ELECTION AGREEMENT BETWEEN TRAVIS COUNTY AND CITY OF ROLLINGWOOD

Pursuant to Chapter 31, Subchapter D, Chapter 123, and Chapter 271 of the Texas Election Code and Chapter 791 of the Texas Government Code, Travis County (the “County”) and City of Rollingwood (“Participating Entity”) enter into this agreement (this “Agreement”) for the Travis County Clerk, as the County’s election officer (the “Election Officer”), to conduct the Participating Entity’s elections, including runoffs, and for the Participating Entity’s use of the County’s current or future-acquired election equipment for any voting system that the County adopts, as authorized under Title 8 of the Texas Election Code, for all Participating Entity elections. The purpose of this Agreement is to maintain consistency and accessibility in voting practices, polling places, and election procedures in order to best assist the voters of the Participating Entity.

Section 1. GENERAL PROVISIONS

- (A) Except as otherwise provided in this Agreement, the term “election” refers to any Participating Entity election, occurring on any uniform election date prescribed by the Texas Election Code or a primary election date, along with any resulting runoff, if necessary, within all Participating Entity’s territory located in Travis County. If a runoff is necessary, to the extent the date is not already set by statute, the Participating Entity shall work with the Election Officer to determine a mutually acceptable run-off date. In the event that the Participating Entity and the Election Officer do not agree on a run-off date, the Participating Entity agrees to the run-off date selected by the Election Officer.
- (B) If the Participating Entity determines it is necessary to conduct an election during a time other than that specified in Section 1(A), the Election Officer and a representative designated by the Participating Entity will meet as soon as possible thereafter to determine the feasibility of the Election Officer conducting such an election. If both parties agree that the Election Officer will administer the election, the new election will be based on all other applicable provisions of this Agreement except provisions that are inconsistent and cannot be feasibly applied.
- (C) Except as otherwise provided in this Agreement:
 - (1) The term “Election Officer” refers to the Travis County Clerk;
 - (2) The term “precinct” means all voter registration precincts in the territory of the Participating Entity located within Travis County;
 - (3) The term “election services” refers to services used to perform or supervise any or all of the duties and functions that the Election Officer determines necessary for the conduct of an election; and

- (4) The term “cost for election services” includes the costs for personnel, supplies, materials, or services needed for providing these services and an administrative fee as permitted by the Texas Election Code but does not refer to costs relating to the use of the voting equipment.
- (D) Except as otherwise provided in this Agreement, the cost for “use of voting equipment” for a particular election is the amount the County will charge the Participating Entity for use of the County’s voting equipment in use at the time of that election.
- (E) The Participating Entity agrees to commit the funds necessary to pay for all election-related expenses for Participating Entity elections in accordance with this Agreement.
- (F) The Election Officer has the right to enter into agreements with other entities at any time, including during the dates listed in Section 1(A).
- (G) As a condition for providing election services and equipment usage, the Election Officer may require authorities of political subdivisions holding elections on the same day in all or part of the same territory to enter into a joint election agreement as authorized in Chapter 271 of the Texas Election Code, and the Participating Entity agrees to enter into any joint election agreement required by the County.

SECTION 2. PARTICIPATING ENTITY’S USE OF VOTING EQUIPMENT; DUTIES OF THE ELECTION OFFICER AND OF THE PARTICIPATING ENTITY

The County shall make available to the Participating Entity the County’s current voting system and any future-acquired voting system as authorized under Title 8 of the Texas Election Code, subject to restrictions and conditions imposed by the Election Officer to ensure availability of the equipment for County-ordered elections, primary elections, special elections, and subsequent runoff elections, if applicable. The Election Officer may also impose restrictions and conditions to protect the equipment from misuse or damage.

SECTION 3. APPOINTMENT OF ELECTION OFFICER

- (A) The Travis County Election Officer (“Election Officer”) is appointed to serve as the Participating Entity’s Election Officer and Early Voting Clerk to conduct the Participating Entity’s elections described in Section 1.
- (B) As the Participating Entity’s Election Officer and Early Voting Clerk, the Election Officer shall coordinate, supervise, and conduct all aspects of administering voting in Participating Entity elections in compliance with all applicable laws, subject to Section 3(C) below.

- (C) The Participating Entity shall continue to perform those election duties listed in (1) through (6) below and any other election duties, such as receipt of candidate applications, that are not allowed to be delegated to another governmental entity:
- (1) Preparing, adopting, and publishing all required election orders, including orders for appointment of central counting station personnel, early voting ballot board personnel, and signature verification personnel in elections where needed, resolutions, notices, and other documents, including bilingual materials, evidencing action by the governing authority of the Participating Entity necessary to the conduct of an election, except that:
 - a. The Election Officer does not provide newspaper notices on behalf of the Participating Entity with respect to a specific election.
 - b. With respect to each debt obligation election the Election Officer conducts for the Participating Entity pursuant to this Agreement:
 - i.  - ii. The Election Officer shall provide written confirmation to the Participating Entity that the debt obligation election order was posted in accordance with Texas Election Code Section 4.003(f)(1); and
 - iii. The Participating Entity shall pay any applicable expenses incurred by the Election Officer that directly relates to the posting required by Texas Election Code Section 4.003(f)(1).
 - (2) Preparing the text for the Participating Entity's official ballot in English and Spanish and any other languages as required by law;

The Participating Entity may also monitor and review all logic and accuracy testing and mandatory tabulations. The Participating Entity will complete its duties within timeframes as prescribed by the County. If the Participating Entity finds any discrepancies or concerns, it will immediately report them to the Election Officer and work with her to resolve any issues so that final approval can be reached. The Participating Entity shall be responsible for any and all actual costs associated with correcting the ballot and ballot programming if the error is discovered after the Participating Entity has signed off on its final proof containing the error.
- (E) The City Secretary will assist the County whenever possible when the conduct of the election requires assistance from Participating Entity departments and staff. The City Secretary will serve as the Regular Early Voting Clerk for the Participating Entity to receive requests for applications for early voting ballots and forward these applications to the Joint Early Voting Clerk. The City Secretary will serve as the Custodian of Records for the Participating Entity to complete those tasks in the Texas Election Code that the Election Officer will not perform.

SECTION 4. ELECTION WORKERS AND POLLING PLACES

- (A) For presentation to the governing body of the Participating Entity, the County shall provide a list containing the locations, times, and dates of early voting polling places suitable for consideration and adoption by the governing body in accordance with Texas Election Code Chapter 85.
- (B) The Election Officer will assume the responsibility for recruiting election personnel; however, if by the 5th day before the Election, the Election Officer reports vacancies in positions for election judges, alternate judges, election day clerks, early voting ballot board, receiving substation clerks, or any other key election personnel, the Participating Entity shall provide emergency personnel in these positions.
- (C) The Election Officer shall notify each of the election judges and alternates of their appointment and the eligibility requirements that pertain to them and to the selection of Election Day clerks. Included in this notification will be the number of clerks that each precinct should have in addition to the election judge and alternate judge. The election judges and/or the alternates are responsible for recruiting and supervising their clerks.

- (D) All election workers must agree to attend training sessions as determined by the Election Officer. Costs for these training sessions and compensation for attendees will be included as part of the election services costs.
- (E) During any election and any subsequent runoff election that involves entities in addition to the Participating Entity, the Election Officer will work with all parties to find a plan that can be agreed upon regarding the designation of polling places. If agreement cannot be reached, the Election Officer will resolve the differences. In all cases, the Election Officer has sole discretion to determine whether polling place changes are necessary.

SECTION 5. PAYMENTS FOR ELECTION SERVICES

- (A) Costs and payments for the use of voting equipment are addressed separately in Section 6 of this Agreement.
- (B) Requests for Election Services. For each election the Participating Entity desires the Election Officer to conduct, the Participating Entity must submit a written request to the Election Officer that describes the general nature of the election and specifies the date of the election.
- (C) Cancellations. On or before 11:59 p.m. on the 68th day before an election for which the Participating Entity has requested election services, the Participating Entity shall notify the Election Officer as to whether the Participating Entity anticipates the cancellation of its election, and on or before 11:59 p.m. on the 60th day before the election the Participating Entity shall notify the Election Officer as to whether the Participating Entity will cancel that election. If the Election Officer receives written notice from the Participating Entity on or before 11:59 p.m. of the 60th day before an election that the Participating Entity's election will be cancelled in accordance with Subchapters C and D of Texas Election Code Chapter 2, the Contracting Officer shall only be entitled to receive the actual expenses incurred before the date of cancellation in connection with the election and an administrative fee of \$100.
- (D) Notice, Cost Estimate, Initial Invoicing, and Initial Payment.
 - (1) Notwithstanding the provisions in Section 9(B), the County and the Participating Entity agree that notice under Section 5 can be provided via email. The following email address will be used for email communications to or from the County pursuant to Section 5: elections@traviscountytexas.gov, with a copy to ElectionEntities@traviscountytexas.gov. The Participating Entity has designated City Secretary as the Participating Entity's representative for sending and receiving email communications under Section 5, and the Participating Entity designates the following email address as the

Participating Entity's email address for sending and receiving email communications pursuant to Section 5: mrodriguez@rollingwoodtx.gov.

- (2) Initial Cost Estimate. On or before the 60th day before an election for which the Participating Entity has requested election services, the Election Officer will mail and/or email the Participating Entity a cost estimate for conducting the election. The cost estimate will include an administrative fee that is equal to 10% of the total estimated cost of conducting the Participating Entity's election, excluding the costs of voting equipment. In the event of a joint election, the cost estimate will reflect that election costs will be divided on a pro rata basis among all entities involved in the election in the manner set forth in this Section 5. The proportional cost for the Election Officer to conduct each participating entity's election will be calculated by dividing the number of registered voters in the territorial jurisdiction of each participating entity by the total number of registered voters for all of the participating entities involved in the joint election and multiplying that quotient by the total cost of the election. The product of these numbers is the pro rata cost share for each participating entity. The Participating Entity acknowledges and understands that if any other participating entity listed in the cost estimate cancels its election, each remaining participating entity's pro rata cost (including the Participating Entity's pro rata cost share) will result in a proportionate cost increase.
- (3) Initial Invoice and Initial Payment. Along with the initial cost estimate, the Election Officer will also include an initial invoice for the Participating Entity to pay 60% of the initial cost estimate. The Participating Entity must pay the County the amount specified in each invoice no later than 30 days after the Participating Entity's receipt of the invoice.
- (4) Runoff Elections. For each runoff election the Participating Entity has requested that the Election Officer conduct, the Participating Entity must make a payment equal to 60% of the projected costs for the runoff election no later than three business days after receiving that cost estimate from the Election Officer. The projected share of election costs will include an administrative fee that is equal to 10% of the total estimated cost of conducting the Participating Entity's runoff election, excluding the costs of voting equipment.
- (5) Each party may change its respective email addresses for email communications under this Section 5, without the need to amend this Agreement, by sending notice to the other party in accordance with Section 9(B).

- (F) Final Accounting and Final Invoice. The County will send the Participating Entity a final invoice of election expenses not later than 90 days after an election unless the Election Officer notifies the Participating Entity during that 90-day period following the election that the Election Officer requires additional time to send a final invoice to the Participating Entity. The final invoice will include a listing of additional costs incurred at the Participating Entity's behalf and specify the total payment due from the Participating Entity for any unpaid portion of the Participating Entity's costs.
- (1) Within 30 days after receipt of an election cost invoice setting forth the Election Officer's actual contract expenses and charges incurred in the conduct of the election, the Participating Entity shall pay the Election Officer the balance due on each final invoice no later than 30 days after the Participating Entity's receipt of that invoice.
 - (2) A refund may be due from the County to the Participating Entity if the final costs are lower than the amount already paid by the Participating Entity or if, at the end of the calendar year, the County Auditor's Office makes adjustments to the election workers' payroll and the amount already paid by the Participating Entity for election worker payroll costs exceeds the payroll amounts calculated by the County Auditor's Office.
- (G) The Participating Entity shall promptly review an election invoice and any supporting documentation when received from the County. The Participating Entity may audit, during the County's normal business hours, relevant County election or accounting records upon reasonable notice to the County. The Participating Entity shall pay the entire final invoice or the undisputed portion of the final invoice not later than the 30th day after receiving the invoice. Failure by the Participating Entity to timely pay an invoice in full may impact the Election Officer's participation in future elections with the Participating Entity.

SECTION 6. PAYMENTS FOR USE OF VOTING EQUIPMENT

- (A) The Election Officer shall conduct elections using a voting system certified by the Secretary of State in accordance with the Texas Election Code and that has been approved for use by the Travis County Commissioners Court unless otherwise agreed upon by the Participating Entity, the Travis County Clerk, and the Travis County Commissioners Court.
- (B) The Participating Entity shall make payments to Travis County as consideration for the use of the County's voting equipment.

- (1) For each election the Election Officer conducts for the Participating Entity after January 1, 2025, through January 1, 2026, the Participating Entity shall pay (a) the sum of 4% of the cost of the electronic voting system equipment installed at a polling place and 4% for each unit of other electronic equipment used by the Travis County Clerk's Office to conduct the election or provide election services, if the sum is greater than \$100.00, and (b) \$100.00 if the sum described in (a) is \$100.00 or less.
 - (2) In this Agreement "other electronic equipment" includes ballot marking devices, ballot scanners, ballot printers, ballot tabulators, electronic pollbooks, and ballot programming software.
- (C) Payment by the Participating Entity to the County for voting equipment is due no later than 30 days after the Participating Entity's receipt of an invoice from the County.
- (D) If the County acquires additional equipment, different voting equipment, or upgrades to existing equipment during the term of this Agreement, the charge for the use of the equipment may be renegotiated.

SECTION 7. ADDITIONAL EARLY VOTING LOCATIONS

- (A) All of the Participating Entity's voters within Travis County will have access to all the Travis County Early Voting sites in each election at no additional cost.
- (B) If the Participating Entity desires to have one or more early voting sites that are in addition to those sites the Election Officer has already selected for a specific election, the Participating Entity must submit the request to the Election Officer no later than 60 days before the election. The Election Officer will work with the Participating Entity to explore whether adding the location is appropriate for that election. Notwithstanding any provision to the contrary, the Election Officer has sole discretion to determine whether to provide any additional early voting sites requested by the Participating Entity.
- (C) If the Election Officer agrees that adding a proposed location is appropriate for that election, the Election Officer will thereafter provide a written estimate to the Participating Entity that sets forth the estimated cost for providing the additional early voting location(s) and the deadline by which the cost estimate must be paid. The Participating Entity will be responsible for the full cost of the additional site(s) that is being requested. If after receiving the cost estimate, the Participating Entity desires to move forward with having the additional early voting location(s), the Participating Entity will notify the Election Officer and include payment of the cost estimate with the Participating Entity's notice to the Election Officer no later than the deadline specified in the Election Officer's cost estimate.

SECTION 8. COMMUNICATIONS

- (A) The Participating Entity and the Election Officer shall each designate a member of their staff to serve as the primary contact for the respective offices under this Agreement and provide the name and contact information for that individual to the other party. Each party may change their designated staff members by sending notice to the other party without the further need to amend this Agreement.
- (B) Throughout the term of this Agreement, the Participating Entity and the County will engage in ongoing communications on issues related to Participating Entity elections, the use of County's voting equipment, and the delivery of services under this Agreement and, when necessary, the County Clerk, Elections Division staff members, and other election workers shall meet with the Participating Entity to discuss and resolve any problems which might arise under this Agreement.
- (C) The Election Officer shall be the main point of media contact for election information related to election administration. The Participating Entity designates City Secretary to serve as the main point of contact for media inquiries related to the content of the Participating Entity's ballot or candidates.

Pursuant to Texas Election Code Sections 271.002 and 271.003 and Texas Government Code Chapter 791, this Joint Election Agreement is entered into by and between Travis County, a political subdivision of the State of Texas acting by and through the Travis County Commissioners Court, and the Participating Entities, each acting by and through their respective governing bodies.

I. Scope of Joint Election Agreement

This agreement covers conducting the November 4, 2025 General and Special Elections for the Participating Entities. The Participating Entities will hold these elections on November 4, 2025 (“Election Day”) jointly for the Participating Entities’ voters who reside in Travis County. This agreement also covers any General and Special Election runoffs, if necessary.

II. Election Officer

The Participating Entities hereby appoint the Travis County Clerk, the election officer for Travis County, as the election officer to perform or supervise the County’s duties and responsibilities involved in conducting the joint election covered by this agreement.

III. Early Voting

Each of the Participating Entities agrees to conduct its early voting jointly. Each of the Participating Entities appoints the Travis County Clerk, the early voting clerk for Travis County, as the early voting clerk for the joint election. Early voting for the Participating Entities will be conducted at the dates, times, and locations as selected by the Election Officer and authorized and ordered by the governing body of each Participating Entity.

A. County Responsibilities

1. The County will provide to the governing body of each Participating Entity a list of locations, times, and dates of early voting polling places suitable for consideration and adoption by the governing body, in accordance with Texas Election Code chapter 85. The Election Officer will designate and confirm all Election Day polling place locations.
2. The Travis County Clerk, as the early voting clerk, will be responsible for conducting early voting by mail and by personal appearance for all Travis County voters voting in the joint election. The Travis County Clerk will receive from each Participating Entity's regular early voting clerk applications for early voting ballots to be voted by mail, under Texas Election Code Title 7. The Travis County Clerk will send early voting ballots by mail and receive early voting ballots for early voting by mail. The Travis County Clerk may appoint such deputy early voting clerks as necessary to assist the Travis County Clerk with voting to take place at the early voting locations.
3. The County will determine the number of election workers to hire to conduct early voting in the joint election. The Travis County Clerk will arrange or contract for training for all election workers and will assign all election workers employed for early voting in the joint election. The training of these election workers is mandatory; these individuals will be compensated for their time in training. The County will provide a training facility for election classes to train election workers employed in conducting early voting, including early voting by personal appearance at main and temporary branch early voting polling places, early voting by mail, and other aspects of the early voting program for the joint election. The County will name early voting deputies and clerks employed to conduct early voting.
4. The County will provide and deliver all supplies and equipment necessary to conduct early voting for the joint election, including ballots, election forms, any necessary ramps, utility hook-ups, signs, registration lists and ballot boxes, to early voting polling places. The County will designate and confirm all early voting polling place locations.
5. The County will be responsible for preparing and transporting the electronic voting equipment necessary to conduct early voting. The County will

perform all tests of voting equipment as required, including posting notice of equipment testing.

6. Under Election Code sections 66.058 and 271.010, the Participating Entities appoint the Travis County Clerk as the joint custodian of records for the sole purpose of preserving all voted ballots securely in a locked room in the locked ballot boxes for the preservation period that the Election Code requires.
7. The County will receive ballot language in both English and Spanish from each Participating Entity and format the ballots as needed to include these languages. The County will provide each Participating Entity with a final proof of ballot language for approval before printing the ballots. Upon final proof approval, ballots will be printed in an expedited timeframe so as to allow ballot allocations for the ballot mail outs for the Early Voting by Mail Program.
8. A single joint voter sign-in process consisting of a common list of registered voters, and common signature rosters will be used for early voting. A single, combined ballot and any number of ballot boxes required for each election site, as determined by the County, will be used. The County will use an electronic voting system, as defined and described in Texas Election Code Title 8, and agrees to use ballots that are compatible with such equipment.
9. The County will be responsible for facilitating the appointment and operation of the Early Voting Ballot Board. The County will designate a person to serve as the presiding judge for the Early Voting Ballot Board and will provide that information to the governing body of each Participating Entity for entry of an order by that authority appointing this official. The presiding judge for the Early Voting Ballot Board is eligible to serve in this capacity. The presiding judge for the Early Voting Ballot Board will appoint two or more election clerks, and the judge and clerks will comprise the Early Voting Ballot Board and will count and return early voting ballots and perform other duties the Election Code requires of it. This provision applies only in elections that are also countywide elections. In elections that are not also countywide elections, the Participating Entity will be responsible in making the presiding judge and the alternate presiding judge appointment. The Participating Entity will be responsible for these appointments unless the Participating Entity expressly grants to the County that authority. If the Participating Entity does not make the appointments within 45 days of the election, then the County will make those appointments.
10. The County will be responsible for facilitating the appointment and operation of the Signature Verification Committee, if needed. The early voting clerk will issue a written order creating the committee if the early voting clerk determines that a signature verification committee should be appointed or if the clerk receives a petition signed by at least 15 registered voters for the creation of the committee. The early voting clerk will determine the number

of members on the committee, providing for a minimum of five (the committee chair and four members), and they will comprise the Signature Verification Committee. The Signature Verification Committee will meet prior to election day to compare signatures on the applications for ballot by mail to the corresponding carrier envelopes and perform other duties the Election Code requires of it. This provision applies only in elections that are also countywide elections.

In elections that are not also countywide elections, the Participating Entity will be responsible in making these appointments. Not later than the fifth day after the date the early voting clerk issues the order calling for the appointment of a signature verification committee, or not later than October 15 for a committee required on the written request by at least 15 registered voters of the county in the general election for state and county officers, the Participating Entity will be responsible for appointing the members unless the Participating Entity expressly grants to the County that authority. If the Participating Entity does not appoint the members of the Committee by the above deadline, then the County will make those appointments.

B. Participating Entities' Responsibilities

1. Each Participating Entity will appoint a qualified person to serve as the regular early voting clerk for the Participating Entity. The regular early voting clerk for each respective Participating Entity will receive requests for applications for early voting ballots to be voted by mail and will forward in a timely manner, as prescribed by law, any and all applications for early voting ballots to be voted by mail, received in the Entity's office, to the Travis County Clerk.
2. Each Participating Entity will appoint a qualified person to act as custodian of records for the Participating Entity to perform the duties imposed by the Election Code on the custodian of records for its respective entity.
3. Each Participating Entity will provide ballot language for the respective portion of the official ballot to the County in both English and Spanish. The Participating Entity must make any additions, modifications, deletions, or other changes to such ballot contents or language before the Participating Entity's final proof approval. The County will provide the Participating Entity with a final proof of ballot language, as it is to appear on the ballot, for final proof approval. Upon final proof approval, the ballot will be programmed for the voting equipment in an expedited timeframe so as to allow ballot allocations for the printed ballot mail outs for the Early Voting by Mail Program.

IV. Election Day

A. County Responsibilities

1. The County will designate and confirm all Election Day polling place locations for the joint election and will forward such information to the Participating Entities in a timely fashion to allow the governing body of the respective Participating Entities to enter orders designating such polling places.
2. The County will designate the presiding election judge and the alternate presiding election judge to administer the election in the precinct in which a common polling place is to be used and will forward such information to the Participating Entities to allow the governing bodies of the respective Participating Entities to enter appropriate orders designating such officials before the election. The presiding election judge and alternate presiding election judge must be qualified voters of the Travis County election precinct in which the joint election is held. The presiding election judge for the precinct in which a common polling place is used may appoint election clerks as necessary to assist the judge in conducting the election at the precinct polling place. The alternate presiding election judge may be appointed as a clerk. The alternate presiding election judge may serve as the presiding election judge for the precinct in the presiding election judge's absence. Election judges and clerks will be compensated at the rate established by the County. The Texas Election Code and other applicable laws will determine compensable hours.
3. One set of election officials will preside over the election in the precinct using a common polling place. There will be a single joint voter sign-in process consisting of a common list of registered voters and common signature rosters in the precinct using a common polling place. A single, combined ballot and any number of ballot boxes required for each election site, as determined by the County, will be used. The officer designated by law to be the custodian of the voted ballots for the County will be custodian of all materials used in common in the precinct using a common polling place. The County will use an electronic voting system, as defined and described by Texas Election Code Title 8, and agrees to use ballots that are compatible with such equipment.
4. The County will arrange for training and will provide the instructors, manuals and other training materials deemed necessary for training all judges and clerks. Training for election judges and alternate judges is mandatory, and these individuals will be compensated for their time in training.
5. The County will arrange for election-day voter registration precinct lists for the joint election. The County will determine the amount of election supplies needed for Election Day voting.
6. The County, by and through the County Clerk's Elections Division, and Administrative Operations, will be responsible for preparing and transporting voting equipment and election-day supplies for use on Election Day.

7. The County, by and through the County Voter Registrar, will provide the list of registered voters as needed in the overlapping jurisdictions identified in the attached exhibits, with designation of registered voters in each Participating Entity, for use at the joint election day polling place on Election Day.
8. The common polling place is designated as the polling place that the County uses. At the common polling place, any number of ballot boxes required for each election site, as determined by the County, will be used for depositing all ballots cast in the joint election. At this polling place, one voter registration list and one combination poll list and signature roster form will be kept for the joint election. The final returns for each Participating Entity and the County will be canvassed separately by each respective Participating Entity. The Travis County Clerk will maintain a return center on Election Day for the purpose of receiving returns from the County. The Travis County Clerk will provide unofficial election results to the qualified individual appointed by each Participating Entity.
9. On Election Day, the Travis County Clerk or the clerk's Elections Division will field all questions from election judges.
10. The County will make available translators capable of speaking English and Spanish to assist Spanish-speaking voters in understanding and participating in the election process in the territory covered by this agreement.

B. Participating Entities' Responsibilities

1. Before Election Day, each Participating Entity will answer questions from the public with respect to the Participating Entity's election during regular office hours of 8:00 a.m. – 5:00 p.m.
2. Each Participating Entity shall keep their office open for election duties for at least 3 hours per day, during regular office hours, on regular business days beginning no later than the 50th day before the date of each general election or by the 3rd day after the date a special election is ordered and ending no earlier than the 40th day after election day.
3. The custodian of records for each Participating Entity will receive returns from the Travis County Clerk on Election Day.

V. Election Night

A. County Responsibilities

1. The County will be responsible for all activities on election night, including setting up a central counting station, coordinating and supervising the results tabulation, coordinating and supervising the physical layout of the support stations that are the joint election's receiving substations, and coordinating and managing election media coverage.
2. The County is responsible for coordinating the transport of voted ballot boxes to the central counting station.
3. The County will appoint the presiding judge and alternate presiding judge of the central counting station to maintain order at the central counting station, to administer oaths as necessary, to receive sealed ballot boxes, and to perform such other duties that the Texas Election Code requires, and will forward such information to each Participating Entity in a timely fashion to allow the governing body of each Participating Entity to enter appropriate orders designating such election officials before the election. The presiding judge of the central counting station may appoint clerks to serve at the central counting station. In addition, the County will appoint a tabulation supervisor to be in charge of operating the automatic tabulating equipment at the central counting station; an individual to serve as central counting station manager; and an assistant counting station manager to be in charge of administering the central counting station and generally supervising the personnel working at the central counting station. The County will forward such information to each Participating Entity in a timely fashion to allow the governing body of each Participating Entity to enter appropriate orders designating such election officials before the election. This provision applies only in elections that are also countywide elections.

In elections that are not also countywide elections, the Participating Entity will be responsible in making these appointments. The Participating Entity will be responsible for all appointments unless the Participating Entity expressly grants to the County that authority. If the Participating Entity does not make the appointments within 45 days of the election, then the County will make those appointments.

4. The County will provide the Participating Entities with reasonable space in a public area adjacent to the central counting station at which each Participating Entity may have representatives or other interested persons present during the counting process.

B. Participating Entities' Responsibilities

Other than receiving returns from the Travis County Clerk, the Participating Entities have no role or responsibility on the night of the election.

VI. **County Resources**

- A. The County will provide the Elections Division permanent staff and offices to administer the joint election, under the Travis County Clerk's direction.
- B. For early voting, the County will provide a locked and secure area in which voted ballot boxes will be stored until the Early Voting Ballot Board convenes. The County, by and through Administrative Operations, will be responsible for transporting the ballot boxes to the central counting station for the Early Voting Ballot Board.
- C. The County will be responsible for providing and maintaining voting equipment and testing any voting equipment as required by the Texas Election Code.
- D. The County will process the payroll for all temporary staff hired to conduct the joint election. The payroll processing includes statutory reporting and providing W-2 forms where applicable.
- E. The County will conduct early voting as indicated in this agreement.

VII. Joint Election Costs; Payment

- A. Concurrently with its submittal of an executed copy of this agreement each Participating Entity must also submit payment via check or ACH, in the amount equal to the deposit identified for that Participating Entity in the Cost Estimate attached as Exhibit B, which is also incorporated into this agreement. The County is under no obligation to conduct a Participating Entity's elections until the County receives that Participating Entity's payment of Cost Estimate. All checks must be made payable to Travis County. This deposit represents approximately 60% of the costs of the Participating Entity's share of the estimated election costs, or \$100, whichever amount is greater. The County will submit an invoice to each Participating Entity for the balance of the Participating Entity's actual joint election expenses upon the election's completion. Joint-election expenses include expenses for facilities, personnel, supplies, and training that the County actually incurs for establishing and operating all early voting and election-day activities at the polling place in the joint election territory as well as activities related to tabulating votes, all as reflected on the Cost Estimate. Each Participating Entity will pay the total amount of its invoice no later than 30 days of receiving it.
- B. In the event of a recount, the expense of the recount will be borne by the Participating Entity involved in the recount on a pro-rata basis.
- C. In the event a Participating Entity cancels its respective election because of unopposed candidates under Texas Election Code Title 1, the Participating Entity will be responsible for its respective share of election expenses incurred through the date that the election is canceled as allocated to the cancelling entity based on the formula in the Cost Estimate, adjusted for the actual expenses incurred by the County through the date of the cancellation. If a Participating Entity cancels its election, the County will recalculate the allocation percentages among the remaining Participating Entities according to the formula used in the Cost Estimate.

- D. In the event there are any expenses associated with processing a ballot arising from a write-in candidate, the Participating Entity that received the declaration will bear the expenses.
- E. If the Participating Entity desires to establish an early voting polling place, other than those sites the Election Officer has already selected, the Participating Entity must submit the request to the Election Officer no later than 60 days before the election. The Election Officer will work with the Participating Entity to explore whether adding the location is appropriate for that election. Notwithstanding any provision to the contrary, the Election Officer has sole discretion to determine whether to provide any additional early voting sites requested by the Participating Entity.

If the Election Officer agrees that adding a proposed location is appropriate for that election, the Election Officer will thereafter provide a written estimate to the Participating Entity that sets forth the estimated cost for providing the additional early voting location(s) and the deadline by which the cost estimate must be paid, as set forth in Exhibit B. The Participating Entity will be responsible for the full cost of the additional site(s) that is being requested. If after receiving the cost estimate, the Participating Entity desires to move forward with having the additional early voting location(s), the Participating Entity will notify the Election Officer and include payment of the cost estimate with the Participating Entity's notice to the Election Officer no later than the deadline specified in the Election Officer's cost estimate.

VIII. General Provisions

A. Legal Notices

Each of the Participating Entities will be individually responsible for preparing the election orders, resolutions, notices, and other pertinent documents for adoption or execution by its own respective governing board and for all related expenses. The Travis County Clerk will provide each Participating Entity information on changes affecting the Participating Entity's election, such as polling place changes and changes in voting equipment, when such changes are confirmed, verified, or otherwise become known to the clerk's office. Each of the Participating Entities will be individually responsible for posting or publishing election notices and for all related expenses. The Travis County Clerk will serve as the custodian of the keys to the ballot boxes for voted ballots in the joint election.

D. Effective Date

IX. Miscellaneous Provisions

A. Amendment/Modification of Exhibits A and B

1. The Participating Entities acknowledge and agree that Exhibit A and Exhibit B may be amended to add or remove entities wishing to participate or cease participating in the agreement. The Participating Entities agree to future amendments of Exhibit A and Exhibit B and authorize the County to enter into such amendments without the Participating Entities' having to sign the future amendments. The County agrees to notify all Participating Entities of any amendments to Exhibit A and Exhibit B.
2. Except as otherwise provided, this Agreement may not be amended in any respect whatsoever except by a further agreement in writing, duly executed by the parties to this agreement. No official, representative, agent, or employee of the County has any authority to modify this Agreement except by express authorization from the Travis County Commissioners Court. No official, representative, agent, or employee of any Participating Entity has any authority to modify this agreement except by express authorization from the governing body of the respective Participating Entity. B. Notice

Any notice to be given in this agreement, by any party to the other, must be in writing and delivered personally or by certified mail, return receipt requested, to the proper party at the addresses listed in Exhibit A.

Each party may change the address for notice to it by giving notice of the change under this section's terms.

C. Force Majeure

In the event that the County cannot perform any of its obligations in this agreement or is interrupted or delayed by any occurrence not occasioned by its own conduct, whether it be an act of God, the result of war, riot, civil commotion, sovereign conduct, epidemic, pandemic, or other event declared a disaster (including a disaster declared by the County Judge), or like reason, then the County will be excused from performing for such period of time as is reasonably necessary after such occurrence to remedy its effects.

D. Venue and Choice of Law

The Participating Entities agree that venue for any dispute arising under this agreement will lie in the appropriate courts of Austin, Travis County, Texas. This agreement is governed by and is to be construed under the laws of Texas and the United States of America.

E. Entire Agreement

This agreement contains the parties' entire agreement relating to the rights granted and the obligations assumed in it, and it supersedes all prior agreements, including prior election services contracts relating to each Participating Entity's November 4, 2025 election. Any prior agreements, promises, negotiations, or representations not expressly contained in this agreement are of no force or effect. Any oral representations or modifications concerning this agreement have no force or effect, except a subsequent amendment in writing as this agreement provides.

F. Severability

If any provision of this agreement is found to be invalid, illegal or unenforceable by a court of competent jurisdiction, such invalidity, illegality, or unenforceability will not affect the agreement's remaining provisions; and its parties will perform their obligations under the agreement's surviving terms and provisions.

G. Breach

In the event that any Participating Entity or the County breaches any of its obligations under this agreement, the non-breaching party will be entitled to pursue any and all rights and remedies allowed by law.

H. Payments from Current Revenues

Payments made by the Participating Entities in meeting their obligations under this agreement will be made from current revenue funds available to the governing body of the respective Participating Entity. Payments made by the County in meeting its obligations under this agreement will be made from current revenue funds available to the County.

I. Other Instruments

The Participating Entities agree that they will execute other and further instruments or any documents as may become necessary or convenient to effectuate and carry out this agreement's purposes.

J. Third-Party Beneficiaries

Except as otherwise provided in this agreement, nothing in this agreement, expressed or implied, is intended to confer upon any person, other than the parties to it, any of its benefits, rights, or remedies.

K. Other Joint Election Agreements

The County and the Participating Entities expressly understand and acknowledge that each may enter into other joint election agreements with other political subdivisions, to be held on Election Day and at common polling places covered by this agreement, and that the addition of other political subdivisions as parties to this agreement will require amending Exhibits A and B.

L. Mediation

When mediation is acceptable to both parties in resolving a dispute arising under this agreement, the parties agree to use a mutually agreed upon mediator, or a person appointed by a court of competent jurisdiction, for mediation as described in Texas Civil Practice and Remedies Code section 154.023. Unless both parties are satisfied with the mediation's result, the mediation will not constitute a final and binding resolution to the dispute. All communications within the scope of the mediation will remain confidential as described in section 154.073, unless both parties agree, in writing, to waive the confidentiality. Despite this, the parties intend to fully comply with the Texas Open Meetings Act and the Texas Public Information Act whenever applicable. The term "confidential" as used in this agreement has the same meanings as defined and construed under the Texas Public Information Act and the Texas Open Meetings Act. AGENDA ITEM SUMMARY SHEET

City Council City of Rollingwood

Meeting Date: August 7, 2025

Submitted By:

Staff

Agenda Item:

Discussion and possible action to set a proposed Ad Valorem Tax Rate

Background

The purpose of this agenda item is to set the proposed Ad Valorem Tax Rate for Fiscal Year 2025-2026, beginning on October 1, 2025. The rate that is adopted at this meeting is not the final tax rate for the year, but rather is a ceiling, meaning that Council can adopt a rate at or below that rate but cannot exceed it.

The tax rate options, calculated based on the city's property values, include the No New Revenue Rate and the Voter Approval Rate.

The **No New Revenue Rate** is the rate that would produce the same amount of revenues received in the previous year, if applied to the same properties taxed in both years.

The **Voter Approval Rate** is the rate that would produce about 3.5% more revenue than the year before. It is called the Voter Approval Rate because, if exceeded, the voters can petition for an election on the tax rate increase.

There are other rate options and implications, including the **De Minimis Rate** and the **8% De Minimis Rate**, but these would have included a sped-up budget timeline.

The current rate for Fiscal Year 2024-2025 is \$0.2058 per \$100 valuation.

For the upcoming fiscal year (2025-2026), the new tax rate calculations based on property values are as follows:

- No New Revenue Rate: \$0.198060 per \$100 valuation. The No New Revenue rate would produce \$1,700,549 in M&O Revenue (not including debt service).
- Voter Approval Rate: \$0.202039 per \$100 valuation. The Voter Approval Rate would produce \$1,766,211 in M&O revenue (not including debt service).

The M&O Revenue difference between the No New Revenue Rate and the Voter Approval Rate is \$65,662.

Description:

Voting options include:

Voter Approval: Move to set the proposed Ad Valorem tax rate for Fiscal Year 2025-2026 at \$0.202039 per \$100 valuation, which is the Voter Approval Rate

No New Revenue: Move to set the proposed Ad Valorem tax rate for Fiscal Year 2025-2026 at \$0.198060 per \$100 valuation, which is the No New Revenue Rate

Action Requested:

Staff's recommendation is to act to set the proposed Ad Valorem Tax rate at the **Voter Approval** rate. This rate increases Council's options during future tax rate and budget discussions, as Council can ultimately choose to set a rate at this rate or lower, but cannot go above the amount proposed today.

Fiscal Impacts:

See above. No fiscal impacts presented at this time.

Property Tax Rates in City of Rollingwood

(taxing unit's name)

This notice concerns the 2025 property tax rates for City of Rollingwood.

(current year)

(taxing unit's name)

This notice provides information about two tax rates used in adopting the current tax year's tax rate. The no-new-revenue tax rate would impose the same amount of taxes as last year if you compare properties taxed in both years. In most cases, the voter-approval tax rate is the highest tax rate a taxing unit can adopt without holding an election. In each case, these rates are calculated by dividing the total amount of taxes by the current taxable value with adjustments as required by state law. The rates are given per \$100 of property value.

Taxing units preferring to list the rates can expand this section to include an explanation of how these tax rates were calculated.

This year's no-new-revenue tax rate \$ 0.199496 /\$100

This year's voter-approval tax rate \$ 0.202039 /\$100
