**A. Safe Watercraft Operation Training**

Emergency Services Director Hankins has requested the Board discuss (and possibly make a recommendation to the Assembly) whether or not the Borough should pursue an ordinance providing that all local commercial boat rental agencies require proof of completion of a national or state approved boater's safety course in order to rent a powered boat in the Borough.

**B. Local Request to Close Severson's Subdivision to Vehicle Traffic for Trick-or-Treating on Halloween**

**C. Revision and/or Enforcement of Municipal Code Chapter 13.08 Recommendation**

Borough Code Chapter 13.08, Building Numbering, is attached in this packet. Currently, code mandates that any principal building on occupied lots be visibly numbered in accordance with the system established on the plat on file in the Borough offices.
