Charles L. Rough, Jr., Town Manager  
Dwight L. Moore, Town Attorney  
Joanna Gutierrez, Town Clerk  
Lauren Gill, Assistant Town Manager  
Craig Baker, Community Development Director  
Rob Cone, Interim Fire Chief  
Gabriela Tazzari, Acting Police Chief  
Gina Will, Finance Director

## Town Council:

Steve "Woody" Culleton, Mayor  
Tim Titus, Vice Mayor  
Joe DiDuca, Council Member  
Scott Lotter, Council Member  
Alan White, Council Member

## **TOWN COUNCIL AGENDA** **SPECIAL MEETING – 3:30 PM – July 31, 2012**

In accordance with the Americans with Disabilities Act, if you need a special accommodation to participate, please contact the Town Clerk's Dept., at 872-6291 at least 48 hours in advance of the meeting. Hearing assistance devices for the hearing impaired are available from the Town Clerk. If you wish to address the Town Council on any matter on the Agenda, it is requested that you complete a "Request to Address Council" card and give it to the Town Clerk prior to the beginning of the Council Meeting. Members of the public may address the Town Council only on the items listed on the special meeting agenda.

All writings or documents which are related to any item on an open session agenda and which are distributed to a majority of the Town Council within 72 hours of a Regular Meeting will be available for public inspection at the time the subject writing or document is distributed to a majority of the subject body. The information will be available at the Town Hall in the Town Clerk's Department at 5555 Skyway, Paradise, California, during regular business hours Monday through Thursday from 8:00 a.m. to 5:00 p.m.

### **1. OPENING**

- a. Call to Order
- b. Pledge of Allegiance to the Flag of the United States of America
- c. Roll call

FY 2012/2013

Town Manager's  
Budget Message

## **TOWN MANAGER'S BUDGET MESSAGE**

**July 26, 2012**

**TO: MAYOR STEVE CULLETON AND MEMBERS OF THE TOWN COUNCIL**

**FROM: CHARLES ROUGH, TOWN MANAGER**

**SUBJECT: SUBMITTAL OF PROPOSED FISCAL YEAR 2012/13 BUDGET**

### **INTRODUCTION:**

This represents my last proposed budget message to the Town Council as your Town Manager, and because of that, my budget message will not only concentrate on the presentation of the proposed, current FY 2012/13 Budget for your review and consideration; but I will also take this opportunity to provide this Town Council, as well as the next duly constituted Town Council, with some observations and perspective relative to the future in terms of those issues and challenges, as well as opportunities, that in my considered opinion the Town needs to at least seriously consider, if not pursue if this Town hopes to not only merely survive, but surmount our current challenges.

The number of unanticipated, almost earth-shattering issues, factors, and developments, most of them outside of our control, that this historically financially constrained Town government has had to contend with and try to overcome during the last 18 years, have, taken in their totality, led to the financially fragile, weaker, and more vulnerable position that the Town finds itself in 2012.

Since incorporation, this Town has been largely dependent on property taxes as its primary general fund revenue source, with the Town receiving a relatively small share of every dollar of property tax paid by Paradise taxpayers.

The Town's small share of the total property taxes collected in Paradise received a major setback when the State arbitrarily initiated the ERAF property tax shift raid on local governments, in 1994, which continues uninterrupted to this day. As a result of this property tax shift, the Town of Paradise has lost a total of over \$ 6.5 million cumulatively in our Town's local allocated property tax revenues to the State. What a difference this would have made for the Town, and its ability to deal with the constant economic and financial

## **Town Manager's Budget Message:**

-2-

challenges it's faced, had the Town been able to retain all of its small share of local property tax revenues, and not seen this sizable amount arbitrarily taken by the State.

However, the State's raids on our local government revenues didn't stop there. Since that huge loss of our local revenues, the State has at different times repeatedly raided the Town and other local governments in different forms to bail themselves out of their continual and never-ending state budget deficit crises. These have ranged from a second, smaller ERAF property tax shift in 2002, ERAF property tax raids on redevelopment in 2004, the "Triple Flip" Sales Tax for property tax swap in 2004/05, deferred animal control mandate reimbursements in 2004/05, deferred Gas Tax Funds for a year and a half starting in 2007/08, the State borrowing \$ 585,000 in property tax money in 2009/10 as part of Proposition 1A, Supplemental Educational Revenue Augmentation Funds (SERAF) in 2009/10 & 2010/11, further state raids on redevelopment in 2009/10, the State's dissolution of redevelopment, and the State takes Motor Vehicle In Lieu fees for COPS grant.

On top of these irresponsible and frustrating actions by a dysfunctional, state government that really doesn't care about local government, and especially cities, the worst economic downturn, since the Great Depression, and associated housing crisis, has delivered a tremendous blow to the Town's general fund revenues. The Town has lost a total of \$ 2.52 million in combined property tax, sales tax, and Motor Vehicle in Lieu fees (MVIL) due to the poor economy. In my opinion, any prospects for real economic recovery is several years away, at least, and even then, it will take years to make up for the losses we've sustained.

The Town, which has always been tight and lean in terms of both its finances and staffing, has taken numerous specific actions to further reduce spending when the effects of the 2007 economic recession started being felt in 2008, and revenues started on a downward trend. These included elimination through normal attrition and consolidation of positions and operations throughout the organization, successfully negotiating "shared sacrifice" concessions with all of our employee groups that resulted in employees paying their employee share of their PERS retirement, the establishment of a new PERS retirement tier for new hires employed after February, 2001, temporary salary cuts (12-18 months), establishment of a new vesting schedule for retiree medical for new hires employed after February, 2011, lay-offs (non-public safety personnel), and increased contracting to the private and public sectors.

## **Town Manager's Budget Message**

**-3-**

A third hit to the Town's financial stability and fiscal solvency came to light in March, 2011, as a result of GASB 45 and an independent actuarial study that the Town Council commissioned to determine the Town's retiree medical unfunded liability. It turned out that the Town's retiree medical unfunded liability for both current and retired employees was an alarming \$ 45 million. Unless the Town acted immediately, it faced serious cash flow problems from an increasing "arc" (annual unfunded liability assessment) that would inevitably result in the Town's fiscal insolvency.

The Town Council took three major steps that resulted in reducing the Town's retiree medical unfunded liability from the \$ 45 million to the present \$ 29.8 million. These included setting aside \$ 50,000 in an independently administered retiree medical trust; achieving medical caps based on 2012 rates with four of our six employee groups; and through further reductions of personnel (i.e. normal attrition, retirement, lay-offs).

However, despite the progress made so far, the Town is by no means out of the woods in terms of the retiree medical unfunded liability problem, and the very real threat that it poses to the Town's future fiscal solvency. The remaining \$29.8 million unfunded liability has to be further reduced in order to avoid further problems fiscally for the Town, especially starting next fiscal year.

To that end, the Town has been in Transitional Memorandum of Understanding Agreement negotiations with the Paradise Firefighter's Association on a number of CAL FIRE transition benefit-related issues. One of the most important issues in these negotiations to the Town is to reach agreement on a medical cap, which would reduce the Town's retiree medical unfunded liability by another \$ 8.1 million.

Likewise, the Town has just formally entered into contract negotiations with the Paradise Police Officer's Association (POA), whose contract is up in November. One of the most important issues on the table for the Town is to get the POA's agreement to a medical cap from this last employee group, as well. If successful in reaching agreement with the POA on a medical cap, it would reduce the retiree medical unfunded liability by an additional \$ 3.97 million (based on 2012 rates).

Medical caps with these two groups would save the Town 14.03% in increased premium costs and reduce the unfunded liability by another \$ 11.87 million. Yet, the remaining \$ 17.99 million needs to be further whittled down over time, when cash flow demands in

## Town Manager's Budget Message

-4-

any given fiscal year will allow the Town to sock away annual increments of \$ 50,000 from reserves to the retiree medical trust. The Town needs to get to the point in the future when the trust with our cumulative contributions plus interest earnings is paying for the costs of retiree medical, and not the Town's general fund or enterprise funds. This is clearly not an issue that the Town can afford to ignore, or take its eye off for one minute.

This leads to another cautionary warning, and plea for the Town's continued vigilance. The recent news about the dismal earnings by PERS (and CALSTIRS), and the recently completed public pension unfunded liability guidelines by the National Accounting Standards Board (which will begin to impact our independent audits starting in 2013/14), underscores the looming public pension unfunded liability crisis across this nation.

Despite our PERS Obligation Bond that reduced, as well as leveled off our PERS retirement rates for a number of years, and helped to reduce our overall PERS retirement unfunded liability, due to PERS losses, and it's overall unfunded liability, the Town has already begun to recently experience rising rate increases again, and we can most certainly expect significant additional increases starting in July, 2013, with this latest earnings news from PERS.

While Town employees pay for their employee share of their PERS retirement rates, based on their PERS qualifying income, (miscellaneous employees – 7%; public safety employees – 9%), the Town pays for the employer share (miscellaneous employees- 11.007%; miscellaneous employees 2<sup>nd</sup> tier – 7.846%; public safety employees – 26.212%; public safety 2<sup>nd</sup> tier – 20.057%). This fiscal year alone, the Town is expending \$ 226,502 for miscellaneous employees and \$ 585,502 for public safety employees in addition to their own their retirement contributions. Clearly, in light of the Town's financial situation, this is a Town burden and expense that is already become fiscally unsustainable, adversely impacts the Town budget, department budgets, staffing and operations, and for the good of the Town needs to be a burden that is reduced through the next round of meet and confer process, especially in light of the PERS rate increases planned for next fiscal year.

Despite all of our successful efforts and tremendous progress at containing costs, reducing expenses, and cutting spending over the last four years, these efforts have been continually undermined by a worsening economy and diminishing revenues. The result is a proposed Fiscal Year 2012/13 Budget that out of financial necessity, can accurately be characterized as going from “bare bones” into the actual “bone marrow” of this town government organization affecting not only our ability to function, but to provide adequate,

## **Town Manager's Budget Message**

**-5-**

essential services to our community. This is a very serious situation. As one who is generally optimistic, and still believes in my heart that there is a bright and better future for Paradise in the long run, I must admit that I have a deep concern over the prospects for the Town's ability to financially survive over the next few years if general fund revenues don't improve, and in fact, further decline, or the State unexpectedly raids our local revenues again by sleight of hand, or in some other indirect form, or fashion.

In other words, as opposed to our fiscally bankrupt and irresponsible federal and state governments, who continue to spend money they don't have, and actually do little if nothing to reduce real spending; the Town of Paradise has done it the right way by focusing on cutting expenditures and reducing spending to deal with our declining revenue situation, while at the same time redefining how we maintain our public mission, and provide our basic services. This is not meant to diminish the tremendous amount of time, energy, and effort that the Town is devoting to various business and economic growth and development initiatives, but the pay-off for these efforts for our community is long term, and the need for a change to our increasingly dismal revenue situation is more pressing and immediate.

## **OVERALL PROPOSED FY 2012/13 BUDGET HIGHLIGHTS:**

Due to the continuing decline in general fund revenues, especially property taxes, the proposed general fund budget had to be brought in lower than FY 2011/12 expenditure levels. Each general fund department was given an expenditure target by the Town Manager and Finance Director to help in the overall effort to meet this much needed, reduced level of spending, and to achieve our initial objective to present the Town Council with a balanced general fund budget. We left it up to the departments how to best achieve these targets, taking into consideration their respective operational and service demands. Most departments hit their targets or came very close, with the exception of the police department, but not for lack of trying. I will explain more fully during a discussion of the following overall, proposed budget highlights:

## **Town Manager's Budget Message**

**-6-**

### **1. Fire Department**

This proposed total fire department budget is based on the transition to a personnel services contract with CAL FIRE taking place, by January 1, 2013; and includes both the estimated costs of transitioning our current fire personnel to CAL FIRE, as well as the estimated net savings that the Town will realize during this fiscal year from the CAL FIRE contract. The net savings from a contract with CAL FIRE combined with significant spending reductions in the fire department during the first six months of this fiscal year, including overtime, helped the department nearly reach its budget target. Just as important, this contract with CAL FIRE also represents an enhanced level of fire protection for our community.

In the unfortunate event that a CAL FIRE Transitional MOU agreement cannot be reached between the Town and the Paradise Firefighter's Association, and the Town retains its fire department personnel, then because of the serious financial situation facing the Town, the Town will be unable to afford the fire department as it's presently constituted and staffed. At the very least, the Town will be left with no other alternative but to streamline the command structure of the department, and reduce the number of fire personnel through the issuance of 60-day lay-off notices.

If the CAL FIRE contract doesn't work out, an amended fire department budget reflecting the changes noted above would be brought forward to the Town Council relatively soon for Council consideration.

### **2. Police Department**

Despite reductions that have been made to staffing within the police department in recent years, as well as the additional cutbacks in staffing proposed in this budget, because of declining general fund revenues, the bottom line is that the Town cannot afford the police department as it is presently constituted and staffed.

This proposed budget includes maintaining four sergeants instead of the three that had been authorized last year, but which are still less than the authorized six sergeants several years ago; the assignment of a police officer level position to investigations rather than a sergeant-level position; maintaining the senior dispatch position; keeping open a dispatch position that becomes vacant after

## **Town Manager's Budget Message**

-7-

a retirement in October, the inability to staff a BINTF assigned officer for a second year, and the reduction of the number of authorized police patrol officer to 14 (including the school resource officer position that has been grant extended).

Even with these personnel cutbacks as well as other M&O reductions, the department was unable to reach the budget target for their department by \$ 131,821. The Town is seeking through formal meet and confer contract negotiations that just got underway with the Police Officer's Association's help to achieve salary and benefit concessions that would reduce this \$131,821 by as much as \$ 99,670, which would get the Town much closer to a balanced budget, and avert the necessity to further reduce staffing through lay-offs, that would cause serious problems in terms of timely police service call response and officer safety.

### **3. Engineering**

Over the last year, the Town has not filled either its Town Engineer or Associate Civil Engineer positions, and instead as a stop gap measure, we have contracted engineering to a private firm. However, in the long term this approach is far more costly to the Town, in terms of actual direct dollar costs (\$ 100 per hour vs. \$ 46.59 per hour (salary & benefits combined), less flexibility and hours worked and focused per week on private development review, capital project design, capital project recovery costs, and the pursuit of new federal and state grant capital project monies for streets, roads and infrastructure improvements (including the wastewater collection system project). Therefore, this proposed budget includes taking the more cost-effective approach in restoring an in-house associate civil engineer with 91% of the position funded through the Gas Tax Fund.

### **4. HR/Risk Management Analyst**

Our HR/Risk Management Analyst has voluntarily requested a reduction of her hours from 32-per week to 28-hours per week, and that request is reflected in the proposed budget.

## **Town Manager's Budget Message**

--8--

### **5. Town Management**

Last June, I proposed a Town Manager transition plan that would represent a significant savings to the general fund for both Fiscal Year's 2011/12 and 2012/13 because of the critical financial situation that I knew the Town would be facing during both fiscal years, and that I felt then, as I do now, represented a fiscally prudent approach for a smooth transition to a new permanent town manager to eventually succeed me.

This plan, which was conceptually approved by the Town last June, included my serving as Interim Town Manager, on a part-time basis from January 1, 2012 to December 31, 2012, with our very qualified and capable Asst. Town Manager serving as Acting Town Manager, from January 1, 2013 to June 30, 2013, while the newly constituted Town Council went through an open and promotional recruitment and selection process for a permanent Town Manager, who would be appointed and on board starting Fiscal Year 2013/14.

Taking this prudent approach would avoid the cost impact of a new town manager during this fiscal year, which the Town really can't afford, especially at a time when the Town is still running a general fund deficit, and might be facing potential lay-offs involving reductions to public safety personnel. During this six-month period, 93% of the Acting Town Manager position would be funded by funds other than the general fund, which underscores further the advantage of taking this approach for the last six months of this current fiscal year.

At the same time that I leave at the end of December, 2012, my outstanding part-time executive assistant is retiring as well. In addition, the full-time Business & Housing Division's Administrative Analyst is relocating out of the area in September. Therefore, the proposed budget recommends a further cost-saving consolidation of the two positions into a newly established full-time Administrative Assistant II position (which is at a lower salary range) that would work out of the Town Manager's Office, effective January 1, 2013. This position would be funded 30% from the general fund and 70% from other funds, which nets the general fund additional savings.

6. There are no cost-of-living increases for any Town employee this fiscal year.

## **Town Manager's Budget Message**

**-9-**

7. The proposed budget reflects that the contractually agreed to salary concessions by the Confidential Mid-Management and General Employees Units expire in December, 2012.
8. The proposed budget reflects that the salary concessions by the Management and Police-Mid-Management Groups continues through this current fiscal year.
9. Animal Control/Animal Shelter – The Council is well aware of the financial problems facing the Animal Control/Animal Shelter Enterprise Fund and program in recent years; that Measure N funds were never sufficient to adequately cover the program's Expenses; that the problems with declining general fund revenues and general fund budget deficits made it impossible for the Town to subsidize any longer what was established as a separate enterprise fund intended to stand on its own two feet financially, and that as a result of these circumstances; the Town was forced this last fiscal year to drastically reduce animal control and shelter staffing and the hours that the shelter was open to the public in order to bring revenues/income more in line with expenses.

Though these actions were absolutely necessary to protect the fiscal integrity of the Town, they clearly impacted our ability to adequately serve the public, especially in responding in a timely manner to various calls for service in the field (i.e. dead animal pick-ups, etc.). On top of that situation, the shelter suffered during this last fiscal year from some temporary interruptions to some of our part-time shelter due to medical issues for one shelter helper and the hiring of a replacement of another shelter helper. PASH played a crucial role in trying to fill gaps in temporary shelter staffing wherever appropriate.

The Council is further aware that it is unlikely that the State will ever pay the Town for the in excess of \$ 89,000 owed to the Town in state mandated reimbursements for the animal control/shelter program, and that this last year, staff investigated a number of possible options to our current animal control/shelter program, all of which turned out to be more expensive.

## **Town Manager's Budget Message**

**-10-**

Utilizing animal control donations again this year, we are able to bring revenues/income in line with projected expenses for this enterprise fund, and actually establish a part-time animal control position, at 18-hours per week. This position would help cover the part of the week that is not presently covered for field enforcement and service call response by the 36-hour animal control officer and allow for back-up and support during times of illness or vacation. It won't result in any additional public hours for the shelter, but it does represent a step in the right direction to restoring some semblance of animal control field coverage and response throughout the week. Equally important, it doesn't impact the Town's general fund.

10. The Town Attorney agreed for the second year to reduce his contract by 10-hours per month.
11. Due to the lack of any capital projects monies in the pipeline, the only capital project slated for this current fiscal year is the Pearson/Recreation Drive signalization project. It's imperative we get an engineer on board to go after more capital projects funding to repair, rehabilitate and improve our Town's infrastructure.
12. Through the single-handed efforts of our Acting Police Chief, and the cooperation of PUSD with a \$ 25,000 match, we've been successful in securing grant funding to extend the school resource officer program, and to provide special youth intervention and diversion program funding for the Paradise Boys & Girls Club.
13. Due to our severe budget constraints in the general fund, there are no new police vehicles or fire apparatus recommended for purchase in this proposed budget.

## **TOTAL PROPOSED (ALL) FUNDS BUDGET**

### **Overview:**

The total proposed Fiscal Year 2012/13 Budget is \$ 16,477,854, which will leave a positive ending balance of \$ 3,418,361 by June 30, 2013. General Fund expenditures account for \$ 10,007,731 of total budget, and the capital improvement projects accounts for \$ 1,806,424 of total budget.

## **Town Manager's Budget Message**

**-11-**

### **Number of Personnel:**

The total number of full-time equivalent (FTE) Town employees has been significantly reduced from 110.06, in 2008, to 83.95 in this current, proposed FY 2012/13 Budget, as a result of normal attrition & retirements and no backfilling of positions, consolidation of positions, hiring freezes, reduced hours, and lay-offs. The general fund supports the vast majority of the Town's total FTE employees, or 65.65 FTE employees.

The remaining 18.30 FTE employees are either funded entirely from our Town's other restricted or categorical funds, or on an allocated basis to these funds. These funds include Business & Housing Services, Building Safety & Wastewater Services Enterprise Fund, Gas Tax, Transit, Animal Control/Animal Shelter Enterprise Fund, and the Abandoned Vehicle Fund.

### **Personnel Costs:**

Total personnel costs (salaries and benefits) among all funds in the proposed budget amounts to \$ 7,786,696, and accounts for 47.3% of the Town's total budget (which as a percentage of the Town's total budget is the lowest it's been historically). Total personnel costs in the general fund amounts to \$ 6,287,559, or 62.8% (which as a percentage of total general fund budget is the lowest it's been historically).

### **Medical Insurance Costs:**

The medical caps that the Town successfully negotiated with the Management, Confidential Mid-Management, Police Mid-Management, and General Employee units last year, will result in a zero increase in medical premium costs for the Town when rates go up on January 1, 2013. However, the Town will incur a 14.03% increase in medical premium costs as a result of no medical caps in place at this point with the employee members of the Paradise Police Officer's Association and the Paradise Firefighter's Association.

## **Town Manager's Budget Message**

**-12-**

Medical caps with all of our employee groups is absolutely essential for the Town in order to get a handle on controlling and containing rising medical premium costs, to be able to afford decent medical insurance coverage for our employees, their families and our retirees, and to avert going off our own fiscal cliff because we failed to reduce our retiree unfunded liability problem.

### **PERS Rates & PERS Obligation Bond:**

The proposed current year budget includes the PERS rate increases for this fiscal year. Again, as stated before, we anticipate more PERS rate increases starting next July to cover for the most recent PERS earning losses, and its growing unfunded liability.

I have already shared with you the actual rates that we are paying this fiscal year, but the percentage increases are as follows:

Miscellaneous employees – 7.6%  
Miscellaneous employees (2<sup>nd</sup> tier) – 1.5%  
Public Safety employees -6.8%  
Public Safety employees (2<sup>nd</sup> tier) -1.2%

Our fourth PERS Obligation Bond debt payment for the current fiscal year is \$ 835,000. The debt payment is allocated to various funds (based on the number of employees in each fund). The lion's share, or \$ 729,074 of this bond payment is borne by the general fund. The original intent of this bond was twofold: 1) to reduce and level off the huge PERS rate increases we were experiencing in the past, and 2) to reduce the Town's retirement unfunded liability by paying off our liability with PERS at the time. The bond succeeded on both counts, however, the continuing poor earnings performance by PERS, which is far below their earnings projections, has resulted in another series of PERS rate increases with no end in sight. The combination of the annual bond payments, which will increase in the future, PERS rates that are climbing, and the loss of 2.52 million in general fund revenues since 2008, further adds to the tough situation the Town is facing financially.

## **Town Manager's Budget Message**

**-13-**

### **Retiree Medical Unfunded Liability:**

As stated in the introduction the Town's retiree medical unfunded liability has been reduced from & 45 million to \$ 29.8 million, and hopefully, we will be successful with our last two employee groups in further reducing the unfunded liability, and minimizing the adverse impacts and threat posed by the annual assessed "arc" on our ability to meet ongoing cash flow demands and obligations, and to financially operate and function.

### **General Liability & Worker's Compensation Coverage Costs:**

Both our Town's general liability insurance and worker's compensation coverage are provided through the Northern California Cities Self-Insurance Fund (NCCSIF), of which we are a member.

General liability insurance premium costs for the current fiscal year is \$ 165,150. Our worker's compensation premium costs will be \$ 385,778, and are allocated to the various funds and departments.

## **GENERAL FUND BUDGET**

### **F.Y. 2011/12 Revenues & Expenses:**

On the revenue side, our two major general fund revenue sources, property taxes and motor vehicle in lieu fees, continue to decline. There is a very minimal increase projected in sales tax revenues, but by and large sales tax revenues remain rather anemic in terms of overall growth. There is also growth in franchise fee income, but the Town has seen a huge decrease in revenues to the general fund over the last number of years from user fees for specific services. In just the last two years this decrease has amounted to over \$ 150,000.

## **Town Manager's Budget Message**

**-14-**

General Fund revenues for the current fiscal year are very conservatively estimated at \$ 9,242,822 (before transfers in), which is \$ 152,118 less than what we project for FY 2011/12, and \$ 469,947 less than audited year 2010/11. With transfers in, total General Fund revenues are \$ 9,846,031. We need to keep a watchful eye towards property tax receipts. We can't afford the kind of mid-year surprises and corrections that we've had at the mid-year point for the last two years, when receipts came in much lower than the very low projections that we initially estimated.

On the expense side, total General Fund expenditures are \$ 10, 007,731. Despite the Town Manager's budget team and departments working together to eliminate over \$ 2 million in original department budget requests and reducing most department budgets below last year's spending levels, it's anticipated that there will be a General Fund deficit by June 30, 2013 amounting to \$ 161,700. The net effect of this general fund deficit, if not further reduced, would be to reduce our "rainy day" general fund reserves from \$ 1,393,803 to \$ 1,232,103, or 12.3% of the total General Fund Budget. We are hopeful that with the help of the Paradise Police Officer's Association, we can further reduce this general fund deficit, so that we are in a stronger fiscally solvent position for the present, and be in a stronger financial position to deal with the financial realities facing the Town in FY 2013/14.

## **STATE'S DISSOLUTION OF REDEVELOPMENT**

The Town Council is well aware of the Governor and State legislature's huge, shortsighted blunder in eliminating redevelopment this last year. In their quest to secure \$ 1.7 billion (which they over-estimated) to deal with the State's budget woes, they eliminated the most effective community-based economic engine for the California at the very time when California's economy is in bad shape. For Paradise, this was a golden opportunity that we lost. Over the 45-year life of our redevelopment agency, we were expected to receive over \$ 500 million in redevelopment property tax increment revenues, additional property tax, and sales tax revenues, a much stronger, more expanded and diverse business sector, not to mention significant infrastructure improvements (i.e. commercial wastewater collection, traffic circulation, streets and roads, pedestrian sidewalks, water and fire line upgrades, drainage, streetlighting, and streetscape, etc.).

## **Town Manager's Budget Message**

**-15-**

The dissolution process that now involves the Town as the successor agency and an oversight board has been relatively smooth so far, but it is a time consuming process, and the reporting requirements are cumbersome. We are fortunate that our agency was relatively young and there is not a great of complication associated with our dissolution process.

While our bond debt payments were considered part of the enforceable obligations that property tax increment would have to continue to cover, we were concerned when initially our efforts to include the \$ 1 million in loans between the Town and the RDA were rebuffed as enforceable obligations. AB 1484 has since included loans between a city and its RDA as an enforceable obligation, and we expect that the first payment will occur in FY 13/14. In the meantime, there is \$ 500,000 in cash advances to the RDA that the Town will seek through the successor agency and oversight board to have paid back on partial basis through the \$ 250,000 per year administrative fee.

### **BUILDING SAFETY & WASTE WATER SERVICES FUND**

This combined enterprise fund (building & onsite) is expected to generate revenues this fiscal year amounting to \$ 690,769 which are slightly below last year's. While we expect some building activity, both residential and commercial, it still is a long ways from pre-recession levels. Expenditures, including transfers out, are expected to be slightly above net income, with a positive ending fund balance as a result of carryover balances amounting to a slim \$ 7,757. This still represents major progress from the deficit position that these funds were experiencing several years ago that warranted general fund subsidies.

### **GAS TAX FUND**

Total Gas Tax Fund revenues including transfers in from other project-related funds for this current fiscal year are estimated at \$ 1,173,810, with projected expenditures, including transfers out, amounting to \$ 1,298,030. The Fund has a projected positive ending fund balance of \$ 174,401. It's important that we maintain a positive balance in this Fund so that the general fund does not have to make up the difference.

## **Town Manager's Budget Message**

**-16-**

### **CAPITAL IMPROVEMENT PROJECTS**

Due to the lack of any approved federal or state capital projects monies in the pipeline there is only one major capital project slated for construction this fiscal year, which is the \$ 1.6 million federally funded Pearson/Recreation Drive Signal, Intersection & Pedestrian Safety Improvement Project.

However, current and future town council members need to remember that the groundwork has been laid to pursue additional capital project monies that would improve the Skyway corridor and the Downtown. The Butte County Association of Governments (BCAG) funded a \$ 100,000 Skyway Corridor study that involved considerable public input, and resulted in a number of conceptual traffic circulation, traffic calming, and aesthetic improvements through the entire Skyway corridor. In fact, the Town is presently pursuing with my concurrence, project grant monies for the Downtown segment, that if approved, would, as a first step, come to the Town Council for final design consideration and approval before the Town goes out to bid.

In addition, the Town's RDA, funded the Downtown Capital Projects Master Plan that also received significant public input, and resulted in 30% engineered plans. This master plan is ripe for an in-house engineer to break up into workable project segments and components to use as the basis to pursue new federal or state grant funding.

Finally, progress is being made on the Town's wastewater collection & treatment system project. The Town team under the direction of our Asst. Town Manager, has completed in-house, a detailed project description that will be submitted to the Town Council at your regular meeting, in August, for consideration and approval. This project description becomes the basis for going after federal and state funding for various aspects of the project. In addition, the City of Chico on our behalf, is applying for a grant that would fund the Town's part of their sewer system master plan update that will determine the feasibility of bringing our affluent by way of a pipeline down Skyway to their system for treatment. A positive outcome to this study is critically important to securing Chico's approval to allow us to use their treatment plant. We cannot lose sight of the fact that this project is the economic lifeline to a stronger, more

## **Town Manager's Budget Message**

**-17-**

diversified, local economy with greater local job opportunities that pay a decent living wage.

### **LOOKING INTO THE FUTURE**

I wanted to pass along some of thoughts, opinions, and observations from my vantage point of serving as Paradise Town Manager for the last 16 years, and out of my sincere desire for Paradise to overcome its current challenges, and actually reach that point down the road where the Town's finances, our essential services and programs, public infrastructure, and local economy are in much better shape than they are today.

They are as follows:

#### **1.. Urgent Need for a Sales Tax Measure to be Considered by the Voters:**

The Town has done everything right in focusing on reductions in spending, but these monumental efforts have been continually undermined by a fiscally irresponsible state government and a worsening local economy and local tax base. Our reductions in spending have brought us to the very brink in terms of being unable to afford a much reduced police department, being unable to afford our current level of fire services and staffing unless we contract to CAL FIRE, (and even then we will need new revenues to help fund our contract, purchase new fire apparatus to replace aging fire engines, and maintain our fire stations), and completely unable, because of diminishing monies for local streets and roads funding, to make a real dent in the \$ 22 million+ in unmet street and road improvement needs in our community. Consequently, our streets and roads continue to deteriorate.

My recommendation is that the Town consider placing on the ballot within the next year for Paradise voters to consider a temporary  $\frac{3}{4}$ , or 1 cent sales tax measure, that if passed by the voters, would expire in 5-6 years after passage. This would be a measure that only requires a majority vote, with the proceeds from the temporary tax going to fund police, fire, and street and roads improvements.

I would further propose that an independent oversight committee of citizens not connected to the Town government be established as part of the tax measure, with this committee providing oversight, as well as an annual report to the community, that identifies

## **Town Manager's Budget Message**

**-18-**

how the tax proceeds are being spent, and if they are being spent in accordance with the original purpose intended.

Such a tax measure, if approved, could generate for the Town annually \$ 700,000 to \$ 1 million, or more. The tax measure would also provide Paradise voters with a direct voice with which to weigh in on what type of community they want, and in approving or rejecting the measure give the Town's policy-makers with a clear direction as to what they will need to do under either scenario.

### **2. Charter City Evaluation:**

The recent California Supreme Court decision that upheld the right of charter cities to be exempt from prevailing wage for locally funded public improvements should serve as the catalyst for the Town to seriously evaluate the pros and cons of Paradise becoming a charter city. I would recommend the appointment of a citizens blue ribbon charter city committee made up of Paradise folks "that don't have a dog in the fight" be appointed to evaluate the merits of this course for Paradise.

### **3. General Plan Update:**

Due to the financial situation facing the Town in recent years, the more cost-effective, focused general plan update process that we decided on several years ago has been continually deferred because the Town couldn't afford it. At some point, next fiscal year this general plan update process needs to be initiated.

### **4. Direct Election of a Part-Time Mayor:**

I'm a strong advocate and proponent of the council/manager form of municipal government, and believe that this system of local governance generally works the best for duly elected city councils in terms of getting their priorities, goals, and objectives carried out in as timely, efficient, effective and responsive manner, as possible.

However, having once worked for a city with a directly elected, part-time mayor, who was elected for a two-year term, I've long believed that it's a far better approach than the current system of choosing the mayor among the five council members that the

## **Town Manager's Budget Message**

**-19-**

Town has had since incorporation. While the directly elected mayor would still be ‘the first among equals’ on the Council, as the mayor is under the current system, the directly elected mayor would be more recognized and credible by the media and general public as the chief spokesperson and primary representative for the Town. In addition, the mayor could play a greater participatory role in reviewing agenda items going on the Council agenda without having any veto power as to what goes on, or doesn’t go on a given agenda. Short of going the full extent of a directly elected mayor, we could immediately set up these processes with our current mayor process.

### **5. Business and Economic Development:**

Both in terms of policy and practice and responsiveness, the Town has a well-documented record of adopting over the years a number of business-friendly policies, programs and incentives; and in terms of execution, working successfully with various business development interests in bringing about small business growth and development projects that have materially benefited Paradise. Our streamlined, Business Assistance Team approach (BAT) has impressed a number of individual and business development interests, especially those that have considerable experience and frame of reference in developing in other communities.

However, with the loss of redevelopment as an invaluable economic tool, our arsenal of tools and resources to encourage and facilitate business and economic growth is limited. The Town needs to keep a close watch on the behind-the-scenes efforts, in Sacramento, to create some other economic approach for communities, and determine if it would be a benefit for Paradise, or would come with too many strings attached.

## **CONCLUDING COMMENTS**

Our actual presentation of the proposed FY 2012/13 Budget to the Town Council during your public budget review session this next Tuesday, July 31, will include a 5-year projection on general fund revenues and expenditures so the Town Council can have a better idea as to where the Town is headed financially in the future. In addition, we will be presenting a number of graphs and charts that further illustrate our financial situation, and the challenges we face.

**SPECIAL THANK YOU'S & ACKNOWLEDGEMENTS**

I've been very fortunate to have served eight different, duly constituted Town Councils during my tenure as Paradise Town Manager. What has impressed me most about these individuals, who had the courage and fortitude to run for elective office in the first place, is the considerable time and energy they devote once elected, and the commitment that they demonstrate to doing what is right for the community in the long term, rather than choosing to take the easy way out, and do what is politically convenient, and expedient in the short term.

In other words, it's been a distinct honor for me, our town management teams, staffs and employees during the last sixteen years to have served elected officials with perspective, vision, and backbone. I believe that our community has been the direct beneficiary of these dynamic, enlightened leaders, who have lead this city through the good times and tough times, but have never wavered in their commitment to improving the quality of life for our community, no matter what the odds were at the moment.

As town manager, I'm also deeply indebted to the outstanding managers, and employees who have worked for this Town government during my administration. The talent, skill level, creativity, expertise, professionalism, strong sense of duty, and community involvement that our management teams and employees possessed, as well as demonstrated throughout their employment is truly unique for such a small agency. Again, our community has been and continues to be blessed with Town government employees, who devote far more hours to carrying out their public service responsibilities than they are compensated for, and work under very difficult and stressful situations. They are the reason for any success that I may have enjoyed as town manager.

I'm deeply indebted to many of our citizens in Paradise, who I have come to know personally, and respect for their advice and counsel, their strong sense of community involvement, and their unwavering support and encouragement through the years. I also miss a number of them, such Alice Smith and Lou Legerton, to name a few exemplary individuals who are no longer with us.

In addition, I want to thank Finance Director Gina Will, who spent long hours in developing with me this proposed budget. Her financial management, accounting, analytical, and forecasting skills are the best I've ever seen in a finance director. Finally, I want to thank all of our department directors, managers, and my staff for the tremendous job they did to meet the very difficult challenges that we faced with this budget. Our one true asset is definitely the individuals we have working for this town.

## Capital Improvement Projects

**TOWN OF PARADISE  
RESOLUTION NO. 12- \_\_\_\_**

**A RESOLUTION OF THE TOWN COUNCIL OF THE TOWN OF PARADISE APPROVING AND  
ADOPTING THE TOWN OF PARADISE CAPITAL IMPROVEMENT PLAN FOR THE 2012-2013 FISCAL YEAR**

WHEREAS, the Town of Paradise needs to plan for critical long term Capital Improvement Projects; and

WHEREAS, a Town adopted Capital Improvement Plan (Exhibit A) will provide a valuable planning tool for Town staff; and

WHEREAS, a capital improvement plan recently prepared by staff is a planning document that is dependent upon future funding and staff resources; and

WHEREAS, This proposed Capital Improvement Plan has been reviewed by the Planning Director and reported to be consistent with the goals and objectives of the Town's adopted 1994 Paradise General Plan; and

WHEREAS, adoption of a Capital Improvement Plan will inform the local utilities and citizens of planned capital improvements; and

WHEREAS, advance planning and early coordination of Capital Improvement projects will allow all affected agencies to better coordinate construction and rehabilitation projects;

NOW, THEREFORE, BE IT RESOLVED by the Town Council of the Town of Paradise as follows:

Section 1. The Capital Improvement Plan attached as Exhibit "A" is hereby approved and adopted for the time period of July 1, 2012 through June 30, 2013.

Notes:

1. Town of Paradise Loans #4, #5, & #6 will begin to be repaid in year 2013/14 in accordance with new legislation and as property taxes increase.
2. The Town can recoup the cash advances through collection of administrative fees.
3. This budget requires the approval of the Oversight Board and the Successor Agency Board.

**TOWN OF PARADISE  
RESOLUTION NO. 12-\_\_**

**A RESOLUTION OF THE TOWN COUNCIL OF THE TOWN OF PARADISE, CALIFORNIA, AMENDING GENERAL  
FUND RESERVES FOR FISCAL YEAR 2012 – 2013**

**WHEREAS**, the Town of Paradise needs to reserve assigned General Fund monies for the purpose of setting aside contingency funds for unanticipated emergencies or other unplanned financial demands on the Town's General Fund;

**NOW, THEREFORE BE IT RESOLVED**, by the Town Council of the Town of Paradise as follows:

Section 1: The Town Council hereby establishes for the 2012 – 2013 Fiscal Year a General Fund Reserve in the amount of **\$1,232,103**.

Section 2: Notwithstanding the aforementioned section, it is the intent of the Council to increase the General Fund Reserve to 15% of General Fund Appropriations.

**TOWN OF PARADISE  
RESOLUTION NO. 12- \_\_**

**A RESOLUTION OF THE TOWN COUNCIL OF THE TOWN OF PARADISE APPROVING AND  
ADOPTING THE TOWN OF PARADISE CAPITAL IMPROVEMENT PLAN FOR THE 2012-2013 FISCAL YEAR**

WHEREAS, the Town of Paradise needs to plan for critical long term Capital Improvement Projects; and

WHEREAS, a Town adopted Capital Improvement Plan (Exhibit A) will provide a valuable planning tool for Town staff; and

WHEREAS, a capital improvement plan recently prepared by staff is a planning document that is dependent upon future funding and staff resources; and

WHEREAS, This proposed Capital Improvement Plan has been reviewed by the Planning Director and reported to be consistent with the goals and objectives of the Town's adopted 1994 Paradise General Plan; and

WHEREAS, adoption of a Capital Improvement Plan will inform the local utilities and citizens of planned capital improvements; and

WHEREAS, advance planning and early coordination of Capital Improvement projects will allow all affected agencies to better coordinate construction and rehabilitation projects;

NOW, THEREFORE, BE IT RESOLVED by the Town Council of the Town of Paradise as follows:

Section 1. The Capital Improvement Plan attached as Exhibit "A" is hereby approved and adopted for the time period of July 1, 2012 through June 30, 2013.
