances.
2. 3rd Street and 4th Street Alley Water Main Replacement Project
3. 4th Street and 5th Street Alley Water Main Replacement Project

The work to be done under this Contract includes:

- Replacing approximately 524 linear feet of the original (1912) 4" diameter cast iron water main with an 8-inch diameter water main
- Installing gate valves
- Replacing 20 water services
- Replacing fire hydrant assemblies

A mandatory pre-bid meeting was held on December 15, 2025 so contractors could walk the project limits and ask questions. A total of 16 contractors attended the pre-bid meeting.

ANALYSIS:

A total of 9 bids were received from contractors with one being non-responsive. Please see the attached Bid Summary for the results. The engineer's estimated construction cost for the project was \$410,000.00. Staff has evaluated the bids and determined the lowest responsible bidder to be Walberg, Inc. with a bid of \$377,341.82.

RECOMMENDATION:

1) Staff recommends the City Council award a construction contract for the 4th Street and 5th Street Alley Water Main Replacement Project to Walberg, Inc.; and 2) Authorize the City Manager to execute the contract and all other documents necessary to complete the project.

FISCAL IMPACT OF RECOMMENDATION:

A portion of the costs incurred for construction are being funded by DWR. Project costs in excess of the provided funding will be paid by the City.
