VII. PUBLIC HEARING

- A. Public hearing and possible action adopting Ordinance 22-500 amending Appendix B Zoning Ordinance, Section Four - Districts, Subsection Five - R-4 Single Family Rural Residential Zoning District of the Code of Ordinances.

Open public hearing at 6:09 p.m.

Mike Challenger - 32726 Bayou Bend - Spoke regarding the zoning change and how he would like to see it handled. Stated the city shouldn't be destructive and ordering buildings to be torn down. Stated rules changed based on the mission. He added that the mission should be building at this time. Would like to see the City establish a vision to establish a mission.

Chris & Taylor Clinton - 31511 Bayou Bend - Spoke in favor of 7.5 foot setbacks on Bayou facing lots and 15 feet not to exceed 10% for all other lots.

Daniel Coffey - 33502 Blue Crab Ct – spoke in favor of changing the setbacks to match the plats.

Ed Podhiry - 32502 Bayou Bend- agreed with previous statement

Michael Durham- 31434 Bayou Bend – spoke in favor of changing the setbacks and clarifying the variance from 2008.

Cindy Moriarty - 31610 Bayou Bend - expressed thanks for all the effort in this matter. She stated their opinion is to keep setbacks as they are. Wanted to see if Council has taken the time to visit the properties in question and how they appear. Stated the current issue has become hostile and many that are against the proposed change are refusing to enter their opinion. Also questioned what precedent this sets by allowing a violation to cause a movement to change ordinance.

Mayor Boykin addressed the research done by Council and Staff.

Council member Strawn stated she found the original design of the neighborhood and has the language regarding the drainage out in the neighborhood.

Jimmie Silver - 34110 Bayou Bend - asked how this makes a difference when he can build his home in the same location. Spoke in favor of changing the setbacks.

Discussion held on drainage and how setbacks affect the area.

Council member Yarborough spoke regarding his research on the issue.

Discussion was held on drainage and the responsibility of the HOA since they maintain drainage within the neighborhood.

Irma Callaway - 31603 Bayou Bend - spoke against the change. Mrs. Callaway addressed the council regarding the rural residential zoning and preserving the feel of the neighborhood by keeping the setbacks. Stated Council is not hearing from everyone who has opinions in the matter. Would like to see focus put on the future of the neighborhood and not just on the opinion of a few. Added the change will create added risk to fire and flooding.

James Wiegel - 32026 Bayou Bend Drive - Spoke in favor of changing the setbacks to 15 feet.

Daniel Coffey 33502 Blue Crab Ct - spoke again regarding his building of his barn and the changing of the flood maps. Stated he doesn't believe the barns should be considered when we discuss drainage or flooding.

Discussion held again regarding elevation and drainage.

Josh Strawn spoke regarding this not being an issue with setbacks but with property owners not planning their lots out and these should be considered on case-by-case basis.

Genaro Cardenas - 32819 Amberjack - spoke regarding his property and his neighbor building a barn closer to his lot. Doesn't believe the distance really would make a difference, but stated he moved out there for the space.

Jesse Carroll – 31819 Amberjack – spoke in favor of changing the setbacks.

Jim Novak – 3026 Bayou View Ct – spoke in favor of changing the setbacks and regarding drainage and how his lot drains to the road and not his neighbor.

Jason Reumker – 33211 Amberjack – spoke in favor of changing the setbacks even though his home is at a lower elevation than the newer homes. He spoke regarding drainage and elevations.

John Patterson – 2711 Oakwood Trail – spoke in favor of changing the setbacks. Stated it would be uncalled for to make the Clinton's tear down their barn just to rebuild it a few feet over.

Nicole Reumker - 33211 Amberjack – spoke in favor of changing the setbacks. Stated laws change due to circumstance and this is no different.

Jason Finley – 33210 Blue Crab Ct – spoke in favor of changing the setbacks.

Councilman Johnson spoke regarding the public outreach and comments. He stated it's clear that the community wants change. He added his opinion is that property values will increase due to more improvements being made. He stated that variances shouldn't be used when an ordinance change is needed. He believes this change was in the works prior to the initial violation and variance request.

Councilwoman Strawn spoke regarding the research she did on the various residential zoning districts within the City. She spoke regarding comments she received from residents in the neighborhood expressing opposition to changing the setbacks. She stated we have to consider our neighbors and neighborhood as a whole and not just our views. She stated she feels the current setback is sufficient.

Councilman Yarborough stated this isn't the fault of the Clinton's or any movement on his part. He stated making the Clinton's tear their barn down is pointless. He addressed flooding concerns. He stated that most residents are in favor of change, and they have shown up.

Councilman Escalante stated that he is thrilled to see so many people here for the meeting. He spoke regarding vision for the City. He spoke regarding the initial violation and variance request. He stated that we shouldn't make knee jerk reactions due to one issue and should consider the affected parties. He added that there are now additional measures in place due to violations that have occurred.

Mayor Boykin spoke regarding the history of the neighborhood and changes of ordinances over time.

Discussion held on variances.

Motion to adopt Ordinance 22-500 amending Appendix B Zoning Ordinance, Section Four - Districts, Subsection Five - R-4 Single Family Rural Residential Zoning District of the Code of Ordinances setbacks to 7.5 / 15 and removing the minimum lot frontage and depth.
