Subject: Low and Moderate Income Housing Fund Due Diligence Review

Action Requested: Approve a Resolution of the Oversight Board of the Successor Agency to the Paradise Redevelopment Agency Relating to the Due Diligence Review of the Low and Moderate Income Housing Funds.

Discussion:

In accordance with Health and Safety Code 34179.5, with approval of Butte County Auditor-Controller, the Successor Agency to the Paradise Redevelopment Agency hired Moss, Levy & Hartzheim, LLP, Certified Public Accountants, to complete a Due Diligence Review of the Low and Moderate Income Housing Funds (LMIHF). The purpose of the review was to determine the amount of cash and cash equivalents that are available for disbursement to taxing entities.

In addition to identifying available cash and cash equivalents, the review confirmed that the Successor Agency of the Paradise Redevelopment Agency is complying with its statutory requirements with respect to AB 1484 including transferring all LMIHF assets to the Successor Agency and using those assets appropriately. The auditors found no exceptions as a result of the procedures performed to review compliance.

The attached Due Diligence review of the LMIHF was submitted to the Oversight Board, the county auditor-controller, The State Controller's Office and the Department of Finance on October 1, 2012. Pursuant to Health and Safety Code Section 34179.6, the Oversight Board convened the required public comment session on October 4, 2012, to provide the public an opportunity to comment on the results of the LMIHF Due Diligence review. The Oversight Board has until October 15, 2012 to review, approve and transmit to the Department of Finance and county auditor-controller the determination of the amount of cash and cash equivalents that are available for disbursement to taxing entities.

Fiscal Impact Analysis:

Page 11 of the Due Diligence review identifies that there is \$92,640 of LMIHF funds

available for disbursement to taxing entities. These are funds remaining from the 20% set aside of prior property tax increment and also from LMIHF loans that have been repaid. None of these funds can be used for enforceable obligations of the former Paradise Redevelopment Agency.

If approved, the \$92,640 will be allocated to the pass-through agencies approximately as follows:

Butte County – General	13.15%	12,186
Butte County – Welfare	5.05%	4,681
Butte County – Library	1.40%	1,293
Kimshew Cemetery	0.00%	1
Paradise Cemetery	1.10%	1,016
Butte Mosquito Abatement Dist.	1.42%	1,316
Paradise Park & Recreation	5.15%	4,770
Paradise Unified School	34.70%	32,146
Butte County Schools	4.26%	3,943
Butte Community College	6.79%	6,293
Town of Paradise	24.95%	23,112
Paradise Irrigation District	2.03%	1,883

Result:

We found no exceptions as a result of the procedures performed. See Attachment B.

6. Obtain from the Successor Agency a listing of asset balances held on June 30, 2012 that are restricted for the following purposes:

A. Unspent bond proceeds:

- i. Obtain the Successor Agency's computation of the restricted balances (e.g., total proceeds less eligible project expenditures, and [redacted] set aside for debt service payments, etc.)

SUCCESSOR AGENCY OF THE REDEVELOPMENT
AGENCY OF THE TOWN OF PARADISE
AGREED UPON PROCEDURES OF AB 1484

- ii. Trace individual components of this computation to related account balances in the accounting records, or to other supporting documentation (specify in the AUP report a description of such documentation).

C. Other assets considered to be legally restricted:

- i. Obtain the Successor Agency's computation of the restricted balances (e.g., total proceeds less eligible project expenditures).
- ii. Trace individual components of this computation to related account balances in the accounting records, or to other supporting documentation (specify in the AUP report a description of such documentation).
- iii. Obtain from the Successor Agency a copy of the legal document that sets forth the restriction pertaining to these balances. Note in the AUP report the absence of language restricting the use of the balances that were identified by Successor the Agency as restricted.

If the restrictions are in effect until the related assets are expended for their intended purpose, this should be indicated in the report.

Result:

Procedures 6A, 6B, and 6C did not apply.

7. Perform the following procedures:

- A. Obtain from the Successor Agency a listing of assets as of June 30, 2012 that are **not** liquid or otherwise available for distribution (such as capital assets, land held for resale, long-term receivables, etc.) and ascertain if the values are listed at either purchase cost (based on book value reflected in the accounting records of the Successor Agency) or market value as recently estimated by the Successor Agency.

SUCCESSOR AGENCY OF THE REDEVELOPMENT
AGENCY OF THE TOWN OF PARADISE
AGREED UPON PROCEDURES OF AB 1484

Result:

The values of non-liquid assets are based on the book value reflected in the accounting records of the Successor Agency. See Attachment C.

- B. If the assets listed at 7A are listed at purchase cost, trace the amounts to a previously audited financial statement (or to the accounting records of the Successor Agency) and note any differences.

Result:

We found no exceptions as a result of the procedures performed.

- C. For any differences noted in 7B, inspect evidence of disposal of the asset and ascertain that the proceeds were deposited into the Successor Agency trust fund. If the differences are due to additions (this generally is not expected to occur), inspect the supporting documentation and note the circumstances.

Result:

We found no exceptions as a result of the procedures performed.

- D. If the assets listed at 7A are listed at recently estimated market value, inspect the evidence (if any) supporting the value and note the methodology used. If no evidence is available to support the value and/or methodology, note the lack of evidence.

Result:

Not applicable. The values of non-liquid assets are not listed at estimated market value.

8. Perform the following procedures:

- A. If the Successor Agency believes that asset balances need to be retained to satisfy enforceable obligations, obtain from the Successor Agency an itemized schedule of asset balances (resources) as of June 30, 2012 that are dedicated or restricted for the funding of enforceable obligations and perform the following procedures. The schedule should identify the amount dedicated or restricted, the nature of the dedication or restriction, the specific enforceable obligation to which the dedication or restriction relates, and the language in the legal document that is associated with the enforceable obligation that specifies the dedication of existing asset balances toward payment of that obligation.
- i. Compare all information on the schedule to the legal documents that form the basis for the dedication or restriction of the resource balance in question.
 - ii. Compare all current balances to the amounts reported in the accounting records of the Successor Agency or to an alternative computation.
 - iii. Compare the specified enforceable obligations to those that were included in the final Recognized Obligation Payment Schedule approved by the California Department of Finance.
 - iv. Attach as an exhibit to the report the listing obtained from the Successor Agency. Identify in the report any listed balances for which the Successor Agency was unable to provide appropriate restricting language in the legal document associated with the enforceable obligation.

Result:

No asset balances were retained to satisfy enforceable obligations.

- B. If the Successor Agency believes that future revenues together with balances dedicated or restricted to an enforceable obligation are insufficient to fund future obligation payments and thus retention of current balances is required, obtain from the Successor Agency a schedule of approved enforceable obligations that includes a projection of the annual spending requirements to satisfy each obligation and a projection of the annual revenues available to fund those requirements and perform the following procedures:

SUCCESSOR AGENCY OF THE REDEVELOPMENT
AGENCY OF THE TOWN OF PARADISE
AGREED UPON PROCEDURES OF AB 1484

- i. Compare the enforceable obligations to those that were approved by the California Department of Finance. Procedures to accomplish this may include reviewing the letter from the California Department of Finance approving the Recognized Enforceable Obligation Payment Schedules for the six month period from January 1, 2012 through June 30, 2012 and for the six month period July 1, 2012 through December 31, 2012.
- ii. Compare the forecasted annual spending requirements to the legal document supporting each enforceable obligation.
 1. Obtain from the Successor Agency its assumptions relating to the forecasted annual spending requirements and disclose in the report major assumptions associated with the projections.
- iii. For the forecasted annual revenues:
 1. Obtain from the Successor Agency its assumptions for the forecasted annual revenues and disclose in the report major assumptions associated with the projections.

Result:

The procedure was not considered necessary as the Successor Agency believes future revenues together with dedicated balances will be sufficient to fund future obligations.

- C. If the Successor Agency believes that projected property tax revenues and other general purpose revenues to be received by the Successor Agency are insufficient to pay bond debt service payments (considering both the timing and amount of the related cash flows), obtain from the Successor Agency a schedule demonstrating this insufficiency and apply the following procedures to the information reflected in that schedule.
 - i. Compare the timing and amounts of bond debt service payments to the related bond debt service schedules in the bond agreement.
 - ii. Obtain the assumptions for the forecasted property tax revenues and disclose major assumptions associated with the projections.
 - iii. Obtain the assumptions for the forecasted other general purpose revenues and disclose major assumptions associated with the projections.

Result:

The procedure was not considered necessary as the Successor Agency believes future tax revenues will be sufficient to fund future obligations.

- D. If procedures A, B, or C were performed, calculate the amount of current unrestricted balances necessary for retention in order to meet the enforceable obligations by performing the following procedures:
 - iv. Combine the amount of identified current dedicated or restricted balances and the amount of forecasted annual revenues to arrive at the amount of total resources available to fund enforceable obligations.
 - v. Reduce the amount of total resources available by the amount forecasted for the annual spending requirements. A negative result indicates the amount of current unrestricted balances that needs to be retained.
 - vi. Include the calculation in the AUP report.

Result:

Procedures 8A, 8B, and 8C did not apply.

9. If the Successor Agency believes that cash balances as of June 30, 2012 need to be retained to satisfy obligations on the Recognized Obligation Payment Schedule (ROPS) for the period of July 1, 2012 through June 30, 2013, obtain a copy of the final ROPS for the period of July 1, 2012 through December 31, 2012 and a copy of the final ROPS for the period January 1, 2013 through June 30, 2013. For each obligation listed on the ROPS, the Successor Agency should add columns identifying (1) any dollar amounts of existing cash that are needed to satisfy that obligation and (2) the Successor Agency's explanation as to why the Successor Agency believes that such balances are needed to satisfy the obligation. Include this schedule as an attachment to the AUP report.

SUCCESSOR AGENCY OF THE REDEVELOPMENT
AGENCY OF THE TOWN OF PARADISE
AGREED UPON PROCEDURES OF AB 1484

Result:

The Successor Agency does not need to retain cash balances to satisfy obligations on the Recognized Obligation Payment Schedule (ROPS) for the period of July 1, 2012 through June 30, 2013.

10. Include (or present) a schedule detailing the computation of the Balance Available for Allocation to Affected Taxing Entities. Amounts included in the calculation should agree to the results of the procedures performed in each section above. The schedule should also include a deduction to recognize amounts already paid to the County Auditor-Controller on July 12, 2012 as directed by the California Department of Finance. The amount of this deduction presented should be agreed to evidence of payment. The attached example summary schedule may be considered for this purpose. Separate schedules should be completed for the Low and Moderate Income Housing Fund and for all other funds combined (excluding the Low and Moderate Income Housing Fund).

Result:

We found no exceptions as a result of the procedures performed. See attachment D.

11. Obtain a representation letter from Successor Agency management acknowledging their responsibility for the data provided to the practitioner and the data presented in the report or in any attachments to the report. Included in the representations should be an acknowledgment that management is not aware of any transfers (as defined by Section 34179.5) from either the former Redevelopment Agency or the Successor Agency to other parties for the period from January 1, 2011 through June 30, 2012 that have not been properly identified in the AUP report and its related exhibits. Management's refusal to sign the representation letter should be noted in the AUP report as required by attestation standards.

Result:

We found no exceptions as a result of the procedures performed.

We were not engaged to, and did not, perform an examination, the objective of which would be the expression of an opinion on management's assertion. Accordingly, we do not express such an opinion.

This report is intended solely for the information of the Oversight Committee and Management of the Successor Agency of the Redevelopment Agency, California State Controller's Office, Department of Finance, and Butte County Auditor-Controller, and is not intended to be and should not be used by anyone other than these specified parties.
