OLD BUSINESS - ADMINISTRATION

1. Discussion and possible recommendation to the village board approve **Resolution 2022-28** a resolution of the Village of Poplar Grove, Illinois approving and publishing policy of when building permits are not required for existing buildings
Motion made by Trustee Wethington, Seconded by Finance Chairman Miller.
Seth Sommers introduced him self and went over the two different documents. He stated some things he would change
Each trustee and Village President spoke on what they want to see in the document. Trustees are all concerned that President Sattler's version was pulled from the City of Chicago and the Village is not home ruled. President Sattler stated that "if it works for Chicago it will work for us"
Clerk Anderberg suggested she reach out to some of her clerk connects to see if there are any seminar documents for non home rule committee.
Building Official Sommers and Clerk Anderberg will do some more research and then come back to the Village Board. Trustees would like to see a workshop scheduled on a separate day so they can go over all documents.
