 92 Miles Future Trails
 Total (Ultimate): 146 Miles

- Map Notes:**
1. The Prosper Development Manual currently requires minimum 6' sidewalks on all thoroughfares and collectors and minimum 5' sidewalks within residential areas. Unless depicted on this map as a wider facility, it is assumed that the requirements in the Development Manual apply.
 2. Where possible, it is intended to have connector trails and wide sidewalks on both sides of the roadway.
 3. Downtown area will meet the requirements for hike & bike trail on Old Town Insert (amended May 2022) and Downtown Master Plan 2022.
