AGENDA

This agenda is subject to revision 24 hours prior to commencement of the meeting.

The Commission values public comment on issues relevant to Town government. To permit the fair and orderly expression of such comments, the Commission will adhere to the following rules for public comment, whether for an agenda item or during public comment for non-agenda items brought by the public.

A speaker must be recognized by the Chair to step to the podium, sign in, use the microphone, state name and address for the record, and address comments solely to the Commission, as a whole.

Each speaker is limited to 3 minutes, cannot pool time with another, and each speaker may only speak once per topic. Civility and respect is required. Comments should not be directed to Town staff, individual Commission members or to public members. Comments or disruption from audience members not recognized by the Chair are prohibited. Points already made should not be duplicated. Only written comments limited to one page will be permitted. Public members are also invited to submit comments by email to be distributed to the Commission separately. Note that comments submitted to the Town Commission are public record. Please understand that the Commission will listen and consider public comments; however, members will not discuss or take action on your comment but may refer it to staff and/or a future meeting for discussion.
