SUBJECT: Camp Fire Recovery Updates - Infrastructure

COUNCIL ACTION REQUESTED:

Background:

This report continues the Monthly Disaster Recovery Updates provided to keep the Town Council apprised of important developments related to the recovery of the Town of Paradise from the Camp Fire.

Road Rehabilitation

As previously covered in related Agenda Summaries and Updates, the Town of Paradise has secured funding from both FEMA and Federal Highways Administration for the purposes of road rehabilitation associated with Camp Fire damages from the fire itself, debris removal and tree removal operations. These projects cover all Town of Paradise publicly owned and maintained roadways.

A revised paving plan has been published here:

https://www.google.com/maps/d/u/0/viewer?mid=1w-PjuvtL5rmmOj_EM-4lFaj7sV-YVRs&ll=39.763511840651375%2C-121.61120815000001&z=13

This paving plan informs residents of which roads are expected to be paved in which calendar year. The plan will be updated frequently as actual field conditions change.

The Town of Paradise has awarded and scheduled 9 miles of paving for 2023.

To date the roads below are complete with all paving and will be striped at the conclusion of the overall contract:

- Dean Rd
- Merrill Rd
- Stearns Rd
- Country Club

The below roads are slated to begin after July 1, 2023.

- Sawmill Rd (Bille to Pearson)
- Elliott Rd (Ingalls to Cameron)

- Bille Rd (Clark to Vista Knolls)

Prior updates have noted the Town plans to pave 19 miles in 2023. The remaining 10 miles schedule are currently on hold until renewed environmental review is completed by FEMA. This second cycle of environmental review is due to the Improved Project status the project received recently. Two months ago, staff received notice that environmental review is complete. Town of Paradise
Council Agenda Summary
Date: July 11, 2023

Agenda Item: 2(c)

ORIGINATED BY: Susan Hartman, Community Development
Director – Planning & Wastewater

REVIEWED BY: Marc Mattox, Interim Town Manager
Scott Huber, Town Attorney

SUBJECT: Adoption of Town Ordinance No. 626

LONG TERM RECOVERY PLAN: No

COUNCIL ACTION REQUESTED:

1. Waive the second reading of Town Ordinance No. 626 and read by title only (roll call vote); **AND**
2. Adopt Town Ordinance No. 626 “An Ordinance Rezoning Certain Real Property From “C-C” (Community-Commercial) to a “C-F” (Community-Facilities) Zone Pursuant to Paradise Municipal Code Sections 17.45.500 Et. Seq. (PID: PL23-00042)”.

Background:

On June 13, 2023, the Town Council adopted a Paradise General Plan land use map amendment and introduced Ordinance No. 626 for purposes of eventual adoption. If adopted, the intent of the proposed ordinance is to rezone properties owned by Paradise Irrigation District (PID), located at 6332 and 6344 Clark Rd, to Community-Facilities thereby facilitating their proposal to replace an existing post sign to an electronic message sign. The rezone would reinstate the same zoning PID held at their previous locations on Black Olive Dr, prior to their move in 2011.

Analysis:

Town staff recommends that the Town Council waive the second reading of this entire ordinance; read it by title only; and formally adopt Town Ordinance No. 626 [copy attached]. Once adopted, the provisions of this ordinance will be effective thirty (30) days thereafter.

Financial Impact:

A nominal cost for publication of the ordinance within the local newspaper and for codification will be borne by the Town of Paradise.

Town of Paradise
Council Agenda Summary
Date: July 11, 2023

Agenda Item: 2(d)

ORIGINATED BY: Aimee Beleu, Finance Director/Town Treasurer
REVIEWED BY: Marc Mattox, Town Manager
SUBJECT: Direct Assessments for Butte County Property Tax Roll
LONG TERM RECOVERY PLAN: No

COUNCIL ACTION REQUESTED:

1. Adopt Resolution No. 2023-___, "A Resolution of the Town Council of the Town of Paradise certifying to the County of Butte the validity of the legal process used to place direct charges (special assessments) on the secured tax roll"; and,
2. Authorize the Town Manager and Finance Director to approve direct charge (special assessment) changes; and,
3. Authorize the Town Manager and Finance Director to execute the governing authority certification related to the direct assessments on the property tax roll.

Background:

For over ten years Butte County has provided the Town an economical means of collecting direct assessments by placing them on the property tax roll. It is efficient, cost effective, and provides a higher percentage of collection as compared to the Town billing each citizen directly. It also provides convenience to citizens as they receive fewer invoices and pay directly to fewer agencies.

Butte County has requested approval of the above documents for housekeeping and as a means of protecting the process for both agencies. As has been the case for several years, for 2023/24, the Town will place assessments on the property tax roll related to:

- 1) Animal Control Services
- 2) Annual Septic Operating Permits

Financial Impact:

The County receives \$0.30 per parcel per assessment type for this service. This fee has already been factored into the FY 2023/24 budget.

OR

7. Adopt an amended resolution and/or amended Operating and Capital Budget.

Background:

In general, it is staff’s goal to bring forward the final Capital and Operating Budget for adoption prior to June 30th of each fiscal year as a best practice. This year, the preliminary FY 2023/24 budget was presented to the Town Council on June 28, 2023. The draft budget and presentation

are posted on the Town's website for thorough examination and review by the Town Council and the Community prior to official adoption requested during the July 11, 2023 meeting.

Analysis:

The goals considered during the development of the FY 2023/24 Capital and Operating Budget, are as follows:

- **Financial Sustainability:** Ensure that the budget is balanced and that the annually budgeted transfers from PRO Funds are in line with the Town's long-term operational sustainability model projections to continually ensure long-term financial health is maintained, operational needs are met, and capital projects continue along budgeted schedules.
- **Personnel:** Augment staffing levels to solidify the Town's personnel structure and ensure that employee capacity is sufficient to cover operational and capital needs.
- **Disaster Recovery and Capital Improvement Projects:** Continue to properly manage Disaster Recovery and Capital Improvement projects to promote the rebuild of the Town's infrastructure and overall community in line with the Disaster Recovery and Capital Improvement Plan. This comprehensive plan was originally adopted with the FY 2021-22 budget and will continue to be monitored and updated during the FY 2023-24 budget cycle.
- **Manage Employee Retirement Costs:** Take action to prudently manage Town-wide Unfunded Accrued Pension Liability (UAL) and Other Post-Employment Benefit Obligations (OPEB).

The proposed budget represents the current best estimates of expected revenues and expenditures needed to maintain essential services and continue to support the rebuild of the Town with the above objectives in mind. Due to the dynamic nature of the Town's recovery projects funding sources and post-fire expenditures, these estimates will be closely tracked and regularly reported. Any proposed adjustments identified through the fiscal year will be brought to Council for review as soon as the changes are identified as needed.

The key highlights for the FY 2023/24 budget include:

- ✓ Increase of FTE from 88.75 (Original Budget 2023) to 97.85
- ✓ The General Fund is balanced through a transfer from PRO (previously PG&E Settlement funds). The amount of the transfer is slightly larger than the projections presented in the Fiscal Sustainability Model to ensure ongoing fiscal sustainability based on a medium growth scenario.
- ✓ Measure V began in April 2021 as a continuation of Measure C. The proposed Measure V budget allocates funds as: Police \$334,000, Fire \$295,000, Streets \$316,000, Animal Control \$355,000, reducing Measure V General Fund reserves by approximately \$271,582 while retaining an estimated ending unassigned fund balance of \$1.09 million for future use.
- ✓ The Building Safety and Wastewater department continues to experience tremendous levels of activity through continued rebuild activity throughout Town. The enterprise fund associated with this department is budgeted to remain fiscally sustainable as revenues are expected to meet expenditures moving forward.
- ✓ The Town has received federal funding allocations through the American Rescue Plan Act totaling \$2.67 million. The FY 2023-24 Budget includes the final expenditures to close out the program. These items include dispatch restoration, Animal Control Shelter Expansion, and economic development grants.
- ✓ The Gas Tax/Street Maintenance fund has experienced significant reductions in historical revenues following the implementation of the 2020 census due to the reduction in the

Town's population as a result of the 2018 Camp Fire. The loss of Gas Tax revenues has been budgeted to be backfilled through California state budget allocations included in Senate Bill 178 estimated at \$9.3 million.

- ✓ For the 2023-24 fiscal year, the Recovery and Economic Development Department budget will be moved into the General Fund to better align with its departmental function rather than a special fund tied to the Camp Fire. Increases in expenditures relate to \$1.73 million in Camp Fire recovery projects, \$20,000 in Personnel Services, and \$227,000 in additional Supplies and Contract Services.
- ✓ The total proposed funded Disaster Recovery and Capital Improvement Plan includes approximately \$581.46 million in total multi-year project costs across 52 different projects. This includes the recently awarded CDBG-DR projects totaling \$226.07 million, \$124.09 million in projects that are partially or fully funded, and the proposed \$231.30 million Paradise Sewer Project. Many of the projects within the program are moving toward, or are currently in, the construction phase as the Town continues through the rebuild process. The largest projects included in the 2023-24 budget are as follows: Pentz Pathway - \$1.1 million, Skyway-Neal Bike Project - \$1.35 million, Oliver Curve \$1.48 million, Downtown Sewer - \$46 million, Pentz Road Widening - \$1.8 million, and Roe Road Phase 1 - \$1.77 million. The estimated increase in the Capital Improvement Plan budget is \$53 million and Disaster Recovery is \$7.5 million.

Financial Impact:

The 2018 Camp Fire has created an unprecedented financial situation for the Town's general operations and capital improvement plans. This includes the need to maintain essential services while experiencing a drastic reduction in revenues. The proposed budget for FY 2023/24 helps to ensure the needs of the Town are met while maintaining fiscal sustainability through use of the PRO (formerly PG&E Settlement) funds. Highlighted fiscal impacts of the FY 2023/24 budget are indicated above. Further detailed information is included within the full executive summary of the FY 2023/24 budget document, throughout the 2023/24 budget presentation, and within the full FY 2023/24 Operating and Capital Budget document.

Fiscal Year 2023-24 Capital & Operating Budget Executive Summary

Enclosed is the adopted budget for Fiscal Year 2023-24. The budget serves as the Town’s primary financial management tool and is an important expression of policy regarding public services and community priorities. The budget considers the Town’s short and long-term organizational goals in consideration of available revenue. As such, the budget is utilized as both a financial plan and a communication device. The fund summaries provide an understanding of the financial condition of the funds that comprise the overall budget. The budget includes organizational charts, descriptions of services provided, accomplishments, initiatives, and performance measurements to better explain the functions and program objectives of each department.

Services Provided by the Town

The Town’s FY 2023-24 operating and capital budgets were developed to promote financial transparency, and to meet the goals identified by Council for the coming fiscal year. The budget document serves as a planning and monitoring tool for the fulfillment of all services provided by the Town to the citizens of the community. These services include:

- Police protection, education, and enforcement
- Fire protection, prevention, and medical assistance
- Building development and planning services
- Storm water, wastewater, and septic onsite services
- Engineering, project management and program administration services dedicated to leveraging local funds and bringing new money into the community to fund capital improvement projects, rebuild infrastructure damaged by the 2018 Camp Fire, and support the recovery of the community at large
- Public works infrastructure and street maintenance services
- Animal control services for the safety and protection of domestic animals, rabies control, and animal shelter
- Coordination with Butte County Association of Governments to provide transit services within the Town and throughout the region.
- Administration of a business and housing program that provides assistance to home buyers and builders through various funding programs, while supporting local non-profit agencies

- Administration of economic development programs to support local businesses and promote the return of commerce to the Paradise area following the 2018 Camp Fire
- Information, communication, and direct citizen involvement to the democratic process

Long Range Fiscal Sustainability

Due to the destruction of property and loss of population within the Town as a result of the 2018 Camp Fire, the Town's traditional General Fund revenue sources are not currently sufficient to meet the cost of providing the above-mentioned services. Historically, the Town has received the majority of total General Fund revenue from Property Taxes (~40%), Motor Vehicle in Lieu (~18%), Sales Taxes (~15%) and Measure C/V (~10%). Based on current estimates, the Town is expected to receive approximately half of the historical pre-fire annual revenues.

Following the 2018 Camp Fire, the Town received a net settlement from PG&E in the amount of \$219.18 million. Starting with this budget year, the PG&E Settlement proceeds are now referred to as the Paradise Recovery & Operations Fund. The reason for this change in description from PG&E Settlement Funds to Paradise Recovery & Operations Fund, or abbreviated as PRO Fund, is to identify purpose of the funds and importance with a long range view.

To bridge gaps in revenue shortfalls for the foreseeable future, the Town plans to utilize the Paradise Recovery & Operations Fund to balance the budget. This use will allow the Town to continue to provide essential services to the community. Further, the funds are critical for necessary investments into recovery projects, infrastructure projects, unfunded match requirements, and other unanticipated recovery needs.

Town staff has worked diligently with municipal financial advisors to develop a long-term financial sustainability model, which projects future Town of Paradise revenue and expenditures over the coming twenty-five to thirty years. These projections take into consideration a multitude of factors, such as the rate of housing rebuilds in the area, population growth, inflation, cyclical economic downturns, and investment return. Based on the input of these factors, the model projects the amount of annual draw down needed from the PRO Funds to balance the Town's budget. This ensures operational and capital funding needs are met for the foreseeable future.

Of the original Paradise Recovery & Operations Fund, 90% (approx. \$200 million) has been reserved for future use towards operational costs, as directed by Council during the FY 2021-22 budget development process. The remaining 10% of the original settlement amount (approx. \$22 million) has been reserved as a contingency fund for additional operational needs beyond the 25-year projection included in the fiscal sustainability model, and/or to meet any potential additional match funding requirements for recovery projects, as needed.

This model has been, and continues to be, an important and insightful planning tool for current and future decision making. As with any projection of long-term uncertain activity, it is important to note the dynamic nature of the assumptions modeled. As such, the model is continually monitored and updated based on actual activity and new information. The model is currently being updated and will reflect the following assumptions:

- Revenues and Expenditures: Based on the account balances leading into the FY 2023-24 Budget
- Rate of housing rebuild: Based on the rate of rebuild post-2018 Camp Fire, including long term medium growth rate estimates
- Investment return: Based on current rates of return
- Inflation: Based on long-term historical averages

Staff anticipates the updated model to be presented in summer 2023, inclusive of the 2023-24 budget projections.

2022-23 Year in Review

The FY 2022-23 operating and capital budgets were adopted July 12, 2022. The General Fund was adopted with a balanced budget, which was achieved through a transfer from the Paradise Recovery & Operations Fund to compensate for revenue shortfalls resulting from the 2018 Camp Fire. 2023-24 Ongoing Goals

Continuing on Council initiated goals set in the prior budget year, the following critical priorities remain in the 2023-24 Budget.

- *Financial Sustainability:* Ensure that the budget is balanced and that the annually budgeted transfers from the Paradise Recovery & Operations Fund are in line with the Town's long term operational sustainability model projections to continually ensure long-term financial health is maintained, operational needs are met, and capital projects continue along budgeted schedules.
- *Personnel:* Maintain staffing levels achieved through the FY 2022-23 budget levels to further solidify the Town's personnel structure and ensure that employee capacity is sufficient to cover operational and capital needs. Further, in 2023-24, there are minor increases in staffing for dispatch restoration, Information Systems, Housing and Engineering
- *Disaster Recovery and Capital Improvement Projects:* Continue to properly manage Disaster Recovery and Capital Improvement projects to promote the rebuild of the Town's infrastructure and overall community in line with the Disaster Recovery and Capital Improvement Plan. This comprehensive plan was originally adopted with the FY 2022-23 budget and will continue to be monitored and updated during the FY 2023-24 budget cycle. Shortly after adoption of the 2022-23 budget, the Town of Paradise received about \$230M in additional Disaster Recovery Infrastructure funding. 2023-24 General Fund Budget

Looking to fiscal year 2023-24, the General Fund budget includes a planned transfer from the Paradise Recovery & Operations Fund in the amount of 11.95 million. The increase in the projected transfer amount compared to the prior year budget is largely the result of several distinct factors listed below:

- Dispatch services restoration
- Cal Fire contract increases
- Increased costs in supplies and services associated with national economic conditions
- Establishment of TOT Reinvestment Program
- Decrease in Animal Control revenues from Measure V for staff operating costs
- Construction of the Animal Control Shelter Expansion Project
- Decrease in traditional gas tax revenues for Public Works (planned to be offset through approved legislative allocation)
- Planned investments into Finance Department studies, reviews and processes
- Planned capital project for roadway evacuation zone signs

Below is a brief table of the Town’s total traditional revenues, expenditures and PRO Transfer:

Year	Traditional Revenues	Expenditures	PRO Transfer
2021-22	\$9.79M	\$16.09M	\$6.30M
2022-23	\$7.95M	\$19.08M	\$11.13M
2023-24	\$11.37M	\$23.32M	\$11.95M

2023-24 Other Funds

The following is a summary of the financial activity of the other major funds included in the FY 2023-24 Operating and Capital budgets. The information is provided in a concise format to allow for an overview of the detailed revenue and expenditure information included in the full budget document.

Measure V – General Fund

Measure C, the 0.50% six-year temporary transaction and use tax, expired on March 31, 2021. Measure V represents a ten-year continuation of this 0.50% temporary transaction and use tax, which will automatically expire on March 31, 2031. Measure C has been extremely beneficial to the Town of Paradise and has met the intended goal of ensuring continued critical services, repairing and replacing long-deferred capital improvements, and purchasing much needed public safety vehicles and equipment. The

proposed Measure V Budget for FY 2023-24 has been drafted to continue to meet the goals of Measure V based on current needs identified by Town staff and previous Committee input, while maintaining a proposed unassigned fund balance of \$1,092,198 through the end of the coming fiscal year.

Proposed expenditures for the coming fiscal year include:

- Fire Department \$295,000
 - Cal Fire Contract Staffing Support
 - Fire Station 82 Roof Replacement
- Police Department \$334,000
 - 2 Tahoes, 1 VIPS vehicle
 - Training & Cadet Sponsorship/Incentive
- Animal Control \$355,000
 - Staffing Support (Reduced)
 - Operations Support
 - Shelter Expansion
- Public Works (Fleet Division) \$316,000
 - Heavy Equipment Lifts
 - Lighting Upgrades, Roofing Repairs
 - Field Utility Truck
 - Exhaust Evacuation System

Fund 2030 – Building Safety and Waste Management

This combined enterprise fund (building & onsite) continues to experience tremendous levels of activity through continued support of rebuild activity in Town. The fund is expected to generate revenues through FY 2023-24 amounting to just over \$3.5M, which continues slightly lower than recent years. Expenditures for FY 2022-23, including transfers out, are budgeted to be \$2.54M, which is expected to continue to maintain the reserve of this fund to \$4.6 million by the end of the next fiscal year. The slight decrease in rebuilding activity is likely due to increasing interest rates affecting regional economic conditions for builders and investors alike.

Fund 2070 – Animal Control

Similar to previous fiscal years, Measure N funding (estimated at \$130,000) which was originally meant to supplement the General Fund contributions toward animal shelter activities and animal control functions, is not sufficient to fund complete operations (excluding one-time capital outlays for shelter expansion). In order to continue to provide the same level of Animal Control functions, operational costs are budgeted to be funded through continued donations from outside agencies, Measure V funds and General Funds.

Fund 2090 – Recovery and Economic Development

The recovery and economic development team continues to fulfill the department mission statement of maximizing the Town's opportunity to recover commercially and residentially resilient, inform and engage residents through public information, advocating on behalf of the Town at the federal and state level, and supporting the restoration of the Town's tax base by attracting residential and commercial investment. The department also provides grant administration and project management over the Town's Hazard Mitigation Grant programs to support the overall recovery of the Town. For the 2023-24 fiscal year, the Recovery and Economic Development Department budget will be moved into the general fund to better align with its departmental function rather than a special fund tied to the Camp Fire. This action is purely administrative.

As of the beginning of FY 2023-24, this fund is expected to have a deficit of \$2.48 million due to the timing of revenue lagging behind revenues received. The specific costs composing this deficit include costs related to the Category 3 Private Tree Program (\$1.12 million), Public Assistance Project Costs (\$35,000), Hazard Mitigation Grant Program administration contract services (\$418,000) and outstanding insurance claims related to the 2018 Camp Fire. Town staff fully expects the revenues to ultimately be realized and is working diligently to secure funding for the costs related to both the current deficit balance and future costs incurred.

Fund 2095 – American Rescue Plan Act (ARPA, COVID-19) Fund

The Town has received federal funding allocations through the American Rescue Plan Act totaling \$2.67 million. To date, \$1.36M of ARPA funds have been spent on various projects approved by the Council such as radio infrastructure, vehicle purchases, facilities and other COVID-19 mitigation measures. The FY 2023-24 Budget includes a total proposed use of these funds of \$1.31M including further projects supporting dispatch restoration, Animal Control Shelter Expansion, and economic development grants.

Fund 2160 – Building and Housing Services

Housing programs are funded through State and Federal Grants and bring dollars into the community that not only help out residents and improve out housing stock, but also help to support those residents who work in the housing industry, including realtors, lenders, contractors/sub-contractors and building suppliers. Building and Housing staff continue to administer critical housing programs through outside funding that offer deferred, low-interest loans to eligible first-time home buyers, deferred, low-interest loans to eligible homeowners for home repairs or reconstruction, grants for septic repair or replacement, and CDBG-DR Multi Family Rental Housing Development Project.

Fund 2110 – Transportation

Butte County Association of Governments (BCAG) estimates apportionments in the amount of \$415,645 will be made available to the Town for the coming fiscal year. These funds add to the transportation funding reserves of \$547,623 currently held with BCAG. Town staff is actively working to identify eligible projects for use of these funds. For FY 2023-24, \$279,000 of available funds are planned to be utilized primarily to support the Almond Street Multi-Modal improvements (Capital Improvement Plan Project #9377), the Ponderosa Safe Routes to School (Capital Improvement Plan Project #9380), the Systematic Intersection Safety Improvements (Capital Improvement Plan Project #9408), the Interim Striping Safety Projects (Capital Improvement Plan Project #9429), and the Pearson Road Hilltop Guard Rail Project (Capital Improvement Plan Project #9430).

Fund 2120 – Gas Tax / Streets Maintenance

A new obstacle for Paradise’s recovery is the significant loss of essential gas-tax revenues resulting from the Town’s extreme decrease in population after the fire. The 2020 Census will states 4,754 people are currently residing in Paradise, compared to the pre-fire population of 26,711. A significant portion of the Town’s gas-tax related revenues are tied to actual population data. The Town’s 2019-2020 Projected Revenues published by CaliforniaCityFinance.com at its pre-fire population was nearly \$1.1M. With new census data, gas tax and other transportation revues are forecasted to decrease by 77% between effective dates of the 2020 census.

The Town of Paradise has successfully advocated for additional funding to support the population-tied gas tax funding in the 2022 State of California Budget. Section 19.56, subdivision (g)(1)(AN) Transportation of the Budget Act of 2022 (the Act) appropriated \$9,300,000 (the Funds) from the State General Fund to Caltrans, to be allocated to Town of Paradise for Road Rehabilitation and Maintenance.

The Town of Paradise anticipates receiving these revenues in lump sum in the 2023-24 Fiscal Year and establishing a separate fund which bridges gaps between actual gas tax revenues and operating costs. The estimated annual allocation of these new funds will be \$930,000 until fully exhausted.

Capital Improvements Program

The current Disaster Recovery and Capital Improvement Program totals \$581.46 million across 52 different projects. This includes the recently awarded CDBG-DR projects totaling \$226.07 million, \$124.09 million in projects that are partially or fully funded, and the proposed \$231.30 million Paradise Sewer Project for which the Town is actively seeking construction funding. Many of the projects within the program are moving toward, or are currently in, the construction phase as the Town continues through the rebuild process. Estimated actual project costs incurred across the 52 different projects during FY 2024-25 total \$126.46 million, with \$109.44 million in additional project costs planned to be incurred during the coming fiscal year. Town Disaster Recovery, Public Works, and Finance staff continue to coordinate efforts to manage the projects, administer the funding programs, monitor costs, and ultimately secure funding.

Conclusion

The Town of Paradise's Capital and Operating Budget reflects the remarkable progress made in our community's recovery and revitalization efforts. It is a testament to the dedicated community-based leadership and hardworking staff who have played a pivotal role in bringing us to this point. Through our collective resilience, we have overcome significant challenges and demonstrated our unwavering commitment to rebuilding our community. As we embark on the 2023-24 Fiscal Year, we remain steadfast in our pursuit of a thriving Paradise, guided by collaboration, innovation, and a determination.

New Job Classification Descriptions

INFORMATION SYSTEMS TECHNICIAN I/II

INFORMATION SYSTEMS TECHNICIAN I/II

DEFINITION

Under supervision of the Information Systems Director, performs a variety of technical duties in support of the Town's information systems; provides technical desktop support to users; troubleshoots hardware and software problems associated with the Town's computers, telecommunication, security systems, and related equipment; installs hardware equipment and software applications; assesses user training needs and trains users in effective use of applications; makes recommendations regarding hardware and software acquisitions; and performs other related duties as assigned.

SUPERVISION RECEIVED AND EXERCISED

Receives immediate (Information Systems Technician I) to general (Information Systems Technician II) supervision from the Information Systems Director. Exercises no direct supervision over staff.

CLASS CHARACTERISTICS

Information Systems Technician I: This is the entry-level classification in the Information Systems Technician series. Initially under close supervision, incumbents learn and perform routine Town information systems, operations, practices, and procedures. As experience is gained, assignments become more varied, complex, and difficult; close supervision and frequent review of work lessen as an incumbent demonstrates skill to perform the work independently. Positions at this level usually perform most of the duties required of the positions at the Information Systems Technician II level but are not expected to function at the same skill level and usually exercise less independent discretion and judgment in matters related to work procedures and methods. Work is usually supervised while in progress and fits an established structure or pattern. Exceptions or changes in procedures are explained in detail as they arise.

Information Systems Technician II: This is the fully qualified journey-level classification in the Information Systems Technician series. Positions at this level are distinguished from the Information Systems Technician I by the performance of the full range of duties as assigned, working independently, and exercising judgment and initiative. Positions at this level receive only occasional instruction or assistance as new or unusual situations arise and are fully aware of the operating procedures and policies of the work unit.

Positions in the Information Systems Technician class series are flexibly staffed; positions at the Information Systems Technician II level are normally filled by advancement from the Information Systems Technician I level; progression to the Information Systems Technician II level is dependent on (i) management affirmation that the position is performing the full range of duties assigned to the classification; (ii) satisfactory work performance; (iii) the incumbent meeting the minimum qualifications for the classification including any licenses and certifications; and (iv) management recommendation and Town Council approval for progression to the Information Systems Technician II level.

New Job Classification Descriptions

INFORMATION SYSTEMS TECHNICIAN I/II

July 2023
FLSA: Non-exempt

INFORMATION SYSTEMS TECHNICIAN I/II

DEFINITION

Under supervision of the Information Systems Director, performs a variety of technical duties in support of the Town's information systems; provides technical desktop support to users; troubleshoots hardware and software problems associated with the Town's computers, telecommunication, security systems, and related equipment; installs hardware equipment and software applications; assesses user training needs and trains users in effective use of applications; makes recommendations regarding hardware and software acquisitions; and performs other related duties as assigned.

SUPERVISION RECEIVED AND EXERCISED

Receives immediate (Information Systems Technician I) to general (Information Systems Technician II) supervision from the Information Systems Director. Exercises no direct supervision over staff.

CLASS CHARACTERISTICS

Information Systems Technician I: This is the entry-level classification in the Information Systems Technician series. Initially under close supervision, incumbents learn and perform routine Town information systems, operations, practices, and procedures. As experience is gained, assignments become more varied, complex, and difficult; close supervision and frequent review of work lessen as an incumbent demonstrates skill to perform the work independently. Positions at this level usually perform most of the duties required of the positions at the Information Systems Technician II level but are not expected to function at the same skill level and usually exercise less independent discretion and judgment in matters related to work procedures and methods. Work is usually supervised while in progress and fits an established structure or pattern. Exceptions or changes in procedures are explained in detail as they arise.

Information Systems Technician II: This is the fully qualified journey-level classification in the Information Systems Technician series. Positions at this level are distinguished from the Information Systems Technician I by the performance of the full range of duties as assigned, working independently, and exercising judgment and initiative. Positions at this level receive only occasional instruction or assistance as new or unusual situations arise and are fully aware of the operating procedures and policies of the work unit.

Town of Paradise

Council Agenda Summary

Agenda Item: 6(b)

Date: July 11, 2023

ORIGINATED BY: Susan Hartman, Community Development
Director – Planning & Wastewater

REVIEWED BY: Marc Mattox, Interim Town Manager

SUBJECT: Discussion regarding solid waste franchise agreement

LONG TERM RECOVERY PLAN: No

COUNCIL ACTION REQUESTED:

1. Provide staff with direction on further amendments to the current solid waste franchise agreement with Northern Recycling & Waste Services, including proposed changes to the rate methodology, to bring back at a future Council meeting.

Background:

In 2007, the Town of Paradise approved a comprehensive Franchise Agreement with Northern Recycling and Waste Services (NRWS). The agreement requires NRWS to provide solid waste, recycling and vegetative waste collection services for all properties in the Town of Paradise. Other services offered through the franchise agreement include the Household Hazardous Waste Facility (HHW), Reuse Center, and Vegetative Waste Yard. In April 2017, a 10-year extension of the franchise agreement was negotiated with NRWS, with the addition of street sweeping, which extended the term of the franchise agreement to April 30, 2027, with an additional 3-year extension if certain conditions were met.

In September 2020, NRWS began discussions with Town staff regarding their financial need to investigate the potential of an assignee for the remainder of the franchise agreement which subsequently led to negotiations with proposed assignees Waste Management and Recology. However, a deal was never brokered with either company and NRWS retained the contract. During that time, three (3) amendments were made to the franchise agreement: 1) removing the 4th year customer satisfaction survey, 2) amending the office hours to 8am-4pm, and 3) removing street sweeping from the agreement.

While NRWS has recently received their PG&E determination, to help cover the cost of previously repaired and replaced material and equipment damaged by the fire, it does not make them whole in terms of financial backfill for the loss of their customer base.

NRWS and the Solid Waste Committee have been in ongoing discussions regarding the current franchise agreement and the need to further amend it to reflect the state-mandated requirements of SB 1383 (organics) as well as to update outdated text and to re-establish standards for additional services such as HHW, green waste, and buy-back center services. As part of these amendments, NRWS would also request Council consideration of a change in rate methodology from an annual Consumer Price Index adjustment to a fixed rate or Operating Ratio annual

adjustment which is based on the actual revenues necessary for the expenses incurred operating the franchise. This change would trigger a Prop 218 hearing notice to property owners regarding the proposed rate methodology change.

Discussion:

There are four main categories in the franchise agreement in need of review and potential amendment, to bring back for Council review and approval. They are:

Organics Collection

SB 1383 *Short-Lived Climate Pollutants* (Lara) requires that the Town provide organic waste collection to all residents and businesses, conduct outreach and education to affected parties, and inspect and enforce compliance with SB 1383. Having putrescible waste in the green waste carts will require the Town to go to weekly services for pick up (California Code of Regulations, Title 14, Division 7, Section 17331).

Additional collection services and reporting requirements for organics collection need to be outlined in the franchise agreement.

Additional Services

Providing a Household Hazardous Waste, e-waste, oil, universal waste, paint collection, and buy-back facility are part of the current franchise agreement. Discussion and potential amendments need to be made regarding restoration of those services and/or contracting for those services in the interim.

The currently limited operation of the Town's vegetative waste collection transfer station (green waste yard) needs to also be discussed and amendments potentially proposed.

Service Rates

Rates for state-mandated organics collection need to be reviewed and incorporated into the rate structure. This is a task for which the Town is currently in non-compliance with CalRecycle and under a Correction Action Plan to remedy.

As part of the rate review, NRWS is requesting the base rate adjustment methodology be changed from using the Consumer Price Index (CPI) to using an Operating Ratio (OR) to be more responsive to the actual customer base fluctuations experienced during the Town's recovery. The Operating Ratio methodology would allow NRWS to base their rate adjustment requests on actual audited revenue and expense records versus using CPI adjustments based on regional area averages for services outside of a disaster recovery area.

For the duration of a potentially amended and restated agreement, NRWS would look to secure annual fixed rate adjustments, independent of CPI rates, through 2040. Each year the OR method would be computed based on their audited books and if the fixed rate increase was higher than the OR rate, they would shift to the OR rate for that year (choose the lower of the two).

A change in the base rate methodology will require a Prop 218 notice and public hearing.

Franchise Agreement Term

In order to spread the costs of 1) making the solid waste contract sustainable with such a loss in the customer base, 2) providing the organics collection services as required by state law, and 3) amortizing capital expenditures such as additional collection trucks, NRWS would ask that Council consider an amended and restated franchise agreement to bring the term of the contract out to 2040 (10 years beyond the current agreement [with the built-in 3 year extension]).

Staff Request:

Staff asks Council to give concurrence on the following items:

- 1) Allow the Solid Waste Committee to work with NRWS and the Town's legal counsel to prepare Prop 218 noticing for a change in the rate methodology (from CPI to Fixed Rate/Operating Ratio).
- 2) Allow the Solid Waste Committee to enter into formal discussions and negotiations with NRWS regarding proposed text amendments to include, but not limited to, organics collection, supporting additional services, rates, and franchise term. Council guidance is requested on the following items:

Category	Council Guidance
Contract Term	1) Is Council willing to consider an amended and restated agreement? 2) If so, is there an extension date not to negotiate beyond?
Contract Extensions	1) Does the Council wish to continue to offer a multi-year extension at the end of the initial term if certain conditions are met? 2) If so, does the Council want that kept at 3 years or can the Solid Waste Committee negotiate that term?
Franchise Fee	1) The current franchise fee is 7%. Is that percentage negotiable? 2) If not, is the franchise fee on the new organics rates negotiable?
HHW & Recycling Facility	The franchise agreement calls for a permanent HHW facility in town that would also serve as the recycling (buy-back) facility. Is there a hard deadline for that facility to be operational again or are those terms negotiable?

All items would be brought back to the Council for review and consideration at a future council meeting.

Financial Impact:

Direction to staff to enter into draft franchise agreement amendments will have no financial impact upon the Town of Paradise.

Town of Paradise
Council Agenda Summary
Date: July 11, 2023

Agenda Item: 6(c)

ORIGINATED BY: Marc Mattox, Public Works Director
REVIEWED BY: Marc Mattox, Interim Town Manager
SUBJECT: Pearson-Black Olive Median / Evacuation Egress
LONG TERM RECOVERY PLAN: Yes, Tier 1

COUNCIL ACTION REQUESTED:

1. Consider directing staff to revise Plans and Specifications for adjacent paving improvements near the intersection of Pearson Road and Black Olive Drive to remove the landscaped center median for the benefit of improved evacuation egress; OR
2. Provide alternate direction

Background:

During the 2018 Camp Fire emergency evacuation, egress at specific areas was constrained due to the presence of the center islands and medians. Most notably, medians that presented challenges were located near Town Hall (5555 Skyway) and the east leg of the Black Olive Drive-Pearson Road intersection. As directed by the community in our Long-Term Recovery Plan, staff continues to bring options, both significant and minor, which could be beneficial to future evacuation scenarios.

On September 14, 2021, Paradise Town Council adopted a resolution approving the removal of the pedestrian center median island at the mid-block crosswalk located at 5555 Skyway. This median was removed during adjacent paving in 2022.

Staff has maintained that consideration of the removal of the median at Pearson and Black Olive would return to Council at a future date.

Analysis:

Engineering staff is in the process of finalizing paving packages for 2024 and 2025 project years. Included in these plans is an effort to rehabilitate Pearson Road between Academy Drive and Skyway.

As a component of the delivery of paving Pearson Road near Black Olive Drive, an opportunity exists to formally address the landscaped median at this intersection. An image of the landscaped median is shown on the next page:

The landscape median, as it exists today, presents challenges for transitioning the Pearson Road cross section east of Scottwood Drive (1 lane per direction with a center two way left turn lane) leading to an expanded roadway west of Black Olive Drive (2 lanes per direction with center turn pockets at the intersection only).

As a component of the Town's Transportation Master Plan, two alternatives for median removal are presented for Council approval and direction. The primary benefit to these alternatives would be to allow unobstructed flow if westbound Pearson evacuating traffic was using the center two way left turn lane approaching the Black Olive Drive intersection. The two alternative striping plans, both requiring complete median removal, are attached to this Agenda Summary.

Striping Layout #1 expands the day-to-day roadway cross section, adding a #2 travel lane (second through lane from the middle) to the right. In an evacuation this requires evacuation travel lanes to change lanes accordingly.

Striping Layout #2 expands the day-to-day roadway cross section, adding a travel lane to the left of the primary lane. In an evacuation, this does not require a lane change for motorists in the primary lane, while allowing traffic in the turn lane to transition more naturally to the opened and new #1 lane (first through lane from the middle).

In light of the 2018 Camp Fire, where no single evacuation element could have eased regional impacts to egress, however, global modifications where possible may have future benefits in emergency scenarios. Staff recommends Council proceed with median removal and Striping Layout #2.

The operational trade for median removal is a reduction in aesthetics in coordination with the adjacent Community Park. Due to these anticipated community concerns, staff is requesting further Council direction.

Financial Impact:

Costs associated with median removal are anticipated to be minor, less than \$20,000. This item of work is considered non-participating in the grant funding for the overall project, however, delivering the work simultaneously will reduce overall costs.

Town of Paradise
Council Agenda Summary
Date: July 11, 2023

Agenda Item: 6(d)

ORIGINATED BY: Marc Mattox -Interim Town Manager
REVIEWED BY: Crystal Peters – HR/Risk Management Director
SUBJECT: New Town Manager Contract
LONG TERM RECOVERY PLAN: No

COUNCIL ACTION REQUESTED:

1. Consider approving the Employment Agreement with James Goodwin for the Town Manager position.

Background:

On February 17, 2023, Council gave direction to staff to begin recruitment efforts for a new Town Manager due to the resignation of the current Town Manager at that time, Kevin Phillips. Town Council directed staff to recruit and coordinate the selection process. An ad-hoc subcommittee was identified for the Town Manager recruitment and selection process, comprised of the two Council members – Mayor Bolin and Vice-Mayor Tryon, with staff support as requested.

The position was advertised through various channels and the Town received 24 applications by the deadline of April 6, 2023. The ad-hoc recruitment sub-committee screened those applications and narrowed the list. On the morning of May 3, 2023, a short list of finalists met first with the Town Manager recruitment sub-committee and next a panel comprised of Town Department Directors. The top two candidates were identified, and they then faced a final interview the following week with the full Town Council in closed session on May 10, 2023.

At the end of the final interview, Town Council gave direction to staff and legal to begin the background process and to work with the Council selected candidate on conditions and terms of employment to be approved at a public meeting by the Town Council.

Analysis:

The attached contract specifies the terms and conditions of employment for James Goodwin. Mr. Goodwin has reviewed the contract and agrees with the terms.

Financial Impact:

The term of the contract is three (3) year(s) beginning July 31, 2023, with an annualized salary expressed as \$199,451.20. Effective July 1, 2024, the range increases to \$207,438.40. Exhibit A outlines the Town Manager Salary Schedule.

Total benefit/salary compensation package budgeted for FY23/24 is \$251,476, based on start date of July 31, 2023. FY24/25 total benefit/salary cost projected to be \$286,045.

EMPLOYMENT AGREEMENT

THIS AGREEMENT is entered into and effective this 11th day of July, 2023, between the TOWN OF PARADISE, a municipal corporation of the State of California, (**TOWN**) and James Goodwin, (**EMPLOYEE**).

WITNESSETH:

WHEREAS, the **TOWN** wishes to engage the services of **EMPLOYEE** as the Town Manager pursuant to Section 2.04.010 of the Paradise Municipal Code (PMC), and **EMPLOYEE** desires to accept appointment as Town Manager; and

WHEREAS, it is the desire of the **TOWN** to provide certain benefits, establish certain conditions of employment, and to set working conditions of **EMPLOYEE**; and,

WHEREAS, it is the desire of the **TOWN** to:

Fairly compensate the **EMPLOYEE** relating to his classification;

Secure and retain the services of the **EMPLOYEE** and to provide inducement for him to remain in such employment;

Establish a basis for good working relationships, to avoid possible misunderstandings, and to provide special benefits to the **EMPLOYEE** in recognition of the unique nature of his position;

Make possible full work productivity by assuring **EMPLOYEE**'s morale and peace of mind with respect to future security;

Act as a deterrent against malfeasance or dishonesty for personal gain on the part of the **EMPLOYEE**; and

Provide a just means for terminating **EMPLOYEE**'s services at such time as he may be unable to fully discharge his duties due to illness or disability or when the **TOWN** may otherwise desire to terminate his employment; and

NOW, THEREFORE, in consideration of the mutual covenants herein contained, the parties agree as follows:

SECTION 1: DUTIES AND RESPONSIBILITIES

- A. July 31, 2023, shall be the first day of compensated employment and **EMPLOYEE** shall assume the duties of the Town Manager of the **TOWN**.
- B. The duties, responsibilities, and authority of the **EMPLOYEE**, shall be those specified in PMC Chapter 2.04, which is incorporated by reference as though fully set out herein, and such other legally permissible and proper duties and functions as the Town Council shall assign.
- C. The Town Council agrees to direct its concerns and communications to Town administration through the **EMPLOYEE**. The **EMPLOYEE** agrees to respond promptly to all inquiries from the Mayor and the Town Council. Individual inquiries of council members regarding question of fact, clarification of policies and requests for services shall be responded to promptly by **EMPLOYEE**.

SECTION 2: TERMS OF AGREEMENT

- A. Nothing in this Agreement shall prevent, limit, or otherwise interfere with the right of the Town Council to terminate with or without cause the services of **EMPLOYEE** at any time as an at-will employee, subject only to the provisions set forth in Section 4, Paragraphs A and B of this Agreement.
- B. Nothing in the Agreement shall prevent, limit, or otherwise interfere with the right of the **EMPLOYEE** to resign at any time his position with the **TOWN**, subject only to the provisions set forth in Section 4, Paragraph C of this Agreement.
- C. **EMPLOYEE** agrees to remain in the exclusive employ of **TOWN** for the term of the Agreement and to neither seek, accept, or to become employed by any other employer that would have a detrimental impact on his duties and responsibilities as Town Manager for the Town of Paradise. The term “employed” shall not be construed to include occasional teaching, writing, or consulting performed on **EMPLOYEE**’s time off.
- D.
 - (1) It shall be the responsibility of the **EMPLOYEE** to notify the Council of expiration of this Agreement. Notice of the expiration shall be given to the Council six (6) months prior to the expiration. Failure of **EMPLOYEE** to give such notice shall cause this Agreement to expire on its own terms;
 - (2) After receiving notice under Section 2D(1), the Town Council may give **EMPLOYEE** notice of its intent to renew this Agreement. If the Council does not give such notice, this Agreement shall terminate by its own terms. The Council shall notify **EMPLOYEE** of its intent to renew this Agreement ninety (90) days prior to the expiration of this Agreement;

SECTION 3: SUSPENSION & REMOVAL

After providing the **EMPLOYEE** with a written notice stating the Council's intention to remove him, at least thirty (30) days before the effective date of his removal, the Town Council may suspend **EMPLOYEE** from duty, but his compensation shall continue until the effective date of his removal. Council may suspend **EMPLOYEE** in accordance with the provisions of the Paradise Municipal Code 2.04.240(C). **EMPLOYEE** may exercise his right for a public hearing in accordance with the Paradise Municipal Code 2.04.240(B) or California Government Code Section 54957. In the event of misconduct, the **EMPLOYEE** shall be removed in accordance with the Paradise Municipal Code 2.04.240.

SECTION 4: TERMINATION AND SEVERANCE PAY

- A. Should **TOWN** elect to exercise its right to terminate **EMPLOYEE** without cause, then **TOWN** shall give at forty-five (45) days advance, written notice to him. **TOWN** shall have the right to separate **EMPLOYEE** immediately from **TOWN** service, with the payment of cash severance pay in a lump sum equal to six (6) month's salary and pay for unused annual vacation leave, administrative leave, and sick leave in accordance with the **TOWN** Personnel System Rules or any applicable employee Memorandum of Understanding, or in the **TOWN's** sole option, require **EMPLOYEE** to continue to perform services under this Agreement until the forty-five (45) day period has elapsed.
- B. In the event **TOWN**, at any time during the term of this Agreement, reduces the salary or other financial benefits of **EMPLOYEE** in a greater percentage than an applicable across-the-board reduction for all employees of the **TOWN**; or if the Council refuses, following written notice requesting compliance with any other provision benefiting **EMPLOYEE** herein; or if **EMPLOYEE** resigns following suggestion, whether formal or informal, by the Town Council that he resign, then the **EMPLOYEE** may, at his option, deem the Agreement to be involuntarily terminated at the date of such reduction or such refusal to comply with the meaning and context of this Agreement, and the severance pay provision under Paragraph A of this Section shall apply.
- C. In the event **EMPLOYEE** voluntarily resigns or retires his position with the **TOWN** before expiration of the above term of employment, **EMPLOYEE** shall give the **TOWN** forty-five (45) days written notice in advance or such advance notice as may be otherwise mutually agreed upon. In case of such voluntary resignation, the **TOWN** shall have no obligation to pay the severance pay referred to in Paragraph A above.

D. Notwithstanding any other provision of this Agreement, this Agreement shall terminate upon the death of the Town Manager or in the event the Town Manager is terminated by the Town Council for "cause" as defined below. In the event of such termination for cause, the Town shall be under no obligation to the Town Manager under this Agreement except for prorated salary and benefits due and unpaid to the date of termination. "Cause" for termination of employment shall include, by way of illustration and not limitation, any of the following acts or conditions on the part of the Town Manager:

- (1) Any willful breach of duty by the employee in the course of their employment, habitual neglect of duty or continued incapacity to discharge their duty/duties; or
- (2) Failure of good behavior either during or after duty hours which is of such a nature that it causes discredit to the Town.
- (3) Conviction of a felony or entry of a plea of nolo contendere to a felony offense; or
- (4) Conviction of, or entry of a plea of nolo contendere to any crime involving moral turpitude or dishonesty.
- (5) Breach of this Agreement.
- (6) The disability of Employee, as defined in this Agreement.
- (7) If the Employee materially breaches this Agreement, is insubordinate or is grossly negligent in performing their duties pursuant to this Agreement.
- (8) If the Employee violates any policies of Employer that cause a substantial loss or damage or injury to Employer's property or employees.
- (9) If Employee habitually fails to report to work.
- (10) If Employee commits actions of fraud, embezzlement, bribery, or other similar serious acts in connection with Employee's employment with Employer.

E. If Employee shall, for whatever reason, become incapable of performing any of the essential functions of Employee's position, even with reasonable accommodation by Employer, either (1) permanently, or (2) for a period exceeding the period of leave available to the Employee under the Family Medical Leave Act or the California Family Rights Act (if qualifying), or accrued sick leave, whichever is longer, then Employee

shall be deemed to have suffered a disability. As the Town Manager position requires Employee to devote a great deal of time both during and outside of normal office hours to the business of Employer, Employee acknowledges and agrees that granting a leave longer than the time period stated in clause (2) above in this section may constitute an undue hardship on Employer. In accordance with applicable law, any request for leave that does constitute an undue hardship shall be grounds for termination of this Agreement.

SECTION 5: PERFORMANCE EVALUATION

- A. The Town Council shall review and evaluate the performance of the **EMPLOYEE** annually. The review and evaluation shall be in accordance with the duties outlined in Section 1 and specific criteria developed jointly by the Town Council and **EMPLOYEE**. The criteria may be added to or deleted from as the Town Council may, from time to time, determine in consultation with the **EMPLOYEE**. Further, the Town Council shall provide an adequate opportunity for the **EMPLOYEE** to discuss his evaluation with the Town Council, and the results of such evaluations shall be reduced to writing and agreed to by both parties.
- B. Annually, the Town Council and the **EMPLOYEE** shall define such goals and performance objectives which they determine necessary for the proper operation of the **TOWN** and for the attainment of the Town Council's policy objectives. Such goals and objectives shall be reduced to writing, and a relative priority shall be established among the goals and objectives. They shall generally be attainable within the time limitations as specified, and the annual operating and capital budgets and appropriations provided.
- C. In effecting the provisions of this section, the Town Council and the **EMPLOYEE** mutually agree to abide by the provisions of applicable law, ordinances, resolutions, and current policies of the **TOWN**.

SECTION 6: PROFESSIONAL DEVELOPMENT

- A. The **TOWN** agrees to budget and pay for the professional dues and subscriptions of the **EMPLOYEE** necessary for his continuation and full participation in national, regional, state, and local associations and organizations necessary and desirable for his continued professional advancement and for the good of the **TOWN** at a cost not to exceed budget allocations approved by the Town Council.
- B. The **TOWN** agrees to budget and pay for the travel, subsistence and other expenses for professional, business and official travel, courses, seminars, conferences and occasions adequate to continue the professional development of the **EMPLOYEE** and to adequately pursue necessary

official business and other functions for the good of the **TOWN**. These expenses shall not exceed budget allocations approved by the Town Council.

SECTION 7: HOURS OF WORK

- A. The minimum workweek of the **EMPLOYEE** shall be forty (40) hours, plus any additional work time reasonably required to discharge the duties and responsibilities of the Town Manager. Because the **EMPLOYEE** will devote a great deal of time outside normal office hours to the business of the **TOWN**, and because flexibility in hours worked and work schedule benefit both the **TOWN** and **EMPLOYEE**, the **EMPLOYEE** has some discretion as to his work schedule and hours worked.
- B. In further recognition of the fact that the **EMPLOYEE** must devote a great deal of time outside normal business hours to the business of the **TOWN**, he shall be entitled to administrative leave in accordance with the provisions of the Memorandums of Understanding applicable to Management Employees.

SECTION 8: SALARY AND OTHER BENEFITS

- A. Salary. The **TOWN** shall pay **EMPLOYEE** for his services rendered pursuant to this Agreement; an annual base salary at Step F of the Town Manager Salary Schedule attached as Exhibit "A" payable in installments at the same time as other employees are paid.
- B. Indemnification. The **TOWN** shall indemnify and defend **EMPLOYEE** in accordance with the provisions of California Government Code Sections 825 et seq. 995 et seq., and related statutes.
- C. Employee Benefits. The **TOWN** shall provide **EMPLOYEE** with the benefits shown in the attached Exhibit "B".

SECTION 9: GENERAL PROVISIONS

- A. This Agreement shall become effective on July 31, 2023, and shall terminate on June 30, 2026, unless extended by mutual agreement between the **TOWN** and **EMPLOYEE**.
- B. The provisions herein shall constitute the entire Agreement between the parties.
- C. Nothing shall restrict the ability of the Council and **EMPLOYEE** to mutually, and in writing, amend or adjust the terms of this Agreement. **EMPLOYEE** reserves the right to discuss the terms or termination of this

Agreement with the Town Council as a whole in either closed or open regular sessions, as state law allows and as the **EMPLOYEE** deems appropriate.

- D. The **PARTIES** agree that the Town Manager shall, within six (6) months of employment, establish residency within a 20-mile distance from the Town of Paradise Town Hall. The **PARTIES** further agree that such specific distance bears a rational relationship to the legitimate governmental purposes of assuring that the executive leadership of the town are able to adequately oversee the ongoing provision of services affecting the public health and safety of its residents, and to effectively respond and coordinate with Town officials and others during disaster response if and when necessary. Such residency shall be maintained for the duration of the term of the Town Manager's employment. The Town of Paradise hereby waives the application of Article 2.04.020 of the Town of Paradise Municipal Code requiring Town Manager residency within the Geographical boundaries of the Town of Paradise.
- E. If any provision, or any portion thereof, contained in this Agreement is held to be unconstitutional, invalid, or unenforceable, the remainder of this Agreement, or portions thereof, shall be deemed severable, shall not be affected, and shall remain in full force and effect.
- F. This Agreement is personal to the parties and shall not be assigned.
- G. This Agreement supersedes all previous agreements between the parties. It contains the sole and exclusive agreement of the parties and correctly states the rights, duties, and obligations of the parties. Any oral or written representations or negotiations not expressly set forth in this Agreement are of no force or effect.
- H. This Agreement will be governed by and construed in accordance with the laws of the State of California, the venue shall be the County of Butte, California.
- I. Any notices given pursuant to the terms of this contract shall be given by certified, registered mail, return receipt requested, addressed as follows:
