Public Comments:

1. Sandy Cohen, 63 Bittersweet Lane: When I was at the last Council meeting there was conversation about cars being parked on grassy areas belonging to the homeowner and I did notify Cheryl from Code Enforcement about the issue. People in the Town do not know they're not allowed to do that. I think a notification should be put on the Town's website about that.
2. Guerline Semezler, 60 Mill Street: I personally witnessed someone almost get hit because of speeding cars. Even though we have a flashing sign, cars are always going full speed. I just wanted to address that.
3. Joe Burke, 54 Hills Street: Are we going to have any Boards coming up here for a budget hearing?

New Business:

1. Council Order 2025-021: Transfer of General Fund Free Cash for Real Estate Interim Update of Values

Town Manager Howard introduced Council Order 2025-021 and was accompanied by Town Accountant/Finance Director Janine Smith to provide additional information regarding the purpose of this Council Order.

Correspondence:

1. Mass Cultural Council, and the Cultural Council of Randolph are hosting a Haitian Heritage Festival on Saturday, May 17, 2025 from 11 AM to 2 PM. Please register at <https://shorturl.at/TBQH6>

Subcommittee Reports:

1. Councillor Gordon: I've brought up before what I call the blasting resolution which affects both the South Randolph area and North Randolph area near Randolph road. In discussion with the Town Attorney, I discovered we can't do what I actually wanted to do, which was license inspectors to come and look at the blasting situation. My proposal is that we have some sort of method that people are aware of to use an independent inspector. The word inspector I'm using loosely because we cannot have an equally licensed inspector. I'd like to propose discussing in Committee a list from the Town of qualified places that can do such an inspection.

Council Comments:

1. Councillor Clerger: We are celebrating Haitian Flag Day on May 16, 2025. I am waiting on the final say, but there will be a flag raising at 11:00 AM at Town Hall, then we will possibly go to Stetson Hall at Noon for lunch.
2. Councillor Thompson: If you're doing work on your home this summer, there are stories about contractors doing poor work, so make sure to check out the state contractors list. 2. Visa revocations have been reinstated for some students, so that's a good thing. Talking about it and keeping attention on it is a good thing.
3. Councillor Gordon: Randolph Diversity, Equity, and Inclusion Coalition is planning to translate the Welcoming Resolution, and we look forward to spreading that as widely as possible.

Adjournment:

Motion to adjourn made by Councillor Thompson, seconded by Councillor Clerger.

Roll Call Vote: 5-0-0 (Absent: Burgess, Egan, Huff-Larmond, O'Connell)

Meeting adjourned at 6:55 PM.
