10. **Consider request of Justin Karl for a Port Lavaca PRIDE Incentive Grant in an amount not to exceed \$5,000.00 to help fund improvements to 132 E. Main Street. Presenter is Jody Weaver**

(Interim City Manager Weaver was not in attendance).

City Attorney Odefey presented agenda item to Council on behalf of Weaver:

Justin Karl has submitted the attached Port Lavaca Pride Incentive (Façade) Grant application. He is the owner of the building at 132 E. Main Street, which is across the street from the Green Iguana and next door to the old Indianola Trading Company. He is working to open this building as a retail space sometime this summer. Possibilities include a boutique of some sort or a candy and/or ice-cream shoppe. The building is in dire need of a new roof in order to proceed with the plans to make this a usable space and viable business, which would provide 2 to 3 new jobs.

Justin has submitted two (2) roofing bids. He has verified with Lynn & Associates Engineering that the proposal from C.N. Roofing does qualify for a WPI-8 windstorm certification and C.N. Roofing has included the cost of windstorm inspections in their bid. Justin is requesting consideration of an Incentive (Façade) Grant to fund 50% of the cost of this new roof, which would be \$4,592.50 without any additional roof decking (carpentry) work.

Because of the urgency to get this space dried-in as soon as possible, Justin is also requesting that if the Council approves this application, that the project not be disqualified if the contractor is able to begin the work this week, prior to Council action on May 09, 2022.

The purpose of this Program is to enhance the economic vitality of the City of Port Lavaca. This can be accomplished by encouraging visually appealing physical improvements to local business, but also by helping to provide critical infrastructure improvements needed for the building to become a usable space for a viable business, such as a re-roof. The City has \$25,000.00 budgeted in Economic Development for such Incentive (Façade) Grants. This is the first application received this fiscal year.

The Economic Development Committee recommends approval of the application with the stipulation that reimbursement of 50% of the documented actual cost of the reroof, or \$5,000.00 whichever is greater, will be paid by the City to Justin Karl within 30 days after the building begins operation as a retail space. This Incentive Grant will be valid for only one year. If the building is not in use as a retail space prior to May 9, 2023, this Incentive grant will be invalid.

Motion made by Councilman District 3 Tippit

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF PORT LAVACA, TEXAS:

THAT, in accordance with recommendation of the Economic Development Committee and staff, Council hereby authorizes reimbursement of 50% of the documented actual cost of the reroof, or \$5,000.00, whichever is greater, will be paid by the City to Justin Karl within 30 days after the building begins operation as a retail space at 132 E. Main Street.

BE IT ALSO RESOLVED that this Incentive Grant will be valid for only one (1) year. If the building is not in use as a retail space prior to May 09, 2023, this Incentive grant will be invalid.

BE IT FURTHER RESOLVED that the Mayor is hereby authorized to execute all instruments necessary to effect such agreement.

11. **Consider approving Second Amendment to Ad Valorem Tax Rebate Agreement entered between Ho Enterprises, LLC and the City of Port Lavaca dated July 18, 2018. Presenter is Anne Marie Odefey**

(Interim City Manager Weaver was not in attendance).

The following is Weaver's memo to Council and City Attorney Odefey presented:

Section 6.5.2 of the Ad Valorem Tax Rebate Agreement with Ho Enterprises, LLC signed on July 11, 2018 identifies sixteen duplex lots (Lots 63-78) on West Aimable and sixteen duplex lots (lots 1-16) on Cardinal Drive (formally Pass Cavallo) as having the requirement that the sales price of each duplex unit shall not exceed \$150,000.00 including the lot. This is a total of thirty-two duplex unit lots.

Ho Enterprises, LLC constructed a duplex on lots 77 and 78 on West Aimable incorporating additional features with the original intent to utilize this duplex as a model home. Because of the additional features, the value of the home, including the lot, exceeds the maximum limit of \$300,000 (\$150,000 per unit). Ho Enterprises, LLC now has a buyer wanting to purchase this duplex at a price greater than \$300,000. In order to allow the sale of the duplex on Lots 77 and 78 to proceed without imposing a monetary loss to Ho Enterprises, LLC, they are requesting to amend the agreement in order to waive this sales price cap

for Lots 77 and 78 and instead impose this sales price cap on **Lots 57 and 58 instead**. Nothing else in the agreement is proposed for change.

All infrastructure is installed, with the exception of the playground structures in the Subdivision Park, which is on backorder due to supply chain issues. The site work for this playscape is scheduled to begin next week. Ho Enterprises, LLC has submitted all of the approved development costs to date contingent on Weaver's review. Ho Enterprises, LLC has not received any rebate payment to date since no compliant duplex unit construction has occurred as stipulated in the Agreement.

Council was shown a chart showing the homes which have been permitted for construction in Claret Crossing to date; however, none of these homes are on the lots with the sales cap requirement (other than 102 and 104 W. Aimable, being lots 77 and 78, which are the topic of this amendment). Mr. Ho is currently collaborating with a builder on a proposal to build homes on the remaining available lots from Lot 17 - 52 and 79 - 84. These lots do not have any sales price restriction per the Rebate Agreement.

As stated above, approval of this Amendment does not make any change to the \$150,000.00 per unit sale price limit on a total of thirty-six units in the subdivision that is stated in Section 6.5.2 of the Agreement. Mr. Ho has however expressed some concerns about his ability to meet the \$150,000.00 per unit sale price limit under the current economic conditions. Section 6.8 of the agreement discusses "Economic Changes" and allows for Mr. Ho to propose changes to the agreement with supporting documentation; however, he will do so at a later time.

Motion made by Councilman District 2 Dent

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF PORT LAVACA, TEXAS:

THAT, in accordance with recommendation of City Attorney and staff, Council hereby approves the Second Amendment to Ad Valorem Tax Rebate Agreement entered between Ho Enterprises, LLC and the City of Port Lavaca dated July 18, 2018, a copy which is on file, in its entirety in the office of the City Secretary.

BE IT FURTHER RESOLVED that the Mayor is hereby authorized to execute all instruments necessary to effect such agreement.

18. **Consider awarding bid to fence contractor for the Public Works Perimeter Fence Project, Phase 1 of 3. Presenter is Wayne Shafer**

Public Works Director Shafer advised Council that the perimeter fence around the public works service center has exceeded its useful life and no longer provides a means to secure the property. It is imperative to replace all of the fence to ensure compliance with Texas Commission on Environmental Quality (TCEQ) due to water storage tanks on site. Given the cost of replacement, the project has been broken into three phases, with the first phase being this year and the second and third phases coming in the following years.

Three bids were received and they are as follows:

Coastal Fence & Irrigation, LLC	Victoria	\$25,500.00
Krettek Fence Co.	Port O'Connor	\$25,900.00
South Texas Fence & Deck	Victoria	\$33,050.00

Shafer advised that \$25,000.00 is budgeted for the current 2021-2022 fiscal year and will need to add an additional \$500.00 to award the contract. Staff recommends Council award bid to Coastal Fence and Irrigation, LLC in the amount of \$25,500.

Motion made by Councilman District 2 Dent

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF PORT LAVACA, TEXAS:

THAT, in accordance with recommendation of staff, Council hereby approves awarding bid to fence contractor for the Public Works Perimeter Fence Project, Phase 1 of 3 to Coastal Fence & Irrigation, LLC of Victoria, Texas in the amount of \$25,500.00.

BE IT FURTHER RESOLVED that the Mayor is hereby authorized to execute all instruments necessary to effect such agreement.

19. **Consider recommendation of the Planning Board for a variance request to the Signs Ordinance from Prosperity Bank. Presenter is Jody Weaver**

(Interim City Manager Weaver was not in attendance).

Finance Director Slang presented agenda item to Council on behalf of Weaver:

The variance request is for a 30-foot-high freestanding pole sign with a 130 sq. ft. surface area. This sign will be located at 1107 N SH 35 on the Prosperity Bank property.

In September of 2021, the Planning Board denied the variance request made by Prosperity bank for a 75-foot-high freestanding sign with a 360 square foot surface area, similar to that of Whataburger. The Planning Board made this decision so as not to set precedent for future city growth.

In June of 2016, the City Council approved the Whataburger variance for the 75-foot freestanding pole sign with a 355 sq. ft. surface area. Consideration was given to this variance, as this sign dimension was the prior Whataburger sign dimension in their former location; therefore, it was reviewed with a legal nonconforming use intent.

In August of 2014, the City Council approved a variance for the Port Lavaca Ford Dealership requesting to place a sign that is 47.5-foot in height.

Planning Board assessed that the current variance request represents a sign that is 30% greater than the maximum surface area and 20% greater than the sign code maximum height; however, it represents a sign that is comparable to what is existing across the highway at Wal-Mart. The Planning Board also discussed a 30-foot height becoming the new standard for freestanding pole signs located on highway 35. Staff concurs with the Planning Board in approving this request from Prosperity Bank.
