Heather Simo: Auxiliary Secretary

VFW Auxiliary Victory Garden Committee

VFW Post 3878 Auxiliary

318 4<sup>th</sup> Ave. Rochelle IL, 61068

To:City of Rochelle C/O Jenny Thompson

We the VFW Auxiliary of Rochelle wish to express our intent to continue the Public Garden Plot Program once ran by Rochelle Garden Club. The express purpose of this letter is to ensure the help of the street dept to use the land on 8<sup>th</sup> Ave previously used by Rochelle Garden Club.

First and foremost, the VFW Auxiliary is reaching out to the City of Rochelle , City council, Street Dept. and the park district for permission to continue the program for the VFW Auxiliary use and to secure the permission to use the land.

The VFW Auxiliary would take responsibility for setting up plots, selling plots and ensuring clean up of gardening tools on the land after growing season.

The VFW Auxiliary would use the proceeds from this program to fund our veteran outreach programs and our scholarship program for Rochelle High School students. In previous years we have been able to fund 2- \$500 scholarships to local students with the proceeds.

Finally, the VFW Auxiliary feels that this is a great community program that needs to continue. With help of former Rochelle Garden Club Members, the street dept , the park district and the city we will be able to accomplish this goal

We hope that this letter of intent reflects the clear purpose of the VFW Auxiliary to help the community continue a great program.

Yours sincerely,

Heather Simo VFW POST #3878 Auxiliary Secretary

## FAÇADE ÎMPROVEMENT PROGRAM APPLICATION AND AGREEMENT

The following includes the Façade Improvement Program Description, Grant Application and Agreement.

**SPONSORED BY:** 

City of Rochelle 420 N. 6<sup>th</sup> Street Rochelle, IL 61068

## CITY OF ROCHELLE Façade Improvement Program Description

The City of Rochelle, in its continuing effort to support the development of local small commercial and retail businesses facilitates the Façade Improvement Program for all business owners and operators within the City limits. The following outlines the details of The City of Rochelle's Façade Improvement Program.

#### What is a Façade Improvement Program?

The City wishes to encourage and support building and business owner investment in the upgrade of their existing building storefront. The Façade Improvement Program is a process where the City will provide a 50% matching grant to business or building owners who construct eligible improvements to the facades of their buildings. The City will match dollar-for-dollar an owner's investment in eligible improvements to the appearance of their building's storefront façade up to a maximum amount of \$5,000. The building or business owner who has funded the majority of the improvements must apply for and be approved in order to receive the 50% matching grant. The following provides the program's criteria for eligibility and the approval process.

#### **Eligible Properties and Applicants**

All commercially operated buildings within the City limits are eligible for the Façade Improvement Program. Only one grant will be awarded per building within a five-year period. Any business, either wholly or partially owned by an individual or group of individuals whose received money in the past 5 years will not be eligible for funds for up to 3 years. The program defines owner as any common ownership if it is a corporation or limited liability company. Only improvements to facades that directly front a public right-of-way are eligible for funding. Any building with a zoning or building code violation is not eligible for the program. Any building owner or business owner with outstanding balances with the City or RMU are not eligible for the program. Any commercial building owner, or business owner with building owner authorization, may apply for the grant. Façade improvements beginning construction before January 1, 2024 will not be eligible.

#### **Eligible Improvements**

The following improvements are eligible to receive funding through the program. A building or business owner who is undertaking an improvement project that includes a portion of the eligible improvements may apply for the matching grant, but only the improvements identified below will be eligible for funding

#### **Administration**

Any commercial building or business owner within the City limits who wishes to apply for a Façade Improvement Grant can obtain an application at the Community Development Department at City Hall, 420 N. 6<sup>th</sup> Street. Applications for façade improvement matching grants will be accepted on a first come first serve basis. **Only complete applications that include all required submittal documents and information will be accepted**. The Community Development Department will review the application for accuracy and will determine if it meets the requirements for funding. Those requirements for funding include:

- Adherence to the zoning and code requirements
- Improvements are eligible under the provisions of the Façade Improvement Program

If the application is determined to meet the requirements of the program, the application will be sent to the Review Committee for approval. The Review Committee shall consider the application and determine eligibility, and all decisions regarding eligibility of an applicant are final.

If the application is approved, the applicant must enter into an agreement with the City of Rochelle. The Façade Improvement Grant Agreement stipulates that the improvements must be constructed within six months of approval. Matching grant funds will only be disseminated to the applicant once the construction of the approved improvements has been completed. Proof of payment to all vendors is also required. The improvements must also be inspected by the Community Development Department. Matching grant funds will be disseminated to the applicant within 45 days of a passing inspection.

If grant funding for a current funding cycle is completely distributed, applicants may be placed on a waiting list to be considered for a grant when funds become available.
