Mayor Pro-Tem Bartley brought back the Mayor's Challenge from the previous month to the council. The challenge was for each member to review the amendments that

were on the November ballots and be prepared to discuss if they would have voted in favor or not. Mayor Pro-Tem Bartley walked through each of the amendments and discussed with the council the why behind these amendments. Next, Mayor Pro-Tem Bartley discussed the recent Bond election. She went over what a bond election was, what the items were that were on the ballot and the election results. The final hot topic that was brought before the council was education behind the new e-bike ordinance that was passed by Prosper Town Council. Mayor Pro-Tem Bartley stressed the importance of the ordinance for safety of residents and properties. Corporal Franklin detailed the why misuse of e-bikes is harmful and shared the differences between the classes for these vehicles. Ms. Ryan and Mr. Jones both stated that they agreed with the ordinance and that it puts the responsibility on the parents. Mayor Pro-Tem Bartley stated that it is for the safety of the riders but also the drivers.

3. MYAC Hot Topics (JH)

Mr. Hart presented a potential plan for MYAC members to speak with Prosper ISD high school seniors about the importance of registering to vote and voting in local elections. Mr. Hart detailed the decline in voting registrations and voting locally for their age group. Councilmember Hodges posed the question of why to the council. Ms. Price commented that people their age tend to think that it doesn't apply to them. Mr. Hopes suggests showing how easy it is to register to vote such as when someone gets their license. Ms. Crownover suggests partnering with government classes to show the importance of voting. Mr. Hart said that a reason he believes people his age aren't registering or voting is "senioritis" and being more concerned over college applications, scholarships and leaving town.
