**TOWN OF PARADISE
NOTICE OF PUBLIC HEARING**

NOTICE IS HEREBY GIVEN by the Community Development Director that a public hearing will be held on Thursday, June 21, 2018 at 11:00 a.m. in the Town Hall Council Chambers, 5555 Skyway, Paradise, CA, regarding the following matter:

a. Noise Variance Consideration for Proposed Nighttime Construction Activity

PARADISE MUNICIPAL CODE CHAPTER 9.18 – NOISE CONTROL

The Paradise Public Works Dept is proposing an official Noise Variance be considered for the construction of the Downtown Paradise Equal Mobility Project. The project involves replacement of failed or non-ADA compliant sidewalks and driveways along Skyway between Pearson Road and Elliott Road. Work is proposed to be performed during any combination of hours, including, but not limited to, after seven p.m. and before six a.m.

Justification for the night work noise variance includes the following:

- (1) Less impact to the traveling public (20,000 average daily vehicles)
- (2) Less impact to area businesses, meaning driveway closures will take place at night rather than normal business hours
- (3) Safer conditions for construction workers

The proposed Noise Variance would be in effect between July 9, 2018 and September 7, 2018, although construction is expected to be completed in mid-August.

For further information please contact the Development Services Department at (530) 872-6291, extension 111.

CRAIG BAKER
Community Development Director

EXCERPT OF APPROVED MINUTES FROM
MAY 8, 2018 TOWN COUNCIL MEETING

Council Member Zuccolillo left the dais at 7:42 p.m. due to a potential conflict of interest.

- 6e. Town Engineer Marc Mattox provided Council with an overview of the Downtown Paradise Equal Mobility Project which was awarded by the Active Transportation Program Grant in October, 2015. The purpose of the grant was to increase ADA compliance by replacing non-compliant driveways, replacing asphalt “sidewalks” and removing potential tripping hazards. The design was completed by Bennett Engineering in 2017 and on April 10, 2018 the Town Council authorized advertisement for bids. Four bids for the project were received on Monday, May 7, 2018 with an additive bid option modifying work hours from daytime work to nighttime work. (950-40-035, 510-20-194)

Town staff requested that the Town Council award the contract to ST Rhodes Construction of Redding, CA in the amount of their bid of \$497,926 and consider impacts of awarding the additive bid for night work.
Option 1 - (Base Bid Only) = \$522,926 Contract & Contingency
Option 2 - (Night work) = \$545,926 Contract & Contingency

After discussion, the Town Council determined that the night work option was most beneficial to the businesses on Skyway, because there would be less impact on traffic and the businesses. There would be some noise to the residence in the area. The job is to be completed within 25 working days.

MOTION by Lotter, seconded by Bolin, awarded a contract for the Downtown Paradise Equal Mobility Project. Contract No. 16-03 State Project No. ATPL 5425 (034) to ST. Rhodes Construction of Redding, choosing Option 2 – Night work, for a total cost of \$545,926. Roll call vote was unanimous with Zuccolillo absent and not voting.

Council Member Zuccolillo returned to the dais at 8:03 p.m.
