**11. Conduct a Public Hearing and consider and act upon a request for a Specific Use Permit for a Drive-Through Restaurant on Frontier Retail Center Revised, Block A, Lots 1-2, on 2.8± acres, located on the east side of Dallas Parkway and 800± feet south of Frontier Parkway. (ZONE-24-0021) (DH)**

Mr. Hoover stated the purpose of the request is to construct a drive-through restaurant, a patio, and associated parking spaces. He noted that the proposed plan does not comply with the Town's Zoning Ordinance for stacking/drive-through lanes. However, enhanced landscaping that is proposed appears to follow the intent of the ordinance to hide and/or screen the drive through. The applicant is requesting the Specific Use Permit on condition that the stacking/drive-through lanes be allowed to be placed between the building and adjacent public right-of-way. Notices were sent out with no responses. The Planning and Zoning Commission unanimously recommended approval. Staff recommend denial due to non-compliance; however, based on comments listed regarding the enhanced landscaping, as depicted does appear to generally follow the intent of the ordinance amendments.

Deputy Mayor Pro-Tem Bartley asked if the landscape easement by the tollway need to have a berm. Mr. Hoover replied no.

Priya Acharya with Weir and Associates and applicant representing Chick-fil-A presented the layout of the drive-through stacking lanes, building facades, and the proposed landscaping plan.

The Town Council asked about the route the delivery trucks would be traveling and for that to be considered as part of the plan.

Mayor Bristol opened the public hearing.

Matt Moore, 301 S. Coleman, Prosper, representing DNT Frontier, LP, which is the master developer for the HEB center project. HEB supports the proposed layout, which will keep traffic from crowding the main arterial roads

Mayor Bristol closed the public hearing.
