FROM: Alina Ciocan, Assistant City Manager

AGENDA ITEM: Consideration and possible action on Resolution No. 2022-08 Participating in Denton County's Community Development Block Grant program, and authorize the Mayor to execute said agreement.

SUMMARY:

- The Community Development Block Grant (CDBG) program is a federally-funded grant program administered by the Department of Housing and Urban Development. It aims to provide affordable housing, anti-poverty programs, and infrastructure development.
- In order to receive CDBG funding, Denton County must qualify as an Urban County under the CDBG program. Denton County is eligible to receive entitlement grant funds by having a combined population of 200,000 or more from participating municipalities and unincorporated areas.
- Municipalities are invited to join the County's consortium. Eligible cities must have a population under 50,000 and not currently receive CDBG funds. Entitlement counties must re-qualify every three years.
- On August 16, 2021, City Council approved a resolution supporting Denton County's application for funding from the Department of Housing and Urban Development to carry out Community Development Program activities.
- On September 7, 2021 the City Council approved a Joint Administrative Agreement with Denton County regarding the administration of the CDBG funding.
- Due to timeline constraints, Denton County has opted to forgo funding for Fiscal Year 2023, and instead go through the qualification process again for Fiscal Year 2024.
- Should the City be interested in joining the Consortium, the Joint Administrative Agreement needs to be executed again since this is a new qualifying process.

RE: Urban County Qualification for CDBG 2023 - 2025

Dear Mayor Muir,

Denton County is honored to announce that we are seeking qualification as an Urban County under the Community Development Block Grant ("CDBG") program in order to assist in providing our eligible cities with funding for projects related to low-moderate income individuals in their communities.

CDBG aims to ensure the development of viable communities through the use of infrastructure development and anti-poverty programs. This mission is accomplished through the funding of activities which meet one of the CDBG national objectives: benefiting low and moderate income persons, eliminating slums/blight, or addressing urgent community development needs.

The CDBG program is federally funded, locally administered, and successful through collaboration. Denton County extends this invitation to you, as an eligible municipality, for participation in the Denton County CDBG Consortium. Under the Consortium we shall work together to provide valuable services to our citizens and further the high quality of living that all cities and towns in Denton County offer.

Should you elect to join to Consortium, the attached Cooperative Agreement must be signed and returned to the Denton County Grant Manager, Rina Maloney on or before August 1, 2022. Those cities/towns which opt out of joining are asked to notify the County of such by email, rina.maloney@dentoncounty.gov.

If you have any questions or concerns regarding the CDBG program, please contact Rina Maloney at, (940) 349-3012, rina.maloney@dentoncounty.gov.

Sincerely,

Andy Eads
