**3.** Public Hearing to Consider Draft Findings for Personal Services Contract (PUBLIC HEARING) - Caroline Ervin

Caroline Ervin, Capital Projects Manager distributed the TRM proposal and Prineville Renewable Energy Project (PREP) brochures. Mrs. Ervin went through a power point presentation that highlighted background information on project, history of working with TRM, wanting a third party analysis of the project, prior funding successes so far, a site being selected for the facility, and now being in the launch and permitting phase of the project.

There were no questions.

Rob Broberg of TRM talked about the permitting process and how of all the projects like this he has worked on internationally, this project is by far the best for being positioned to be a very successful project.

There were no further questions.

#### Mayor Beebe opened the public hearing portion of the meeting.

There were no written comments, and no one came forward.

#### Mayor Beebe closed the public hearing portion of the meeting.

# Councilor Hutchison made a motion to approve the findings as presented. Motion seconded. No discussion on motion. All in favor, motion carried.

### 4. Intent to Award 2022 Street Rehabilitation Project – Justin Severance

Justin Severance, Street Supervisor presented the staff report explaining that costs have increased significantly mostly due to fuel and oil prices. The city was able to identify additional funding in other places to make up the difference and move ahead with the project.

Councilor Papke made a motion to approve the intent to award to Seven Peaks Paving in the amount of \$565,995.00. Motion seconded. No discussion on motion. All in favor, motion carried.

#### **Staff Reports and Requests:**

#### 5. City Manager's Report– Steve Forrester

Mr. Forrester went through his City Manager report that covered highlights from each department and added that Sherptek is now at the old Woodgrain Mill site and will be having a grand opening and maybe some tours in the near future. Councilors Uffelman, Hutchison, Jungmann and himself were able to meet yesterday with Peter Parker from Martin Selig and get a solar project update yesterday which is complete now, and they will be able to start commissioning now.

Councilors Uffelman, Hutchison and Jungmann all commented that the meeting with Martin Selig was very good and productive.

Mr. Forrester continued his Manager's Report with an Ochoco Irrigation District (OID) update stating that it looks like by strategic delivery, they may be able to keep irrigation going into September. This is good for some crops, but won't help the longer season crops.

Mayor Beebe remarked that an educational piece about how the delivery of irrigation water is determined from snow pack through crops would be good.

Mr. Forrester added that there are some wells up Juniper Canyon that are failing and he has had conversations with the County about how they can possibly help.

There were no further discussions.

# 6. Quarterly Financial Report – Lori Hooper

Lori Hooper, Accounting Manager went through a power point presentation that highlighted activity in each of the funds for the last quarter and profit / loss statements for the airport, railroad and Meadow Lakes.

There were no questions.

#### **Committee Reports**

Councilor Uffelman attended an ODOT Committee meeting where he learned that the city may be eligible for some DEQ funding. Eric Klann and he attended an Oregon Department of Energy (ODOE) meeting and did a presentation. There are several state legislators that are interested in learning more about the hydro project at Bowman Dam.

There were no other committee reports.

#### **Ordinances:**

7. Ordinance No. 1275 - Vacating a Portion of Alley (FIRST PRESENTATION) - Josh Smith

Josh Smith, Planning Director provided the background information explaining that nothing has changed since the public hearing at the last Council meeting.

There were no questions.

Councilor Hutchison made a motion to approve the first presentation of Ordinance No. 1275. Motion seconded. No discussion on motion. All in favor, motion carried.

#### **Resolutions**

# 8. Resolution No. 1526 - Authorizing an Amendment to the Cooperative Improvement Agreement with ODOT for the Improvements to the Third Street Corridor - Casey Kaiser

Casey Kaiser, Public Works Director/Senior Planner provided the background information on the original agreement with ODOT that resulted from HB2017 where the city was allocated funding for the Third Street corridor improvements.

Abbey Driscoll, ODOT further discussed the Intergovernmental Agreement (IGA) and referred to her white paper that was included in the council packet. Ms. Driscoll proceeded with an overview of the changes to the scope of work.

Discussions continued regarding storm water, what happens if the amendment isn't agreed to, timing regarding disruption of traffic on Third Street, having to reduce streetscaping, if anything would have to be retro-fitted since it's being done in phases now, and the increase in cost of project since HB2017. There is a significant gap in funding now.

Ms. Driscoll explained that there will be no throw away features and that it is a good project to set the stage for phase 2 and continued with the project schedule and next steps.

There were no further discussions.

# Councilor Uffelman made a motion to approve Resolution No. 1526. Motion seconded. No discussion on motion. All in favor, motion carried.

#### Visitors, Appearances and Requests:

No one came forward.

Councilor Papke stepped down and addressed Council as a Crooked River Round Up Board member. Mr. Papke announced that this is the 76<sup>th</sup> rodeo and they anticipate a very large event. They have added a dignitary event that will give a behind the scenes look at the rodeo, everything it takes to put on an event like this, and visit with the four legged athletes.

#### <u>Adjourn</u>

# Councilor Papke made a motion to adjourn the meeting. Motion seconded. No discussion on motion. All in favor, motion carried.

Meeting adjourned at 7:32 P.M.

Steve Forrester City Manager City of Prineville 387 NE Third Street Prineville, OR 97754

Dear Steve,

Thank you for meeting with us last week to discuss the 2021 franchise report and our request to submit a rate adjustment for 2022.

Based on the 2021 actual and 2022 financial projection, we are requesting a 7% rate increase to go in effect August 1<sup>st</sup>. The 7% rate adjustment would increase residential rates by the following:

35-gallon cart - \$1.03 per month 65-gallon cart - \$1.64 per month 95-gallon cart - \$ 2.12 per month

Republic Services submitted a rate request with the 2020 financial report and was asked to wait and review the following year. There were some service issues to resolve due to staffing shortages and a global pandemic.

We added resources to help navigate through these unpresented times. We have been able to provide consistent, reliable service with little interruption for our customers. In addition, we recently implemented a market wage adjustment to remain competitive in the market as we compete in the scarce labor pool.

Continued increases in costs due to inflation, wages, fuel, and equipment are the main factors for our rate request. Please let me know if you need additional information or have any questions.

Thank you for your consideration.

Sincerely.

Joseph Dear General Manager Republic Services

### **ORDINANCE NO. 1275**

# AN ORDINANCE VACATING THE ALLEY IN BLOCK 4 OF THE MONROE HODGES PLAT OF PRINEVILLE.

**Whereas,** pursuant to provisions of ORS Chapter 271, on the City of Prineville City Council's own motion, the City of Prineville ("City") intends to vacate the alley in block 4 of the Monroe Hodges Plat of Prineville, hereinafter "alley," which is more specifically described on Exhibit A, attached hereto and incorporated herein; and

Whereas, an adjacent property owner, Crook County, requested the proposed vacation to accommodate the development of a Justice Center and the re-plat of the entire block.

Whereas, utilities within the alley have been re-located and City staff has reviewed the proposal and determined that there is no current or future necessity for this alley; and

**Whereas,** notice of the proposed vacation and hearing was published in the Central Oregonian newspaper on May 10, 2022 and May 17, 2022; and

**Whereas,** a public hearing considering the vacation was held by the City Council on May 24, 2022, to allow an opportunity for any interested person to appear and present comment.

# NOW, THEREFORE, THE PEOPLE OF THE CITY OF PRINEVILLE ORDAIN AS FOLLOWS:

1. The alley in block 4 of the Monroe Hodges Plat of Prineville described in Exhibit A is hereby vacated with equal portions of property being conveyed to the adjacent landowners.

2. That the City shall not have any further obligation to maintain the vacated area.

Presented for the first time at a regular meeting of the City Council held on June 14<sup>th</sup>, 2022 and the City Council finally enacted the foregoing ordinance this \_\_\_\_\_ day of June, 2022.

# **RESOLUTION NO. 1527**

# A RESOLUTION DECLARING THE CITY OF PRINEVILLE'S ELECTION TO RECEIVE STATE REVENUE SHARING

WHEREAS, the Legislature of the State of Oregon has provided for the apportionment of certain revenues to the cities of the State of Oregon; and

WHEREAS, such legislation provides that a city, in order to participate in the sharing of those certain revenues, must express an election to receive such funds, which election must be made prior to June 30 of the fiscal year; and

WHEREAS, the City of Prineville desires to receive a portion of such funds;

NOW THEREFORE, the City of Prineville resolves as follows:

1. Pursuant to ORS 221.770, the City of Prineville does hereby elect to receive its proportionate share of the revenues to be apportioned to the cities by the State of Oregon for the fiscal year 2022-23, and the City Manager of the City of Prineville is directed to take such steps as are necessary to carry out the intent of this Resolution.

Approved by the City Council this 28th day of June, 2022.

### **RESOLUTION NO. 1528** CITY OF PRINEVILLE, OREGON

# A RESOLTUON APPROVING APPRPROATION ADJUSTMENTS TO THE BN 2021-2023 BUDGET FOR THE FOURTH QUARTER OF THE FIRST FISCAL YEAR

**Whereas**, The following appropriation adjustments to the BN 2021-2023 Budget for the fourth quarter of the first fiscal year of the biennium are required to provide for unexpected needs or to expend certain funds not anticipated at the time the budget was adopted, and hereby authorized in accordance with ORS 294.463(2), renumbered from 294.450(2):

General Fund	Increase	Decrease
Police Department	729,900	
Non – Departmental	1,234,700	
Contingency		1,956,600
	1,956,600	1,956,600

To provide for dollars needed in the Police Department largely for additional personnel services for retainage and accrued leave payouts, and in Non-Departmental for water well support, the Peoples Irrigation Ditch project, the biomass project, the Community Development Block Grant (CDBG) for housing rehabilitation and transient lodging taxes being paid to the Chamber of Commerce. These unanticipated costs will be offset in revenue through a CDBG, ARPA funds, increased transient lodging taxes collected and contingency.

Emergency Dispatch Fund	Increase	Decrease
Materials and Services	54,700	
Capital Outlay	93,000	
Personnel Services		147,700
	147,700	147,700

To provide for additional capital outlay dollars needed for the tower and equipment upgrades and unanticipated material and services expenses associated with the implementation of Priority Dispatch and decrease the personnel services budget to cover the needed funds for these costs. Dispatch was short staffed during FY 22 allowing for the decrease in the personnel services budget.

Golf Course Fund	Increase	Decrease
Golf Course	81,600	
Waste Disposal	116,200	
Debt Service	257,420	
Contingency		455,220
	455,220	455,220

To provide for additional dollars needed for the Golf Course and Waste Disposal Departments due to additional activity at the golf course and the retirement of a 30-year employee and to provide additional dollars for debt service due to a refinancing. These costs will be coved through a decrease in contingency and increased collections in charges for services and debt proceeds.

# Now, therefore, the City of Prineville Resolves as follows:

1. The Prineville City Council approves the total budget appropriation adjudgments of \$2,559,520.00 as set out within this Resolution.

Approved by the City Council this \_\_\_\_\_ day of June, 2022.

# **RESOLUTION NO. 1531 CITY OF PRINEVILLE, OREGON**

# A RESOLUTION APPROVING A PERSONAL SERVICES AGREEMENT WITH TRM ENERGY SOLUTIONS, LLC, FOR LAUNCH AND PERMITTING PHASES OF PRINEVILLE RENEWABLE ENERGY PROJECT

# **RECITALS:**

A. City of Prineville ("City") Resolution No. 1266 authorizes the City Council acting as the Contract Review Board for the City to award personal service contracts according to specific criteria that are applicable to the services provided.

B. The City requires the assistance of a consultant for the delivery to City the proposed launch and permitting phases of the Prineville Renewable Energy Project ("PREP").

C. Consultation services are considered personal services pursuant to City Resolution 1266.

D. A public notice was published in the June 7, 2022, edition of the Central Oregonian setting the June 14, 2022, Prineville City Council meeting as the time and place to comment on the City's draft findings for awarding a personal services contract to TRM Energy Solutions, LLC ("TRM") regarding the launch and permitting phases of PREP.

E. A public hearing was held June 14, 2022, at the Prineville City Council meeting to allow an opportunity for any interested person to appear and present comment. No interested person was present nor were any comments made.

F. Pursuant to City Resolution No. 1266, the City Council makes the following findings as their basis for exemption from City's competitive bidding requirement and the selection of TRM for a personal services contract:

- 1. Total costs to the City for delivery of services:
  - The total costs are estimated to be \$300,000.00. It is anticipated that grant funding will be available in late summer 2022 through the Oregon State Fire Marshal to reimburse the City for expenditures. Afterward, TRM will pursue the remaining funding required. Part of the costs will include funding work for TRM to pursue funding. opportunities that will provide the necessary resources to complete the remainder of the phases outlined without expected additional investment from the City.
- 2. Expertise of TRM in the required area of specialty:
  - TRM has a highly qualified team with experience that includes four projects of similar scope and scale to the PREP. One involved full project entitlement and successfully negotiating a power purchase agreement with PGE in 2019. TRM is

accustomed to the unique permitting challenges in Central Oregon and has recent, applicable project experience in neighboring La Pine, Oregon. Past experience includes mitigation of water impact of projects in extremely sensitive water basins; fuel logistics, procurement, and transactional experience across the forest products industry over the last 14 years in and around Central Oregon and the I-5 corridor; and development of bankable fuel supply agreements to support a PPA with Portland General Electric. TRM's team also has expertise in taking very complex projects from concept through design, funding, construction, and to implementation, which also includes management of teams and budgets of up to \$50,000,000.00 per year. TRM's team has secured over \$28,600,000 in grants since 2008 for a variety of municipal projects.

3. References regarding prior work done by the TRM:

• TRM has references from Wellons Group, TSS Consultants, and Ken Kauffman Law.

4. Capacity and capability to perform the work, including any specialized services within the time limitations for the work:

• During the launch phase, TRM will secure the PREP's financial foundation by working with the data centers, the City, PacificCorp and other stakeholders to align interests and deliver a framework that will be used to negotiate a power purchase agreement. TRM will also apply for, secure, and manage funding to forward the project towards completion. As stated above, the TRM team has the capacity and capability to work with these stakeholders based on years of experience within the forestry industry and working with municipalities. During the permitting phase, TRM will oversee all permitting required to construct the project.

5. Educational and professional records, including past records of performance on contracts with governmental agencies and private parties with respect to cost control, quality of work, ability in schedules, and contract administration, where applicable:

• See Factors 2 and 8.

6. Availability to perform the assignment and familiarly with the area in which the specific work is located:

- TRM is available to perform the work. TRM has extensive experience and contacts within the forestry and renewable energy fields as set forth in Factor 2.
- 7. Timelines of delivery of service:
  - TRM is able to deliver the services requested within the timeline required by the City.
- 8. Experience in working with the City:

- TRM successfully provided the City with a PREP feasibility study. City staff found TRM's work highly satisfactory, timely provided, and reasonably priced.
- 9. Knowledge of the City's needs and desires related to the Contact:
  - TRM and City have discussed the project in detail and TRM is fully aware of the City's needs and desires related to the project. As TRM conducted the feasibility study, it already has the institutional knowledge regarding the City's needs and desires regarding PREP.

NOW, THEREFORE, based on the above Recitals and findings of fact, the Prineville City Council, sitting as the Contract Review Board for the City of Prineville, hereby resolves as follows:

1. That the City Council, serving in its role as the Local Contract Review Board for the City, hereby approves the City entering into a personal services contract with TRM Energy Solutions, LLC for the launch and permitting phases Prineville Renewable Energy Project and authorizes the City Manager to execute, on behalf of the City, such contract and any other related documents.

Approved by the City Council this \_\_\_\_\_ day of June, 2022.

Rodney J. Beebe, Mayor
