- Voting Yea: Chair Scroggins, Secretary Good, Member Adair. With a 3-0 vote the recommendation letter for the rezoning and special use permit for the solar overlay was approved.

Discussion – Comprehensive Plan

- Chairman Scroggins began to discuss the comprehensive plan and said we are starting on page 21 on this list. Expand educational opportunities. The discussion continued.
- Member Adair suggested why don't we put a wide level of education opportunities.
- The commission agreed and moved on to 7.10 the discussion continued.
- Member Adair asked where would the city intervene in the public schools.
- Clerk Adair explained that the Fire Department could work with the schools in evacuations.
- Chairman Scroggins said I think the city could work with the school on the roads as well.
- Secretary Good said I don't think we need to make it a math and reading maybe partner with them to have a foster grandma or something like that.
- Member Adair explained it was too specific.
- Secretary Good agree and the discussion continued.
- Clerk Adair asked would it be a good idea to remove it at this point and then bring it up later.
- Secretary Good said I don't think we need to say a school.
- Member Adair said maybe partner with an organization to help with tutoring or something. The discussion continued.
- Secretary Good suggested to get rid of develop and put facilitate, encourage, and support.
- The commission agreed.
- Clerk Adair suggested to put develop with La Merced.
- Secretary Good said let's get rid of 7.01.
- The commission agreed and moved to 7.02.
- Member Adair asked do we know what other city's do with there education. The discussion continued.
- Chairman Scroggins recommended to review up to 7.06 there may be something in there.
- Clerk Adair read some research on the literacy counsel for Valencia County.
- Secretary Good recommended to dump #1.
- Clerk Adair explained that that we have already established the library board and education for all ages.
- Member Adair suggested maybe develop a professional working relationship with local school board Members in parenthesis.
- Chairman Scroggins said so we are finished with this besides the fact Scott is going to look up some information on what other cities do.
- The commission agreed on 5.4.8 the way it is was written.
- Chairman Scroggins said so move to polices 8.01.
- Secretary Good asked if we can do that.
- Clerk Adair said we are already doing that that's what the Makers Space is for. I would suggest continuing to use the multipurpose area to continue support indoor youth activities.
- Secretary Good explained I like the idea and I think we need to support that. I don't think the city has the manpower to do this right now.
- Clerk Adair said I would leave it this is a 5-year plan so who knows in the future what we will have. The discussion continued.

- Manager Dr. Moore explained that it depends on what kind of relationship the city has if an organization has insurance, and they are doing the upkeep. There would have to be something in writing to set it up properly to establish the relationship.
- Member Scott said so their facilities are owned by the city and are leased out by other organizations.
- Manager Dr. Moore agreed.
- The Commission agreed to leave it as is.
- The Commission agreed to move 8.04 to 8.01 the master plan that identifies a variety of youth activities.
- The Commission agreed to move 8.05 to 8.01 and will be in the objective and we will eliminate 8.04.
- Secretary Good recommend leaving La Merced out and just put Belen school district.
- Clerk Adair talked about the city having a partnership with the summer youth program and with that partnership we could continue it to use their fields.
- Manager Dr. Moore explained we should continue partnership with Valencia County schools for use of their existing sports field and other venues.
