Revenue/Expense Comparison

Item 2.

Understanding the chart

Revenue

4 years of analysis shows a huge increase in revenue beginning in 2021. This is due to identifying gaps in checks and balances with daily accounting practices. Another contributor is the implementation of automated systems for collecting payments.

Expense

Expenses were reduced in 2021 because of staffing shortages. Salary increases and full staff caused expenses to increase in 2022.

Documents/doubled since 2019

Documents recorded during this 4 year span can be an indication of economic changes impacting properties and the sale of properties. It can also indicate economic changes with gas, oil, mineral leases throughout the county.

Since 2019, the Recorder's Office has doubled the amount of documents recorded, with the same size staff.

Hats off to:

Project 1

85% Complete

Item 2.

The conversion of all plat maps from AutoCad to ESRI

The Pros:

- All county departments will have access, including first responders.
- Plat maps can be made publicly available which will reduce workloads for the Recorder's Office.

Project 2

60% Complete

Cloud access to all documents

Item 2.

The Pros:

- No more VMware and very limited subscriptions.
- Documents can be publicly available which will reduce workloads for the Recorder's Office while generating revenue to offset the cost of the system.
- Searchers will no longer have to drive to Monticello to access documents.

Department Problems

Item 2.

The largest obstacle we face is IT support. Last year we lost \$3774.69 to the reimbursement of subscriptions as the sites were down. Our projects are a full year behind schedule as we are waiting on IT. **We recognize the need for more IT staff!**

Market trends

Trend 2

Gas, Oil, Mining explorations increase

Recorder Implications:

- Increase in operations documentation will reflect positively on revenue.

Market trends

Trend 3

Increase in Subdivisions/Minor and Major

Recorder Implications:

- Subdivisions create a workload demand as each development must be mapped and each lot created into the systems.

6. Electronic Communication: Commissioners are encouraged to be mindful in their electronic communications that any electronic communications among two or more

Commissioners are subject to GRAMA, the State’s Government Records Access and Management Act. GRAMA gives “every person the right to inspect a public record” (UCA 63G-2-201(1)). 4. Leaving Seat: When a vote is commenced, no Commissioner shall leave until their vote has been recorded except in the case of personal emergency
5. Change of Vote: A Commissioner may change their vote after the call for the vote has been completed and before announcement of the result, but not thereafter.

7. Abstentions: Although it is the duty of every Commissioner to vote, they can abstain, as they cannot be compelled to vote.
8. Questions Affecting a Commissioner: Commissioners are permitted to vote for themselves for an office or other position to which Commissioners are generally eligible.

N. Motions

1. Making and Withdrawing: When a motion is made, the Chair shall call for a second. The Chair shall restate the motion upon request by any Commissioner. If the motion receives a second, the Chair has discretion to restate the motion after debate and before vote commences. The Chair may request that the motion is submitted in written form prior to the motion being stated by the Chair.
2. Chair's participation in making or seconding motions. If the Chair wishes to make an original motion, they shall temporarily transfer the responsibilities of the Chair to another Commissioner, make their motion, and then once the matter is concluded, receive back the Chair responsibilities. The Chair may second motions while still acting as Chair. Nothing in this section shall be construed as restricting the Chair's ability to fully participate in the legislative process.
2. Division of Motion: If the motion contains two (2) or more divisible propositions, the Chair may, and upon request of a Commissioner shall, divide the same.
3. Motions Out of Order: The Chair may not at any time permit a member to introduce an ordinance, resolution, or motion out of the regular order as set forth in the agenda unless a motion is made to take such item out of order and that motion is approved by majority vote. A proposed ordinance or resolution may also be moved by majority vote from the Work Meeting agenda to the Formal Meeting section of the agenda for action on the same day as the item was introduced on the Work Meeting agenda, so long as any changes made to the item are not so substantial as to necessitate re-noticing.
4. Superseding a Motion, Resolution, Order or Rule: A motion, resolution, order, or rule that has been adopted or approved at a previous meeting may be superseded by a subsequent official action of the Commission.
5. Reconsidering a Motion: A motion may be reconsidered at any time during the same meeting at which it was originally acted upon if the motion to reconsider is introduced by a Commissioner who had voted with the prevailing side and the motion is passed by a majority vote. Only after the motion to reconsider has been approved by the majority can the main motion be considered.
6. Postponing a Motion: Any item on the agenda may be postponed until the next meeting or a specific future date. A motion to postpone shall give best efforts to include the future time of consideration and reason for postponement. Any agenda item not postponed to a specific later date shall be automatically placed on the agenda of the next meeting of the Commission.

7. Tabling a Motion: Any item on the agenda may be tabled until later in the same meeting. A motion to table temporarily suspends further consideration or action on an agenda item until later in the meeting. A motion to bring back to the table shall be made to resume discussion on the item tabled. An item to be considered at a future meeting shall be postponed, rather than tabled.
8. Amending a Motion: Any main motion may be offered for amendment by a Commissioner after the main motion has been seconded and is under debate. The Commissioner who seconded the main motion must concur in the amendment.
9. Substituting a Motion: A motion may be made to substitute a different motion for the pending motion. If the motion to substitute fails, the Chair returns to the pending motion as originally read or made. If the motion to substitute passes, the question is now on the motion proposed for substitution and the original motion dies.
10. Robert's Rules of Order: Any specific questions regarding motions that are not addressed in these Policies and Procedures shall be determined by the edition of Robert's Rules of Order provided to the Commission by the County Administrator.

O. Reading and Passage of Resolutions and Ordinances
