Jason Beebe
Patricia Jungmann

Gail Merritt
Jeff Papke

Council Members Absent

Ray Law
Steve Uffelman

Additions to the Agenda

None.

Consent Agenda

1. Regular Meeting Brief 4-27-2021

Councilor Hutchison made a motion to approve consent agenda as presented. Motion seconded. No discussion on motion. Motion carried.

Visitors, Appearances and Requests:

Public Appearances

No written comments were received.

Council Business

2. **Partial Vacation of NW Beaver Street – Josh Smith**

Mayor Beebe read the public hearing script into the record.

Mayor Beebe opened the public hearing portion of the meeting.

Josh Smith, Planning Director presented the staff report adding that the vacation was request by Parr Lumber. Currently the city maintains this portion. Notice was published and mailed to

adjoining property owners. Parr Lumber even reached out personally to adjoining property owners. There is no fiscal impact to the city. There were some questions from adjoining property owners to Parr Lumber when they reached out regarding how much room to back up and the other was from on 7th Street and whether or not they would have to build sidewalks.

There were no further questions.

There was not anyone on the line for public hearing and no written comments were received.

Mayor Beebe closed the public hearing portion of the meeting.

Staff Reports and Requests:

3. Manager’s Report – Steve Forrester

Mr. Forrester reported: The Railroad report is the rebuild of railroad tracks with Prineville campus will involve rebuilding about 3.5 miles and the contractor will be here about 15 days until project is complete. The Police Department has been in negotiations with the union and is confident it will be finalized in about a week. Chief Cummins and Captain Seymour reported they are making progress and expect to have the new facility fully occupied by May 17th. He served in the Crook County budget process and they did approve a balanced budget that includes an increase with better control over contingencies and reserves. We received a recovery fund update and it appears that there will be several things that will be beneficial the city. We have identified those projects as discussed at the last meeting and are working with federal representatives and how it will be to specific programs. There should be significant additional funding that could come our way. The biennial budget is under final touches which will be printed and presented next week.

No comments or questions.

4. Strategic Planning Scheduling Discussion – Steve Forrester

Mr. Forrester explained scheduling efforts background for this and wondered if a series of meetings prior to regular Council meetings would work.

Council agreed that prior to regular meetings would probably work better.

Committee Reports

There were no reports.

Ordinances:

None.

Resolutions:

None.

Visitors Appearances and Requests:

No written comments were received.

Adjourn

**Councilor Papke made a motion to adjourn the meeting. Motion seconded.
No discussion on motion. All in favor, motion carried.**

Meeting adjourned at 6:56 P.M.

Staff Report

Meeting Date: May 25, 2012

Prepared by: Janet Hutchison

Section: Council Business

City Goal: Provide Quality Municipal Services & Programs, Position City for the Future

Subject: Council Contribution to Ochoco Forest Restoration Collaboration (OFRC)

Reason for Consideration: To make a contribution to OFCR in order to facilitate monthly meetings and education. Due to the pandemic there is a shortfall of available funds.

Background: This group was formed in April 2012 by Betty Roppe (previous Mayor) and Ken Falgreen (previous County Commissioner). OFRC is a partnership of diverse local and regional interests who have come together to address and resolve the impassioned social gridlock and controversy surrounding natural resource management in the region. OFRC welcomes all parties that have had a role in forest management in the area and is committed to a collaborative process. Through regular meetings, field trips, project planning teams, and other activities the group is building trust and relationships, identifying common interests, and advancing an agenda defined by restoration and collaboration.

OFRC is a diverse group of stakeholders who work together to create and implement a shared vision to improve the resilience and well being of forest ecosystems and communities in the Ochoco Mountains. The values that OFRC are concerned about include: the supply of timber, opportunities for recreation, forage for livestock, and a healthy resilient forest that supports native populations of fish and wildlife. Our vision is to create a vibrant Ochoco National Forest and surrounding community through a restored and resilient forested landscape which supports strong jobs and economic opportunities and social harmony across the region.

Other benefits to our partnership with OFRC is that there is potential to supply the local biomass project with woody material through stewardship contracts that would align with OFRC's value of a healthy resilient forest, while also improving air and water quality.

Accomplishments: 1) Modernization of OFRC Operating Principals, 2) Continue shared learning on the effects of treatments on steep terrain, 3) Continue shared learning with Andrew Merschel to look into the age/size relationship of trees on the Ochocos, 4) Expectation of completing Category 4 Zones of Agreement for Riparian (intermittent water and no know fish populations, 5) Hosted the Team 21 (the group preparing the amendment to Eastside Screens) twice and submitted a substantial comment letter. The amendment to the Eastside Screens will allow the Forest Service to more easily implement the OFRC Zones of Agreement and OFRC anticipates seeing more examples of their recommendations on the ground.

Fiscal Impact: \$5,000.00

Recommendation: The council to approve contributing \$5,000.00 to the Ochoco Forest Restoration Collaborative group to assist with facilitation and education, in addition to the potential of leveraging other grant / funding opportunities.

Crook County Court Has Requested a Declaration of a Drought Emergency

On May 5, the Crook County Court requested that the State of Oregon declare a drought emergency for all of Crook County. Precipitation levels have been much lower than average since the fall, and reservoir levels are especially low. This is expected to result in economic hardships for many Crook County residents, particularly in the agricultural sector.

Despite these conditions, the City of Prineville expects its groundwater supply to be able to meet customer water needs this year, as we are in the fortunate position of having a groundwater aquifer with ample water supply. That said, the current drought conditions and anticipated drought emergency declaration are a clear reminder that water is a particularly precious resource in the high desert. We encourage you to take action to use water efficiently:

- Irrigate only in the early morning or late evening to minimize evaporation.
- Check for irrigation system leaks and make sure your sprinklers are not spraying walkways or driveways.
- Consider using more efficient irrigation methods, like drip irrigation for gardens and shrubs.
- Conserve water indoors by replacing old faucet aerators and showerheads with more water-efficient versions.

Please visit our [Water Conservation](#) page for more ideas about indoor and outdoor water conservation ideas and to get information about our free water conservation items.

The City of Prineville will continue to provide updates on the drought declaration, water conditions, and voluntary water conservation measures.

Read on for Additional Information About the Request for a Drought Emergency Declaration

Why did the Crook County Court request a drought declaration for Crook County?

The Crook County Court made this request in response to concerns about weather conditions causing loss of economic stability, pasture shortages, a shortened growing season, decreased water supplies for agricultural and livestock producers, and reduced recreational opportunities. These conditions can result in significant economic damage to the agricultural and livestock industries, recreation, and related economies—and can increase wildfire danger. Many local irrigators and ranchers rely on adequate winter snowpack, precipitation, and water stored in Ochoco and Prineville Reservoirs for their water supply, and drought conditions may threaten their economic stability. A drought declaration can assist Crook County residents by making more resources available to protect crops and livestock, mitigate economic losses, and proactively address the threat of wildfires.

Is there evidence of a drought?

There are several ways drought is measured in our region. These are some of the signs that we are experiencing severe or extreme drought conditions:

- Prineville Airport has reported just 2.62” of precipitation since September. The historical average for this same period is approximately 10”.
- Precipitation since October 1 has been less than 70 percent of the average; April precipitation was less than 50 percent of the average.

- The National Drought Mitigation Center reported that Crook County is in **Extreme Drought** in the western portion of the County and **Severe Drought** in the eastern portion of the County as of April 22, 2021.
- Prineville Reservoir storage is approximately one-third below average.
- Ochoco Reservoir storage is approximately two-thirds below average. Storage is at or near the all-time low since consistent record keeping began in 1980, and inflows to the reservoir are expected to be less than one-third of the yearly average.
- The extended weather forecast for Crook County for the next three months calls for 33–40 percent chance of higher-than-normal temperatures and 40–50 percent chance of below-average precipitation.

What happens when the Governor approves a request for a drought declaration?

- Water users and managers gain access to legal tools to increase the flexibility of their water supply source. For example, water users can apply for temporary water right transfers and emergency water use permits. They also gain access to other federal and state drought assistance programs, including emergency farm loans and compensation for grazing losses.
- The Governor may require that cities develop water conservation plans or water curtailment plans if the drought is considered severe enough. The City of Prineville has a Water Management and Conservation Plan that includes a water curtailment plan and will implement measures described in these plans if needed. We encourage you to conserve water and we will continue to provide information about the City’s water supply conditions.

ORDINANCE NO. 1264

AN ORDINANCE VACATING A PORTION OF NW BEAVER STREET AND PORTION OF ALLEY OFF NW 7th STREET BETWEEN NW BEAVER AND NORTH MAIN STREET.

WHEREAS, pursuant to provisions of ORS Chapter 271, on the City Council’s own motion, the City of Prineville intends to vacate a portion of NW Beaver Street and portion of alley between NW Beaver and North Main Street; which portions are specifically described and shown in Exhibit A & B, attached hereto and hereby adopted by reference; and

WHEREAS, the adjacent property owner “Parr Lumber” requested the proposed street and alley vacation; and

WHEREAS, city staff reviewed the proposal and determined that there is no current or future need for these portions of right-of-way and determined that the vacation will ultimately reduce the City’s maintenance cost.

WHEREAS, the remaining portion of right-of-way will remain to serve adjacent properties and be maintained by the City; and

WHEREAS, notice of the proposed vacation and hearing was published in the Central Oregonian newspaper once each week for two consecutive weeks prior to May 11, 2021; and

WHEREAS, a public hearing considering the vacation was held by the City of Prineville on May 11, 2021 to allow an opportunity for any interested person to appear and present comment.

NOW, THEREFORE, THE PEOPLE OF THE CITY OF PRINEVILLE ORDAIN AS FOLLOWS:

1. A portion of NW Beaver Street right-of-way and portion of alley between NW Beaver Street and N. Main Street described in Exhibit A is hereby vacated with equal portions of property being conveyed to the adjacent land owners.
2. It is the applicant’s (Parr Lumber) responsibility to relocate or provide easements for any existing utilities entitled to use said portions of right-of-way or demonstrate that such utilities are not present, prior to this vacation becoming final.
3. That the City shall not have any further obligation to maintain the vacated area or provide fencing of the vacated area.

Presented for the first time at a regular meeting of the City Council held on May 18, 2021 and the City Council finally enacted the foregoing ordinance this ____ day of May, 2021.

Rodney J. Beebe
Mayor

**RESOLUTION NO. 1487
CITY OF PRINEVILLE, OREGON**

**A RESOLUTION TO ALLOW TEMPORARY PARKLETS IN THE RIGHT-OF-WAY
FOR TEMPORARY OUTDOOR DINING**

Whereas, providing an opportunity for restaurants to expand their operations outdoors, either in the public right-of-way or private parking lots, will generate greater pedestrian activity, help increase business patronage and overall interest in the area, and help off-set some of the losses resulting from the spacing minimums required to reduce the spread of COVID-19; and

Whereas, temporary parklets are public spaces located in the public right-of-way that provide increased restaurant or bar seating capacity; and

Whereas, temporary outdoor dining located in private parking lots will also provide additional seating; and

Whereas, to be successful, parklets and outdoor dining on private parking lots must adequately address infrastructure and parking impacts, to be tied to specific location, be safe for the public to use, be easily maintained by the permittee, be for a limited and certain term, and be capable of easy and fast installation and removal.

Now, Therefore, the City of Prineville resolves as follows:

1. Temporary Parklets in the right-of-way for temporary outdoor dining shall be permitted between April 1 and November 1 within the CI Central Commercial Zone.
2. Any person or business within the City desiring to operate a Temporary Parklet shall apply to the City for a permit that shall be issued by the City Planning Department.
3. The City Planning Department shall develop policies and procedures regarding Temporary Parklet permittees that at a minimum provides the following:
 - a. Permittees shall only be allowed to utilize their own street frontage area, which shall be limited to just one side of the street.
 - b. Areas must be appropriately enclosed.
 - c. Fixtures and furnishings must be temporary and easily moved.
 - d. The City would reserve the right to require a business to move furnishings or fixtures based on work within the right-of-way.
 - e. State Highway frontages are prohibited.

f. The permittee shall be responsible for maintaining the Temporary Parklet in a clean and attractive manner.

g. Temporary Parklets shall not interfere with or create safety hazards or interfere with vehicle or pedestrian traffic.

Approved by the City Council this ____ day of May, 2021.

Rodney J. Beebe, Mayor

ATTEST:

Lisa Morgan, City Recorder

STAFF REPORT

MEETING DATE:	5/25/2021	PREPARED BY:	Casey Kaiser
SECTION:	N/A	DEPARTMENT:	Planning
CITY GOAL:	Position City for the Future		
SUBJECT:	Resolution 1487 - Parklets		

REASON FOR CONSIDERATION: Allowing parklets will provide restaurants with an opportunity to increase their capacity that has been limited by the COVID related restrictions most recently. The capacity restaurants gain by creating parklets is less likely to be restricted by COVID 19 and provides them with an opportunity to operate with an additional degree of predictability that has been lost with the consistently changing COVID rules and restrictions.

Moving forward beyond COVID 19 restrictions, parklets will enhance the attractiveness of the downtown. The parklets bring activity into the outdoor space downtown where it is more visible to passing traffic. This visible activity attracts more interest and draws additional people into the downtown for shopping, dining, and socializing.

BACKGROUND: This opportunity was brought to the forefront in 2021 when restrictions on capacity and indoor operations for restaurants continued related to the ongoing Coronavirus pandemic. Most local restaurants have been challenged in maintaining enough capacity to remain financially viable. Creating parklets provides an avenue for restaurants and dining establishments to gain back some of that capacity.

Downtown assessments conducted in 2015 and 2018 also recommended parklets as a way to enhance the attractiveness of the Prineville downtown. The downtown assessments were conducted by CIVILLIS Consulting on behalf of the City Council chartered Downtown Strategic Planning Committee.

FISCAL IMPACT: There is anticipated to be minimal fiscal impact of the resolution. Initially some staff time will be invested in creating an application, procedure, and corresponding fee. A small amount of staff time will be necessary to process the applications but there are not expected to be a large number of them.

RECOMMENDATION: Staff recommends approving resolution 1486 allowing parklets and directing staff to create the procedures for implementing and managing them.

**RESOLUTION NO. 1488
CITY OF PRINEVILLE, OREGON**

**A RESOLUTION PROVIDING THE CITY OF PRINEVILLE AUTHORIZATION TO
EFFICIENTLY MINIMIZE OR MITIGATE THE EFFECTS OF THE COVID-19
PANDEMIC**

Whereas, COVID-19 was declared a pandemic by the World Health Organization on March 11, 2020; and

Whereas, COVID-19 are a group of viruses that can cause respiratory disease, with the potential to cause serious illness or loss of life for individuals with underlying health conditions; and

Whereas, COVID-19 requires a significant amount of resources at the local level to keep the public and community informed and as safe as possible; and

Whereas, on March 8, 2020, Oregon Governor Kate Brown declared a state of emergency due to the COVID-19 outbreak in Oregon (Executive Order 20-03), finding that COVID-19 has created a threat to public health and safety, and constitutes a statewide emergency under ORS 401.025(1); and

Whereas, on March 13, 2020, the President of the United States, Donald J. Trump, declared the COVID-19 outbreak a national emergency; and

Whereas, on March 13, 2020, the Crook County Court declared a state of emergency relating to COVID-19 in Crook County, Oregon; and

Whereas, on March 13, 2020, the City Council of Prineville declared a state of emergency as a result of the COVID-19 pandemic per Resolution 1429; and

Whereas, on April 7, 2020, the City Council of Prineville continued the State of Emergency as a result of the COVID-19 pandemic per Resolution 1433, which expired on April 30, 2020 at 11:59 p.m.;

Whereas, on April 28, 2020, the City Council of Prineville continued the State of Emergency as a result of the COVID-19 pandemic per Resolution 1434, which expired on May 31, 2020 at 11:59 p.m.; and

Whereas, on May 26, 2020, the City Council of Prineville continued the State of Emergency as a result of the COVID-19 pandemic per Resolution 1440, which expired on June 30, 2020 at 11:59 p.m.

Whereas, on June 23, 2020, the City Council of Prineville continued the State of Emergency as a result of the COVID-19 pandemic per Resolution 1449, which expired on July 31, 2020 at 11:59 p.m.

Whereas, on July 28, 2020, the City Council of Prineville continued the State of Emergency as a result of the COVID-19 pandemic per Resolution 1454, which expired on August 31, 2020 at 11:59 p.m.

Whereas, on August 25, 2020, the City Council of Prineville continued the State of Emergency as a result of the COVID-19 pandemic per Resolution 1455, which expires on September 30, 2020 at 11:59 p.m.

Whereas, On September 22, 2020, the City Council of Prineville continued the State of Emergency as a result of the COVID-19 pandemic per Resolution 1458, which expires on October 31, 2020 at 11:59 p.m.

Whereas, On October 27, 2020, the City Council of Prineville continued the State of Emergency as a result of the COVID-19 pandemic per Resolution 1462, which expires on November 30, 2020 at 11:59 p.m.

Whereas, On November 10, 2020, the City Council of Prineville continued the State of Emergency as a result of the COVID-19 pandemic per Resolution 1463, which expires on December 31, 2020 at 11:59 p.m.

Whereas, On December 8, 2020, the City Council of Prineville continued the State of Emergency as a result of the COVID-19 pandemic per Resolution 1466, which expires on January 30, 2021 at 11:59 p.m.

Whereas, On January 26, 2021, the City Council of Prineville continued the State of Emergency as a result of the COVID-19 pandemic per Resolution 1473, which expires on February 28, 2021 at 11:59 p.m.

Whereas, On February 23, 2021, The City Council of Prineville continued the State of Emergency as a result of the COVID-19 pandemic per Resolution 1465, which expires on March 31, 2021 at 11:59 p.m.

Whereas, On March 23, 2021, The City Council of Prineville continued the State of Emergency as a result of the COVID-19 pandemic per Resolution 1478, which expires on April 30, 2021 at 11:59 p.m.

Whereas, On April 27, 2021, The City Council of Prineville continued the State of Emergency as a result of the COVID-19 pandemic per Resolution 1483, which expires on May 31, 2021 at 11:59 p.m.

Whereas, the unknown duration of the COVID-19 pandemic will have significant financial impact to the community; and

Whereas, pursuant to ORS 401.309(1), the governing body of a city may declare, by ordinance or resolution, that a state of emergency exists within the city; and

Whereas, pursuant to Prineville City Code 31.05, the City of Prineville City Council may declare a state of emergency and may redirect city funds for emergency use or order such other measures as are found to be immediately necessary for the protection of life and/or property.

NOW, THEREFORE, the City of Prineville resolves and declares the following:

1. A State of Emergency continues to exist in the City of Prineville (City) encompassing all of the areas within city limits.
2. That the City and its officials shall continue to be authorized to take such actions and issue such orders as are determined to be necessary to protect the public and property and to efficiently conduct activities that minimize or mitigate the effect of the emergency as described in Prineville City Code 31.05.
3. The City shall continue to take all necessary steps authorized by law to coordinate response and recovery from this emergency, including, but not limited to, requesting assistance and potential reimbursements from the State of Oregon and the appropriate federal agencies.
4. That emergency procurements of goods and services are authorized pursuant to ORS 279B.080, ORS 279C.335(6), Prineville City Code 31.05, and all other applicable rules.
5. This Resolution and Declaration is effective June 1, 2021 at 12:00 a.m. and shall remain in effect until June 30, 2021 at 11:59 p.m. unless sooner superseded.

Approved by the City Council this ____ day of May, 2021.
