Hi this is Jackie Jeppson and I'm interested in filling your library board position in Blanding. I am a native of Blanding. I have a BS in Marketing and a Masters in Special Education. I taught school for most of my career. I also ran the vocational education program at USU for 8 years. I am retired and don't see a problem that interferes with other programs that I am currently involved with.

Thanks for your consideration,

Jackie Jeppson

RE: Open Position: Trustee for San Juan County Library System

Dear Marjorie,

Thank you for the opportunity of consideration as Trustee for San Juan County Library System. Often thinking upon how to be of continued service to our community, I was pleasantly surprised when you reached out to me.

I was fortunate to have had parents who strongly encouraged reading. As a child, once a month, Dad or my oldest sister drove us to the County Library. Once we arrived, there was a moment of awe as I looked up and began ascending the broad stairs, leading to beautifully carved double-doors. For I knew, on the other side laid another world open to me. There was such a sense of reverence for not only the physical structure, but more importantly, what lay between the myriad book covers lining every shelf. It was as if mystery, travel, and answers would unfold. My first travel to Egypt, So. America, Africa, and Space was experienced. I learned about science, and amazing discoveries. What a joyful moment when the Library announced a Bookmobile would come to our neighborhood, every Saturday. No longer did we have to endure the long drive to and from the Library. Being a voracious reader meant I could have six (6) different books every single Saturday! About the only time Mom scolded me was when she caught me reading under my bed covers with a flashlight, long after the lights were out. With our \$.10 then \$.25 weekly allowance, after setting aside our tithe, we put 10% into this little bank that looked like an encyclopedia. Mom would shake the book bank and determine whether there was enough to acquire another book for the Encyclopedia set. The set was finally complete after a few years of dropping our coins into that little bank. Mom knew she would find me in the formal living room that contained the precious books, when I was needed. This was one of my favorite places to be.

I chose an appropriate book for each of the children's activities I created as a volunteer for the Grand County Beacon program. When I could not hold the books because of invasive surgeries to both my hands and arms, the children asked if they could hold the books. Then they took turns reading the stories. This was a welcome mile-stone for these young students.

I have been writing from an early age. Some of my poetry transitioned into hymns played and sung by the Church choir. As an adult, my writing continues in various genres. Several have been published. I feel much of the reverence and awe of actually holding a book, smelling the pages as the ink rises to the nostrils while reading, has been lost. eBooks and CD medias are important for a number of reasons; however, this can never replace the passion felt while holding a book tight to the chest because one is incredibly moved by what lay between the covers.

Am I the best fit for what you are looking for? I don't know. What I can tell you, is my love for what the Library can do for a community...sharing my passion of discovery after reading an amazing book.

From the Heart,
Annette Myers

**San Juan County Public Library Policy:
Employee and Volunteer Criminal Background Checks**

Effective 11-19-2024

*To be posted in a prominent location at each branch

Legal Authority for Policy: Pursuant to San Juan County HR Policy, the Human Resources Director has designated San Juan County HR or Administration to conduct criminal background checks on prospective employees, volunteers, and presenters at library programs under the supervision of Human Resources to ensure a safe and secure workforce. This Policy is intended to implement criminal background check requirements established by Utah Code § 9-7-218. The County Library also recognizes that the current HR Policy requires criminal background checks for a potentially broader category of positions than required under Utah Code § 9-7-218 and Library Staff shall defer to HR Policy when hiring for positions designated by HR as being subject to background checks that are not identified in this policy.

1.0 Applicable Definitions

1.1 "Qualifying position" means any of the paid or unpaid employment positions with the San Juan County Library System including a volunteer position, that are listed in section 2.1 below. "Qualifying positions" may also include presenters retained by contract and not subject to a W2 that have significant contact with individuals under 18 years of age or vulnerable populations.

1.2 "Qualifying prospective employee" means an individual who: (i) is 18 years old or older; and (ii) applies for a qualifying position with the San Juan County Library System.

2.0 Background Checks for Qualifying Positions

2.1 The San Juan County Library Board has determined the following positions (whether paid or unpaid) to be qualifying positions: Director, Assistant Director, Librarian, Library Assistant, Library Manager, Assistant Library Manager, all temporary employees within the same positions, and volunteers for children's programming.

2.2 The County Library may not employ anyone in a qualifying position without the prospective employee first submitting to a criminal background check subject to this policy. A refusal to complete a background check authorization form constitutes an incomplete application, which disqualifies a prospective employee from being hired.

3.0 Procedures for Gathering, Submitting, & Reviewing Criminal Background Checks

3.1 Upon meeting a qualifying prospective employee, the Hiring manager shall give the qualifying prospective employee a copy of this policy.

3.2 Before extending an offer of employment, the hiring manager or HR designee will require that the qualifying prospective employee sign a background check authorization form and submit it to the County Human Resources.

3.3 The Hiring Manager or designated staff member shall submit the prospective employee's completed form to the County Human Resources for processing.

3.4 If the prospective employee's criminal background check does not turn up any criminal history, County Library Human Resources may extend an offer letter of employment.

4.0 Procedures for Disqualifying A Qualifying Prospective Employee From Employment Based On Background Check Results

4.1 If a prospective employee's background check reveals an offense, County Human Resources will consult with the County Employee Relations and the District Attorney's offices.

4.2 If a prospective employee's background check reveals a disqualifying offense, County Human Resources will provide a written notice of the reason for disqualification.

4.3 The prospective employee may appeal the disqualification in writing to the County Human Resources department within one week.
