

Meeting Minutes
Jimmy Davis Park Partnership Advisory Board
Minutes of Meeting
December 11, 2024
Jimmy Davis Park Complex

Attendees: Annie Bishop, Gwendolyn Brundage, Patricia Hurt, and Janie Reid

Staff: Tweedy Victor Parham

The meeting was called to order by Chairperson Janie B. Reid at 5:00 PM

There was a motion by Gwendolyn Brundage to adopt the minutes as presented. Annie Bishop seconded the motion. There was no discussion, therefore the minutes were adopted unanimously.

Discussion:

Chairperson Reid stated that she had a conversation with County Manager Paul Van Haute and he stated that “they (BOC) were working the three-year plan as presented to them by the Jimmy Davis Partnership Advisory Board.” There were no questions.

Staff Updates:

Mr. Parham reported that all was going well. He stated that he had several people ask about the fence being locked at times and that it should be open and accessible to the public, and he answered them by saying that “the commissioners are working on it.”

The committee then reviewed the plan line by line to see if any action had been taken or if additions or deletions needed to be made. After discussion, we decided to ask the commissioners to allocate funding immediately to purchase seating for the pavilion and tables and chairs for the inside. We also would like to purchase some board games and a television for the building. Additionally, we request that the commissioners do an RFP for summer enrichment activities for the youth in the area to begin immediately once school is out for the summer.

Chairperson Reid reminded the members that their next report to the commissioners is scheduled for Tuesday, December 17, 2024.

Other matters from the floor

No discussion.

Next meeting date:

March 12, 2025

Respectfully,
Janie B. Reid
