ADJOURNMENT

**Mayor's Proclamation in Appreciation of
Donato Nieman's Service to the Borough of Pennington**

Whereas, Donato Nieman has served with distinction as a municipal administrator in towns across New Jersey for over 35 years; and

Whereas, upon retirement he generously offered his expertise to the Borough of Pennington on a part-time interim basis as Borough Administrator for a period of one-year; and,

Whereas, during his tenure with Pennington Borough, he provided invaluable guidance and leadership through his wealth of knowledge and experience in local governance; and,

Whereas, Mr. Nieman specifically is credited with assisting the Borough Council in negotiating a one-year shared services agreement for EMS services; negotiating and administering various other shared services with the Township, namely the Public Health Services agreement; and stabilizing the operations of the municipal government; and,

Whereas, it is now time for Mr. Nieman to step away as the Borough has hired a new, full-time administrator, which Mr. Nieman was instrumental in assisting the Borough Council with the search and selection of said administrator; and

Whereas, he can now fully retire from public service to enjoy more time with his family and pursue personal interests; and,

Whereas, the residents and taxpayers of Pennington Borough are profoundly grateful for his many contributions and wish him the very best in his retirement;

Now, Therefore, I, James M. Davy, Mayor of the Borough of Pennington, on behalf of the Borough Council, municipal employees, and residents, do hereby recognize the honorable service and career of Donato Nieman and celebrate his retirement after more than three and a half decades of distinguished public service to communities across New Jersey. We extend our deepest appreciation for his dedicated efforts on behalf of Pennington Borough and offer our heartfelt best wishes for many happy and healthy years ahead.

In Witness Whereof, I hereunto set my hand and cause the Seal of the Borough of Pennington to be affixed this 1st day of April, 2024.

ORDINANCE 2024-10**

**ORDINANCE ACCEPTING GIFT OF MEMORIAL GAZEBO AND RELATED
IMPROVEMENTS ON LAND OWNED BY THE BOROUGH AT THE CORNER OF
BROEMEL PLACE AND KNOWLES STREET, IN HONOR OF THE YEARS OF
SERVICE TO THIS COMMUNITY BY THE VOLUNTEERS
OF THE PENNINGTON FIRST AID SQUAD**

WHEREAS, volunteers of the Pennington First Aid Squad, Inc. (PFAS) provided emergency medical services to the Pennington Community for many years until they were forced to discontinue operations in 2023;

WHEREAS, PFAS, a 501c3 corporation, at its sole cost and expense, seeks to construct and donate to the Borough of Pennington a memorial gazebo (“Gazebo”) and related improvements (“Improvements”) on land owned by the Borough at the northeasterly corner of Broemel Place and Knowles Street, Block 202, Lot 6 on the Borough Tax Map (“the Property”);

WHEREAS, the purpose of this donation is to commemorate the years of service to this Community by PFAS volunteers, an expression of respect and gratitude in which the Borough joins;

WHEREAS, the proposed Gazebo and Improvements are described in the attached sketch entitled “Open Space on Corner of Broemel place and Knowles Street,” drawn by Carrie Stanker, Feb 2024, revised March 2024 (“Sketch”);

NOW, THEREFORE, BE IT ORDAINED, by the Borough Council of the Borough of Pennington, as follows:

1. The Borough of Pennington accepts with gratitude the donation of the Gazebo and Improvements subject to the requirements further set forth below.
2. The Gazebo as now envisioned shall be a 12-foot octagon vinyl gazebo with a metal roof, enclosed by a railing on seven sides, and positioned on a concrete slab in the approximate location shown in the Sketch. The Gazebo is planned to be “clay” in color with an “evergreen” roof and decking covering its floor surface in a “black walnut” color, available from a local vendor. The PFAS donation will include four benches for the interior of the Gazebo. Overall, the Gazebo is intended to resemble the gazebo recently constructed by the Borough in Sked Street Park.
3. As shown on the Sketch, donated Improvements to the site shall include construction of a 4-foot wide concrete walkway along the perimeter of the Property extending from the existing sidewalk on Broemel Place to a point on Knowles Street at which the walkway will turn toward the center of the Property and follow a winding course to the Gazebo. The new walkway, when following the street, shall have a turf strip 18 inches wide between its street-side edge and the existing curb. Along the inside edge of the walkway a landscape-block retaining wall shall be constructed as needed.
4. Substantial variations on this project design may be accomplished only with the approval of Borough Council, by resolution. Donations of trees and other landscaping to the site as well as placement of a suitable plaque on the Gazebo or elsewhere on site shall also be subject to one or more resolutions of approval by Borough Council.
5. PFAS shall obtain all permits required for the work. All such work shall be performed by appropriately licensed and insured contractors retained by PFAS, which shall be entirely responsible for the costs and quality of the work. PFAS also shall ensure to the satisfaction of the Borough that appropriate liability insurance covers the project.
6. All work shall be subject to oversight and approval by the Superintendent of Public Works or his designee (“Superintendent”). However, no such approval shall diminish the responsibility of PFAS or its contractors for the quality of the work.
7. Upon completion of the work and approval by the Superintendent, the Gazebo and Improvements shall become the sole property of the Borough. Thereafter, the Borough alone shall be responsible in its sole discretion for maintenance and preservation of the Gazebo and Improvements as well as maintenance and control of

the site. The ownership rights of the Borough shall include, for example, the right in its sole discretion to remove the Gazebo and/or Improvements and re-design or re-use the site or restore it to its unimproved condition.

- 8. This ordinance shall be effective upon its passage and publication as provided by law.

Section 7. The Borough hereby declares the intent of the Borough to issue bonds or bond anticipation notes in the amount authorized in Section 2 of this bond ordinance and to use the proceeds to pay or reimburse expenditures for the costs of the purposes described in Section 3(a) of this bond ordinance. This Section 7 is a declaration of intent within the meaning and for purposes of the Treasury Regulations.

Section 8. Any grant moneys received for the purpose described in Section 3(a) hereof shall be applied either to direct payment of the cost of the improvement or, if other than the State Grant referred to in Section 1 hereof, to payment of the obligations issued pursuant to this bond ordinance. The amount of obligations authorized but not issued hereunder shall be reduced to the extent that such funds are so used.

Section 9. The chief financial officer of the Borough is hereby authorized to prepare and to update from time to time as necessary a financial disclosure document to be distributed in connection with the sale of obligations of the Borough and to execute such disclosure document on behalf of the Borough. The chief financial officer is further authorized to enter into the appropriate undertaking to provide secondary market disclosure on behalf of the Borough pursuant to Rule 15c2-12 of the Securities and Exchange Commission (the "Rule") for the benefit of holders and beneficial owners of obligations of the Borough and to amend such undertaking from time to time in connection with any change in law, or interpretation thereof, provided such undertaking is and continues to be, in the opinion of a nationally recognized bond counsel, consistent with the requirements of the Rule. In the event that the Borough fails to comply with its undertaking, the Borough shall not be liable for any monetary damages, and the remedy shall be limited to specific performance of the undertaking.

Section 10. The full faith and credit of the Borough are hereby pledged to the punctual payment of the principal of and the interest on the obligations authorized by this bond ordinance. The obligations shall be direct, unlimited obligations of the Borough, and the Borough shall be obligated to levy *ad valorem* taxes upon all the taxable property within the Borough for the payment of the obligations and the interest thereon without limitation of rate or amount.

**AN ORDINANCE REGULATING PRIVATELY-OWNED
SALT STORAGE**

WHEREAS, the Borough of Pennington seeks to regulate privately-owned salt storage to protect the environment in accordance with the directives of the New Jersey Department of Environmental Protection and its proposed model ordinance;

NOW, THEREFORE, BE IT ORDAINED, by the Borough Council of the Borough of Pennington, that Chapter 155 of the Code of the Borough of Pennington is hereby amended to regulate Privately-Owned Salt Storage, as follows:

SECTION I. Purpose.

The purpose of this ordinance is to prevent stored salt and other solid de-icing materials from being exposed to stormwater.

This ordinance establishes requirements for the storage of salt and other solid de-icing materials on properties not owned or operated by the Borough (privately-owned), including residences in the Borough, to protect the environment, public health, safety and welfare, and to prescribe penalties for failure to comply.

SECTION II. Definitions.

For the purpose of this ordinance, the following terms, phrases, words and their derivations shall have the meanings stated herein unless their use in the context of this Chapter clearly demonstrates a different meaning. When consistent with the context, words used in the present tense include the future, words used in the plural number include the singular number, and words used in the singular number include the plural number. The word “shall” is always mandatory and not merely directory.

- A. “De-icing materials” means any granular or solid material such as melting salt or any other granular solid that assists in the melting of snow.
- B. “Impervious surface” means a surface that has been covered with a layer of material so that it is highly resistant to infiltration by water.
- C. “Storm drain inlet” means the point of entry into the storm sewer system.
- D. “Permanent structure” means a permanent building or permanent structure that is anchored to a permanent foundation with an impermeable floor, and that is completely roofed and walled with a door or other means of sealing the access way from wind driven rainfall. A “permanent structure” shall include a fabric frame structure if it meets the following specifications:
 - 1. concrete blocks, jersey barriers or other similar material shall be placed around the interior of the structure to protect the side walls during loading and unloading of de-icing materials;
 - 2. the design shall prevent stormwater run-on and run through, and the fabric cannot leak;
 - 3. the structure shall be erected on an impermeable slab;
 - 4. the structure cannot be open sided; and
 - 5. the structure shall have a roll up door or other means of sealing the access way from wind driven rainfall.
- E. “Person” means any individual, corporation, company, partnership, firm, or association subject to municipal jurisdiction. Persons subject to the prohibitions contained in this ordinance shall include the owner of the affected property and any tenant or other person in control of the property.
- F. “Resident” means a person who resides on a residential property where de-icing material is stored.

SECTION III. Deicing Material Storage Requirements.

- A. No person shall store de-icing materials outdoors in the Borough except from October 15th through April 15th in compliance with the requirements below:
 - 1. Loose materials shall be placed on a flat, impervious surface in a manner that prevents storm water run-through;

- 2. Loose materials shall be placed at least 50 feet from surface water bodies, storm drain inlets, ditches and/or other conveyance channels;
 - 3. Loose materials shall be maintained in a cone-shaped storage pile. If loading or unloading activities alter the cone-shape during daily activities, tracked materials shall be swept back into the storage pile, and the storage pile shall be reshaped into a cone after use;
 - 4. Loose materials shall be covered as follows:
 - a. The cover shall be waterproof, impermeable, and flexible.
 - b. The cover shall extend to the base of the pile(s).
 - c. The cover shall be free from holes or tears.
 - d. The cover shall be secured and weighed down around the perimeter to prevent removal by wind.
 - e. Weight shall be placed on the cover(s) in such a way that minimizes the potential of exposure as materials shift and runoff flows down to the base of the pile. Sandbags lashed together with rope or cable and placed uniformly over the flexible cover, or poly-cord nets, provide a suitable method. Items that can potentially hold water (e.g., old tires) shall not be used;
 - 5. Containers must be sealed when not in use.
 - 6. The site shall be free of all de-icing materials between April 16th and October 14th.
- B. Storage of de-icing materials in a permanent structure, including storage of loose de-icing materials in such a structure is not restricted to October 15th through April 15th.
 - C. All temporary and permanent structures must comply as well with all other local ordinances, including building and zoning regulations.
 - D. The property owner, or owner of the de-icing materials if different, shall designate a person(s) responsible for operations at the site where these materials are stored outdoors, and who shall document that weekly inspections are conducted to ensure that the conditions of this ordinance are met. Inspection records shall be kept on site and made available to the Borough upon request.
 - E. Residents who operate businesses from their homes that utilize de-icing materials are also required to perform weekly inspections.

SECTION IV. Exemptions:

Residents other than those described in Section III.E. above may store de-icing materials outside in a solid-walled, closed container that prevents precipitation from entering and exiting the container, and which prevents the de-icing materials from leaking or spilling out. Under these circumstances, weekly inspections are not necessary, but repair or replacement of damaged or inadequate containers shall occur within 2 weeks.

The storage and inspection requirements in Section III above shall not apply if the de-icing materials are containerized (in bags or buckets) and stored within a permanent structure. Piles of de-icing materials are not exempt, even if stored in a permanent structure.

This ordinance does not apply to facilities where the stormwater discharges from de-icing material storage activities are regulated under another NJPDES permit.

SECTION V. Enforcement:

Section 1. The several improvements described in Section 3 of this bond ordinance are hereby respectively authorized to be undertaken by the Borough of Pennington, in the County of Mercer, New Jersey (the "Borough") as general improvements. For the several improvements or purposes described in Section 3, there are hereby appropriated the respective sums of money therein stated as the appropriation made for each improvement or purpose, such sums amounting in the aggregate to \$325,000, and further including the aggregate sum of \$16,250 as the several down payments for the improvements or purposes required by the Local Bond Law. The down payments have been made available by virtue of provision for down payment or for capital improvement purposes in one or more previously adopted budgets.

Section 2. Section 6. The following additional matters are hereby determined, declared, recited and stated:

(a) The improvements or purposes described in Section 3 of this bond ordinance are not current expenses. They are all improvements or purposes that the Borough may lawfully undertake as general improvements, and no part of the cost thereof has been or shall be specially assessed on property specially benefitted thereby.

(b) The average period of usefulness, computed on the basis of the respective amounts of obligations authorized for each purpose and the reasonable life thereof within the limitations of the Local Bond Law, is 10.32 years.

(c) The Supplemental Debt Statement required by the Local Bond Law has been duly prepared and filed in the office of the Clerk, and a complete executed duplicate thereof has been filed in the office of the Director of the Division of Local Government Services in the Department of Community Affairs of the State of New Jersey. Such statement shows that the gross debt of the Borough as defined in the Local Bond Law is increased by the authorization of the bonds and notes provided in this bond ordinance by \$308,750, and the obligations authorized herein will be within all debt limitations prescribed by that Law.

(d) An aggregate amount not exceeding \$19,000 for items of expense listed in and permitted under N.J.S.A. 40A:2-20 is included in the estimated cost indicated herein for the purposes or improvements.

This Section 7 is a declaration of intent within the meaning and for purposes of the Treasury Regulations.

Section 8. Any grant moneys received for the purposes or improvements described in Section 3 hereof shall be applied either to direct payment of the cost of the improvements or to payment of the obligations issued pursuant to this bond ordinance. The amount of obligations authorized but not issued hereunder shall be reduced to the extent that such funds are so used.

Section 9. The chief financial officer of the Borough is hereby authorized to prepare and to update from time to time as necessary a financial disclosure document to be distributed in connection with the sale of obligations of the Borough and to execute such disclosure document on behalf of the Borough. The chief financial officer is further authorized to enter into the appropriate undertaking to provide secondary market disclosure on behalf of the Borough pursuant to Rule 15c2-12 of the Securities and Exchange Commission (the "Rule") for the benefit of holders and beneficial owners of obligations of the Borough and to amend such undertaking from time to time in connection with any change in law, or interpretation thereof, provided such undertaking is and continues to be, in the opinion of a nationally recognized bond counsel, consistent with the requirements of the Rule. In the event that the Borough fails to comply with its undertaking, the

Borough shall not be liable for any monetary damages, and the remedy shall be limited to specific performance of the undertaking.

Section 10. The full faith and credit of the Borough are hereby pledged to the punctual payment of the principal of and the interest on the obligations authorized by this bond ordinance. The obligations shall be direct, unlimited obligations of the Borough, and the Borough shall be obligated to levy *ad valorem* taxes upon all the taxable property within the Borough for the payment of the obligations and the interest thereon without limitation of rate or amount.

Hello,

Attached is a permit for Art in the Park this summer at Kunkel Park. I know last year there was an issue with the picnic tables and our Public Works department went over to clean them up after the camp. I apologize if any of the mess was a result of the camp and will stress to my staff that they are not allowed to use the newer picnic tables unless they are fully covered. I hope we can continue to offer this camp at your location as it is a Hopewell Valley favorite! Last year the camp serviced not only Hopewell Township children, but 40% of our registrations were Pennington Borough residents.

Thank you.
