GROUND LEASE

This Ground Lease ("Lease") is entered into by and between the City of Salida, Colorado, a municipal corporation, and Chaffee County Colorado/the Board of Commissioners of Chaffee County (collectively "Lessors"), and Lessee (identified above), as of this 1st day of JAN., 2025.

RECITALS

- A. Lessors are the owners of land known as the Salida/Chaffee County Airport, also known as Harriet Alexander Field (hereinafter "Airport") located at 9255 County Road 140, Salida, Colorado, 81201;
- B. Lessee desires to lease from Lessors a portion of the Airport for the purpose of constructing and/or occupying an aircraft hangar as more particularly described below; and
- C. Lessors are willing to lease to Lessee the below described portion of Airport pursuant to the terms and conditions also set forth below.

AGREEMENT

In consideration of the terms, conditions and promises as set forth herein, the parties incorporate the above recitals by reference and agree as follows:

1. **Leased Premises.** Lessors hereby lease to Lessee that portion of the Airport property described on the attached Exhibit A (the "Leased Premises"). THE LEASED PREMISES CONSIST OF THE FOOTPRINT OF THE BUILDING ALREADY CONSTRUCTED OR TO BE CONSTRUCTED BY THE LESSEE PLUS A MAINTENANCE/ACCESS EASEMENT OF FIVE FEET AROUND SAID FOOTPRINT.
2. **Hangar and Improvements - requirements.** Structures on the Leased Premises must conform to all current and future FAA regulations and to the current commercial building, fire, mechanical, electrical,

plumbing and any other applicable codes and airport architectural standards. Improvements or modifications to the Leased Premises must also be in compliance with the same regulations. Any construction, improvements or modifications to the Leased Premises must be approved in writing in advance by the Lessors, acting through their designated agent, the Airport Manager.

3. Breach. If Lessee breaches any provision of this Lease, including without limitation failure to comply with all applicable laws, rules and regulations, Lessor shall provide a written notice of default to the Lessee with a 10 calendar day notice to cure unless the Lessor otherwise agrees in writing to extend the 10 day cure period. Lessee shall be solely responsible for remedying the breach to the reasonable satisfaction of the Airport and at Lessee's sole cost. A Lease may be terminated by the Lessor immediately and without notice in the event Lessee's use of the Leased Premises or conduct at the Airport constitutes an emergency or substantial threat to the safe and lawful operations of the Airport. Lessor will not be responsible for any costs, damages or penalties to the Lessee in the event a Lease is terminated.

4. No Improvements by Lessor. Lessors have no obligation to provide Lessee any improvements, services, fixtures or utilities to the Leased Premises, except as expressly provided in this Ground Lease or as subsequently needed in order for the Lessors to comply with existing laws or regulations.

5. Use of the Leased Premises.

(a) Lessee shall use the Leased Premises solely for the parking, storage and maintenance of Lessee's personal private aircraft as identified here: LUSCOMBE. (VIN, make model etc.) . "Maintenance" shall not include welding, open flame operations, or the use of Class I or Class II liquids as defined in the most recent edition of the Chaffee County Uniform Building Code.

(b) Lessee shall not operate or allow commercial or business operations of any kind to be performed on the Leased Premises absent Lessors' express written consent and with such additional documentation as may be required by Lessor. By way of example only, commercial flying operations would require execution of a Commercial Operator's Agreement by the Lessee.

(c) Lessee shall install and properly maintain not less than one fire extinguisher and shall comply with all applicable fire code regulations.

(d) Lessee may not store any fuel, gasoline or other hazardous or dangerous substances on the Leased Premises with the following exceptions:

- i. Fuel present in the aircraft identified above
- ii. Lessee may store up to five gallons of aviation fuel or gasoline on the Leased Premises in an OSHA or UL approved container.

(e) Lessee may install antennae not exceeding six feet in height above the highest point on any hangar or structure constructed or placed on the premises by Lessee, with the prior written approval of the Airport Manager and so long as such antennae comply in all respects with Federal Aviation Administration ("FAA") regulations and applicable building and zoning codes and do not create an obstruction or threat to air navigation.

(f) The Leased Premises may not be used for short term rentals or any overnight use (other than as contemplated by an approved flight plan).

4. Maintenance of Leased Premises. Lessee shall at all times maintain the Leased Premises and all improvements to the Leased Premises in good condition and state of repair and shall not allow fire hazards, ice and snow, weeds, trash, debris or other unsightly objects to accumulate or be stored on or around the Leased Premises or otherwise interfere with the safe and lawful operation of the Airport. Vehicles and trailers may be stored outside the Lease Premises only upon payment of an applicable fee. No other outside storage is allowed, including equipment and vehicles.

5. **Signs.** Lessee shall not place any signs, logos or emblems on the Leased Premises or on any improvements to the Leased Premises, except for a sign not larger than four square feet in size that identifies Lessee as the occupant of the Leased Premises. All signs shall be installed in compliance with the building and/or sign regulations of Chaffee County and/or other governing jurisdiction.

6. **Term and Option to Renew.**

(a) Subject to earlier termination as provided for in this Lease, the initial term of this Lease shall begin on 1/1/2025 and terminate on 1/1/2045.

(b) Provided Lessee is not in violation or breach of any terms or conditions of this Lease and provided the Lease complies with the then current Airport master plan, Lessee may renew and extend this Lease for up to an additional twenty years (the "Option Term") upon written notice to Lessor submitted at least 120 calendar days prior to the expiration of the initial term. The Option Term shall be subject to the same terms and conditions as set forth in this Lease, except that the rent for the first year of the Option Term shall be adjusted to the prevailing rates, based upon the most recently executed ground lease, adjusted for the then current CPI-U (defined below). The rent for subsequent years of the Option Term shall be adjusted as provided below. In the event Lessee remains in possession of the Leased Premises for any period after the expiration of the 20-year initial lease term, without a written agreement between the parties for an Option Term, a new month-to-month tenancy shall be created subject to the same terms and conditions of this Lease at a monthly rental rate to be determined as provided below, unless otherwise agreed by the parties in writing. Such month-to-month tenancy shall be terminable on thirty (30) days' notice by either party or on longer notice if required by law.

7. **Reversion.** Should Lessee fail or refuse to exercise the option to extend the Lease, or if the Lease is terminated for any reason, then the title and ownership of the Leased Premises, including all improvements, fixtures and personal property thereon, shall revert back to the Lessors.

8. **Rent.**

(a) Lessee shall pay to Lessors total annual rent of \$ 693.75 for a total of 2250 sq. ft. As of May 1, 2023, the lease rate was \$0.3039 per square foot, which is adjusted annually as of May 1. Beginning April 30th, and every year thereafter for the lease term, the rate adjusts in accordance with subparagraph (b), below. The CPI adjusted rate effective May 1 each year. Lessee shall pay the rent annually, in advance, without notice or demand, with the first payment due on the first day of the lease term, except that for the first year of this Ground Lease, rent shall be prorated, if necessary, from the beginning date of this Ground Lease through the following April 30, 2025. For subsequent years, rent shall be due on May 1.

(b) Rent shall be adjusted annually in accordance with any increase in the United States Bureau of Labor Statistics Consumer Price Index for all items and urban consumers (the CPI-U) for the Denver-Boulder area. The adjustment shall reflect any increase in the CPI-U for the annual period beginning from the time rent was last set or adjusted. Should the United States Bureau of Labor Statistics cease publication of the CPI-U for the Denver-Boulder area, then future rent adjustments shall be based upon and correspond to the rate of "local growth" for the annual period as defined in Article X, § 20(2)(g) of the Colorado Constitution and determined by the Chaffee County Assessor pursuant to C.R.S. § 39-5-121(2)(b). In no event shall the rental rate be reduced absent the prior written consent of Lessors, regardless as to any decrease in the CPI-U or local growth rate from the time rent was last set or adjusted. Lessors shall use their best efforts to advise Lessee of the adjusted rent amount at least one month prior to the rent payment due date, but failure of Lessors to notify Lessee shall not relieve Lessee of its obligation to pay the increased rent.

(c) Lessee shall make and/or direct all rent payments to the location and/or to the person or entity designated by the Airport Manager in writing. If no such designation is made, rent shall be paid

to: Chaffee County Airport Fund, c/o Chaffee County, Attention Finance Department, P. O. Box 699, Salida Colorado 81201.

(d) Interest shall accrue on any past due rent payment at the rate of 1.5% per month or 18% per annum. Such interest shall in no event constitute a waiver of Lessee's default with respect to such overdue amount, nor prevent Lessors from exercising any of the other rights and remedies under this Ground Lease.

9. Common Airport Facilities/ CLOSURES. Lessee is granted in common with other lessees, or persons similarly authorized, the non-exclusive use of all common Airport facilities including, but not limited to, the landing field, runways and taxiways (inclusive of any future enlargement or extensions thereof), roadways, aprons, fueling facilities, flood lights, landing lights, beacons, radio aids, and such other airport facilities as may exist and are available for use by the general aviation public. LESSEE ACKNOWLEDGES THAT REPAIRS OR IMPROVEMENTS TO RUNWAYS OR OTHER AIRPORT FACILITIES OR STATE OR FEDERAL MANDATES MAY REQUIRE THE CLOSURE OF THE AIRPORT OR THE TEMPORARY OR PERMANENT RESTRICTION OF ITS USE. SUCH ACTIVITIES SHALL NOT CAUSE ANY REDUCTION IN THE RENT DUE HEREUNDER. LESSEE FURTHER ACKNOWLEDGES THAT THIS LEASE IS SUBJECT TO THE LESSORS CONTINUING TO OPERATE THE AIRPORT FACILITIES IN THEIR CURRENT LOCATION AND LESSORS MAY TERMINATE THIS LEASE, WITHOUT RECOURSE TO LESSORS, IF LESSORS, FOR WHATEVER REASON NO LONGER OPERATE THE AIRPORT IN ITS CURRENT LOCATION.

10. Right of Ingress and Egress. Lessee shall at all times have a right of reasonable ingress to and egress from the Leased Premises, which right shall extend to Lessee's guests and other invitees. Such right shall also extend to persons or businesses supplying materials or services to Lessee, and shall include access and egress for vehicles, machinery and equipment reasonably required by Lessee and those persons or entities specified in this paragraph. Lessee shall provide license plate numbers for all vehicles to be used at the Leased Premises and notify the Airport Manager in writing in advance with this information for all guests/invitees. THE RIGHT OF INGRESS AND EGRESS SHALL NOT BE EXERCISED IN A WAY THAT INTERFERES WITH THE USE OF THE AIRPORT BY OTHERS OR THAT IS IN VIOLATION OF ANY FAA RULES/REGULATION, DULY ADOPTED AIRPORT RULES OR POLICIES. LESSEE ACKNOWLEDGES SUCH RIGHT MAY NOT INCLUDE VEHICLE ACCESS TO HANGARS, AS DETERMINED BY THE AIRPORT MANAGER.

11. Hangar Construction and Improvements.

(a) If there are no improvements on the Leased Premises, Lessee shall be required to install, improvements on the Leased Premises, such improvements to be limited to one aircraft storage hangar and any accessory hard surfaces (ramp/access taxiway), and/or such other structures as specifically authorized in writing in advance by the Airport Manager and approved by the Lessors. The design and materials to be used in the construction repair, other than routine maintenance, or restoration of any hangar, structure or hard surface shall be approved in advance in writing by Lessors. Within thirty days from the beginning of this Ground Lease, Lessee shall submit a detailed description, inclusive of engineered drawings/plans, to Lessors together with a cost estimate for all structures or other improvements Lessee desires to install, repair or rebuild on the Leased Premises. No installation or construction shall occur on the Leased Premises or upon common Airport property until the Airport Manager has specifically approved same in writing and all necessary third-party permits have been issued, including local building permits and such permits or approvals as may be necessary from the Federal Aviation Administration (e.g., FAA Form 7460, Notice of Proposed Construction). All improvements must be completed per building and zoning permitting timeframes. Airport Manager has the final authority to determine that as-built construction conforms to drawings and plans prepared by a professional engineer. Any variances or corrections needed shall be borne solely by the Lessee.

(b) The installation/construction of all structures and hard surfaces shall comply with the then-current Commercial Building Code, Airport Master Plan, the Minimum Standards for Hangar Construction and the

Airport Storm Water Management Plan then in effect for the Airport. No structure shall be constructed within five feet of the perimeter boundary of the Leased Premises. Lessee shall maintain the Leased Premises in a safe and orderly condition during any and all construction/installation activities, and shall not allow construction materials, activities or debris to invade or impinge upon common Airport facilities (e.g., ramps, taxiways or roadways) or other leased premises. The Airport Manager may, upon request by Lessee and/or in order to minimize the disruption of normal Airport operations, allow or direct the temporary use by Lessee of non-leased Airport property for construction staging and/or material storage during any period of construction/installation. Lessee's installation or extension of any utility lines or services (i.e., water, sewer, electricity or gas) as part of any construction or improvement must be approved in advance and in writing by Lessors.

(c) Lessee shall affirmatively notify all persons or entities undertaking any work on the Leased Premises, including persons engaged in planning, design, construction or repair, and/or persons supplying any labor, materials or equipment pursuant to such work, that as publicly-owned property, the Leased Premises are not subject to lien for a failure to pay for such work, labor or materials, and Lessee shall, in accordance with C.R.S. § 38-22-105(2), post and keep posted a written notice to the same effect in some conspicuous place upon the Leased Premises during any and all such work.

(d) Except as otherwise provided for in this Ground Lease, all hangars, buildings, fixtures, structures or other improvements bought, installed, erected, constructed or placed on the Leased Premises by Lessee shall be deemed to be personal property for purposes of this lease and shall remain the property of Lessee; and Lessee shall, unless otherwise authorized in writing in advance by Lessors, remove such property upon the expiration or termination of the lease, subject to Lessee's obligation to repair all damage, if any, resulting to the Leased Premises or Lessors' property by such removal. Lessee shall be allowed up to sixty days after the expiration or termination of the lease to remove any and all such property, during which time Lessee shall be obliged to continue to pay rent on a prorated basis until such removal is completed. In the discretion of the Lessors, any and all property, inclusive of hangars, buildings and fixtures, not removed by Lessee within the time allotted for same may become part of the Leased Premises and title to such property shall automatically vest in Lessors, individually or jointly, to the extent that Lessors individually or jointly own the land underlying such property. If Lessee abandons any improvement or property on the Leased Premises or fails to remove such improvement or property as required, above, Lessors may, in its sole discretion, take title to or remove the same, at any time Lessors may determine, at Lessee's cost.

(e) Any aircraft hangar constructed by Lessee may be used for the temporary storage of motor vehicles while Lessee's aircraft is in use. Lessee may also allow other aircraft owners to temporarily occupy Lessee's hangar while performing maintenance or repairs on their personal aircraft. Collection of rental or sublease fees shall constitute a commercial operation and require a commercial operators agreement.

12. Utilities. Lessee shall timely and fully pay for all utility services installed and used on the Leased Premises. In no event shall a septic system be installed or used on the Leased Premises absent Lessors' written consent and the issuance of all necessary permits. Lessors may require Lessee, at Lessee's cost, to connect any water-using facility on the Leased Premises to a sanitary sewer system if a sanitary sewer main line becomes available within 400 feet of the Leased Premises and to remove any leach fields

13. Taxes and Assessments. Lessee shall timely pay all real and personal property taxes and assessments, including without limitation possessory interest assessments, levied or imposed against the Leased Premises as the result of Lessee's occupancy and/or use of same, and upon any improvements installed and owned by Lessee thereon.

14. No Assignment Subletting, Sale or Conveyance. Lessee may not assign, sublet, sell or otherwise convey any area, space, structure or interest on the Leased Premises to any third party, including an entity controlled in whole or part by Lessee, without the prior written consent of Lessors, which consent may be granted or withheld solely within the reasonable discretion of Lessors. If Lessors grants an assignment, sublet, conveyance or sale of the Leased Premises to a third-party will require the third-party

to execute a separate Ground Lease. Any assignment, subletting or conveyance in violation of this section shall be null and void and constitute grounds for termination of this Lease.

15. Compliance with Laws and Regulations.

(a) Lessee shall faithfully and timely comply with all laws and governmental orders, rules and regulations, including future amendments thereto, that control or in any manner affect the use, operations or maintenance of the Airport or the Leased Premises. This includes, without limitation FAA orders and regulations, local ordinances, the Airport Manual or its Rules and Regulations and instructions or requests issued by the Airport Manager for the safe and lawful operation of the Airport.

(c) Lessee does hereby covenant and agree that: (1) no person on the grounds of race, color, or national origin shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of the Leased Premises and/or improvements to the Leased Premises, (2) that in the construction of any improvements on, over, or under the Leased Premises and the furnishing of services thereon, no person on the grounds of race, color, or national origin shall be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination, (3) that the Lessee shall use the Leased Premises and improvements on the Leased Premises in compliance with all other requirements imposed by or pursuant to 49 CFR Part 21, Nondiscrimination in Federally Assisted Programs of the Department of Transportation, and as said regulations may be amended.

(d) Lessee shall not discriminate against any persons or businesses on the grounds of race, color, national original (including limited English Proficiency), creed, sex (including sexual orientation and gender identity), age, or disability regarding any activity arising from or related to this Ground Lease or Lessee's use of the Leased Premises.

16. Insurance.

(a) Lessee shall at its sole cost and expense procure and maintain in force insurance policies insuring the Leased Premises against loss or injury to any person or property arising from Lessee's use and/or occupancy of the Leased Premises and any improvements thereon. Such insurance policy shall be issued by a company authorized to do business in Colorado. Required insurance:

The City of Salida and Chaffee County, at Lessee's sole expense, shall be named co-insureds or additional insureds on all insurance policies required under this lease, and such insurance shall act as primary insurance with respect to all claims, injuries or casualties occurring on or to, or arising from, the Lessee's occupancy and/or use of the Leased Premises. Insurance requirements may increase from time to time at the discretion of the Lessor but no more than bi-annually unless otherwise required by law. Lessors' failure to inform Lessee of any increased coverage requirements shall not affect Lessee's obligation.

(b) Lessee shall annually furnish the Airport Manager with certificates of insurance evidencing required coverage, from companies authorized to do business in Colorado. Such certificates shall contain a provision requiring notification to the Lessors in writing 30 calendar days in advance of any amendment or cancellation of such policy or policies.

18. Damage to Leased Premises. If the Leased Premises or any improvements thereon are damaged or destroyed, in whole or in part, Lessee shall, within sixty days of the damage or destruction, perform one of the following:

Rent shall not be reduced or abated during any period in which the Leased Premises or any improvements, or parts of same, are not available for use by Lessee.

19. Right to Mortgage. Lessee may mortgage or otherwise encumber all or any portion of its owned improvements and its leasehold interests under this Ground Lease. Lessors, upon request, may subordinate their interests herein to any lending or financing agency for the term of the lease, provided such subordination cannot and shall not have the effect of permitting a mortgagee or trustee to own or claim an ownership interest in the Leased Premises, and that such mortgagee or trustee is approved in writing in advance by Lessors, which approval shall not be unreasonably withheld. IF, DUE TO FORECLOSURE OR OTHER DEFAULT UNDER THE TERMS OF SUCH MORTGAGE, ANY MORTGAGEE BECOMES THE OWNER OF THE IMPROVEMENTS CONSTRUCTED HEREUNDER, SUCH MORTGAGEE SHALL BE SUBJECT TO THE TERMS AND OBLIGATIONS OF THE LESSEE HEREUNDER.

20. Lessors' Reserved Rights. Lessors, on behalf of themselves and the Federal Aviation Administration, reserve the right and privilege during the term of this agreement to place on the Airport, inclusive of the Leased Premises, whatever instruments and/or equipment they or the FAA may determine are necessary or convenient to the safe and efficient operation of the Airport, so long as said instruments or equipment do not substantially interfere with Lessee's use of the Leased Premises or reduce the structural integrity of Lessee's hangar or such other building as Lessee may have constructed on the Leased Premises. Lessors additionally reserve the right to further develop and otherwise change or improve the Airport, inclusive of all landing areas, taxiways, or access ways, as it deems necessary, and to take such other actions with respect to the Airport as Lessors see fit without hindrance or interference from Lessee, provided all of such developments or improvements are required by law, federal regulation, and/or are approved by the FAA. Lessors further reserve the right to from time to time temporarily or permanently close the Airport, or parts thereof, for any reason, including without limitation maintenance, construction or public safety purposes, immediately prior to which Lessors will make reasonable efforts to notify Lessee in advance thereof.

21. Subordination. This Ground Lease shall be subordinate to the provisions of any existing or future agreement between Lessors and the United States and/or the State of Colorado for the funding, operation or maintenance of the Airport.

22. Inspection. 27. Venue and Severability. This Lease shall be construed under the laws of the State of Colorado. Venue for any legal action between the parties brought to interpret or enforce the provisions of this agreement shall be the Colorado District Court in and for Chaffee County. Any covenant, condition, or provision herein which is held to be invalid by any court of competent jurisdiction shall be considered deleted from the lease, but such deletion shall in no way affect any other covenant, condition, or provision herein so long as such deletion does not materially prejudice Lessors or Lessee in their respective rights and obligations contained in the valid covenants, conditions, or provisions of the lease,

28. Waivers. One or more waivers by Lessors of any term or condition of this agreement, or of Lessee's breach or violation thereof, shall not be construed or have the effect as a forgiveness or waiver of any other term or condition, or of any future or different breach or violation of the agreement by Lessee.

29. Entire Agreement and Amendments. This Lease reflects and contains the entire agreement of the parties and supersedes all previous agreements entered into or contemplated by the parties with regard to the Airport. No negotiations, understandings, agreement or promises, verbal or otherwise, exist or are enforceable between the parties except as expressly set forth in this agreement, the provisions of which may only be amended, modified, or superseded by written agreement signed by both parties.

The Consultant and any of its subconsultants must provide hourly rate schedules, as described in **Exhibit A**, which will be approved by and placed on file with the Sponsor. Such hourly rate schedules will establish a billing rate for each employee category which includes direct salary, overhead and profit and shall constitute the full and complete compensation per hour of services performed by the Consultant. Eligible expenses shall be reimbursed by the Sponsor based upon submittal of expense reports and/or receipts if requested. All eligible expenses will be outlined and generally approved by the Sponsor beforehand and will include only non-overhead items directly related to the services performed, such as, but not limited to, transportation, subsistence, reproduction of documents, computer costs, and all purchases which become the property of the Sponsor. For reimbursable travel expenses under a federal grant, the expenses will comply with the federal travel policy rates. The Consultant may submit revised hourly rate schedules when changes occur and adjustments are necessary, provided that such changes are approved by the Sponsor and no other adjustments have been approved during a period of no less than six months prior to the requested adjustment.

2.2 **Method of Payment.** The Sponsor shall pay to the Consultant the appropriate rate or fixed price amount for services rendered as described in Paragraph 2.1 of this Agreement only after the Consultant has specified that he has performed the services and is entitled to the amount requisitioned under the terms of this Agreement.

(a) For services, the Consultant shall submit a requisition for payment outlining actual hours and expenses incurred once the services are performed or at monthly intervals. 2.5 **Sponsor Responsibilities for Compensation.** The Sponsor agrees to pay the Consultant's invoices thirty (30) days after receipt of invoices. At no time will payment of requisitions exceed thirty (30) days from the date of Sponsor's receipt of the invoice without notification to the Consultant, however, for services eligible for federal funding, the Sponsor shall not be responsible for payment to the Consultant until Sponsor receives funding for such payment. Only at such time as the necessary funds are received by the Sponsor pursuant to federal grants shall the Sponsor tender payments to the Consultant as set forth herein. It is expressly understood that the payment process outlined above builds in provisions for the Consultant to carry Consulting costs for no more than sixty (60) days to minimize interest overheads. It is also expressly understood that the Sponsor has the right to withhold payment on any invoice if Sponsor feels that the Consultant has not performed the requisitioned work efforts in a satisfactory manner. If the Sponsor does decide to withhold payments to the Consultant for any reason, the Sponsor must provide written notifications and an explanation to the Consultant within ten (10) days of the date of the invoice. If any payments are not made when due, then the Consultant may suspend services under this Agreement until payment has been made in full or other satisfactory arrangements have been made.

ARTICLE THREE - CHANGES TO THE SCOPE OF SERVICES

The Sponsor may, at any time, and by written order, make changes in the services to be performed under this Agreement. If such changes cause an increase or decrease in the Consultant's fee or time required for performance of any services under this contract, an equitable adjustment shall be made, and the contract shall be modified in writing accordingly. Any claim of the Consultant for adjustment under this clause must be submitted in writing within thirty (30) days from the date or receipt by the Consultant of the notification of change. Consultant acknowledges that any work it performs beyond that specifically authorized by Sponsor is performed at Consultant's risk and without authorization under this Contract. Sponsor shall not be liable for the payment of taxes, late charges or penalties of any nature other than the compensation stated herein.

ARTICLE FOUR - TERMINATION OF THE AGREEMENT

The Sponsor may, at its sole discretion, by written notice to the Consultant, terminate this contract in whole or in part at any time, either for the Sponsor's convenience or because of the failure of the Consultant to fulfill his contract obligations. Upon receipt of such notice, the Consultant shall: (1) immediately discontinue all services affected (unless the notice directs otherwise), and (2) deliver to the Sponsor all data, drawings, reports, estimates, summaries, and such other information and materials as may have been accumulated by the Consultant in performing this contract, whether completed or in process.

This Agreement may be terminated in whole or in part by the Consultant in the event of substantial failure by the Sponsor to fulfill its obligations.

If the termination is for the convenience of the Sponsor, the Sponsor shall pay the Consultant for the services rendered prior thereto in accordance with percent completion at the time work is suspended minus previous payments.

If the termination is due to the failure of the Consultant to fulfill his contract obligations, the Sponsor may take over the work and prosecute the same to completion, by contract or otherwise. If Sponsor terminates this contract because Consultant has breached this Contract, Consultant may be required to refund Sponsor the compensation paid pursuant to this Contract for work (or projects) found to be insufficient or incomplete. A breach of this Contract shall include the failure by Consultant to perform the work within the applicable time frames set forth in the respective project scope of work. In addition, Sponsor shall have all rights and remedies available at law or equity.

The Consultant shall take such action with respect to any subcontract as the Sponsor, the FAA, or CDOT may direct as a means of enforcing such provisions including sanctions for noncompliance.

Such final accounting and final invoice shall be delivered to the City within fifteen (15) days of the date of termination; thereafter, no other invoice, bill, or other form of statement of charges owing to the Contractor shall be submitted to or accepted by the City. Provided that notice of non-performance is provided in accordance with this **Sub-Section 4.4**, nothing in this **Sub-Section 4.4** shall prevent, preclude, or limit any claim or action for default or breach of contract resulting from non-performance by a Party.

4.5. Unilateral Suspension of Services. The City may suspend the Contractor’s performance of the Services at the City’s discretion and for any reason by delivery of written notice of suspension to the Contractor which notice shall state a specific date of suspension. Upon receipt of such notice of suspension, the Contractor shall immediately cease performance of the Services on the date of suspension except: (1) as may be specifically authorized by the notice of suspension (e.g., to secure the work area from damage due to weather or to complete a specific report or study); (2) for the submission of an invoice for Services performed prior to the date of suspension in accordance with this Agreement or (3) as required by law.

4.6. Reinstatement of Services Following City’s Unilateral Suspension. The City may at its discretion direct the Contractor to continue performance of the Services following suspension. If such direction by the City is made within thirty (30) days of the date of suspension, the Contractor shall recommence performance of the Services in accordance with this Agreement. If such direction to recommence suspended Services is made more than thirty-one (31) days following the date of suspension, the Contractor may elect to: (1) provide written notice to the City that such suspension is considered a unilateral termination of this Agreement pursuant to **Sub-Section 4.3**; or (2) recommence performance in accordance with this Agreement; or (3) if suspension exceeded sixty (60) consecutive days, request from the City an equitable adjustment in compensation or a reasonable re-start fee and, if such request is rejected by the City, to provide written notice to the City that such suspension and rejection of additional compensation is considered a unilateral termination of this Agreement pursuant to **Sub-Section 4.3**. Nothing in this Agreement shall preclude the Parties from executing a written amendment or agreement to suspend the Services upon terms and conditions mutually acceptable to the Parties for any period of time.

4.7. Delivery of Notice of Termination. Any notice of termination permitted by this **Section 4.0 TERM AND TERMINATION** and its subsections shall be addressed to the persons identified in **Section 9.17** herein and at the addresses provided therein or such other address as either party may notify the other of

and shall be deemed given upon delivery if personally delivered, or forty-eight (48) hours after deposited in the United States mail, postage prepaid, registered or certified mail, return receipt requested.

5. INSURANCE

5.1. Insurance Generally. The Contractor shall obtain and shall continuously maintain during the Term of this Agreement insurance of the kind and in the minimum amounts specified in this **Sub-Section 5.1**. The Required Insurance shall be procured and maintained with insurers with an A- or better rating as determined by Best's Key Rating Guide. All Required Insurance shall be continuously maintained to cover all liability, claims, demands, and other obligations assumed by the Contractor.

The Contractor shall secure and maintain the following ("**Required Insurance**"):

- A. Worker's Compensation Insurance in the minimum amount required by applicable law for all employees and other persons as may be required by law. Such policy of insurance, if any, shall be endorsed to include the City as a Certificate Holder.
- B. Comprehensive General Liability insurance with minimum combined single limits of One Million Dollars (\$1,000,000.00) Dollars for each occurrence and of Two Million Dollars (\$2,000,000.00) aggregate. The policy shall be applicable to all premises and all operations of the Contractor. The policy shall include coverage for bodily injury, broad form property damage (including completed operations), personal injury (including coverage for contractual and employee acts), blanket contractual, independent contractors, products, and completed operations. The policy shall contain a severability of interests provision. Coverage shall be provided on an "occurrence" basis as opposed to a "claims made" basis. Such insurance shall be endorsed to name the City as Certificate Holder and name the City, and its elected officials, officers, employees, and agents as additional insured parties.
- C. Comprehensive Automobile Liability insurance with minimum combined single limits for bodily injury of not less than of One Hundred Thousand Dollars (\$100,000.00) each person and each accident and for property damage of not less than Fifty Thousand Dollars (\$50,000.00) each accident with respect to each of the Contractor's owned, hired and non-owned vehicles assigned to or used in performance of the Services. The policy shall contain a severability of interests provision. Such insurance coverage must extend to all levels of subcontractors. Such coverage must include all automotive equipment used in the performance of the Agreement, both on the work site and off the work site, and such coverage shall include non-ownership and hired cars coverage. Such insurance shall be endorsed to name the City as Certificate Holder and name the City, and its elected officials, officers, employees, and agents as additional insured parties.
- D. Professional Liability (errors and omissions) Insurance with a minimum limit of coverage of One Million Dollars (\$1,000,000.00) per claim and annual aggregate. Such policy of insurance shall be obtained and maintained for one (1) year following completion of all Services under this Agreement. Such policy of insurance shall be endorsed to include the City as a Certificate Holder.

5.2. Additional Requirements for All Policies. In addition to specific requirements imposed on insurance by this **Section 5.0 INSURANCE** and its subsections, insurance shall conform to all of the following:

- A. For Required Insurance and any other insurance carried by Contractor (“**Contractor Insurance**”), all policies of insurance shall be primary insurance, and any insurance carried by the City, its officers, or its employees shall be excess and not contributory insurance to that provided by the Contractor; provided, however, that the City shall not be obligated to obtain or maintain any insurance whatsoever for any claim, damage, or purpose arising from or related to this Agreement and the Services. The Contractor shall not be an insured party for any City-obtained insurance policy or coverage.
- B. For both Required Insurance and Contractor Insurance, the Contractor shall be solely responsible for any deductible losses.
- C. For Required Insurance, no policy of insurance shall contain any exclusion for bodily injury or property damage arising from completed operations.
- D. For Required Insurance, every policy of insurance shall provide that the City will receive notice no less than thirty (30) days prior to any cancellation, termination, or a material change in such policy.

5.3. Failure to Obtain or Maintain Insurance. The Contractor’s failure to obtain and continuously maintain policies of insurance in accordance with this **Section 5.0 INSURANCE** and its subsections shall not limit, prevent, preclude, excuse, or modify any liability, claims, demands, or other obligations of the Contractor arising from performance or non-performance of this Agreement. Failure on the part of the Contractor to obtain and to continuously maintain policies providing the required coverage, conditions, restrictions, notices, and minimum limits shall constitute a material breach of this Agreement upon which the City may immediately terminate this Agreement, or, at its discretion, the City may procure or renew any such policy or any extended reporting period thereto and may pay any and all premiums in connection therewith, and all monies so paid by the City shall be repaid by Contractor to the City immediately upon demand by the City, or at the City’s sole discretion, the City may offset the cost of the premiums against any monies due to the Contractor from the City pursuant to this Agreement.

5.4. Insurance Certificates. Prior to commencement of the Services, the Contractor shall submit to the City applicable certificates of insurance for all Required Insurance. Insurance limits, terms of insurance, insured parties, and other information sufficient to demonstrate conformance with this **Section 5.0 INSURANCE** and its subsections shall be indicated on each certificate of insurance. Certificates of insurance shall reference the “Project Name” as identified on the first page of this Agreement. The City may request, and the Contractor shall provide within three (3) business days of such request a current certified copy of any policy of Required Insurance and any endorsement of such policy. The City may, at its election, withhold payment for Services until the requested insurance policies are received and found to be in accordance with the Agreement.

6. OWNERSHIP OF DOCUMENTS

6.1. Work Product is Property of City. Upon complete payment for services rendered, the Work Product, as defined in **Sub-Section 1.1**, shall be deemed work made for hire and made in the course of Services performed under this Agreement and will be the exclusive property of the City. City will have unlimited right to make, have made, use, reconstruct, repair, modify, reproduce, publish, distribute and sell the Work Product, in whole or in part, or combine the Work Product with other matter, or not use the Work Product at all, as it sees fit. Any reuse of the Work Product produced under this Agreement for any purpose not directly related to this Agreement will be at the sole risk of City.

6.2. Obligations of Contractor's Personnel and Subcontractors. Contractor warrants it has enforceable written agreements with all of its personnel and subcontractors to be involved in performing the Services that:

- A. assign to Contractor ownership of all patents, copyrights, and other proprietary rights created in the course of their employment or engagement; and
- B. obligate such personnel or subcontractors, as the case may be, upon terms and conditions no less restrictive than are contained in this **Section 6.0 OWNERSHIP OF DOCUMENTS**, not to use or disclose any proprietary rights or information learned or acquired during the course of such employment or engagement including, without limitation, any Work Product, all Contractor property and any other information pursuant to this **Section 6.0 OWNERSHIP OF DOCUMENTS**.

6.3. Assignment of Proprietary Rights. To the extent that any title to any Work Product may not, by operation of law, vest in City, or such Work Product may not be considered to be work made for hire, Contractor hereby irrevocably transfers and assigns to City in perpetuity all worldwide right, title and interest in and to the patent rights, copyrights, trade secrets, and other proprietary rights in and ownership of, the Work Product.

6.4. City Furnished Information. Title to all materials and all documentation furnished by the City to Contractor will remain in the City. Contractor will deliver to the City any all Work Products and property, including copies thereof on whatever media rendered, upon the first to occur of:

- A. the City's written request; or
- B. completion of the Services under this Agreement; or
- C. termination of this Agreement.

6.5. The Contractor waives any right to prevent its name from being used in connection with the Services.

6.6. Notwithstanding the foregoing, the Contractor shall retain all rights, titles, and interests, including but not limited to all ownership and intellectual property rights, in all inventions, improvements, discoveries, methodologies, models, formats, software, algorithms, processes, procedures, designs, specifications,

findings, and other intellectual properties developed, gathered, compiled or produced by the Contractor prior to or independently of any of its services under this Agreement (“Background IP”), including such Background IP that the Contractor may employ in the performance of this Agreement, or may incorporate into any part of the Work Product. The Contractor grants the City an irrevocable, non-exclusive, transferable, royalty-free license in perpetuity to use, disclose, and derive from such Background IP, but only as an inseparable part of the Work Product. Third-party content that may be used or incorporated in the Work Product shall not become the property of the City. The Contractor shall secure all licenses necessary to any third-party content incorporated into the Contractor’s Work Product for the City to utilize the Contractor’s services and the Work Product for their intended purposes.

7. CONFLICT OF INTEREST

The Contractor shall refrain from providing services to other persons, firms, or entities that would create a conflict of interest for the Contractor with regard to providing the Services pursuant to this Agreement. The Contractor shall not offer or provide anything of benefit to any City official or employee that would place the official or employee in a position of violating the public trust as provided by C.R.S. §24-18-109, as amended, the Salida City Code of Ethics, as amended or the City’s ethical principles.

8. REMEDIES

In addition to any other remedies provided for in this Agreement, and without limiting its remedies available at law, the City may exercise the following remedial actions if the Contractor substantially fails to perform the duties and obligations of this Agreement. Substantial failure to perform the duties and obligations of this Agreement shall mean a significant, insufficient, incorrect, or improper performance, activities, or inactions by the Contractor. The remedial actions include:

- 8.1.** Suspend the Contractor’s performance pending necessary corrective action as specified by the City without the Contractor’s entitlement to an adjustment in any charge, fee, rate, price, cost, or schedule; and/or
- 8.2.** Withhold payment to the Contractor until the necessary services or corrections in performance are satisfactorily completed; and/or
- 8.3.** Deny payment for those services which have not been satisfactorily performed, and which, due to circumstances caused by the Contractor, cannot be performed, or if performed would be of no value to the City; and/or
- 8.4.** Terminate this Agreement in accordance with this Agreement.

The foregoing remedies are cumulative and the City, in its sole discretion, may exercise any or all of the remedies individually or simultaneously.

9. MISCELLANEOUS PROVISIONS

9.1. No Waiver of Rights. A waiver by any Party to this Agreement of the breach of any term or provision of this Agreement shall not operate or be construed as a waiver of any subsequent breach by either Party. The City's approval or acceptance of, or payment for, services shall not be construed to operate as a waiver of any rights or benefits to be provided under this Agreement. No covenant or term of this Agreement shall be deemed to be waived by the City except in writing signed by the City Council or by a person expressly authorized to sign such waiver by resolution of the City Council of the City of Salida, and any written waiver of a right shall not be construed to be a waiver of any other right or to be a continuing waiver unless specifically stated.

9.2. No Waiver of Governmental Immunity. Nothing in this Agreement shall be construed to waive, limit, or otherwise modify any governmental immunity that may be available by law to the City, its officials, employees, contractors, or agents, or any other person acting on behalf of the City and, in particular, governmental immunity afforded or available pursuant to the Colorado Governmental Immunity Act, Title 24, Article 10, Part 1 of the Colorado Revised Statutes.

9.3. Affirmative Action. Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. Contractor will take affirmative action to ensure applicants are employed, and employees are treated during employment without regard to their race, color, religion, sex, or national origin. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship.

9.4. Americans with Disabilities Act. Contractor understands and agrees that no individual with a disability shall, on the basis of the disability, be excluded from participation in this contract or from activities provided for under this contract. As a condition of accepting and executing this contract, the Contractor agrees to comply with the "General Prohibitions Against Discrimination," 28 C.F.R. §35.130, and all other regulations promulgated under Title II of The Americans with Disabilities Act.

9.5. Binding Effect. The Parties agree that this Agreement, by its terms, shall be binding upon the successors, heirs, legal representatives, and assigns; provided that this **Section 9.5** shall not authorize assignment.

9.6. No Third-Party Beneficiaries. Nothing contained in this Agreement is intended to or shall create a contractual relationship with, cause of action in favor of, or claim for relief for, any third party, including any agent, sub-consultant, or sub-contractor of Contractor. Absolutely no third-party beneficiaries are intended by this Agreement. Any third-party receiving a benefit from this Agreement is an incidental and unintended beneficiary only.

9.7. Article X, Section 20/TABOR. The Parties understand and acknowledge that the City is subject to Article X, § 20 of the Colorado Constitution ("TABOR"). The Parties do not intend to violate the terms and requirements of TABOR by the execution of this Agreement. It is understood and agreed that this Agreement does not create a multi-fiscal year direct or indirect debt or obligation within the meaning of TABOR and, therefore, notwithstanding anything in this Agreement to the contrary, all payment obligations

of the City are expressly dependent and conditioned upon the continuing availability of funds beyond the term of the City's current fiscal period ending upon the next succeeding December 31. Financial obligations of the City payable after the current fiscal year are contingent upon funds for that purpose being appropriated, budgeted, and otherwise made available in accordance with the rules, regulations, and resolutions of the City, and other applicable laws. Upon the failure to appropriate such funds, this Agreement shall be terminated.

9.8. Governing Law, Venue, and Enforcement. This Agreement shall be governed by and interpreted according to the law of the State of Colorado. Venue for any action arising under this Agreement shall be in the appropriate court for Chaffee County, Colorado, and the parties consent and agree to the jurisdiction of such courts. To reduce the cost of dispute resolution and to expedite the resolution of disputes under this Agreement, the Parties hereby waive any and all right either may have to request a jury trial in any civil action relating primarily to the enforcement of this Agreement. The Parties agree the rule providing ambiguities in a contract are to be construed against the drafting party shall not apply to the interpretation of this Agreement. If there is any conflict between the language of this Agreement and any exhibit or attachment, the language of this Agreement shall govern.

9.9. Survival of Terms and Conditions. The Parties understand and agree that all terms and conditions of the Agreement that require continued performance, compliance, or effect beyond the termination date of the Agreement shall survive such termination date and shall be enforceable in the event of a failure to perform or comply.

9.10. Assignment and Release. All or part of the rights, duties, obligations, responsibilities, or benefits set forth in this Agreement shall not be assigned by Contractor without the express written consent of the City Council. Any written assignment shall expressly refer to this Agreement, specify the particular rights, duties, obligations, responsibilities, or benefits so assigned, and shall not be effective unless approved by resolution or motion of the City Council. No assignment shall release the Applicant from performance of any duty, obligation, or responsibility unless such release is clearly expressed in such written document of assignment.

9.11. Paragraph Captions. The captions of the paragraphs are set forth only for the convenience and reference of the Parties and are not intended in any way to define, limit or describe the scope or intent of this Agreement.

9.12. Integration and Amendment. This Agreement represents the entire and integrated agreement between the City and the Contractor and supersedes all prior negotiations, representations, or agreements, either written or oral. Any amendments to this must be in writing and be signed by both the City and the Contractor.

9.13. Severability. Invalidation of any of the provisions of this Agreement or any paragraph sentence, clause, phrase, or word herein or the application thereof in any given circumstance shall not affect the validity of any other provision of this Agreement.

9.14. Incorporation of Exhibits. Unless otherwise stated in this Agreement, exhibits, applications, or documents referenced in this Agreement shall be incorporated into this Agreement for all purposes. In the

event of a conflict between any incorporated exhibit and this Agreement, the provisions of this Agreement shall govern and control.

9.15. Non-Liability of City for Indirect or Consequential Damages or Lost Profits. Parties agree that the City shall not be liable for indirect or consequential damages, including lost profits that result from the City’s declaration that the Contractor is in default of the Agreement, so long as the City acts in good faith.

9.16. Indemnity. To the fullest extent permitted by law, Contractor shall indemnify and defend the City, its members, affiliates, officers, directors, partners, employees, and agents (collectively referred to as the “City” for the purposes of this **Section 9.16**) from and against all claims, damages, losses, and expenses, including but not limited to reasonable attorney’s fees (collectively referred to “Losses”), arising out of the performance of the Services, provided that (a) any such claim, damage, loss or expense is caused by any negligent act or omission of (i) Contractor, (ii) anyone directly or indirectly employed by Contractor or (iii) anyone for whose acts Contractor may be liable; and (b) such indemnification shall not apply to the extent that such Losses are caused by the negligence of the City or other party indemnified hereunder. If Contractor is providing architectural, engineering, or surveying services; design; construction; alteration; repair; or maintenance of any building, structure, highway, bridge, viaduct, water, sewer, or gas distribution system, or other works dealing with construction, or any moving, demolition, or excavation connected with such construction, the extent of Contractor’s obligation to indemnify and defend the City is enforceable only to the extent and for an amount represented by the degree or percentage of negligence or fault attributable to the Contractor or the Contractor’s agents, representatives, subcontractors, or suppliers. If the Contractor is a person or entity providing architectural, engineering, surveying, or other design services, then the extent of Contractor’s obligation to indemnify and defend the City may be determined only after the Contractor’s liability or fault has been determined by adjudication, alternative dispute resolution, or otherwise resolved by mutual agreement between the Contractor and City. The indemnification in this **Section 9.16** shall be construed to comply with C.R.S. § 13-50.5-102(8) et. seq.

9.17. Notices. Unless otherwise specifically required by a provision of this Agreement any notice required or permitted by this Agreement shall be in writing and shall be deemed to have been sufficiently given for all purposes if sent by certified mail or registered mail, postage and fees prepaid, addressed to the Party to whom such notice is to be given at the address set forth below or at such other address as has been previously furnished in writing, to the other Party. Such notice shall be deemed to have been given when deposited in the United States Mail and properly addressed to the intended recipient. Written notice may also be provided by electronic mail which shall be deemed delivered when receipt is acknowledged by reply of the recipient.

---------------------------	---	---------------------------------

AGENDA ITEM

Consent Agenda

BACKGROUND

To meet the sustainability goals of the city of Salida, the Salida Fire Department will be utilizing sustainable solar solutions. Five companies bid on the RFP for the solar installation at the new fire house, and one was awarded. After a thorough review of all proposals using a scoring system, we recommend awarding the contract to Douglass Colony. This decision was based on various factors such as overall lowest bid, responsiveness, and the company's proven track record in completing municipal projects.

The city has been awarded a grant from the Colorado Department of Local Affairs (DOLA) to help fund this important project. Overall cost for this project amounts to \$515,000. The DOLA grant, which totals to \$386,250, will generously cover 75% of the project costs, providing crucial financial support, while the city will be responsible for funding the remaining 25%. This partnership will enable the city to successfully complete the project while minimizing the financial burden on local resources.

RECOMMENDATION

Overall recommendation would be to award Douglass Colony the RFP to complete the Salida Fire Department solar solutions project.

FISCAL IMPACT

The financial impact to the city of Salida will be \$128,750.

MOTION

A Councilmember should make a motion to “combine and approve the items on the consent agenda”, followed by a second and a roll call vote.

CITY OF SALIDA

OVERVIEW OF LOCAL NOISE REGULATIONS & PERMITTING

Chapter 10, Article IX of the Salida Municipal Code (the “Code”) establishes regulations and standards for noise within the City of Salida (the “City”) to reduce and eliminate unnecessary and excessive noise which would otherwise be detrimental to residents and the community in the enjoyment of life, property, and the conduct of business. Of note, Section 10-9-30(c) of the Code provides that it is “unlawful for any person to emit or cause to be emitted any noise which leaves the premises on which it originates, inclusive of a public premises, crosses a property line and enters onto any other premises in excess” of the specified levels.

Pursuant to Sections 10-9-40(14) and 10-9-80 of the Code, however, the City may specifically exempt a particular noise from this prohibition through the issuance of a noise permit. Such a permit may include limitations and conditions to minimize the adverse impacts of the proposed noise may have on the community or surrounding neighborhood. Such limitations and conditions include, but are not limited to, the following: the hours of operation, maximum decibels, the type of sound amplification equipment, and the type of sound that may be amplified. No permit shall be issued for noise after 10:00 PM, with allowances to go until midnight on the Fridays and Saturdays of Memorial Day weekend, 4th of July weekend, and Labor Day weekend, and on the Thursday, Friday, and Saturday during the FIBArk Festival.

The issuance of a noise permit is at the sole discretion of the City Administrator or City Council, and the issuance of such permit does not confer any rights upon the permittee other than those expressly authorized by the permit. CITY COUNCIL ACTION FORM

DEPARTMENT	PRESENTED BY	DATE
Administration	Christy Doon - City Administrator	October 21, 2024

AGENDA ITEM

Resolution 2024 – 67, A Resolution of the City Council of the City of Salida, Colorado, Amending its Employment Agreement with City Clerk Kristi Jefferson

BACKGROUND

City Council, pursuant to its authority in Salida Municipal Code 2-3-40, appointed Kristi Jefferson as Salida City Clerk on March 5, 2024, after serving the City of Salida for 23 years, in a number of roles over that time, including as. Finance Clerk, Planning Technician, and Senior Planner.

City Council held a six-month performance check-in with City Clerk Kristi Jefferson on October 1, 2024, which was very positive and productive. At that time, Council expressed the desire to increase Jefferson's maximum permitted accrual Paid Time Off (PTO) hours to 350, from the standard 300 maximum hours. This would ensure that Jefferson continued to work more as City Clerk, train her deputy clerk, and not be forced to take a day off every other week to ensure not losing this employment benefit.

This increase in maximum permitted accrual PTO hours, found in Section IX of the Employment Agreement, is the only update or change in the attached agreement from the City's March 5, 2024, Employment Agreement with City Clerk Jefferson.

STAFF RECOMMENDATION

Per City Council direction, staff is bringing this resolution forward for action.

FISCAL IMPACT

The PTO balance will be paid out in the event of City Clerk Jefferson's separation from the City (retirement, resignation).

MOTION

A City Councilmember should state "I move to _____ A Resolution of the City Council of the City of Salida, Colorado, Amending its Employment Agreement with City Clerk Kristi Jefferson", followed by a second and a roll call vote.

RESOLUTION NO. 67
(Series of 2024)**

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SALIDA, COLORADO,

WHEREAS, Salida Municipal Code § 2-3-40 provides that the City Council possesses the authority to, and appoints a City Clerk who shall serve at the pleasure of the City Council (“Council”); and

WHEREAS, Council appointed Kristi Jefferson as City Clerk on March 5, 2024, after having served the City of Salida for 23 years, in a number of roles over that time including as Finance Clerk, Planning Technician, and as Senior Planner; and

WHEREAS, after Council’s six-month performance check-in with City Clerk Jefferson on October 1, 2024, Council finds it necessary and desirable to amend its employment agreement with Jefferson to update her maximum permitted accrual PTO hours, in order to facilitate additional working hours from Jefferson and maintain the organizational and operational priorities of the City.

**NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY
OF SALIDA, COLORADO THAT:**

EMPLOYMENT AGREEMENT

THIS EMPLOYMENT AGREEMENT ("Agreement") is entered into and effective as of the 5th day of November, 2024, by and between the **CITY OF SALIDA, COLORADO**, a Colorado municipal corporation, hereinafter referred to as "City" and **KRISTI JEFFERSON**, hereinafter referred to as "Jefferson", together referred to as the "Parties."

WITNESSETH:

WHEREAS, City desires to continue to employ the services of Kristi Jefferson to serve as City Clerk; and

WHEREAS, it is the desire of the Salida City Council, hereinafter called "City Council," to continue to provide certain benefits, establish certain conditions of employment, and to set the working conditions of Jefferson; and

WHEREAS, Jefferson desires to continue to serve as City Clerk of the City of Salida;

WHEREAS, the Parties desire to continue to express the employment relationship in written form;

NOW, THEREFORE, in consideration of the premises, and the mutual covenants and promises hereinafter set forth, the Parties agree as follows:

SECTION I DUTIES

City hereby agrees to employ Jefferson as City Clerk of the City of Salida to perform the functions and duties specified in the City Clerk job description and to perform other legally permissible and proper duties and functions as City Council shall from time to time assign.

SECTION II TERM

(a) Without waiving any rights to renegotiate and/or terminate this Agreement, Jefferson's term of appointment shall begin on March 5, 2024, and continues indefinitely until terminated by the City or Jefferson as provided for in Section III or IV of this Agreement.

(b) The City Clerk is an appointed City officer who serves at the pleasure of the City Council. Jefferson may therefore be removed from office at any time, for any reason or for no reason (for convenience), upon a majority vote of the City Council, at which time this Agreement would terminate, subject only to the provisions set forth in Section III of this Agreement. The City Council and Jefferson specifically agree that Jefferson's employment with the City is "at will" notwithstanding any personnel or employment rule or policy of the City to the contrary.

(c) Nothing in this Agreement shall prevent, limit or otherwise interfere with the right of Jefferson to resign at any time from her position with City, subject only to the provisions set forth in Section III of this Agreement.

SECTION III
TERMINATION AND SEVERANCE COMPENSATION

- (a) For the purposes of this Agreement, termination shall occur when:
- (1) a majority of the City Council votes to terminate Jefferson at a duly authorized public meeting; or
 - (2) the City Council, or the citizens by initiative, acts to amend any provisions of the Salida Municipal Code pertaining to the role, powers, duties, authority, responsibilities of Jefferson's position that substantially changes the form of government, in which case the following shall apply: within ten (10) days following the effective date of such change in the form of government, Jefferson must inform the City Council in writing of her election of one of the following two (2) options: (1) that she elects to accept such changes in the form of government and agrees to continue as the City Clerk (or equivalent title under such changed form of government), in which case no termination shall be deemed to have occurred and no Severance Compensation shall be paid; or (2) that she elects to consider the same a termination, in which case she shall leave the employ of the City and Severance Compensation shall be paid; or
 - (3) the City Council reduces the base salary, compensation or any other financial benefit of Jefferson, unless it is applied in no greater percentage than the average reduction of all City employees; or
 - (4) Jefferson resigns.

(b) In the event that Jefferson is terminated pursuant to Section III(a)(1), (2), or (3), and provided that Jefferson is willing and able to perform her duties under this Agreement, the City shall pay to Jefferson "Severance Compensation" in the form of a lump sum payment the amount of one (1) months' aggregate salary. In addition to the applicable Severance Compensation owed hereunder, Jefferson shall be paid for all accrued, unused Personal Time Off (PTO) leave, and one (1) month's health insurance premiums under the insurance policy in force at the time of such termination.

(c) Notwithstanding anything herein to the contrary, the City Council may terminate Jefferson upon a finding by the City Council of an Improper Action. For purposes of this paragraph, "Improper Action" shall mean (i) conduct by Jefferson which is fraudulent or dishonest, or (ii) Jefferson's conviction of a felony or serious crime involving moral turpitude under any federal or state law. In the event Jefferson is terminated for Improper Action, the City shall have no obligation to pay any severance amount or any Severance Compensation. Any termination for Improper Action shall require five (5) days' notice to Jefferson of the reasons for termination, an opportunity for a hearing before the City Council and a majority vote by the entire City Council.

(d) In the event Jefferson voluntarily resigns her position with the City at any time during the term of this Agreement, then Jefferson shall give the City at least two (2) weeks written notice in advance, unless the Parties otherwise agree. Voluntary resignation by Jefferson

will result in a loss of all Severance Compensation, if any, that would otherwise be due and owing to her by the City under this Agreement, unless otherwise determined by the City Council in its sole and absolute discretion.

SECTION IV DISABILITY

(a) If Jefferson is permanently disabled or is otherwise unable to perform her duties because of sickness, accident, injury, mental incapacity or health for a period of four (4) successive weeks beyond any accrued sick leave, or for twenty (20) working days over a thirty (30) working day period, the City shall have the option to terminate this Agreement, subject to the payment of Severance Compensation set forth in paragraph (b) of Section III.

(b) As used herein, "permanently disabled or otherwise unable to perform her duties" shall be defined as: (1) if Jefferson is receiving total permanent disability payments pursuant to any disability program under which she is covered, whether owned by the City or otherwise; or (2) in the absence of such disability program, if (a) Jefferson's attending physician certifies that Jefferson is unable to perform her duties as set forth herein for the City and that such condition is total and permanent; and (b) in the event that Jefferson does not timely consult such attending physician and the City reasonably believes Jefferson to be so disabled, the City may require such an examination from a properly qualified physician who shall conduct such examination(s) as is appropriate to determine whether or not Jefferson is so totally and permanently disabled; and (c) such condition continues for the period stated in this Section IV.

SECTION V SALARY

(a) City agrees to initially pay Jefferson for her services rendered hereunder at an annual rate of Ninety One Thousand Seven Hundred Dollars (\$91,700.00), which sum shall be payable in installments at the same times as other employees of the City are paid.

(b) In addition, City agrees to consider and adjust the base salary and other benefits to Jefferson based upon the performance evaluation process described in Section VI of this Agreement; PROVIDED, HOWEVER, that said consideration and salary adjustment shall be solely within the discretion of the Mayor and City Council, and shall be merit based.

SECTION VI PERFORMANCE EVALUATION

(a) The Mayor and City Council shall review and evaluate the performance of Jefferson at least annually, commencing in or around March of each year.

(b) All such reviews and evaluations shall be in accordance with specific criteria developed jointly by the Mayor, City Council and Jefferson. The criteria may be added to or deleted from as the Mayor and City Council may from time to time determine, in consultation with Jefferson. The Mayor and City Council shall provide Jefferson with an adequate opportunity for Jefferson to discuss her evaluation with the Mayor and City Council.

(c) The City agrees to annually increase Jefferson's compensation, conditioned upon the positive results of the performance evaluation conducted under the provisions of this Section. Increased compensation can be in the form of a salary increase and/or a cost of living adjustment ("COLA") and/or performance incentive and/or an increase in benefits.

(d) The Parties agree that the Mayor and City Council has the right, in its sole discretion, in addition to and not in replacement of the procedures set forth in this Section, to consider Jefferson's performance in executive session in compliance with the Colorado Sunshine Law and the City Code.

SECTION VII HOURS OF WORK

It is recognized that this is a full-time position for which Jefferson must devote a great deal of time outside normal office hours to business of the City and will necessarily be engaged in work during certain evening and weekend hours. As such, Jefferson shall be entitled to arrange and organize her work schedule to best achieve her duties and responsibilities.

SECTION VIII AUTOMOBILE MILEAGE REIMBURSEMENT

Jefferson shall be reimbursed at the then existing I.R.S. rate for mileage incurred using her personal automobile for all trips expended in the performance of her duties as City Clerk which require travel in excess of ten (10) miles in one direction from the corporate limits of the City.

SECTION IX PERSONAL TIME AND OTHER LEAVE

In all respects, Jefferson shall be subject to, entitled to and governed by the general policies of the City identified in its Personnel Manual, as amended from time to time, regarding Personal Time Off ("PTO"), and other leaves, unless otherwise provided for herein, or otherwise required by law, and except for that Jefferson's maximum permitted accrual PTO hours shall be 350 hours as of the effective date of this Agreement. Any accrued PTO or other leave from Jefferson's previous role with the City shall carry over and continue.

SECTION X BENEFITS AND PERSONNEL POLICIES

Except as otherwise provided herein, or otherwise required by law, Jefferson shall enjoy the benefits of, be entitled to, and be subject to, all the general City policies for all full-time employees listed within the City personnel manual, as amended from time to time, regarding all benefits and policies, including, but not limited to, medical, dental and life insurance and long-term disability insurance. Notwithstanding the foregoing, the City shall match the equivalent of up to five percent (5%) of Jefferson's salary to Jefferson's 457 Plan if she chooses to enroll in such Plan, at such times as it makes such Plan contributions for City employees generally, and Jefferson shall become immediately vested in the balance of her Plan account. Jefferson shall receive a City-issued cell phone for her business use, or a stipend for use of her personal phone for business use, at Jefferson's option, under the same terms and conditions that such phones are provided to other City employees.

SECTION XI INDEMNIFICATION

Jefferson shall enjoy the benefits of City employees provided in the City of Salida Personnel Policies and Procedures and in the Colorado Revised Statutes regarding tort, professional liability claims or demands, and any other legal actions, arising out of an alleged act or omission occurring in the performance of her duties as City Clerk.

**SECTION XII
GENERAL AND MISCELLANEOUS PROVISIONS**

(a) **Binding Effect; Enforcement.** This Agreement shall be and become binding upon, and inure to the benefit of, the Parties hereto, their heirs and personal representatives. This Agreement shall be construed and interpreted according to the laws of the State of Colorado, and any action necessary to enforce, construe, or interpret the within shall be maintained in the District Court in and for Chaffee County, Colorado. Nothing in this Agreement shall prevent or preclude the Parties' mutual agreement to submit any dispute arising from this Agreement to mediation or arbitration.

The Parties further agree and acknowledge that the City has established and shall maintain an adequate present cash reserve held for future payments, if required, in an amount sufficient to pay any severance compensation required by this Agreement. It is the intent of this Section that the City shall be entitled to reasonable notice and a reasonable opportunity to cure any failure to appropriate sufficient funds prior to any determination that Jefferson's employment is terminated.

(d) **Assignment.** The rights and obligations of the City under this Agreement shall inure to the benefit of and be binding upon the successors and assigns of the City.
