1. Last Meetings Minutes attached here.

   No changes, deletions, exceptions voiced, minutes stand as presented.

OLD BUSINESS

2. Amy will review updates for the Right of Way clearing and bidding plans for Street Maintenance and Repair.

   Citizens should be seeing the right of way clearing commencing. They are beginning on Young's Drive and Acorn.

   Street maintenance and bidding will begin by December 1st through January 31st, if board approves. This will allow those contractors who have communicated they cannot bid until after the first of the year ample time to participate if they choose. Maintenance would not begin until warm weather. Schedule will follow when bid is awarded. Board is in agreement to place a classified to ask for bids. Amy will prepare and execute.

3. Mall area power upgrades- Amy will submit a previously approved quote in 25-26 not completed. New fiscal period requires new approval. Quote includes ditch witch, power panels, enhancements to electrical infrastructure.

   This is the same quote presented last fiscal period, work was not performed. They are ready to begin, we must re-approve quote in new fiscal period. This will help make the trail area safer for walking and assist in future safety measure infrastructure improvements. Piper made a motion to approve, Goode seconded.

4. Jenny will present quotes for Business cards/magnets

Jenny did not present a quote as she is waiting for Website to be fully upgraded before publicizing. She asked Amy to source quotes for flyers/cards. This is tabled until Website fully upgraded. Expected to be first of the year.

5. This quote was approved last fiscal period and due to a communication breakdown the work did not commence. The communication has been cleared and they are ready to begin the work. The quote needs re-approval in new fiscal period. This is the area where we've received many citizen complaints. We've been hopeful the DOT would repair as they caused the disturbance. Piper made a motion, Goode seconded.
