Page 5 of 49

**B.** Probationary Period Purpose. The purpose of the probationary period is to give supervisors time to assess whether the employee's skill, performance, reliability and attitude fit the requirements for the position.

#### C. Probationary Period Considerations and Procedures

- 1. The probationary period for all City employees shall begin on the date of employment and shall continue for 6 months with the exception of first responders (EMS, Fire, Law enforcement), whose probationary period shall continue for 12 months.
- 2. A probationary employee is an at-will employee and therefore may be terminated at any time during the probationary period by the Mayor, City Manager or Department Head with or without cause or notice. Council approval is not required to terminate a probationary employee.
- 3. A probationary employee who is dismissed during the probationary period is not eligible to utilize the City's appeal procedures.
- 4. All probationary and non-probationary employees will be eligible for fringe benefits such as retirement and health insurance. Sick leave shall accrue from date of employment.
- 5. The Department Head shall complete at least two (2) performance reviews for a probationary employee prior to the end of the probationary period. The completed performance reviews shall be submitted to the City Manager for review and approval.
- 6. In cases where the probationary employee's performance is marginal, neither clearly unsatisfactory nor clearly satisfactory, the probationary period may be extended for a period of up to one (1) year in three (3) month increments to allow further evaluation of the employee performance. If the probationary period is extended, the Department Head shall also place the probationary employee on a performance improvement plan (PIP) that is approved as to form by the City Manager. The probationary period will only be extended in exceptional circumstances. Generally, a probationary employee whose performance is still marginal by their second evaluation will be terminated.
- 7. Any time a decision is made to terminate a probationary employee; a notice of discharge shall be given in writing.

### **D.** Promotional Probationary Period

- 1. An employee promoted to a higher level position or laterally transferred shall serve a six (6) month probationary period from the initial promotion or transfer date.
- 2. This probationary period shall be an integral part of the evaluation of the employee's performance in the new position. At the end of the probationary period, the employee shall be removed from probation unless certification is made by the Department Head to the City

Page 6 of 49

Manager that the employee's performance is unacceptable. An employee on probation who is unable to perform satisfactorily in the new position will be returned to the original title, pay grade, and salary, or if this is not possible, to a position at the original pay grade and salary occupied before the promotion or transfer.

**E.** Performance Reassignment Probationary Period. An employee reassigned to an alternative position due to an inability to satisfactorily or fully perform the duties of a position to which the employee was hired, promoted, or transferred shall serve a one (1) year probationary period from the reassignment date.

# Section VI: Job Classification and Pay Plan

- **A. Job Classification Purpose**. All positions shall be grouped into classes and each class shall include those positions sufficiently similar in character, difficulty, and responsibility considering:
  - 1. The similarity of the worked performed;

  - 3. Comparable tests of fitness may be required of incumbents;
  - 4. The same general range of compensation will apply with equity under substantially the same employment conditions.
- **B.** Job Descriptions. The City Manager or designee shall maintain and publish a complete set of descriptions for all job classes. Such descriptions shall include title, typical duties and/or task statements, minimum qualifications, and working conditions. Such descriptions shall be reviewed regularly, but not less than once every four (4) years to maintain their accuracy. The establishment of new or revised classes, or the abolishment of existing classes, shall be recommended by the City Manager to the Mayor, for approval by the City Council.
- **C. Position Classification Studies.** The City Manager or designee shall make positionclassification studies of individual positions whenever he deems it necessary, or whenever requested by the Mayor, City Council, Department Head, or supervisors.
- **D.** Pay Plan Purpose. The City is working toward establishing a Pay Plan that will include the basic salary schedule adopted by the City Council, together with the assignment of job classes to ranges or rates in the plan as approved by the City Council.
- **E.** Pay Plan Provisions. Once established, the Pay Plan is intended to provide equitable compensation for all job classes in relation to the pay for other job classes, general rates of pay

Page 7 of 49

for similar employment, the financial condition of the City, and other factors. To this end, the City Manager shall regularly, but not less than biannually make comparative studies of all the factors affecting the level of pay and recommend such changes to the plan as may be justified. Such adjustments shall be made by increasing or decreasing the pay ranges provided in the basic pay schedule as approved by the City Council.

**F. Pay Ranges**. Pay ranges are intended to furnish administrative flexibility in recognizing job content differences among positions allocated to the same class, in providing employee incentive for growth and improved performance, and in rewarding employees for meritorious service.

# **Section VII: Performance Evaluation**

- **A. Purpose**. The purpose of the performance evaluation is to establish a program of performance appraisal that will encourage objective, systematic review and analysis of each City employee's performance.
- **B. Basic Policy**. It shall be the responsibility of the supervisor to conduct performance evaluations. The City Manager will ensure that the performance of each employee is reviewed by the employee's supervisor at the end of each fiscal year. Failure to provide a performance evaluation shall be reported to the Mayor and the City Council. This evaluation shall become part of the employee's permanent personnel record.

#### **C. Performance Evaluation Procedures**

- 1. It shall be the responsibility of the City Manager or designee to see that the performance evaluation program is operated as required by this chapter.
- 2. Supervisors shall conduct a performance evaluation of each employee as provided in this chapter. A complete performance evaluation form will be sent to the City Manager by each supervisor each year. The City Manager shall provide a status report of all City employees at the first council meeting in July of each year.
- 3. Employees have the right to review their performance evaluation and review the contents of their personnel folder at any time. Employees must sign and may attach comments to the completed performance evaluation. Such signature shall not signify concurrence by the employee as to the contents of the evaluation, but only notice that the employee has read and been made aware of the evaluation's contents. If an employee refuses to sign the completed evaluation, the supervisor shall obtain a management witness to certify the employee has read and been made aware of the evaluation's contents.
- 4. All performance evaluations shall be confidential and the contents shall not be disclosed, except within the employee's chain of command including the City Manager, or

Page 8 of 49

prospective supervisor and Department Head, in cases of internal transfers or as provided for under law, without the written consent of the employee.

5. Citizen's complaints should not be part of the employee's personnel record unless, after investigation, they have been determined to be founded on fact.

### Section VIII: Conditions of Employment

#### A. Hours of Work

- 1. Regular full-time employees are expected to work their assigned hours per week. Work hours may fluctuate at the discretion of Department Heads with advance approval from the City Manager.
- 3. Lunch breaks are normally one (1) hour, except for those departments with established thirty (30) minute lunch breaks. Such mealtime shall be unpaid time unless the employee is required or permitted to work during such mealtime. An employee may only work during mealtime with advance approval from the City Manager.
- 4. Employees will be provided one paid fifteen (15) minute break during each four (4) hour period worked. Any other allowances for break times must be requested in writing from the employee and have prior written approval of the Department Director.
  - a. The Department Head will schedule the employees' breaks in such a way as to fulfill the operational needs of the City.
  - b. Breaks may not be accumulated or used in connection with meal periods or taken at the end or beginning of a workday.
- **B.** Attendance and Absenteeism. Employees will be expected to report for work promptly and be in attendance as scheduled. Absence for any reason should be reported to the supervisor or Department Head one (1) hour before the time the employee is to report to work or as soon as practical. Unauthorized absence from work for three (3) consecutive work shifts will be considered abandonment of the job and automatic termination will result. Employees will be paid for time actually worked unless absences fall under leave provisions.
- **C. Dress and Personal Appearance**. It is important that City employees present the best possible image to the public. Employees should be as neatly dressed as work assignments allow.
- **D.** Pay Periods. Each pay period shall be bi-weekly. Under unusual circumstances checks may be issued early, but only upon the request of the Department Head and with the concurrence of the City Manager and Finance Officer/Treasurer.
- **E. Time Tracking.** All employees are entered in the ESS (employee self service). Employees will enter their time and submit it to the supervisor who will approve or deny the time. Supervisor-approved time will be submitted to the City Manager for final review and approval.

Page 9 of 49

- **F. Payroll Deductions**. Deductions from an employee's check are mandatory for federal income tax withholding, Social Security and Medicate taxes (known as FICA taxes), state income tax withholding, any applicable local tax and P.E.R.A. withholding. Employees may choose to have deducted from each check their contribution for health insurance or other benefits available to employees.
- **G. Final Pay Check**. Employees who resign shall receive a final paycheck, if due, on the first regularly scheduled payday following the effective date of the employee's resignation. An employee who is dismissed shall receive a final paycheck, if due, by 5:00 pm on the fifth day following dismissal. Day one begins the day of dismissal and includes weekends and holidays. In the case of death, final compensation shall be paid to the employee's named beneficiary or, if unnamed, the employee's estate.

# **H.** Transfers

- 1. No supervisor or Department Head can deny a City employee who has successfully completed the probationary period and who is not the subject of disciplinary action (pending or imposed), permission to apply for a job vacancy in any other City position or department for which the employee is qualified.
- 2. Transfers must be approved by the City Manager and will only be considered upon the approval of the receiving Department Head. Should an employee request a transfer, the employee's salary may be reduced, if necessary, to conform to the pay range appropriate to the new position. Any transfer which results in an over-all increase in salary and wage expenditure must be approved by the City Council. The employee shall be advised of any changes in pay that will occur as a result of the transfer.
- I. Resignations. A City employee who wishes to resign in good standing must submit a letter to his immediate supervisor at least fourteen calendar days before leaving. All City equipment and property is to be turned in to the department upon termination. If this is not done, the employee will be financially responsible for the value of the unreturned items.

### J. Reductions in Force

- 1. It may, at any given time, be necessary and appropriate for the City to reduce the number of its employees or abolish some positions because of economic conditions, reorganization, and/or lack of work.
- 2. When a position is to be discontinued or abolished, the Mayor shall submit to the City Council for approval a written proposal containing a recommendation for the order of layoff based on:
  - a. A determination whether the employee whose position is being eliminated is qualified to perform one or more other jobs with the City; and

Page 10 of 49

- b. If the immediate supervisor of the position determines this employee is qualified to perform one or more alternate jobs, the application of the rules used to determine reductions in force.
- 3. When the City wishes to reduce the number of employees without abolishing a position, the Mayor shall submit to the City Council for approval a written proposal containing recommendations for the order of layoff. In determining the order of layoff, the following rules shall apply:
  - a. Temporary and/or probationary employees will be laid off first from positions for which a regular employee, subject to reduction in force, is at least as equally qualified;
  - b. Reduction of regular employees will be determined by department, based on ability to perform work, job performance, and seniority;
  - c. Regular employees to be terminated as a result of a reduction in force shall be provided written notice at least two calendar weeks in advance of the effective date of the termination or shall be granted equivalent severance pay; and
  - d. A regular employee terminated as a result of a reduction in force or the elimination of a position shall receive preference in hiring for any position for which they are at least as equally qualified over external employment candidates.
    - i. Terminated regular employees seeking reemployment must follow the established hiring procedures of the City.
    - ii. This privilege ends after six (6) months of after the employee declines an offer of employment from the City, whichever comes first.
    - iii. A regular employee rehired or reinstated within one (1) year of termination as a result of a reduction in force shall be entitled to service credit accrued prior to termination.
- **K. Outside Employment**. All City employees who wish to engage in outside employment are required to complete a request for permission to engage in outside employment on an annual basis and have it approved by the City Manager before such employment will be authorized. It shall be the responsibility of the employee's Department Head to assure compliance with this rule.

### Section IX: Leave

### A. Vacation

Page 11 of 49

- 1. All regular and probationary employees earn and are eligible to use paid vacation from the date of hire as follows:
  - b. Four (4) hours per pay period are accumulated for employees who have served less than five years in the City.
  - c. Five (5) hours per pay period are accumulated for employees who have served more than five (5) years in the City.
  - d. Six (6) hours per pay period are accumulated for employees who have served more than ten (10) years in the City.
  - e. Two (2) hours per pay period are accumulated for part-time regular employees who have served less than five years in the City.
  - f. Two and a half (2.5) hours per pay period are accumulated for part-time regular employees who have served more than five (5) years in the City.
  - g. Three (3) hours per pay period are accumulated for part-time regular employees who have served more than ten (10) years in the City.
- 2. Employees may use accrued vacation leave in hourly increments. Every effort will be made to grant an employee vacation at the time requested. However, vacations cannot interfere with the City's essential operations and therefore must be approved by the Department Head and City Manager in advance. The City Manager's request for vacation time is approved by the Mayor.
- 3. City employees may carry a balance of not more than 320 hours of vacation per calendar year. Excess hours will be forfeited at the beginning of the calendar year. The purpose of this provision is to encourage employees to take time off and to avoid imposing a significant liability on the City to pay out unused vacation leave when an employee separates from employment. Paid holidays which occur during vacation time are not counted as vacation leave.
- 4. Probationary employees shall not be paid for accrued vacation time upon separation from employment. City employees who separate from employment will be paid for unused vacation time subject to the 320 hour accrual limit.
- 5. Annually, during the first City Council meeting in December, the City may offer to buy back unused vacation leave hours at 100% of the employees' respective base hourly rates of pay. The number of hours the City may offer to buy back is discretionary. Employee

Page 12 of 49

participation is voluntary. An employee's vacation leave accrual balance cannot be reduced below 40 hours as a result of the buy-back.

### **B.** Holidays

- 1. The holiday schedule shall be designated by resolution of the City Council each year.
- 2. Regular full- and part-time, employees shall be paid for the holiday at their regular rate of pay. Temporary, casual and limited term employees are not entitled to holiday pay.
- 3. Employees required to work an approved City holiday shall be paid two and one-half (2.5) times their regular rate of pay for the holiday hours actually worked, not to exceed twelve (12) hours.
- 4. When a holiday falls during an employee's use of annual leave, the day shall be counted as a holiday and not annual leave.
- 5. If a paid holiday falls on the employee's regular day off, the employee may float the paid holiday.
- **C. Personal Leave Day**. Regular employees are entitled to one (1) personal leave day each calendar year. The personal leave day will be consistent with the employee's normal workday. Such leave must be requested and approved in advance. The personal leave day must be taken during consecutive hours. The personal leave day must be taken by December 31 or it will be lost. Employees who do not take the personal leave day shall not be paid for it upon separation from City employment.

#### **D.** Sick Leave

- 1. Sick leave benefits are accrued at the rate of four (4) hours per pay period. Part-time employees accrue sick leave at the rate of two (2) hours per pay period. Unused sick leave shall be accumulated from year-to-year capping at 320 hours. Employees on probationary status shall be credited with sick leave for each pay period worked.
- 2. Sick leave should only be used as needed, and abuses of sick leave will be grounds for disciplinary action. If an employee has used all accrued sick leave, the employee may choose to use his accrued vacation as sick leave with approval of his supervisor. The employee must be able to justify the use of vacation leave as sick leave.
- 3. Employees using sick leave shall notify their supervisor before the start of their scheduled work shift. Sick leave of more than three days duration may require certification by a licensed health care provider as to the nature of the illness be submitted to the City Manager. Persons on sick leave for more than five (5) consecutive work days may be required to have a physical examination but shall be required to be certified fit to return to

Page 13 of 49

work by a licensed health care provider. Physical examinations required by the City will be paid for by the City.

- 4. An employee may use accrued sick leave to care for members of the employee's immediate family (employee's spouse or ex-spouse, live-in partner, children, step-children, parents, step-parents, siblings, grandparents, step-grandparents, grandchildren, step-grandchildren, aunts, uncles, first cousins, nieces, nephews, and the like relations of the employee's spouse. This definition shall cover any person so related to the employee by birth, adoption or marriage). A licensed health care provider's certification may be required stating the family member's condition before sick leave is granted.
- 5. Regular, probationary, temporary and limited-term employees shall not be paid for accrued sick leave time upon separation from employment with one exception. Regular employees who retire from the City will be paid for unused sick time up to 50 hours.

# E. Donated Leave

- 1. There are occurrences brought about by medical conditions that cause employees to exhaust leave and therefore be placed on leave without pay. It is recognized that employees forced to go on leave without pay could be without income at a most critical point in their life. Employees who want to assist their fellow workers by donating leave can do so through this provision of the policy manual.
- 2. For the purpose of this section, "medical conditions" shall be interpreted to include a serious illness or injury which is monumental, unusual, immediate in nature and which is expected to preclude the employees from returning to work for an extended period of time. This shall involve but is not limited to:
  - a. Any period of incapacity or treatment connected with inpatient care (e.g., an overnight stay) in a hospital, hospice, or residential medical care facility;
  - b. A period of incapacity requiring absence of more than three calendar days from work that involves continuing treatment by (or under the supervision of) a licensed health care provider;
  - c. Any period of incapacity due to pregnancy, or for prenatal care;
  - d. Any period of incapacity or treatment due to a chronic serious health condition (e.g., asthma, diabetes, epilepsy, etc.);
  - e. A period of incapacity that is permanent or long-term due to a condition for which treatment may be effective (e.g., Alzheimer's, stroke, terminal disease, etc.); or

Page 14 of 49

- f. Any absence to receive multiple treatments (including any period of recovery) by, or referral by, a licensed health care provider (e.g., chemotherapy, physical therapy, dialysis, etc.).
- 3. General Guidelines. The following guidelines apply to the City's Donated Leave policy:
  - a. Leave may be donated from vacation or sick leave.
  - b. An employee cannot donate from either the vacation or sick leave if the donating employee's balance will fall below 40 hours.
  - c. Leave donated will be added to the recipient's sick leave balance limiting its use for a medical condition only.
  - d. The minimum donation allowable is four (4) hours.
  - e. Leave shall be donated on a one-to-one personal basis. Establishment of a leave "pool/bank" is expressly prohibited.
  - f. The donation and receipt of leave shall be completely voluntary, and anyone who interferes with an employee's right to choose whether to donate or receive leave shall be subject to disciplinary action.
  - g. Individual leave records are confidential and only involved individuals may reveal their donation or receipt of leave.
  - h. The employee donating leave cannot receive compensation for the leave donated.
  - i. Upon return to work the recipient will be allowed to retain up to 40 hours in their sick leave account.
  - j. Any additional unused donated leave beyond 40 hours will be returned to the donor(s) on a pro-rated basis and credited to the leave account from which it was donated. Fractions of the hour shall not be returned to an individual donor.
  - k. If a recipient of donated leave separates from the City of Rio Communities employment, the donated leave remaining in the recipients account shall be returned to the donors' accounts on a pro-rated basis.
- 4. **Recipient Requirements**. The following requirements apply to the recipient of donated leave:

Page 15 of 49

- a. When requesting donated leave, the employee or the immediate supervisor must complete in writing, and forward the request for donated leave including the physician certification to the City Manager. All medical information is confidential. When disclosing information about an applicant the City will state only that the requesting individual or the individual's family member has a "medical condition".
- b. An employee must exhaust all types of leave before any donated leave will be used.
- c. While using donated leave, the employee continues to earn vacation and sick leave. This earned vacation and sick leave should be used each month prior to any donated leave.
- d. Upon return to work, an employee is allowed to retain 40 hours of the donated leave in his sick leave account. Any remaining leave over 40 hours will be prorated back to the donors in the leave reporting period immediately following the employee's return to work. This action is reflected in the adjustments column of the employee's monthly leave report.
- e. An employee's participation in donated leave is limited to 520 hours either continuously or, if for the same condition, on a recurring basis. However, a continuation may be granted month by month for any amount of time that management would otherwise have granted leave without pay.

### E. Family and Medical Leave of Absence

The purpose of Family Medical Leave is to balance the demands of the work place with the needs of families to promote the stability and economic security of families; to minimize the potential for employment discrimination on the basis of sex by ensuring that leave is available for eligible medical reasons (including maternity-related disability) and for compelling family reasons; and to promote the goal of equal employment opportunity for women and men.

### <mark>≡</mark>Employee Eligibility

- a. Permanent employees who have been employed with the City of Rio Communities for at least 12 months and who have worked at least 1250 hours (half-time) during the previous 12-month period are entitled to a total of 12 workweeks of leave, paid or unpaid, during any rolling 12-month period for one or more specified conditions which are covered under this Act.

# 4. Definitions

If an employee requests FMLA to care for an individual who stood in loco parentis, the employee must provide documentation verifying the relationship. If legal records are not available, the employee has the burden of proof and must submit written documentation explaining the relationship covering periods of residence, facts and circumstances. Someone who was in a position to know of the relationship must verify this documentation through signature and notary.
- b. Child a son or daughter who is under 18 years of age or is 18 years of age or older and incapable of self-care because of a mental or physical disability. Child would include: (a) biological, (b) adopted, (c) foster, (d) step-child, (e) legal ward, and (f) child of an employee standing in loco parentis as defined above.
- c. Spouse a husband or wife recognized by the State of New Mexico.
- d. Serious Health Condition (a) an illness, injury, impairment, and/or physical or mental condition that involves either inpatient care in a hospital, hospice, or residential medical care facility, or that involves continuing treatment by a health care provider; (b) any period of incapacity requiring absence from work of more than three (3) calendar workdays that also involves continuing treatment by a health care provider; or (c) continuing treatment by a health care provider; in not

Page 17 of 49

treated would likely result in an absence of more than three (3) calendar workdays. Prenatal care is also included. The period of actual physical disability associated with childbirth is considered a serious health condition and may be subject to family/medical leave regulations, whether as paid or unpaid leave.

e. Intermittent Leave or Reduced Work Schedule- an intermittent work schedule is a schedule in which an employee works on an irregular basis and is taking leave in separate blocks of time, rather than for one continuous period of time. The leave period may not exceed the total of the allowed 12-week period.

### 5. Administration of Family Medical Leave

- a. An employee desiring to use Family Medical Leave needs to contact the City Manager or designee prior to the requested leave period whenever possible.
- b. Requests for FMLA Leave must be supported by reasonable proof.
- c. If an employee is unable to initiate the contact with the City Manager or designee for Family Medical Leave, the Department Head is responsible for contacting the City Manager or designee to investigate the designation of the leave period as paid or unpaid FMLA Leave. The designation must be made on the Family Medical Leave Request Form and must be completed prior to the extension of FMLA Leave.
- d. If an employee on paid leave has not provided sufficient information to determine whether it is designated as FMLA Leave the Department Head shall, after a period of 10 workdays, request that the employee provide sufficient information to establish a FMLA-qualifying reason for the needed leave. This does not preclude the department from requesting the information sooner or at any time an extension is requested.
- e. Employees designated on FMLA Leave have the following options for charging leave:
  - i. For the birth of a child, the employee may choose to exhaust available compensatory, vacation, sick, and/or donated leave, or any portion, or go on leave without pay.
  - ii. For the adoption or foster care of a child, the employee may choose to exhaust available compensatory, vacation, sick, and/or donated leave, or any portion, or go on leave without pay;
- iii. For the illness of an employee's child, spouse, or parents, the employee may choose to exhaust available compensatory, vacation, sick, and/or donated leave, or any portion, or go on leave without pay;

Page 18 of 49

- iv. For the employee's illness, the employee shall exhaust available sick leave and may choose to exhaust available compensatory, vacation leave, and/or donated leave, or any portion, before going on leave without pay.
- v. Employees desiring to work a reduced or intermittent work schedule under FMLA Leave will need to contact the City Manager or designee for further instructions. Employees approved for one of these options will experience a reduction in monthly earning rates.
- 6. Notice to Employer. It is the responsibility of the employee to explain the reasons for the FMLA Leave in sufficient detail to allow the City to determine that the leave qualifies under the FMLA. If the employee fails to adequately explain or document the FMLAqualifying reasons for the leave after a request by the City, leave may be denied. Where the necessity for FMLA Leave for the birth or placement of a child is foreseeable, the employee shall give the City at least 30 days' advance notice (before the date the leave is to begin) of the employee's intention to take such leave. In other cases, the employee shall provide such notice as soon as practical. As soon as practical means at least verbal notification to the City within one or two business days of when the need for leave becomes known to the employee. An employee shall at least provide verbal notice to the City of the need for FMLA Leave and the anticipated timing and duration of the leave. The City may also require an employee to comply with the City's usual and customary notice and procedural requirements for requesting leave. If the employee fails to give timely advance notice when the need for FMLA Leave is foreseeable, the City may delay the taking of FMLA Leave until 30 days after the date the employee requested the need for the FMLA Leave. In some circumstances, employees may need to make the request for FMLA Leave after the fact. If this occurs, employees have two business days upon returning to work to provide the appropriate information in order to be entitled to the protections of FMLA.
- 7. Notice to Employee. Once the City has received a request for a FMLA required reason, the City shall promptly (generally within two business days, absent extenuating circumstances) notify the employee that the leave is designated and will be counted as FMLA Leave. The City may give such notice in writing.
- 8. Medical Certification. Any request for FMLA Leave for a serious health condition shall be supported by a certification issued by the health care provider of the eligible employee or of the son, daughter, spouse, and a parent of the employee or an individual who has acted in loco parentis to an employee as appropriate. Such medical certification should be attached to the employee's request for FMLA Leave, or in the case of unforeseen leave, generally within two business days after the leave commences. In the case of foreseeable leave, the City may delay the taking of FMLA Leave to an employee who fails to provide timely certification after being requested by the City to furnish such certification (within 15 calendar days, if practicable), until the required certification is provided. In the case of unforeseeable leave, if the employee does not provide the medical certification within a

Page 19 of 49

reasonable time, the City may delay the continuation of FMLA Leave. If the employee never produces the required medical certification, or if the certification does not confirm the existence of a serious health condition as defined under FMLA, then the leave is not FMLA Leave. In any case in which the City has reason to question the appropriateness of the leave or its duration the City may request certification at some later date. If the City has reason to doubt the validity of the certification provided the City, the City may require at its expense, that the eligible employee obtain the opinion of a second (or third) health care provider.

9. **Confidentiality**. All records and documents relating to medical certifications, recertification or medical histories of an employee's family members, shall be maintained in a separate medical file from the employee's personnel file, and shall be treated as confidential medical records.

# 10. Restoration to Work

- a. Any eligible employee who takes approved FMLA Leave shall be entitled, upon return from such leave:
  - i. To be restored by the City to the same position of employment held by the employee when the leave commenced; or
  - ii. To be restored to an equivalent position with equivalent employment benefits, pay, and other terms and condition of employment.
- b. If the employee is unable to perform an essential function of the position because of a physical or mental condition, including the continuation of a serious health condition, the employee has no right to restoration to another position under the FMLA. However, the City will review such situations on a case-by-case basis under the ADA.

# 11. Group Health Plan Coverage

- a. The City shall maintain coverage for the employee under the City's group health plan for the duration of the 12-week FMLA Leave period at the level and under the conditions coverage would have been provided if the employee had continued employment.
- b. Any share of health plan premiums paid by the employee prior to leave must continue to be paid by the employee during the leave period.
- c. The City must give advance written notice to employees of the terms for payment of premiums during FMLA Leave.

Page 20 of 49

- d. The City's obligation to maintain dependent health insurance coverage stops if an employee's premium payment is more than 30 days late. The City must provide the employee with at least 15 days' notice that coverage will cease.
- e. If an employee's failure to make the premium payments leads to a lapse in coverage, the City must still restore the employee, upon return to work, to the health coverage equivalent that employee would have had if leave had not been taken and premium payments had not been missed without any waiting period or preexisting conditions.
- f. The City may recover the premiums if the employee fails to return for a reason other than the continuation, recurrence, or onset of a serious health condition of the employee or the employee's immediate family member, or other circumstances beyond the employee's control.

#### 12. Other Benefits

- a. Maintenance of health insurance policies that are not a part of the City's group health plan (where no contributions are made by the City) is the sole responsibility of the employee.
- b. Taking FMLA Leave shall not result in the loss of any employment benefit accrued prior to the date on which the leave commenced.
- 13. No Retaliation. The City shall not interfere with an eligible employee's rights under the FMLA, shall not discharge or otherwise discriminate against employees who exercise such rights, and shall not retaliate against employees who file, initiate or otherwise assist in charges or investigation against the City.
- 14. **Rights and Obligation of Employees.** When an employee provides notice of the need for FMLA Leave, the City shall provide the employee with a Notice (within two business days, if feasible) detailing the specific expectations and obligations of the employee and explaining any consequences of a failure to meet these obligations.
- **F. Leave Without Pay**. The City Manager may grant a regular employee leave without pay for a period not to exceed one year. Leave without pay may be granted only when it is in the best interest of the City, and only following consideration of the employee's performance and disciplinary history, and the potential disruption of City operations.
  - 1. For leave without pay a written request indicating the reason for the leave, duration, and dates of departure and return, must be approved by the City Manager before leave is taken.
  - 2. Employees on leave without pay shall not accrue annual or sick leave for those hours on leave without pay, nor be paid for observed holidays.

Page 21 of 49

- 3. During an employee's approved leave without pay, his position may be filled by temporary appointment, a temporary promotion, limited term employee or detail to another employee. At the expiration of a leave without pay, the employee has the right to and shall be reinstated in the position he vacated if the position still exists; or, if not, to any other vacant position of like seniority, status and pay. If no vacancy exists, the employee will be offered the first available position for which he qualifies. If no position is found within a period of one-hundred twenty (120) days, the employee will be terminated.
- **G.** Bereavement Leave. In the event of a death in the employee's immediate family, (employee's spouse or ex-spouse, live-in partner, children, step-children, parents, step-parents, siblings, grandparents, step-grandparents, grandchildren, step-grandchildren, aunts, uncles, first cousins, nieces, nephews, and the like relations of the employee's spouse. This definition shall cover any person so related to the employee by birth, adoption or marriage) the employee will be permitted three (3) days leave with pay per occurrence not chargeable under any benefits. After three (3) days, bereavement leave will be charged against the employee's sick leave. An employee must notify the employee's Department Head before taking such leave.
- **H. Military Leave**. Leave with pay will be granted for a period of two weeks per year to permanent full time employees and permanent reserve part time employees enrolled in the National Guard or military reserve units to attend training camp or exercises. In cases where such leave is granted, the employee must furnish proof of duty orders before leave being granted. The equivalent of National Guard military reserve pay will be deducted from the employee's paycheck, and if the employee's regular income from the Military Reserve Service is in excess of the employee's regular income from the City, then the employee shall not be entitled to any pay from the City.
- I. Unpaid Military Leave. Regular employees who are members of the Armed Forces, the Army National Guard, the Air National Guard when engaged in active duty for training, inactive duty training, or full-time National Guard duty are entitled to re-employment after up to five years of service. PERA contributions may not be withdrawn when an employee begins military leave without pay. Upon re-employment, such employees shall receive any necessary pay adjustment such as provided to other employees during the period of active duty.
  - 1. Employees must apply for re-employment within fourteen days of the date of release from active duty where the active service was from 31 to 181 days.
  - 2. Employees must apply for re-employment within ninety days of the date of release from active duty where the active service was more than 181 days.
  - 3. For service of 90 days or less, the employee is entitled to the position he would have been employed in if continuous employment had not been interrupted or the position in which the employee would have been employed on the date of the commencement of service.

Page 22 of 49

- 4. For service of more than 90 days, the employee is entitled to the position in which he would have been employed if the continuous employment had not been interrupted or the position of employment in which he was employed at the date of commencement of service, or a position of like seniority, status and pay.
- J. Jury Duty. Employees will be granted court leave for the purpose of serving as a juror or witness in any court. Court leave with pay will be authorized only during those days which would otherwise have been an employee's regular scheduled working days.

# K. Voting Leave

- 1. The City encourages employees to register and vote in every election where they are eligible to vote. On election day, employees shall be allowed up to two (2) hours leave with pay to vote, provided the employee's work day does not begin more than two (2) hours after the polls open or end more than three (3) hours before the polls close. To comply with this requirement, the City may adjust the employee's work schedule on Election Day. For example, on Election Day, the City may allow an employee to start the work day two (2) hours later than normal and end their work day two (2) hours later than normal. Employees may be required to show they are registered eligible voters to qualify for voting leave.
- 2. The employee shall request such voting leave at least three (3) work days in advance with his Department Head in order to allow adequate time to make arrangements for full department coverage.

### L. Domestic Abuse of Sexual Violence Leave (DASV)

- 1. In accordance with New Mexico law, the City will grant up to 14 days of DASV unpaid leave in any calendar year to an employee who is a victim of domestic abuse or sexual violence, or who has a family or household member who has been a victim. Alternatively, the employee must use accrued leave. When possible, the employee should provide the City with at least 48-hours advance notice of DASV leave.

The City will also provide the employee flexible break times.

Page 23 of 49

2. The City is not responsible for storage or refrigeration of breast milk. The City is also not responsible for compensating a nursing mother for break times that are in addition to established employee breaks, or paying overtime while a nursing mother is using a breast pump.

#### Section IX: Overtime and Comp Time

- A. A non-exempt employee shall not work more than the regularly assigned workweek without the City Managers prior approval. Non-exempt employees who work in excess of the normal 40-hour workweek shall be compensated at the rate of 1½ times the employee's regular base rate of pay for each hour of overtime worked. Overtime work will be compensated in 15minute increments.
- **B.** Working overtime without prior approval is just cause for disciplinary action, up to and including termination.
- Payment for overtime may be in the form of cash ("overtime pay") or compensatory time ("comp time"). In times of budgetary constraint, the City of Rio Communities, at its sole discretion, may elect to pay employees overtime in the form that best suits the City.
- **D.** An employee is not entitled to overtime pay or comp time unless that employee has actually *worked* more than 40 hours in a given workweek. The time an employee takes off from work for a holiday, vacation, personal leave, or an illness is not considered hours worked for purposes of calculating overtime, even if the employee is paid for that time with accrued leave or accrued comp time.
- **E.** All City employees, including commissioned police officers, eligible for overtime compensation may accrue a maximum balance of 120 hours of comp time. If an employee has reached the accrual limit for comp time set forth in this paragraph, any additional overtime worked by the employee shall be paid out in the form of cash.
- **F.** The City strongly encourages all employees to use their accrued comp time within 6 months of earning it. Employees may use comp time at any time with the prior approval of the eligible employee's supervisor unless the granting of such time would unduly disrupt the effective functioning of the employee's department. Mere inconvenience is an insufficient basis for denial of a request to use accrued compensatory time.
- **G.** At any time, an employee may request that the City of Rio Communities cash out his accrued but unused comp time balance, even if the balance is below the accrual maximum set forth in paragraph 6. The City of Rio Communities, at its discretion, may grant the employee's request, giving consideration to budgetary constraints and priorities. Such payment must be made at the regular hourly rate of pay received by the employee at the time of payment.

Page 24 of 49

- **H.** The City may, at any time, elect to pay out some or all of an employee's accumulated compensatory time. Such payment must be made at the regular hourly rate of pay received by the employee at the time of payment. It is within the City's sole discretion whether to pay out some or all accrued comp time.
- I. Upon an employee's retirement, resignation or termination, the City of Rio Communities shall pay the employee for the balance of his accrued but unused comp time at a rate not less than the employee's final hourly pay rate or the employee's average hourly rate over the last three (3) years of employment, whichever is greater. In instances where the employee has less than three (3) years of employment with the City of Rio Communities, the average pay rate for the entire period of employment shall be used instead.
- **J.** Supervisors shall monitor overtime worked and compensatory time accrued and shall encourage the use of compensatory time as the opportunity arises, in order to minimize the City of Rio Communities' overtime pay liability. The supervisors' monitoring of overtime and encouraging the use of comp time will be considered as part of the supervisors' performance evaluation.

Section X: Political Activity. City employees shall not, during working hours, publicly support or endorse any person running for political office. City employees should not be harassed for political support by any political candidate, Department Head or Elected Official. An employee cannot be fired or penalized for failure to support a particular candidate. This is to ensure the protection of the employee from any unnecessary interference with the employee's job. The employee's job does not depend upon political beliefs, but upon the employee's job skills and performance.

# Section XI: Gratuities – Solicitation

- **A. Gratuities**. City employees shall be prohibited from accepting gifts or other considerations from vendors where the value of such gifts or considerations is in excess of twenty-five dollars (\$25.00). Any attempt to influence an employee's performance of the employee's duties by a vendor or other persons should be reported to the City Manager.
- **B.** Solicitations. No solicitation by employees or others will be allowed in a City-owned building or on City property. All legitimate proposals should be directed to the Department Heads or persons responsible for purchasing. Salesmen should not consult directly with employees without permission of the employee's supervisor. Limited exceptions may be authorized by the City Manager for charitable solicitations.

### Section XII: Rules of Employee Conduct and Disciplinary Action

A. Rules of Employee Conduct. Reasonable rules of employee conduct are necessary for the orderly and effective operation of the City. Some of the more obvious examples of

Page 25 of 49

A copy of the Act is available from the City Manager.

- 17. Soliciting during work hours and/or on City premises; selling merchandise or collecting funds of any kind for whatever purpose without the City Manager's prior approval, or at a time or place that interferes with the work of another employee on City property or at a City worksite.
- 18. Conducting a lottery or gambling on City premises or while on duty.
- 19. Failure to maintain a neat, clean and professional appearance or wearing unsafe clothing to perform employee's specific job duties.
- 20. Other acts or omissions, on or off-duty, that may result in disciplinary action include those that:
  - a. Call into question the employee's ability to perform assigned duties or job functions;
  - b. Harm public respect for the City's employees or confidence in the operation of City services; or
  - c. Impair the operation or efficiency of any City function.
- **B.** Just Cause for Disciplinary Action. Failure or refusal to meet the standards of employee conduct shall constitute just cause for disciplinary action. Regular full-time and regular part-time employees may be disciplined only for just cause. Unlike regular employees, probationary employees, temporary employees, limited-term employees and other at-will employees may be discharged without cause or for any lawful reason.
- **C. Progressive Discipline**. Occasionally, disciplinary action is necessary to correct employee misconduct or performance that fails to meet expectations. The type of corrective or disciplinary action imposed will depend on the severity of the infraction and the employee's previous work record. Progressive discipline will normally be used; however, some infractions may be so serious that the first disciplinary action may require suspension without pay, demotion or even dismissal.
- **D.** Documentation. In every situation involving any form of corrective or disciplinary action, documentation of such action shall be prepared. Any such documentation given to an employee should be signed by the employee to acknowledge receipt. If the employee refuses to sign the documentation, another employee should be called in to sign the form as a witness

The initial EAP screening is free to an Employee. Any costs for required additional treatment shall be borne by the Employee. Voluntary self-referrals may use personal leave and unpaid administrative leave in order to complete the EAP. - **A. On-Call (Standby) Status.** Department Heads should provide employees who are required to be on-call with a schedule of the time and date that the employee must be on-call. An equitable rotation policy should be followed in requiring employees to be on-call. In addition, the following guidelines apply:
  - 1. The employee is not required while on-call to remain on the City's premises. However, the employee must remain available by telephone or text while off site and respond to any call or message within fifteen (15) minutes.

If an employee has a medical condition and has concerns about complying with this requirement, the employee should consult with the Department Head.
  - 4. If the employee has a conflict and is unable to be on-call during his or her assigned time, it is the employee's obligation to pre-arrange with his or her immediate supervisor for a replacement to cover the employee's on-call shift.
  - 5. Employees who fail to respond when called and/or who fail to find a replacement may be subject to disciplinary action.
- **B.** Call-Back Pay. When an unscheduled employee accepts management's request to report to work, the employee is in call-back status. The employee will be paid as directed by the Fair Labor Standards Act (FLSA). Non-exempt employees who are called to report to work on their regular day off or that have been recalled to work after having left the employer's premises shall be guaranteed a minimum of two (2) hours of pay at the applicable straight time or overtime rate, as applicable.

After seven (7) days out of work, an injured or ill employee that has been approved for Workers' Compensation benefits may elect to be paid 66 2/3% of their average gross pay for the preceding twenty-six (26) weeks or continue using personal leave. The employee's decision to receive workers' compensation benefits or to use personal leave while out of work must be designated on an Election of Benefits Form forwarded to the City Manager or designee.
  - b. As permitted by law, the City's Workers' Compensation insurer can require an injured employee to be seen another designated physician for reevaluation and treatment.

#### Section XX: Conflict of Interest

A. Employees must disclose promptly any circumstance that might constitute a conflict of interest or appear to be a conflict of interest. If such a situation develops, the employee must immediately notify his Department Director and complete a City of Rio Communities Disclosure Statement Form, pursuant to the New Mexico Governmental Conduct Act (NMSA Page 47 of 49 1978, Section 10-16-1 *et seq.*). An employee or public official of the City is required to make disclosure of potential conflicts of interest with regards to outside employment, familial relationships, and disclosure of substantial business interests. In addition, employees must complete a Disclosure Statement Form every twelve (12) months. Failure to complete the Disclosure Statement Form or failure to provide complete and accurate information may subject an employee to disciplinary action and may result in any authorization to engage in self-employment, supplemental or outside employment being terminated.

- **B.** No employee shall:
  - 1. Engage in any business or transaction, have a financial or other personal interest, direct or indirect, accept private employment or other public employment, or render services for private interest, which is incompatible with the proper discharge of the employee's responsibilities, which gives the appearance of impropriety, or could tend to impair his independence of judgment or action in the performance of his duties.

  - 5. Represent the private interests of any third-party in any action or proceeding before any Board or Committee before which the employee appeared on behalf of the City while an employee of the City or within one year of terminating his employment with the City.

# **Mission and Goal Statements**

#### A. Mission Statement

Mission Statement: City of Rio Communities Public Library connects all Citizens to resources, technologies, and programs, that enrich personal, educational, and cultural growth.

#### B. The general library goals of the City of Rio Communities Public Library shall be:

- 1. Provide a safe environment for all patrons
- 2. Provide diverse and accepting atmospheres for all patrons
- 3. Attract all age groups, including youth and children
- 4. Maintain a wide variety of materials, books, and attractions
- 5. Establish space for meetings, programs, and events
- 6. Stay up to date on materials and technology
- 7. Raise sufficient funds to maintain smooth library operations and sufficient library hours
- 8. Open one evening, one half-day weekend as part of the library hours
- 9. Establish a friends of the Rio Communities Library (non-profit)
- 10. Conduct periodic outreach to expected library patrons

#### Who May Use the Library

A. The library will serve all residents of the community and the public library system area, which includes Valencia County and adjacent communities. Service will not be denied or abridged because of religious, racial, social, economic, or political status; or because of mental, emotional, or physical condition; age; or sexual orientation.

**B**. The use of the library may be denied for due cause. Such cause may be destruction of library property, disturbance of other patrons, or any other illegal, disruptive, or objectionable conduct on library premises.

#### **Patron Responsibilities and Conduct**

It is a patron's responsibility to maintain necessary and proper standards of behavior in order to protect his/her individual rights and privileges of other patrons. If a patron creates a public nuisance, that patron may be restricted from the Library and from the use of the library facilities. Those who are unwilling to leave or do not leave within a

reasonable amount of time, after being instructed to do so by the staff, will be subject to the law.

#### Young Children:

The Rio Communities Public Library encourages visits by young children, and it is our desire to make this important visit both memorable and enjoyable for the child. Library staff is not expected to assume responsibility for the care of unsupervised children in the library.

Therefore, it is library policy that all children under age ten (10) must be accompanied by a parent or designated responsible person while in the library. Also, if the young child is attending a library program, we require the parent/responsible person to remain in the library throughout the program.

#### **Disruptive Children:**

Children of all ages are encouraged to use the library for homework, recreational reading, and program attendance. The library staff realizes that the library will be noisier at busy times and that children by nature can cause more commotion. However, children (whether with parents or not) who are being continually disruptive will be given a warning that he/she must settle down or will be asked to leave the library. If after a second warning the child continues to be disruptive, he/she will be asked to leave the library. If the child needs to contact a parent, they may do so and then wait with a staff person until the parent arrives.

#### Services of the Library

The library provides materials and resources for information, entertainment, intellectual development, and enrichmentof the people of the community. The library should endeavor to:

- 1. Select, organize, and make available necessary books and materials.
- 2. Provide guidance and assistance to patrons.
- 3. Sponsor and implement programs, exhibits, displays, book lists, etc., which would appeal to children and adults.
- 4. Cooperate with other community agencies and organizations.
- 5. Secure information beyond its own resources when requested. (Using interlibrary loan and other resource sharingmethods provided through the system and state.)
- 6. Lend to other libraries upon request.
- 7. Develop and provide services to patrons with special needs.
- 8. Maintain a balance in its services to various age groups.
- 9. Cooperate with, but not perform the functions of, school or other institutional

libraries.

- 10. Provide service during hours to the extent practicable which best meet the needs of the community, including evening and weekend hours.
- 11. Regularly review library services being offered.
- 12. Use media and other public relations mechanisms to promote the full range of available library services.

# **Responsibilities and Authorities of the Library Board (Ordinance 2020-75)**

The Library Board shall be the Community representative for the City of Rio Communities Public Library and shall have the responsibility and obligation to:

- 1. receive gifts, bequests and donations of all kinds;
- 2. advise the Governing Body in formulating rules and regulations for the administration of the City of Rio Communities Public Library, not in conflict with the ordinances of the City of Rio Communities nor with the laws of the State of New Mexico;
- 3. post rules and regulations for public use of the library in appropriate places in the library for public inspection and information;
- 4. assist the Library Director in developing an annual library budget in sufficient time for the library budget to be included in the total budget for the City of Rio Communities;
- 5. notify the Mayor and Library Director of any vacancies on the Board and recommend persons to fill vacancies;
- 6. recommend to the City Manager of the City of Rio Communities nominees for appointment and/or employment of a Library Director
- 7. recommend to the Governing Body of the City of Rio Communities names for consideration in the appointment of Library Board members.
- 8. advise the library director in all matters pertaining to the management and operation of the library;
- 9. recommend to the City of Rio Communities Governing Body any action to maintain or administer the City of Rio Communities Public Library.

### **Volunteers and Friends**

The Library Board encourages individuals and groups to volunteer their time and efforts in the service of the Rio Communities Public Library. In appreciation of volunteer services, the Library acknowledges the need to organize volunteer activities and provide for appropriate recognition befitting the benefit to the library and the communities it serves.

Annual recognition will be given based on the number of hours of service. This will include a listing of volunteer names in a newspaper release, a certificate of appreciation, and the addition of a book to the collection in each volunteer's name.

A library friends' group is a formal association of people who unite to plan and execute, in conjunction with library goals and the needs of the library director, programs and events to benefit the library. In particular, a friend's group is often heavily involved in fund-raising for the library and often oversees periodic book sales. Friends' groups always serve at the pleasure of the library board which is the only body with legal authority to set policy for the development of the library.

## **Personnel Policy**

See Ordinance 2018-65 Personnel Policy Manual

# Materials Selection/Collection Development Policy

#### A. Objectives

The purpose of the Rio Communities Public Library is to provide all individuals in the community with carefully selectedbooks and other materials to aid the individual in the pursuit of education, information, research, pleasure, and the creative use of leisure time.

Because of the volume of publishing, as well as the limitations of budget and space, the library must have a selection with which to meet community interests and needs.

The materials selection/collection development policy is used by the library staff in the selection of materials and also serves to acquaint the general public with the principles of selection.

The Library Bill of Rights and The Freedom to Read Statement have been endorsed by the Public

Library Board and are integral parts of the policy.

The materials selection/collection development policy, like all other policies, will be reviewed and/or revised as the need arises.

#### **B.** Responsibility for Selection

The ultimate responsibility for selection of library materials rests with the library director who operates within the framework of the policies determined by the Rio Communities Public Library Board. This responsibility may be shared with other members of the library staff; however, because the director must be available to answer to the library board and the general public for actual selections made, the director has the authority to reject or select any item contrary to the recommendations of the staff.

#### C. Criteria for Selection

- 1. The main points considered in the selection of materials are:
  - a. individual merit of each item
  - b. popular appeal/demand
  - c. suitability of material for the clientele
  - d. existing library holdings
  - e. budget
- 2. Reviews are a major source of information about new materials. The primary source(s) of reviews is (are) at the discretion of the library director as is authorized by the library board.
- 3. The lack of a review or an unfavorable review shall not be the sole reason for rejecting a title which is in demand. Consideration is, therefore, given to requests from library patrons and books discussed on public media. Materials are judged on the basis of the work as a whole, not on a part taken out of context.

#### D. Interlibrary Loan

Because of limited budget and space, the library cannot provide all materials that are requested. Therefore, interlibrary loan is used to obtain from other libraries those materials that are beyond the scope of this library's collection.

In return for utilizing interlibrary loan to satisfy the needs of our patrons, the Rio Communities Public Library agrees tolend its materials to other libraries through the same interlibrary loan network, and to make an effort to have its current holdings listed in a tool that is accessible by other libraries throughout the state.

#### E. Gifts and Donations

The library accepts gifts of books and other materials with the understanding that they will be added to the collection only if appropriate and needed. If they are not needed because of duplication, condition, or dated information the director can dispose of them as he/she sees fit. The same criteria of selection which are applied to purchased materials are applied to gifts. Memorial gifts of books or money are also accepted with suitable bookplatesplaced in the book. Specific memorial books can be ordered for the library on request of a patron if the request meets the criteria established by the Board. It is desirable for gifts of or for specific titles to be offered after consultation with the library director. Book selection will be made by the director if no specific book is requested. The Rio Communities Public Library encourages and appreciates gifts and donations. By law, the library is not allowed to appraise the value of donated materials, though it can provide an acknowledgment of receipt of the items if requested by the donor.

#### F. Weeding

An up-to-date, attractive, and useful collection is maintained through a continual withdrawal and replacement process. Replacement of worn volumes is dependent upon current demand, usefulness, more recent acquisitions, and availability of newer editions. This ongoing process of weeding is the responsibility of the library director and is authorized by the Library Board. Withdrawn materials will be handled in a similar manner and under the same authority as donated materials.

#### G. Potential Problems or Challenges

The Rio Communities Public Library recognizes that some materials are controversial and that any given item may offend some patrons. Selection of materials will not be made on the basis of anticipated approval or disapproval, but solely on the basis of the principles stated in this policy.

Responsibility for the reading of children rests with their parents or legal guardians. Selection of library materials will not be inhibited by the possibility that materials may come into the possession of children.

Library materials will not be marked or identified to show approval or disapproval of their contents, and no library material will be sequestered except to protect it from damage or theft.

#### H. Challenged Materials

Although materials are carefully selected, there can arise differences of opinion regarding suitable materials. each article. Unless such arrangements are specified, items must be picked up the day following the date of the publicized event if the owners want them returned. Otherwise, the library will not be responsible for returning materials.

# **Disasters Policy**

#### Fire

Do not panic, but do not under-estimate the potential danger to customers or staff represented by a fire. At the first indication of smoke or flame, investigate the situation to determine location and extent of the fire. If the fire can obviously be contained and extinguished quickly and safely by staff, proceed to do so. However, if there is any doubt about whether the fire can be controlled, immediately call 911 or the fire department and then clear the building.

The time to think about fires is before they happen. Familiarize yourself with the type, location, and application of the fire extinguisher(s) in the building. Orient all staff and volunteers to this information. If you share a building with another agency and it occasionally initiates fire drills, library staff should respect those training exercises and respond as they would in the case of a real fire.

#### Health emergencies

Staff members should exercise caution when administering first aid of even a minor nature because of the safety of the injured individual and the potential liability of the staff member. Without specialized training it is not advisable for staff to undertake more than keeping the sick or injured patron comfortable and protected from needless disturbance until medical help can be obtained. Since each case is unique, staff members should use their own judgement to dowhat is prudent and reasonable.

The Rescue Squad/Police (911 if available) should be called immediately in the event of any serious problem. No medication, including aspirin, should ever be dispensed to the public.

#### **Bomb threats**

Keep the caller on the line as long as possible. Ask the caller to repeat the message and try to write down every word spoken by the person. If the caller does not indicate the location of the bomb or the time of possible detonation, **ASK FOR THIS INFORMATION.** 

Pay particular attention to peculiar background noises such as motors running, background music and any other sounds which may indicate where the location from which the call is originating.

Listen closely to the voice (male, female), voice quality (calm, excited), accents and speech impediments.

Immediately after the caller hangs up, call the police. Clear the building. The police will handle the actual bomb search.

#### **Inclement Weather**

The library will follow the recommendation and actions of the city (or village) between 8:30 a.m. and 5:00 p.m., Monday through Friday. Closing during other days and hours will be at the discretion of the Librarian/Library Director.

### Library Bill of Rights (<u>Http://www.ala.org/ala/oif/statements</u> pols/statementsif/librarybillrights.htm)

The American Library Association affirms that all libraries are forums for information and ideas, and that the following basic policies should guide their services.

I. Books and other library resources should be provided for the interest, information, and enlightenment of all people of the community the library serves. Materials should not be excluded because of the origin, background, or views of those contributing to their creation.

II. Libraries should provide materials and information presenting all points of view on current and historical issues. Materials should not be proscribed or removed because of partisan or doctrinal disapproval.

III. Libraries should challenge censorship in the fulfillment of their responsibility to provide information and enlightenment.

IV. Libraries should cooperate with all persons and groups concerned with resisting abridgment of free expression and free access to ideas.

V. A person's right to use a library should not be denied or abridged because of origin, age, background, or views.

VI. Libraries which make exhibit spaces and meeting rooms available to the public they serve should make such facilities available on an equitable basis, regardless of the beliefs or affiliations of individuals or groups requesting their use.

VII. All people, regardless of origin, age, background, or views, possess a right to privacy and confidentiality in their library use. Libraries should advocate for, educate about, and protect people's privacy, safeguarding all library use data, including personally identifiable information.

Adopted June 19, 1939, by the ALA Council; amended October 14, 1944; June 18, 1948; February 2, 1961; June 27, 1967; January 23, 1980; January 29, 2019. Inclusion of "age" reaffirmed January 23, 1996.

Although the Articles of the *Library Bill of Rights* are unambiguous statements of basic principles that should govern the service of all libraries, questions do arise concerning application of these principles to specific library practices. See the documents designated by the Intellectual Freedom Committee as <u>Interpretations of the Library Bill of Rights</u>

#### The Freedom to Read Statement (http://www.ala.org/ala/oif/statementspols/ftrstatement/freedomreadstatement.htm)

The freedom to read is essential to our democracy. It is continuously under attack. Private groups and public authorities in various parts of the country are working to remove or limit access to reading materials, to censor content in schools, to label "controversial" views, to distribute lists of "objectionable" books or authors, and to purge libraries. These actions apparently rise from a view that our national tradition of free expression is no longer valid; that censorship and suppression are needed to counter threats to safety or national security, as well as to avoid the subversion of politics and the corruption of morals. We, as individuals devoted to reading and as librarians and publishers responsible for disseminating ideas, wish to assert the public interest in the preservation of the freedom to read.

Most attempts at suppression rest on a denial of the fundamental premise of democracy: that the ordinary individual, by exercising critical judgment, will select the good and reject the bad. We trust Americans to recognize propaganda and misinformation, and to make their own decisions about what they read and believe. We do not believe they are prepared to sacrifice their heritage of a free press in order to be "protected" against what others think may be bad for them. We believe they still favor free enterprise in ideas and expression.

These efforts at suppression are related to a larger pattern of pressures being brought against education, the press, art and images, films, broadcast media, and the Internet. The problem is not only one of actual censorship. The shadow of fear cast by these pressures leads, we suspect, to an even larger voluntary curtailment of expression by those who seek to avoid controversy or unwelcome scrutiny by government officials.

Such pressure toward conformity is perhaps natural to a time of accelerated change. And yet suppression is never more dangerous than in such a time of social tension. Freedom has given the United States the elasticity to endure strain. Freedom keeps open the path of novel and creative solutions and enables change to come by choice. Every silencing of a heresy, every enforcement of an orthodoxy, diminishes the toughness and resilience of our society and leaves it the less able to deal with controversy and difference.

Now as always in our history, reading is among our greatest freedoms. The freedom to read and write is almost the only means for making generally available ideas or manners of expression that can initially command only a small audience. The written word is the natural medium for the new idea and the untried voice from which come the original contributions to social growth. It is essential to the extended discussion that serious thought requires, and to the accumulation of knowledge and ideas into organized collections.

We believe that free communication is essential to the preservation of a free society and a creative culture. We believe that these pressures toward conformity present the danger of limiting the range and variety of inquiry and expression on which our democracy and our culture depend. We believe that every American community must jealously guard the freedom to publish and to circulate, in order to preserve its own freedom to read. We believe that publishers and librarians have a profound responsibility to give validity to that freedom to read by making it possible for the readers to choose freely from a variety of offerings.

The freedom to read is guaranteed by the Constitution. Those with faith in free people will stand firm on these constitutional guarantees of essential rights and will exercise the responsibilities that accompany these rights.

We therefore affirm these propositions:

1. It is in the public interest for publishers and librarians to make available the widest diversity of views and expressions, including those that are unorthodox, unpopular, or considered dangerous by the majority.

Creative thought is by definition new, and what is new is different. The bearer of every new thought is a rebel until that idea is refined and tested. Totalitarian systems attempt to maintain themselves in power by the ruthless suppression of any concept that challenges the established orthodoxy. The power of a democratic system to adapt to change is vastly strengthened by the freedom of its citizens to choose widely from among conflicting opinions offered freely to them. To stifle every nonconformist idea at birth would mark the end of the democratic process. Furthermore, only through the constant activity of weighing and selecting can the democratic mind attain the strength demanded by times like these. We need to know not only what we believe but why we believe it.

2. Publishers, librarians, and booksellers do not need to endorse every idea or presentation they make available. It would conflict with the public interest for them to establish their own political, moral, or aesthetic views as a standard for determining what should be published or circulated.

Publishers and librarians serve the educational process by helping to make available knowledge and ideas required for the growth of the mind and the increase of learning. They do not foster education by imposing as mentors the patterns of their own thought. The people should have the freedom to read and consider a broader range of ideas than those that may be held by any single librarian or publisher or government or church. It is wrong that what one can read should be confined to what another thinks proper.

3. It is contrary to the public interest for publishers or librarians to bar access to writings on the basis of the personal history or political affiliations of the author.

No art or literature can flourish if it is to be measured by the political views or private lives of its creators. No society of free people can flourish that draws up lists of writers to whom it will not listen, whatever they may have to say.

# 4. There is no place in our society for efforts to coerce the taste of others, to confine adults to the reading matter deemed suitable for adolescents, or to inhibit the efforts of writers to achieve artistic expression.

To some, much of modern expression is shocking. But is not much of life itself shocking? We cut off literature at the source if we prevent writers from dealing with the stuff of life. Parents and teachers have a responsibility to prepare the young to meet the diversity of experiences in life to which they will be exposed, as they have a responsibility to help them learn to think critically for themselves. These are affirmative responsibilities, not to be discharged simply by preventing them from reading works for which they are not yet prepared. In these matters values differ, and values cannot be legislated; nor can machinery be devised that will suit the demands of one group without limiting the freedom of others.

# 5. It is not in the public interest to force a reader to accept the prejudgment of a label characterizing any expression or its author as subversive or dangerous.

The ideal of labeling presupposes the existence of individuals or groups with wisdom to determine by authority what is good or bad for others. It presupposes that individuals must be directed in making up their minds about the ideas they examine. But Americans do not need others to do their thinking for them.

6. It is the responsibility of publishers and librarians, as guardians of the people's freedom to read, to contest encroachments upon that freedom by individuals or groups seeking to impose their own standards or tastes upon the community at large; and by the government whenever it seeks to reduce or deny public access to public information.

It is inevitable in the give and take of the democratic process that the political, the moral, or the aesthetic concepts of an individual or group will occasionally collide with those of another individual or group. In a free society individuals are free to determine for themselves what they wish to read, and each group is free to determine what it will recommend to its freely associated members. But no group has the right to take the law into its own hands, and to impose its own concept of politics or morality upon other members of a democratic society. Freedom is no freedom if it is accorded only to the accepted and the inoffensive. Further, democratic societies are more safe, free, and creative when the free flow of public information is not restricted by governmental prerogative or self-censorship.

7. It is the responsibility of publishers and librarians to give full meaning to the freedom to read by providing books that enrich the quality and diversity of thought and expression. By the exercise of this affirmative responsibility, they can

# demonstrate that the answer to a "bad" book is a good one, the answer to a "bad" idea is a good one.

The freedom to read is of little consequence when the reader cannot obtain matter fit for that reader's purpose. What is needed is not only the absence of restraint, but the positive provision of opportunity for the people to read the best that has been thought and said. Books are the major channel by which the intellectual inheritance is handed down, and the principal means of its testing and growth. The defense of the freedom to read requires of all publishers and librarians the utmost of their faculties and deserves of all Americans the fullest of their support.

We state these propositions neither lightly nor as easy generalizations. We here stake out a lofty claim for the value of the written word. We do so because we believe that it is possessed of enormous variety and usefulness, worthy of cherishing and keeping free. We realize that the application of these propositions may mean the dissemination of ideas and manners of expression that are repugnant to many persons. We do not state these propositions in the comfortable belief that what people read is unimportant. We believe rather that what people read is deeply important; that ideas can be dangerous; but that the suppression of ideas is fatal to a democratic society. Freedom itself is a dangerous way of life, but it is ours.

This statement was originally issued in May of 1953 by the Westchester Conference of the American Library Association and the American Book Publishers Council, which in 1970 consolidated with the American Educational Publishers Institute to become the Association of American Publishers.

Adopted June 25, 1953, by the ALA Council and the AAP Freedom to Read Committee; amended January 28, 1972; January 16, 1991; July 12, 2000; June 30, 2004.
