Introduction

ROUTES

Shopper Shuttle Changes - The discussion centered on changing the route into one loop, eliminating the need to stop at the shopping centers twice and adding the Cinema as a stop. The times will be changed to allow for students who participate in after school activities to have transportation options. Public input will also be gathered from the Longest Day Parkway event and on Facebook.

The Farmers Market Route - The trolley will run June-October, every Friday from 2 pm-6 pm to decrease congestion and parking issues.

The Mountain Festival Route-The trolley will run a loop on Saturday and Sunday to accommodate festival participants.

The Town Center Route-This has been delayed so that the route can be properly established and marketed.

GRANTS

STIF/STF Consolidation-The consolidation is complete. Some of our funding was utilized to create a county wide informational website about public transportation options. The website is <https://rideclackamas.org/> .

STIF Discretionary-We have been awarded funds for a technology assessment and efares.

Design RFQ-The RFQ was released and we have had eight responses. The selection committee is ready to begin the selection process.

Longest Day Parkway-The longest Day Parkway is on June 22nd. Transit will have a station there.

Sandy Mountain Festival Parade-Transit has entered the parade and everyone is invited to join us on the trolley.

Ridership-Ridership is on the rise.
