DISCUSSION AND ACTION ITEMS

4. **Proposed 2024 Phase 3 7th Street, 8th Street and Cedar Street Reconstruction Project Budgetary Cost Estimate & Related Amendments:** Andy Zimmer of MSA Professional Services presented information regarding the 3rd phase of the 7th, 8th, and Cedar Street Reconstruction project. Phase 3 will take place in 2024. The base project consists of 8th Street from Nimocks Drive to Church Street, and the 1-block portion of N. Park Street between 7th and 8th Streets. Zimmer noted that there were several alternate projects proposed, but the Utility Commission was reluctant to proceed with alternatives and authorized the base project only for 2024. The City/Public Works portion of the design & engineering work is \$36,400. That includes final design services, bidding phase services, construction administration, and field services. The total estimated construction cost for the base bid – including design and engineering – is \$355,832. Motion by Walters to approve the Public Works portion of Amendment #2 of Phase 3 of the 7th, 8th, and Cedar Street project from MSA totaling \$36,400, with funds coming from the Street Projects Outlay. Seconded by Tepley. Motion carried 3-0.
5. **Request to Purchase Carpet for the Municipal Building:** This request was previously evaluated and approved by the Public Works Committee. Quotes were received by the Building & Grounds department. The project would consist of the council room, and offices on the north side of the building excluding Utilities. It would also not include the clerk's office or police department offices. Two quotes were received, with the bid from Spaeth's Flooring Unlimited providing the best quality product for the price. Several colors and materials were considered. It was noted that the flooring would consist of "carpet tiles" so specific sections could be replaced if necessary. Funding for the project would come from

ARPA funds. The quoted price of \$15,714.17 includes the removal of the old carpeting and installation of carpet & cove. It's figured it would take up to 6 weeks before the carpeting is ordered and installed. Motion by Walters to refer to council the approval of the bid from Spaeth's Flooring Unlimited, not to exceed \$16,000 utilizing ARPA funds. Seconded by Tepley. Motion carried 3-0.

SET NEXT MEETING DATE: November 7th at 5:30

ADJOURN: Motion by Walters to adjourn. Seconded by Tepley. Motion carried 3-0 at 6:26 PM.

Minutes respectfully submitted by Clerk/Treasurer Aaron Joyce.
