Clerk Amanda Keller presented website enhancements to improve accessibility, searchability, and user experience. Updates include reorganized Public Works content, adding airport and cemetery information, and replacing PDFs with on-page content. She highlighted new digital and fillable forms, such as the fully online Urban Deer Hunting application, and the development of interdepartmental SOPs to streamline licensing and permitting processes.

Director Jasen Glasbrenner reported ongoing progress for key projects under the Congressional Directed Spending Grant including the Lamont Subdivision, Hive Drive safety and sidewalk improvements in partnership with the high school, and potential roadway and parking upgrades on Jefferson Street. Updates were provided on Panorama Estates construction, Cobblestone Hotel incentive negotiations, and three CDI grants, including final reporting for Los Amigos, award initiation for the Wild Honey Collective, and renewed discussions with the A.D. German Warehouse. Director Glasbrenner also reported that the Buildings & Grounds Department is coordinating a dugout donation project, recruiting for two open positions, and collaborating with the airport on master planning and runway improvements. Equipment assessments are underway to ensure reliability and efficiency. Streets crews are preparing approximately 38 blocks for early September chip sealing, an increase from the typical 10–12 blocks annually, along with parking lot reconstruction at the shared Fire Department/City lot. Ongoing operations include street cleaning, brush collection, and capital planning coordination with City Utilities and MSA Engineering.

Utility Manager Scott Gald reported completion of staff performance reviews, progress on AMI meter installation (1,400 of 3,000 installed), and ongoing overhead-to-underground conversions, including DOT-related work near Rockwell. Annual vehicle inspections are underway. A high-strength waste trial with a local industry shows strong revenue potential, and Pine River hydro-excavating at North Park is scheduled this month. RE: Consideration of Conditional Use Permit for Guru Ramdas Shaa, LLC

Dear Commission Members:

I have reviewed the applicable ordinance and relevant documentation regarding this matter and my conclusion remains that there is no way to both adhere to the zoning ordinance and grant the conditional use permit ("CUP"). Therefore, I must recommend that the CUP be denied. To do otherwise is inconsistent with your responsibility as public officials, especially since you also hold the power to remedy the situation should you choose to do so.

You will recall that the crux of the issue is that the application submitted to the Zoning Department indicated the intended use of the property was for an automotive repair facility, which had been the previous use of the building. During Council consideration of the CUP application, the property owner indicated that the automotive repair taking place on the property was incidental to its primary use as the base of operations for his tree service. This discrepancy led the Council to refer the matter back to the Planning Commission for further information gathering and review.

The property is zoned Commercial-General ("C-G"), governed by Sec. 408.04 of the Richland Center Code of Ordinances ("408.04"). 408.04 does allow the operation of an automotive repair facility, but not a tree service. 408.04 does allow "[s]imilar commercial uses, provided the structure in which the use is carried out shall not be within one hundred (100) feet of any [Residential] District," and a tree service could be reasonably interpreted to fall within that definition. However, the structure is within 100 feet of a residential district, and thus a permit is still not allowed.

While my recommendation is denial of the application, that need not be the end of the matter. I have not found, and cannot come up with, a logical reason for the 100-foot limit imposed on uses so similar to others allowed with no such restriction. Thus, a change in the ordinance may be in order. That would certainly be within the Planning Commission's power to recommend for Council consideration. The alternative is to ignore the direct statements of the landowner and grant the permit for the originally proposed use, which would be allowed without revision of the Code. Doing so, however, puts the landowner at risk of future violations and/or enforcement action if it is found that he is making the stated use of the building, rather than the one reflected in his application. While this may resolve the situation in the short-term, I believe it will be creates a situation ripe for issues to arise later on.

I am happy to attend a future meeting if there are additional questions or concerns about this matter.

Sincerely, Michael S. Windle City Attorney

CITY OF RICHLAND CENTER - AGENDA ITEM DATA SHEET

Agenda Item: Consider approval of contract with Chrome Fireworks & Displays, LLC for City Fireworks for June 27, 2026.

Committee Review: Park Board

Meeting Date: July 28th, 2025

Requested by: Jodi Mieden- Recreation Director

Background: For 2026, the industry may see a sizable increase in cost given the 2025 tariffs and trade issues with China; this increased costs on both imported fireworks and shipping expenses. Many fireworks are in production or arrived this past spring with tariffs already paid. Most don't realize professional grade fireworks are often acquired a year in advance. Chrome is offering limited 2026 contracts on a first-come first-served basis until their pre-tariff fireworks are committed. There will be some additional expenses, however, the bulk of your firework show can be tariff free (30-45% less cost). Deposits aren't necessary now, that can wait until early 2026, just a signed contract is needed to secure the stock and pricing.

Department Recommendation:

Approve Chrome Fireworks & Displays, LLC contract for 2026 to lock in pre-tariff stock pricing.

Committee Recommendation:

Financial Impact: \$17,000.00

Funding Source: Community Center Fireworks 10-55200-220

Budget: 17,000.00

Requested Action:

FINANCE: Motion to recommend to the Council to approve contract with Chrome Fireworks & Displays, LLC for City Fireworks for June 27, 2026.

Item 8.

- 6. <u>Bad weather and Shoot Trailers</u>: In event of worsening weather conditions at the planned showtime, Ch will need flexibility on shoot times, earlier or later depending on weather conditions. Chrome often provides electronic & shoot trailer shows for utmost performance of the firework show. The downfall of these electronic setups is that they <u>CANNOT</u> be dismantled. The show will need to be fired or secured/ stored until the nearby rain date. It is very hazardous and potentially fatal to our crews to dismantle this type of display. Chrome needs flexibility of the Sponsor to shoot the show or adequately secure the setup until the rain date.
- 7. <u>Setup:</u> Chrome will provide qualified pyrotechnicians who will deliver, set-up, execute, dismantle and cleanup the pyrotechnic display. In some cases, the crew shall arrive the night prior to the event to begin setup.
- 8. <u>Clean Up & Searches:</u> The pyrotechnicians shall conduct an after-display search of the grounds in an effort to locate and dispose of any unexploded fireworks. The search shall be reasonably dictated by such elements including, but not limited to terrain, ground cover, weather conditions and time of completion of display. Chrome pyrotechnicians will provide reasonable cleanup for the site immediately following the display. All equipment, firework packaging, and larger debris will be removed to the best of the crew's ability before leaving the display area. <u>Sponsor shall provide a nearby dumpster or other adequate space for boxes, spent cakes and refuse after the display.</u>

After our cleanup pieces of paper, cardboard, multi-shot cake inserts and fuse casing will remain but should disappear with weather, time and/or lawn mowing.

- 9. Chrome will conduct a reasonable search of the display area before departure, in an attempt to locate any damages or unexploded shells. Sponsor acknowledges than an early morning search of the area is of utmost importance, or as soon as reasonably possible following the display. This search is to locate anything abnormal including site damage or unexploded fireworks that might not have been spotted by Chrome in the night. In the event that Sponsor discovers any unexploded fireworks, Sponsor will immediately contact Chrome and Chrome shall be responsible for removing said fireworks as soon as possible after receipt of such notice. Please notify Jim Krueger via cell phone 608-732-4545. If you have a cell # for your crew lead they may be notified in addition.
- 10. \$5,000,000 Insurance: Unless otherwise agreed, Chrome shall provide General Liability and Property Damage Insurance for the fireworks display in the amount of \$5,000,000 naming the Sponsor as an additional insured party. The current industry standard is \$1,000,000 of such coverage. A certificate evidencing liability insurance shall be provided to Sponsor before the display. Sponsor will notify Chrome of any additional insureds prior to issuing the insurance certificate.

The additional insured coverage shall be written on a primary and noncontributory basis and include a waiver of subrogation. The sponsor and landowner along with other entities and individuals listed on the certificate of insurance shall be deemed an additional insured per this contract. No additional written agreement is needed for endorsement.

Chrome is also covered with \$5,000,000 of MCS-90 Transportation insurance which is compliant with Dept. of Transportation interstate regulations.

The pyrotechnicians on site are covered with a \$500,000 Workers Comp insurance policy, proof of all insurances are readily available by request.

11. Chrome shall take all steps reasonably anticipated to safeguard spectators and Sponsor's property. Should any losses occur which Sponsor believes are the result of Chrome's firework display, Sponsor will immediately notify Chrome of the nature of the loss and the date on which the loss occurred. Said notice shall be in writing and provide as much detail as possible regarding the extent of the loss (including clear pictures) as this process will be required by the insurance adjustors.

- 12. In the event of fire, accident, flood, act of God or other causes beyond the control of Chrome which pre Chrome from performing under this contract, other than inclement weather, both parties agree to terminate this contract and all performance requirements and damages resulting therefrom.
- 13. The Sponsor will pay to Chrome pay all costs (including but not limited to court costs, attorney fees, litigation expenses, witness fees/expenses, travel expenses and similar costs), prejudgment interest, post judgment interest, fees, expenses, and all damages incurred by the Chrome through enforcing this contract.
- 14. The Sponsor agrees to indemnify, hold harmless and defend Display Operator and employees from any and all claims brought against the Display Operator for any and all accidents, incidents or allegations not directly related to the Display Operator's agreed upon contractual duties and obligations, aka: any other liabilities arising from sponsor's event.

Chrome will provide the General Liability insurance certificate to Sponsor for the purpose of insuring Chrome's risk in performing contracted duties involving the fireworks display. However, Chrome will be indemnified and held harmless for the remainder of the Sponsor's event or issues arising as result of the event. This includes but is not limited to the event's activities, other contractors, vendors, traffic issues, and members of general public, audience and/or any other matters beyond the direct control, scope, and duty of Chrome's contract.

- 15. This Contract will be construed by laws of the state of Wisconsin. If any provision of this agreement is deemed unenforceable by any court of competent jurisdiction, the remaining provisions hereof shall remain in full force and effect.
- 16. This Contract constitutes the entire agreement between the parties hereto and supersedes all prior and contemporaneous agreements, understanding, negotiations and discussions, either oral or executed in writing by the parties to be bound thereby. Chrome reserves the right to transfer the contract at which time the duties and liability would also be transferred in entirety, indemnifying and holding harmless Chrome. The waiver of any provisions of this Contract will not constitute a waiver of any other provision of this contract.
- 17. The party signing this document on behalf of Sponsor warrants and represents that (s)he is solely authorized to enter into this agreement on behalf of the Sponsor.

- 6.) That the Board shall receive all the income earned by the facility and may receive gifts relating to the facility and all such receipts shall be used to offset the costs described in Paragraph 2 herein; unless the donor of a gift specifies otherwise. CITY OF RICHLAND CENTER - AGENDA ITEM DATA SHEET

Agenda Item: Stori Field Duplex Development Incentive Package

Requested & Presented by: Jasen Glasbrenner, Director of Economic Development

Meeting Date(s): Finance Committee and Common Council on 09/02/2025

Background: Despite multiple past efforts to attract interest in the Stori Field Subdivision, the City has been unsuccessful in securing a viable housing development proposal—until now. Developer Doug Enke has signed a Pre-Development Agreement with the City for construction of a 7-duplex (14-unit) zero-step housing project on Cityowned land.

To incentivize this much-needed housing, the City is offering to sell the land for \$1.00, recognizing the substantial private investment and infrastructure responsibilities the developer is undertaking.

In return, the developer agrees to:

- Construct all required public infrastructure (roads, utility lines, stormwater, sidewalks, etc.)
- Complete the project within 24 months of land transfer
- Meet all applicable design and permitting standards
- Deliver zero-step accessible housing

This agenda item seeks formal Council approval of the \$1 land sale and overall incentive structure, allowing the City and Developer to proceed to a formal Development Agreement.

Attorney Windle has reviewed the proposed sale price of \$1 and has indicated it is valid under Wisconsin's Public Purpose Doctrine.

Department Recommendation: Staff recommend approval of the Stori Field Duplex incentive package as outlined in the Pre-Development Agreement.

Financial Impact: Land Value Offered as Incentive: \$1.00 sale price in lieu of market value. Land was previously acquired by the City for \$1.00.

Funding Source: No direct City expenditure. Incentive provided through land conveyance.

Requested Action:

FINANCE: Motion to recommend to the Common Council the approval of the Stori Field Duplex incentive package, including the \$1.00 land sale, and terms outlined in the proposed Pre-Development Agreement.

COUNCIL: Motion to approve the Stori Field Duplex incentive package, including the \$1.00 land sale, and terms outlined in the proposed Pre-Development Agreement.

- e. Public Right of Way, Infrastructure, & Parkland: For this project to proceed, all roads and essential infrastructure, such as utility lines and sidewalks, must be situated on property owned by the city or within an established public right-of-way. CITY OF RICHLAND CENTER - AGENDA ITEM DATA SHEET

Agenda Item: Wisconsin Surplus Auction Reserve Pricing

Requested & Presented by: Jasen Glasbrenner, Director of Public Works

Meeting Date: Finance Committee and Common Council on 09/02/2025

Committee Review:

Background: The City has made multiple attempts to sell surplus equipment via Wisconsin Surplus, but several items remain unsold despite multiple rounds of bidding.

After consultation with Wisconsin Surplus, staff were advised that our originally set minimum bids may be unrealistic in the current resale market. Each auction listing runs for approximately two weeks. While viewership and interest remain steady, actual bids continue to fall below our internal minimums.

WISCONSIN SURPLUS AUCTION HISTORY								
ITEM	RESERVE	AVERAGE BID	RUN					
2000 Bandit 90 Tandem Axle Towable Chipper w/ Debris Box	\$12,000.00	\$5,812.50	2x					
2011 Zamboni 200 Ice Resurfacer	\$10,000.00	\$5,091.67	3x					
1999 Fair Mfg. 942SI Self-Powered Loader-Mount Snow Blower	\$10,000.00	\$5,302.50	2x					
2019 Virnig VBWB-25 V50 Standard Flow 72" Snow Blower Attachment	\$6,000.00	\$4,635.00	2x					

Department Recommendation: Staff recommend re-listing the above items for another auction cycle but request Council direction on whether reserve prices can be adjusted downward at staff discretion, or if the City prefers to hold the equipment in hopes of securing higher bids at a later date.

Financial Impact: Surplus Revenue

Funding Source: N/A

Requested Action:

FINANCE: Motion to recommend to the Common Council that staff be authorized to adjust or waive reserve prices for unsold Wisconsin Surplus equipment at their discretion.

COUNCIL: Motion to approve that staff be authorized to adjust or waive reserve prices for unsold Wisconsin Surplus equipment at their discretion.

CITY OF RICHLAND CENTER - AGENDA ITEM DATA SHEET

Agenda Item: An Ordinance Amending Section 980.06 Relating to Persons Authorized to Issue Citations and Consolidating Citation Authority

Committee Review: Public Safety on 9/1/2025

Council Review: 9/2/2025

Requested by: Administrator Oliphant

Purpose: The purpose of the amendment is to consolidate and clarify which city officials are authorized to issue citations by creating a single, comprehensive list in the municipal code.

Background: The ordinance amendment repeals the existing Section 980.06 and replaces it with a new one that explicitly lists the Police Chief and Police Officers, Zoning Administrator, Director of Public Works, City Attorney, and City Administrator (or their designee) as authorized to issue citations. Additionally, it repeals and replaces any clauses in other parts of the municipal code that previously granted citation authority, directing all such authority to the newly amended Section 980.06. This change is intended to streamline the enforcement process and create a single, clear source for citation authority.

Recommended Action: To adopt the ordinance amendment as presented.
