Sequence of Events for the Program

The following is an outline of the normal sequence of events for a Food Trucks in Parks Program application.

Step 1 – Call for Vendors

Each January a call for food truck vendors to apply will be issued by the Parks & Recreation department. This includes contacting current mobile food vendors with City permits and posting information on the department's website and social media outlets including playlewisville.com and lewisvillethrive.com.

Step 2 - Application: Complete and submit application by February 15th

The application can be found at:

https://lfforms.cityoflewisville.com/Forms/FoodTruckInPark

In order to complete the application, the applicant will need to:

- supply a current City Mobile Food Vendor permit number. More information about this permit is available at: https://www.cityoflewisville.com/about-us/city-services/health-services/mobile-vendors
- prioritize the parks the food truck vendor wishes to be assigned to for the Program Season
- provide a list of menu items that meet the nutritional requirements of the NRA's
 Kids Live Well and Healthy Dining programs
- describe a plan for maintaining a clean vehicle appearance and removing trash and debris from the immediate area of the food truck while stationed at the park
- propose the days and times the vendors will be stationed at the assigned park location.

The application can only be submitted online before midnight on February 15.

Step 3 – Application Review

Once submitted, the Parks & Recreation department will review the application and determine if the applicant meets Program guidelines. If the application is not complete, City staff will coordinate with the applicant to collect the necessary documentation and information.

Step 4 – Assignment of Park Sites/Spaces

Once all applications have been reviewed, City staff will assign park sites and spaces to qualified food truck vendors. Parks will be assigned based on the City's needs and the applicant's prioritization as submitted in the application. If multiple qualified food truck vendors meet the City's needs and prioritize the same park, a lotto system will be utilized to select the assignment of the park for the Program Season.

Step 5 – Notification of Selection

If a food truck vendor is selected to participate in the Program, City Staff will schedule a meeting to ensure an understanding of the Program requirements and guidelines,

execute a Program agreement, and walk the park site to finalize plans for service and trash removal. Please note that payment of the \$150 Program Participation Fee must be submitted with the executed Program agreement. During the Program Season, City Staff will keep in contact with the selected food truck vendors to ensure compliance with Program requirements and guidelines, provide support, and solicit feedback regarding the Program.

Step 6 – Program Season Closeout

At the end of the Program Season, City staff will schedule a meeting with the selected food truck vendors to discuss the success of the Program, solicit feedback for modifying the Program, and review their performance. If a food truck vendor meets Program guidelines throughout the Program Season, it will be provided the option to continue offering its services at its assigned park on the agreed upon schedule through the offseason (October – February) at a rate of 3% monthly gross sales. Acceptance of such offer must be made in writing.

At this meeting, the food truck vendor will also be notified of its eligibility to participate in the Program for the following Program Season. If eligible, the food truck vendor will still need to submit an application to be considered for the following Program Season. If ineligible, the food truck vendor may not participate in the Program during the off-season or the following year.

Director's Monthly Report

10/27/25

Pool: Neuman here on the 24th for shutdown, Wertz on October 3rd (1100.00 savings from McGuire) They were finally able to remove the plugs from the Splash Pad heater to be in use next season. We filled to winter line and tied off pit plugs so they don't get lost in the pipes. Spoke with Todd @WasteWater to see if we could use vac truck to clean pits in the Spring instead of shop-vac trips. Concessions overage was used for Bingo prizes in the WSRC. Kiwanis donated \$634.10, Partners4Prevention donated \$1000 from the event at the pool to go towards ADA equipment.

Parks: Concrete was poured on the 20th for the KP 5 & 6 dugouts; fencing & benches will follow.

CC/Recreation: Our Trick or Treat Trail event has 36 businesses on board, and 4 candy donors, 10 more than last year. We have monthly Sunday Funday dances scheduled through the winter months, Kids Nite Out Nov 1st with Lions Club sponsoring popcorn and water, and 4 free hikes through March.

OCTOBER 2025 PARKS MEETING

SENIOR CENTER REPORT BY CHERYL HEFFNER

The trip to the Diamond Jo Casino on October 2nd was enjoyed by the 41 passengers that went. The weather was beautiful, and we made a profit of \$110.00. I am having the last trip for 2025 on November 6th and am working on getting enough people to make the trip happen.

The Euchre Tournament on Saturday October made another \$72.00 for scholarships for summer programs. The total came from \$36.00 from the tournament and \$36.00 from donations made by individuals that couldn't play that day. We made a total of \$200.00 from the 2 tournaments we had this year for scholarships.

I deposited \$50.00 in coffee money in September and that brings the total of coffee money deposited in 2025 \$410.00.

Our House will be having breakfast here this Thursday at 8:00 a.m. and they have another scheduled for Thursday November 13th.
