AGENDA ITEMS

1. Review and Update of the Commission Policies and Procedures

Time Stamp (audio & video)

Jens Nielson, Deputy County Attorney, opened the discussion of the commission policies and procedures. They began with the work session items and procedures and what should be part of the meeting. The consent agenda, meeting location, public attendance, public participation, decorum, commission voting was reviewed. There were many comments regarding voting; Yea, Nay, Abstentions. The process of using Motions (motion, 2nd, Tabling and Postpone) were brought up and how they are to be used in a meeting. Commission participation was discussed; they are to be off electronic devices, they are not to receive phone calls, and are not to leave the chambers to receive a call, etc. Public participation is a privilege, not a right. Chair runs the meeting and the public is encouraged to follow the rules of order.

The commission requested a "redlined" document and a "clean" document be presented at the next commission work session. There was concern that any more legal reviews would add additional time to the process.

2. Review of the Updated San Juan County Purchase Card Policy

The department heads, human resources, auditors, road department, legal, and commissioners met to work through the issues related to the policy.
