AGENDA ITEM DATA SHEET

Agenda Item: Discussion & possible action on approving bid for purchase of one set of lighted crosswalk signs.

Meeting Date: 5/9 /2024

Requested by: Jason Koch, Street Crew Lead

Background: Additional lighted crosswalk sign being added this year in addition to the current ones. Location yet to be determined.

Funding Source: Signs/Markings supplies. 54230-520

Two bids were received as follows:

1. Decker Supply (Same set up as the current lights) \$6,252.10
2. Econo Signs (similar to the lighted stop signs down town) \$5,122.77

Department Recommendation: To accept the higher bid from decker supply, keeping all the lighted crosswalk signs uniform within the city.

Financial Impact: \$6,252.10

Attachments: Bids for lighted crosswalk signs

CITY OF RICHLAND CENTER

AGENDA ITEM DATA SHEET

Agenda Item: Discussion & possible action on approving bid for purchase of a leaf vacuum

Meeting Date: 5/9 /2024

Requested by: Jason Koch, Street Crew Lead

Background: Due to the age and condition of the leaf vacuum the street department would like to request the purchase of a new(er) leaf vacuum

Funding Source: Outlay Street Machinery 10-6100-943. \$75,000 for new Leaf Vacuum

Bid process completed. Three bids were received as follows:

1. New Titan Leaf Pro from Macqueen equipment. Unit meets all bid requirements. \$76,777
18 month build time. 1 year warranty
2. New Titan Leaf Pro from Bonnell Industries. Unit meets all bid requirements. \$72,859
18-24 month production time. 1 year warranty
3. Used 2017 Xtreme Vac XV600 from Bonnell Industries. Unit does not meet all bid requirements.
\$45,000/ requires 10% nonrefundable deposit to hold the unit.

Department Recommendation: At this time I would recommend the purchase of the used 2017 Xtreme Vac XV600. Putting an Immediate 10% deposit down to ensure this leaf vac is held until after council in June.

Financial Impact: This would require \$4,500 down as soon as possible. Paying the remaining \$40,500 at time of receiving.

BRIEF OVERVIEW/SUMMARY OF THE CONCERN:

Planned sidewalk on the west side of N Park St (between 7th and 8th St intersections) will prevent resident from parking in their driveway and reduce the available yard space they are actively utilizing.

POTENTIAL OPTIONS TO MITIGATE OR ELIMINATE CONCERN:

1. Remove all sidewalk on N Park Street between the 7th and 8th Street intersections.
 - a. Pedestrian safety, connectivity, flow of foot traffic, and aesthetics should be considered if this is pursued.

2. Relocate sidewalk to the west side of N Park Street.
 - a. Not advisable. Sidewalk was not planned in this location due to elevation challenges.

3. Reduce the distance between the sidewalk and curb.
 - a. Consider snow removal impact to residents when street is plowed
 - b. If pursued, determine length of vehicle(s) to be parked in driveway and whether a change in distance between the sidewalk and curb can accommodate vehicle(s).

4. Other?

AMENDMENT OF THE PEDESTRIAN PLAN:

If the Public Works Committee determines the pedestrian plan should be modified in any of the ways listed above, a formal recommendation to do so should be forwarded to the Common Council to be considered at their next meeting.

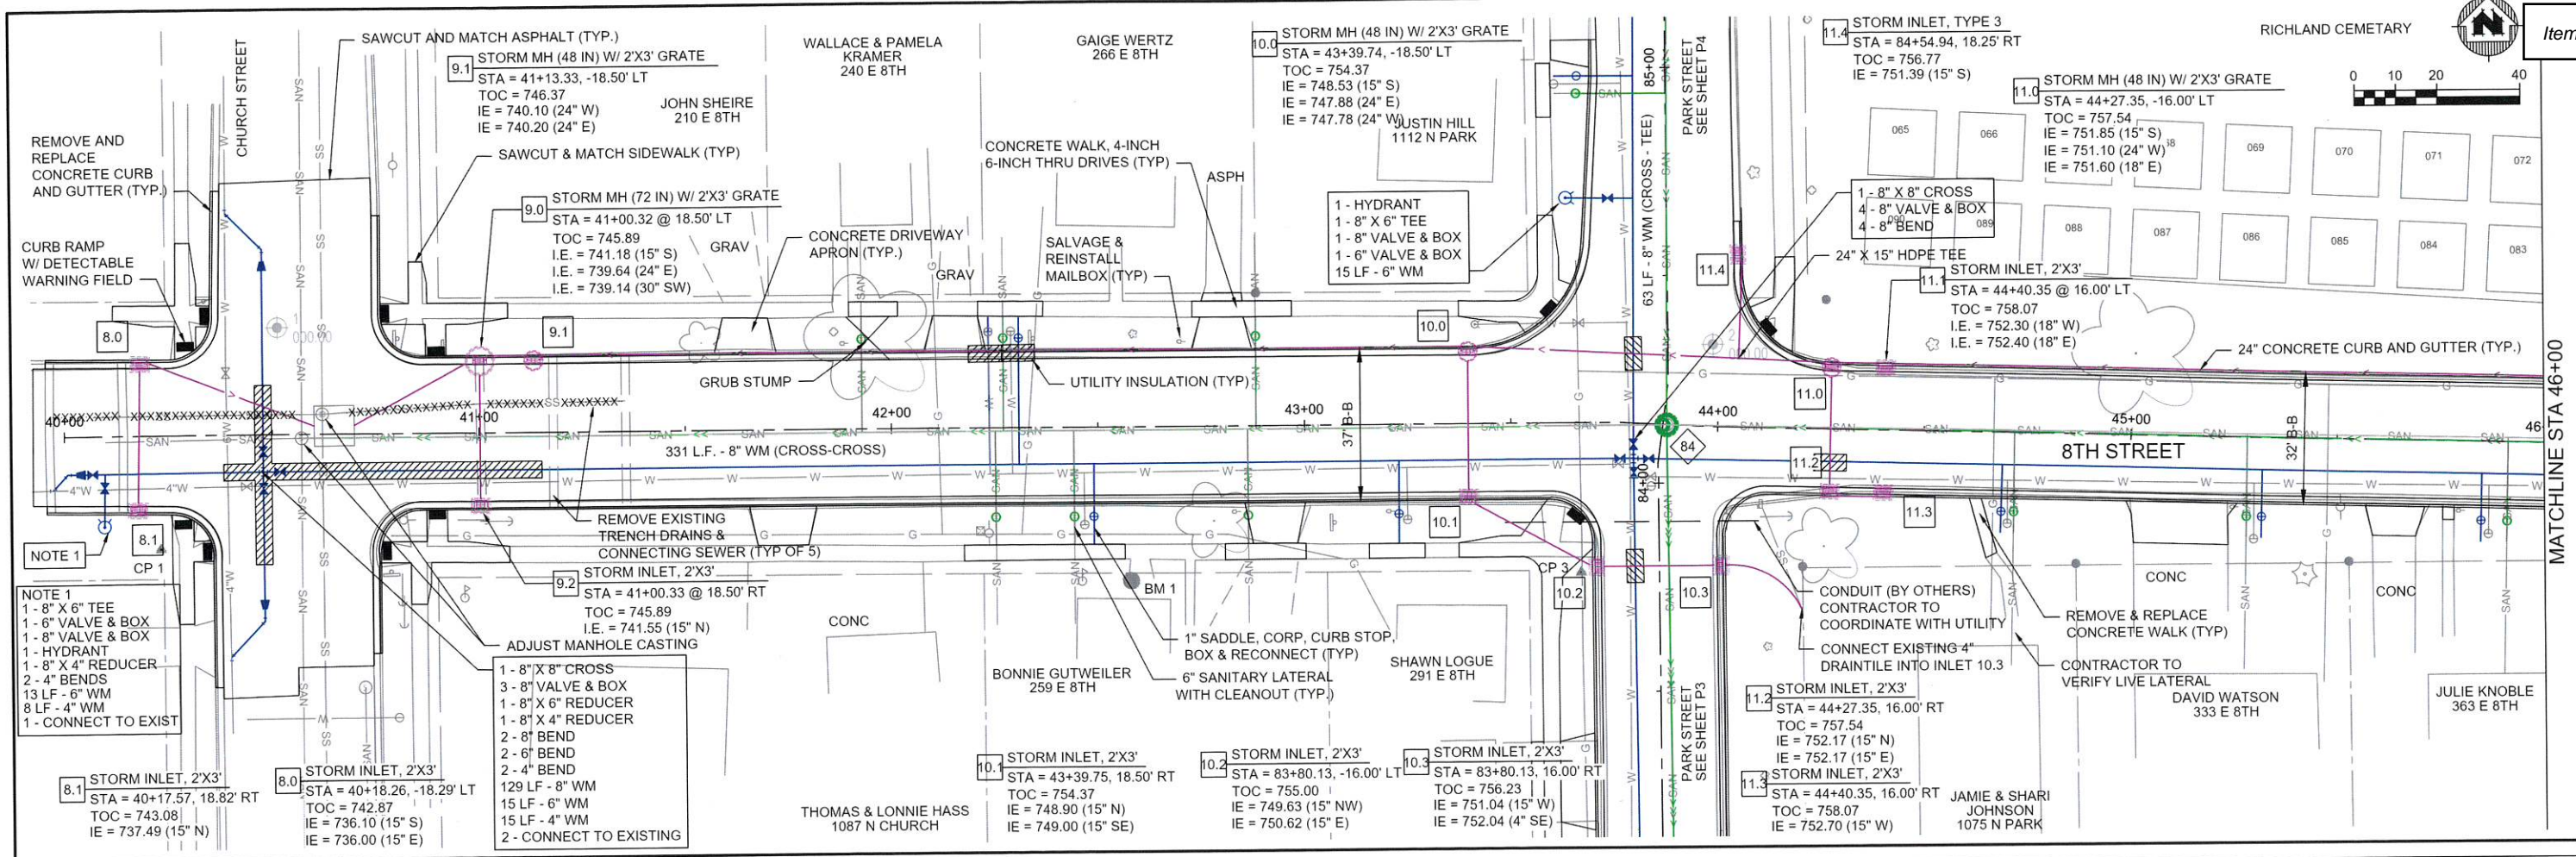

Motion to recommend to the Common Council to consider amending the pedestrian plan for the 8th Street roadway and utility improvement project to [INSERT RECOMMENDED OPTION].
