A. Petersburg Housing Needs Assessment Survey - Draft Questions

Angew::Beck Consulting will conduct a community survey as part of the Housing Needs Assessment the Borough has asked them to perform. The purpose of the survey is to better understand individual housing needs, as well as community housing needs, ideas, and preferences. The draft questions, attached, are being considered for the survey. The goal is sharing a 10-minute or less survey, so the final version will likely include 30-35 questions. Angew::Beck requests input from the Task Force regarding the draft questions.
