Happy Holidays!

The next Regular Planning Commission meeting is scheduled for January 28, 2025, at 6:00 p.m.

**RIO DELL PLANNING COMMISSION
REGULAR MEETING MINUTES
OCTOBER 22, 2024**

CALL TO ORDER

Commissioner Knight called the regular meeting of the Rio Dell Planning Commission to order at 6:11 p.m.

Present were Commissioners Knight, Arsenault, Gurney, and Millington. Absent was Commissioner Angeloff (excused)

Others present were Community Development Director Caldwell and City Clerk Dunham.

CEREMONIAL MATTERS

Selection of Chair and Vice-Chair

City Clerk Dunham explained that appointments for the positions of Chair and Vice-Chair need to be made for the 2-year terms ending December 31, 2027. She noted that all members of the Commission are considered to be nominated unless a member wishes to decline nomination. Commissioner Millington declined nomination for both positions.

Ballots were provided to the Commissioners beginning with the selection of the Chair. The first vote resulted in 2 votes for Commissioner Angeloff, 1 vote for Commissioner Knight, and 1 vote for Commissioner Arsenault. Commissioner Arsenault then declined the nomination. A revote was taken and the results were 3 votes for Commissioner Angeloff and 1 vote for Commissioner Knight. With Commissioner Angeloff receiving the required majority vote, he was appointed to the position of Chair for the 2-year term ending December 31, 2027.

For the position of Vice-Chair, Commissioner Knight received 4 out of 4 votes and was appointed to fill the position of Vice-Chair for the 2-year term ending December 31, 2027.

CONSENT CALENDAR

Approve Minutes of the September 24, 2024 Regular Meeting

Arsenault/Millington made a motion to approve the Consent Calendar including approval of the September 24, 2024, regular meeting minutes. Motion carried 4-0.

SCHEDULED MATTERS/PUBLIC HEARINGS/STUDY SESSIONS

Adopt Resolution PC 181-2024 Recommending the City Council approve amending the Industrial Commercial Allowed Uses and the Land Use Element of the General Plan and recommending that the City Council amend the Industrial Commercial Zoning Regulations, Section 17.20.110 of the Rio Dell Municipal Code (RDMC) and Table 1-2 of the Land Use Element of the General Plan

Community Development Director Caldwell provided a staff report recommending approval of the Zoning Regulations and Land Use Element amendments related to allowed uses in the Industrial Commercial (IC) zone as described.

He explained that there were a number of reasons for the revisions and said that staff was contacted by the new owner of 1395 Eeloa Ave., the former towing/junkyard, inquiring about allowable uses on that parcel, currently zoned Industrial Commercial (IC).

He explained that the way the current code is written, zoning regulations for principal zones often refer to other zoning designations to determine allowed uses which makes it very convoluted. The Industrial Commercial (IC) zone identifies the allowable uses and refers back to the Industrial zone for additional allowable uses.

Community Development Director Caldwell referred to the Land Use Matrix that was generated by the Planning Commission 5 or 6 years ago which took the various use types, broke them down by zone, and listed them as principally permitted, conditionally permitted, or not allowed. He said that the Commission combined all of the recommended uses, whether they were principally permitted or conditionally permitted and added them to the Industrial Commercial (IC) zone eliminating the need to refer to other zoning designations to determine the various allowable uses.

He commented that Commissioner Angeloff played a huge role in helping to establish these use types previously and would like to have him participate in the current review of the allowable uses. He said that the reason for bringing this item to the Commission tonight is to introduce the item, have a brief discussion, and continue it to the next regularly scheduled meeting on November 26, 2024.

**RIO DELL PLANNING COMMISSION

Page 3**

Community Development Director Caldwell then referred to the new use type definitions and asked the Commission to review the list and highlight any use types they thought would be compatible or not compatible in the Industrial Commercial (IC) zone for discussion at the next meeting.

Commissioner Arsenault said that it seems like there are a lot of large industrial use types mixed with light commercial uses.

Community Development Director Caldwell referred to White City, OR, just outside of Medford which is basically the industrial hub of the area and they have a couple of drive-thru businesses and a food truck court to serve the employees and patrons of the industrial businesses. He said that the Commission might want to allow those type uses with a Conditional Use Permit.

Commissioner Arsenault commented that the matrix would be useful for those who are looking at opening a business.

Community Development Director Caldwell pointed out that there are no parcels in the City that are currently zoned Industrial (I) questioning why that zoning designation was established.

He pointed out that jurisdictions are only allowed to amend its General Plan 4 times a year unless it is for a comprehensive update of the various elements of the General Plan.

Commissioner Gurney questioned why the Commission would want to exclude any potential uses in the Industrial Commercial (IC) Zone rather than encouraging development and potentially allowing retail development.

Community Development Director Caldwell reminded the Commission that the entire area of the Humboldt Rio Dell Industrial Park (HRDBP) is located in the flood zone so that in itself will discourage or hinder development. He said that another issue is Caltrans concerns regarding cross traffic with additional development of that site.

Commissioner Gurney asked if staff had received inquiries regarding new development at the HRDBP.

**RIO DELL PLANNING COMMISSION
OCTOBER 22, 2024 MINUTES
Page 4**

Community Development Director Caldwell said that the inquiry that generated this discussion was related to 1395 Eeloa Ave. (former towing/junk yard) and one of the constraints with further development of that site is that it is a Brownfield site that requires remediation. He indicated that the owner is currently working with the Regional Water Quality Control Board and has installed monitoring wells.

He said that the property owner proposed an RV Park and then "Humboldt Roots Market Place" which would be similar to a year-round farmer's market. He was discouraged to learn that the City's code requires improved parking for commercial uses.

Staff's recommendation was for the Commissioners to study the list of use types and come back at the November meeting to discuss and make a recommendation to the City Council on appropriate principally permitted and conditionally permitted use types for the Industrial Commercial (IC) zone.

Commissioner Millington asked if staff would provide a zoning map in the next board packet. Staff agreed.

STAFF COMMUNICATIONS/UPDATES

Community Development Director Caldwell reported that before the start of tonight's meeting, the City held a CDBG meeting on the NOFA (Notice of Funding Availability) He explained that during this round of funding, the State has \$34 million for small cities of populations less than 50,000 with 390 eligible cities to apply for funding. He said that the grant is very competitive and the submission of the application would be for Phase II of the Eel River Trail for the construction of an accessible concrete ramp and various drainage and street improvements.

He reported on the results of the recent Parks Survey and said that the No. 1 park the citizens would like to see enhanced was the Davis St. Park which is on school property. If the school board would be willing to sell the City that portion of the property, grant money could be used to purchase the property with additional grant money later to make improvements.

Commissioner Gurney commented that you would think that the school would want to make the park magnificent for the kids and that it would be great to have a cool spot for the kids to play.

**RIO DELL PLANNING COMMISSION

Community Development Director Caldwell said that staff developed conceptual plans including a basketball court, a public square, and a resource building. He said that according to the survey, the No. 1 amenity for the park was a pump BMX track for bicycles or skateboards.

ADJOURNMENT

The meeting adjourned at 7:10 p.m. to the November 26, 2024 regular meeting.

For the Meeting of November 26, 2024

To: Planning Commission

From: Kevin Caldwell, Community Development Director

A handwritten signature in blue ink, appearing to be "K Caldwell", enclosed within a blue circular scribble.

Through: Kyle Knopp, City Manager

Date: November 19, 2024

Subject: Text Amendment to the Industrial Commercial (IC) Regulations and Land Use Element.

Recommendation:

That the Planning Commission:

1. Receive staff's report regarding the proposed text amendment and discuss the recommended changes; and
2. Open the public hearing, receive public input, and deliberate, including amending staff's recommendations; and
3. Close the public hearing; and
4. Approve Resolution No. PC 181-2024 recommending the City Council approve the proposed text amendment.

Discussion

AS discussed at the meeting on October 22, 2024, the Rio Dell Municipal Code (RDMC) Zoning Regulations for the principal zones often refer to other zoning designations to determine allowed uses. As an example, the Industrial Commercial (IC) zone refers to the Industrial (I) zone which in turn refers to compatible commercial uses described in the community commercial land use designation, which also includes conditionally permitted uses in the Neighborhood Commercial zone without the need to obtain a use permit. See below:

17.20.110 Industrial commercial or IC zone.

The purpose of the industrial commercial zone is to provide for industrial and commercial uses.

(1) Principal permitted uses, including, but not limited to:

(a) Industrial uses as described in the industrial land use designation and compatible commercial uses described in the community commercial land use designation;

(b) Public facility needs such as a wastewater treatment plant;

(c) Motor vehicle repair, maintenance and fueling; and

(d) Telecommunications facilities and manufacturing.

Copies of the Industrial Commercial (IC), Industrial (I), Community Commercial (CC), and Neighborhood Commercial (NC) development standards are included in **Attachment 1**. It is not only cumbersome and confusing for staff but also members of the public to have to refer to other designations to determine the allowed uses. Staff intends to amend the land use designations that refer to other land use designations so that one will not have to refer to other land use designations to determine allowed uses. We are starting with the Industrial Commercial (IC) designation.

Some of the Planning Commissioners may remember that we worked a land use matrix years ago, identifying what we believed were appropriate land uses for the various zoning designations. This matrix was used to develop the principally and conditionally permitted use type. A copy of the matrix is included in **Attachment 2**.

Attachment 3 identifies those uses identified in the matrix for the Industrial Commercial designation. Those use types in blue and italicized are the current allowed uses in the Industrial Commercial designation. Attachment 3 also identifies the definitions for the various use types.

Zone Reclassification Required Finding:

1. The proposed amendment is consistent and compatible with the General Plan and any implementation programs that may be affected.

In order to be consistent with the Land Use Element of the General Plan, the Industrial Commercial designation must be amended to incorporate the changes to the zoning designation. Below is a copy of the existing Land Use Element language for the Industrial Commercial designation. Accordingly, Table 1-2, the "Permitted Uses" needs to be amended.

Designation	Permitted Uses	Minimum Lot Size
Industrial Commercial (IC)	<ul style="list-style-type: none"> ● Industrial Uses as described in the Industrial Land Use Designation and compatible commercial uses described in the Community Commercial Land Use Designation. ● Public Facility needs. ● Motor vehicle repair, maintenance and fueling. ● Telecommunications facilities and manufacturing. ● Limited lodging facilities. ● Limited childcare facilities. 	20,000 square feet
Open Space	Density/FAR*	Building Height
10%	FAR 1.5 on 20% and 0.35 on 80%.	Maximum 4 stories or 65 feet

Attachment 4 identifies the amended Table 1-2. With the recommended amendment to the Land Use Element of the General Plan, the recommended amendments are consistent and compatible with the General Plan.

2. The proposed amendments have been processed in accordance with the California Environmental Quality Act (CEQA).

CEQA:

There are two areas within the City that are designated Industrial Commercial, the Humboldt Rio Dell Business Park (former Eel River Sawmill site) and a few parcels on Eeloa Avenue. For the most part the Humboldt Rio Dell Business Park (former Eel River Sawmill site) is entirely paved. There is a seasonal watercourse at the south end of the Park, but any development is subject to the City's Environmentally Sensitive Habitat Area (ESHA) regulations, Section 17.30.120 of the Rio Del Municipal Code (RDMC). Of course, the conditionally permitted uses will be evaluated for CEQA compliance at the time an application is submitted.

Based on the proposed uses and the environmental setting of those lands designated Industrial Commercial, staff believes the text amendment is exempt from CEQA pursuant to CEQA Guidelines Section 15061(b)(3), in that staff believes that the principally permitted uses on lands designated Industrial Commercial will not have a significant adverse effect to the environment.

Definitions

Agricultural Products Processing means the act of changing an agricultural crop, subsequent to harvest in order to prepare it and package it for market.

Aggregate Resources Processing means the storing, crushing, washing, milling and screening, as well as the batching and blending of mineral aggregate into asphalt and concrete.

Artisan/Craft Product Manufacturing means manufacturing and/or assembling products primarily by hand, including jewelry, pottery and other ceramics, as well as glass and metal art and craft products.

Automobile Gas Stations, including charging stations, without vehicle service means a retail business selling gasoline and/or other motor vehicle fuels and related parts, fluids and accessories.

Automobile Gas Stations, including charging stations, with minor vehicle service means a retail business selling gasoline and/or other motor vehicle fuels and related parts, fluids and accessories and providing the adjustment, replacement or maintenance of parts, including tires, brakes, headlights, oil changes, alignments, tune-ups, etc. It shall not include complete engine or transmission replacement or rebuilding, body and frame repairs or painting.

Automobile and Vehicle Sales/Rentals means retail establishments selling and/or renting automobiles, trucks, vans, motorcycles, recreation vehicles and/or boats. May also include repair shops and the sales of parts and accessories incidental to the vehicle dealership.

Automobile and Vehicle Services, Major Repair/Body Work means establishments providing general repair, rebuilding, reconditioning, removal and replacement of engines, transmissions, drive-trains, collision repair including body, frame or fender straightening of automobiles, trucks, boats, recreational vehicles, etc.

Automobile and Vehicle Services, Maintenance and Minor Repair means establishments providing the adjustment, replacement or maintenance of parts, including tires, brakes, headlights, oil changes, alignments, tune-ups, etc. It shall not include complete engine or transmission replacement or rebuilding, body and frame repairs or painting.

Building Materials Stores and Yards means retail establishments selling lumber and other large building materials, where most display and sales occur indoors. (Includes paint, wallpaper, glass and fixtures.) Includes stores selling to the general public, even if contractor sales account for a major proportion of total sales. Includes incidental retail ready-mix concrete operations, except where excluded by a specific zoning district. Establishments primarily selling electrical, plumbing, heating and air conditioning equipment and supplies are classified in "Wholesaling and Distribution." Hardware stores are listed in the definition of "General Retail Stores", even if they sell some building materials, as long as there is no outdoor lumberyard.

Caretaker Housing means a residence that is accessory to a non-residential primary use of the site, where needed for security, 24-hour care or supervision, or monitoring of facility, equipment, or other conditions on the site.

Caterers means the preparation and delivery of food and beverages for off-site consumption without provision for on-site pickup or consumption.

Coffee House means an establishment providing coffee, tea, smoothies, etc. as well as light snacks, ranging from baked goods to soups and sandwiches, other casual meals and light desserts.

Contractors Storage Yards means storage yards for contractor's equipment and supplies.

Equipment Sales and Rental means service establishments with outdoor storage/rental yards, which may offer a wide variety of materials and equipment for rental, including construction equipment, party supplies (tents, tables, chairs, etc.)

Fuel Storage and Distribution means a facility where fuel (such as propane and gasoline) is stored and distributed without retail sales.

Furniture and Fixtures Manufacturing, Cabinet Shops means manufacturers producing household furniture, office furniture and partitions, shelving, store furniture, cabinets, drapery hardware, window blinds and shades, countertops.

Garden Center/Plant Nursery means establishments providing for the cultivation and sale of ornamental trees, shrubs and plants, including the sale of garden and landscape materials (packaged and/or bulk sale of unpackaged materials) and equipment, including but not limited to lawn mowers, tillers and edgers, shovels, hoes, rakes, hoses, wheelbarrows, etc.

Grocery Stores – Supermarkets means a retail business where the majority of the floor area open to the public is occupied by food products packaged for the preparation and consumption away from the site of the store. These full service businesses do not typically have limited hours of operation. See separate but related listings for “Neighborhood Market” and Convenience Store”.

Indoor Amusement/Entertainment Facility means establishments providing indoor amusement and entertainment services for a fee or admission charge, including; dance halls and ballrooms, and electronic game arcades, as stand-alone uses. Four or more electronic games or coin-operated amusements in any establishment, or a premise where 50 percent or more of the floor area is occupied by amusement devices, are considered an electronic game arcade as described above.

Indoor Sports and Recreation Facility means predominantly participant sports and health activities conducted entirely within an enclosed building, with the exclusion of secondary uses such as a outdoor spa, pool, basketball court or tennis court. Typical uses include bowling alley, billiard parlor, ice/roller skating rinks, indoor racquetball courts, indoor climbing facilities, indoor soccer fields, indoor driving range, go-karts, athletic clubs and health clubs. Also see Outdoor Commercial Recreation for spectator venues and uses.

Kennels, Commercial means a facility for the keeping, boarding and/or maintaining of 5 or more dogs, or 5 or more cats. This definition does not include animals for sale in pet shops, or patients in animal hospitals. This definition includes a kennel where the animals are kept for commercial purposes, including boarding, breeding, buying, selling, renting, exhibiting, or training. Does not include a veterinary facility, pet shop, or animal shelter.

Laundries and Dry Cleaning Plants means service establishments engaged primarily in high volume laundry and garment services, including: laundries; garment pressing and dry cleaning; linen supply; diaper service; industrial laundries; and on-site carpet and upholstery cleaners. Does not include coin-operated laundries or dry cleaning pick-up stores without dry cleaning equipment. (see "Personal Services").

Lumber and Wood Product Manufacturing means the manufacturing, processing, and sales uses involving the milling of new or used forest products to produce rough and finished lumber and other wood materials for use in other manufacturing, craft, or construction processes. Includes the following processes and products: containers, pallets and skids, milling operations, trusses and structural beams, turning and shaping of wood products, wholesaling of basic wood products, and wood product assembly. Craft-type shops are included in "Handcraft Industries and Small Scale Manufacturing." Other wood and cabinet shops are included under "Furniture and Fixture Manufacturing." The indoor retail sale of building materials, construction tools and equipment is included under cabinet shops under "Building Materials Stores and Yards."

Machinery Manufacturing means the manufacturing of machinery and equipment used: for the manufacturing of other products; as parts in the assembly of other products; and for end-use purposes, including the following: construction equipment, conveyors, cranes, die casting, dies, dredging, engines and turbines, farming and gardening, food products manufacturing, gear cutting, heating, ventilation, air conditioning, industrial trucks and tractors, industrial furnaces and ovens, industrial molds, laundry and dry cleaning, materials handling, mining, oil field equipment, paper manufacturing, passenger and freight elevators, pistons, printing, pumps, refrigeration equipment, textile manufacturing.

Maintenance and Repair, Large Equipment means establishments providing on-site repair and accessory sales of supplies for industrial and/or agricultural machines conducted entirely within an enclosed building. This classification includes maintenance, repair, and overhauling of light and heavy vehicles and equipment such as fire engines and pump systems, fire trucks including large trailer aerial ladder trucks, gang mowers, aerial work platforms, and construction equipment such as loaders, graders, dump trucks, back hoes, asphalt trucks, trailers, rollers, street sweepers, air compressors, and off road equipment.

Maintenance and Repair, Small Equipment means establishments providing on-site repair and accessory sales of supplies for appliances, office machines, home electronic/mechanical equipment, bicycles, tools, or garden equipment, conducted entirely within an enclosed building. This classification does not include maintenance and repair of vehicles.

Metal Products Fabrication, Machine/Welding Shops means establishments engaged primarily in the assembly of metal parts, including the following uses that produce metal duct work, tanks, towers, cabinets and enclosures, metal doors and gates, and similar products, blacksmith and welding shops, sheet metal shops, machine shops and boiler shops.

Metal Products Manufacturing means manufacturing establishments engaged in the smelting and refining of ferrous and nonferrous metals from ore, pig, or scrap; in the rolling, drawing, and alloying of ferrous and nonferrous metals; in the manufacture of castings, forgings, stampings, extrusions and other basic products of ferrous and nonferrous metals; and in the manufacture of nails, spikes, and insulated wire and cable.

Miniature Golf Courses (Indoor & Outdoor) means a facility that provides on-site commercial entertainment in the form of a novelty version of golf played with a putter and golf ball on a miniature course and featuring obstacles such as alleys, bridges, and tunnels.

Offices, Accessory means offices that are incidental and accessory to a primary business, allowed as part of an approved primary use.

Offices, Temporary means a mobilehome, recreation vehicle or modular unit used as a temporary office facility. Temporary Offices may include: construction supervision offices on a construction site or off-site construction yard; a temporary on-site real estate office for a development project; or a temporary business office in advance of permanent facility construction.

Outdoor Commercial Recreation means a facility for various outdoor participant sports and types of recreation where a fee is charged for use, including: amphitheaters, amusement and theme parks, golf courses and driving ranges, health and athletic club outdoor facilities, BMX parks, motocross tracks, skateboard parks, stadiums and coliseums, swimming pools and water parks, tennis clubs, tennis courts and zoos.

Paper Product Manufacturing means the manufacture of paper and paperboard, from both raw and recycled materials, and their conversion into products including paper bags, boxes, envelopes, wallpaper, etc.

Parks and Playgrounds means parks, play lots, playgrounds, amphitheaters, and athletic fields for noncommercial neighborhood or community active recreational use, including tot lots within apartment complexes. Does not include Dog Parks.

Paving/Roofing Material Manufacturing means the manufacture of various common paving and petroleum-based roofing materials, including bulk asphalt, paving blocks made of asphalt, creosote wood and various compositions of asphalt and tar. The manufacture of wood roofing materials (shingles, shakes, etc.) is included under "Lumber and Wood Product Manufacturing."

Plastics, Synthetics, Rubber Products Manufacturing means the manufacture of rubber products including: tires, rubber footwear including heels and soles, mechanical rubber goods, flooring, and other rubber products from natural, synthetic or reclaimed rubber, molding primary plastics for other manufacturers, manufacturing miscellaneous finished plastics products, and fiberglass manufacturing and fiberglass application services. Establishments engaged primarily in recapping and retreading automobile tires are classified in "Vehicle Services - Major Repair/Body Work."

Recreational Vehicle Parks means a site where one or more lots are used, or are intended to be used, by campers with recreational vehicles or tents on transient basis (30 days or less).

Recreational vehicle parks may include public restrooms, water, sewer, and electric hookups to each lot and are intended as a higher density, more intensively developed use than campgrounds. May include accessory retail uses where they are clearly incidental and intended, but not limited to serve RV park patrons only.

Recycling Facility, Large Collection Facility means a recycling facility used for the acceptance by donation, redemption, or purchase of recyclable materials from the public that occupies more than 500 square feet and includes permanent structures, does not use power driven processing equipment except for compacting, bailing, plastic shredding, and other activities necessary for efficient temporary storage and material shipment.

Recycling Facility, Processing Facility means a recycling facility located in a building or enclosed space and used for the collection and processing of recyclable materials. Processing means the preparation of material for efficient shipment to an end-user's specifications by such means as baling, briquetting, compacting, flattening, grinding, crushing, mechanical sorting, shredding, cleaning and remanufacturing.

Recycling Facility, Reverse Vending Machine means an automated mechanical device that accepts one or more types of empty beverage containers, including but not limited to, aluminum cans, glass bottles, plastic bottles, and uses a cash refund or redeemable credit clip with a value of not less than the container's redemption value as determined by the State.

Recycling Facility, Scrap and Dismantling Facility means uses engaged in the assembling, breaking up, sorting, temporary storage and distributions of recyclable or reusable scrap and waste materials, including the dismantling or wrecking of automobiles or other motor vehicles, or the storage or keeping for sale of parts and equipment resulting from such dismantling or wrecking. The presence on any lot or parcel of land of five or more inoperable vehicles from which parts have been or are to be removed for reuse or sale shall constitute prima facie evidence of an automobile wrecking yard. This use does not include landfills or other terminal waste disposal site.

Recycling Facility, Small Collection Facility means a recycling facility used for the acceptance by donation, redemption or purchase of recyclable materials from the public that does not occupy more than 500 square feet. This classification may include a mobile unit, kiosk-type units that may include permanent structures and unattended containers placed for the donation of recyclable materials.

Renewable Energy Development (i.e. commercial development, generation and sales of solar, wind energy.) means a system or network generating energy that is derived from resources that are regenerative or for all practical purposes cannot be depleted.

Research and Development means indoor facilities for scientific research, and the design, development and testing of electrical, electronic, magnetic, optical and mechanical components in advance of product manufacturing, that are not associated with a manufacturing facility on the same site. Includes chemical and biotechnology research and development. Does not include computer software companies (see "Offices – Business and Professional"), soils and other materials testing laboratories (see "Business Support Services"), or medical laboratories (see "Medical Services – Clinics, Offices, and Laboratories").

Retail, Accessory means the retail sales of various products (including food service) in a store or similar facility that is located within a health care facility, hotel, office, institutional or industrial complex. These uses include pharmacies, gift shops, and food service establishments within hospitals; convenience stores and food service establishments within hotel, office and industrial complexes.

Retail, General means stores and shops selling multiple lines of merchandise including, but not limited to, artists' supplies, audio/video stores, bakeries (all production in support of on-site sales), bicycle sales, repairs and rentals, books, cameras and photographic supplies, clothing and accessories, collectibles (cards, coins, comics, stamps, etc.), department stores, drug and discount stores, dry goods, fabrics and sewing supplies, florist and houseplant stores (indoor sales only, outdoor sales are "Plant Nurseries"), furniture, home furnishings and equipment, general stores, gift and souvenir shops, hardware, hobby materials, jewelry, luggage and leather goods, musical instruments, newsstands, shoe stores and orthopedic supplies, pet supplies, religious goods, specialty shops, sporting goods, stationary, toys and games, variety stores and video rental stores.

Service Stations, With Vehicle Service means a retail business selling gasoline and/or other motor vehicle fuels, which may also provide services which are incidental to fuel services. These secondary services may include vehicle engine maintenance and repair, towing and trailer rental services and the sale of limited vehicle parts/fluids and accessories. Does not include the storage or repair of wrecked or abandoned vehicles, vehicle painting, body or fender work, or the rental of vehicle storage or parking spaces.

Service Stations, Without Vehicle Service means a retail business selling gasoline and/or other motor vehicle fuels and related parts, fluids and/or accessories.

Storage Public Enclosed (Mini Storage) means a building or group of buildings containing one or more rooms in which goods are stored or kept, normally unrelated or incidental to a business or commercial enterprise, and where access to the individual storage room or space is available to the tenant or lessee. Also known as mini-storage warehouses.

Storage Warehouses – Private means a building or group of buildings containing one or more rooms in which merchandise or commodities are stored and kept, typically associated with retail sales and where access to the content of the storage room or space is restricted to the owner of the merchandise or commodities and/or their employees.

Telecommunication Facilities means a facility designed and/or used for the purpose of transmitting, receiving, or relaying voice and/or data signals from various wireless communication devices, including transmission tower, antenna, and or other facility designed or used for that purpose. Amateur radio transmission facilities, facilities operated exclusively as part of a public safety network, and facilities used exclusively for the transmission of television and/or radio broadcasts are not “telecommunication facilities”.

Textile and Leather Product Manufacturing Manufacturing means establishments engaged in performing any of the following operations: coating, waterproofing, or otherwise treating fabric, dying and finishing fiber, yarn, fabric, and knit apparel, manufacture of knit apparel and other finished products from yarn, manufacture of felt goods, lace goods, non-woven fabrics and miscellaneous textiles, manufacturing of woven fabric, carpets and rugs from yarn, preparation of fiber and subsequent manufacturing of yarn, threads, braids, twine cordage, and upholstery manufacturing.

Veterinary Facility means a facility that is primarily enclosed, containing only enough cage arrangements as necessary to provide services for domestic and exotic animals requiring acute medical or surgical care with accessory outdoor use that provides long term medical care. Grooming and boarding of animals is allowed only if accessory to the facility primary use

Warehousing means a facility for the storage of commercial goods of any nature. Includes cold storage. Does not include: warehouse, storage or mini-storage facilities offered for rent or lease to the general public (see "Storage, Personal Storage Facility") or warehouse facilities in which the primary purpose of storage is for wholesaling and distribution (see "Wholesaling and Distribution").

Warehouse/Retail means retail stores that emphasize the packaging and sale of products in large quantities or volumes, some at discounted prices. Sites and buildings are usually large and industrial in character. Patrons may be required to pay membership fees.

Wholesaling and Distribution means establishments engaged in selling merchandise to retailers; to industrial, commercial, institutional, farm, or professional business users; or to other wholesalers; or acting as agents or brokers in buying merchandise for or selling merchandise to such persons or companies. Includes such establishments as: agents, merchandise or commodity brokers, and commission merchants, assemblers, buyers and associations engaged in the cooperative marketing of farm products, merchant wholesalers, and stores primarily selling electrical, plumbing, heating and air conditioning supplies and equipment.

RESOLUTION NO. 181-2024

**A RESOLUTION OF THE PLANNING COMMISSION OF THE CITY OF RIO DELL
APPROVING AMENDING THE INDUSTRIAL COMMERCIAL ALLOWED USES AND
THE LAND USE ELEMENT OF THE GENERAL PLAN AND RECOMMENDING THAT
THE CITY COUNCIL AMEND THE INDUSTRIAL COMMERCIAL ZONING
REGULATIONS, SECTION 17.20.110 OF THE RIO DELL MUNICIPAL CODE (RDMC)
AND TABLE 1-2 OF THE LAND USE ELEMENT OF THE GENERAL PLAN**

WHEREAS the Rio Dell Municipal Code (RDMC) Zoning Regulations for the principal zones often refer to other zoning designations to determine allowed uses; and

WHEREAS as an example, the Industrial Commercial (IC) zone refers to the Industrial (I) zone which in turn refers to compatible commercial uses described in the community commercial land use designation, which also includes conditionally permitted uses in the Neighborhood Commercial zone without the need to obtain a use permit; and

WHEREAS it is not only cumbersome and confusing for staff but also members of the public to have to refer to other designations to determine the allowed uses; and

WHEREAS staff intends to amend the land use designations that refer to other land use designations so that one will not have to refer to other land use designations to determine allowed uses; and

WHEREAS the Planning Commission and staff developed a land use matrix some years ago identifying what are believed to be appropriate land uses for the various zoning designations; and

WHEREAS this matrix was used to develop the principally and conditionally permitted use type; and

WHEREAS In order to be consistent with the Land Use Element of the General Plan, the Industrial Commercial designation must be amended to incorporate the changes to the zoning designation; and

WHEREAS there are two areas within the City that are designated Industrial Commercial, the Humboldt Rio Dell Business Park (former Eel River Sawmill site) and a few parcels on Eeloa Avenue; and

WHEREAS for the most part the Humboldt Rio Dell Business Park (former Eel River Sawmill site) is entirely paved; and

WHEREAS there is a seasonal watercourse at the south end of the Park, but any development is subject to the City's Environmentally Sensitive Habitat Area (ESHA) regulations, Section 17.30.120 of the Rio Del Municipal Code (RDMC); and

WHEREAS the conditionally permitted uses will be evaluated for CEQA compliance at the time an application is submitted; and

WHEREAS, based on the proposed uses and the environmental setting of those lands designated Industrial Commercial, staff believes the text amendment is exempt from CEQA pursuant to CEQA Guidelines Section 15061(b)(3), in that staff believes that the principally permitted uses on lands designated Industrial Commercial will not have a significant adverse effect to the environment.

NOW, BE IT RESOLVED that the Planning Commission of the City of Rio Dell finds that the proposed amendments are consistent and compatible with the General Plan and any

implementation programs that may be affected and have been processed in accordance with the California Environmental Quality Act (CEQA).

NOW, THEREFORE, BE IT FURTHER RESOLVED that the Planning Commission of the City of Rio Dell recommends that the City Council amend the industrial commercial zoning regulations, Section 17.20.110 of the Rio Dell Municipal Code (RDMC) and Table 1-2 of the Land Use Element of the General Plan.
