Hi Mack,

I would like to express my interest on serving on the Wilson Arch SSD Board. My wife and I currently own a home in the Wilson Arch Community and I would like to offer my help on this new SSD. As a CPA I have worked professionally with a lot of HOA Boards, helping with budgeting, financial statement preparation, and attending meetings. Personally, I have served on several HOA Boards as well, and currently serving as Treasurer on Condo. Association Board of which my wife and I belong. I think my accounting and financial background can be an asset in helping with getting this SSD established.

Sincerely,

Doug Gorman

**RE: RESIGNATION FROM WILSON ARCH WATER & SEWER SPECIAL SERVICE DISTRICT**

Please accept this letter as my resignation from the Board of Directors of this Special Service District.

My wife and I have sold our properties at Wilson Arch, and since we no longer live within or have an ownership stake within the District, it is inappropriate that I continue to remain on the Board.

I know each of the members of this board personally and you can be certain they are eager and well equipped to work closely with the County toward the goal of assuring that home owners in the District have an ample and properly approved water source, and fire suppression capabilities that meet the County's safety standards for all its citizens.

Thank you for the opportunity to serve our community.

### SUMMARY

We have a Memorandum of Understanding with the Veterans Health Administration to provide in home services to Veterans that qualify for this service. This is a renewal of the Memorandum of Understanding for services for the program.

### HISTORY/PAST ACTION

### FISCAL IMPACT

**This is paid for by the Veterans program budget which comes from Federal funding.**

**VETERANS HEALTH ADMINISTRATION  
VETERAN DIRECTED CARE SERVICES PROGRAM  
MEMO OF UNDERSTANDING (MOU)**

**GEORGE E. WAHLEN VAMC SLC UT  
&  
SAN JUAN COUNTY AREA AGENCY ON AGING**

A Veteran Directed Care (VDC) MOU is formed when VA agrees to purchase VDC from an Area Agency on Aging. Referred to as Provider. The Provider must meet all terms and conditions described in the following and agree to accept VA beneficiaries. All terms and conditions of this MOU shall apply during such time a VA beneficiary remains in the VDC Program at the expense of VA. MOU’S remain in place for five years and may be renewed. The rate schedule may be adjusted on an annual basis.

**SECTION A - CRITERIA**

The following criteria will be agreed to by the Provider for the MOU to be in effect:

**A.1 MEET THE VETERANS HEALTH ADMINISTRATION (VHA) REQUIREMENTS FOR THE VDC PROGRAM**

The Provider is recognized by VHA to provide the VDC program. The Provider is an Area Agency on Aging or, in certain locations a State Agency on Aging. The Provider must successfully complete the Readiness Review Criteria, demonstrating their ability to operate a VDC Program.

The Provider offering VDC, as outlined in addendum A, must supply or assist in arranging consumer/self-directed services that, based upon the needs and preferences of the participating Veteran and/or their representatives, will help to maintain the Veteran at home.

**A.2 PROVIDE QUALITY CARE AS MEASURED BY VA**

The Provider will routinely measure and analyze clinical and administrative program quality elements through a quality assurance system. The Provider must present didactic examples of quality assurance activities to include at a minimum:

- (1) Veteran and/or family concerns; and,
- (2) Samples of the reliability of care being delivered as planned.

**A.3 ALLOW VA REVIEW OF VETERAN CARE**

The VA, at its sole option, will monitor the care and administrative management of services provided to VA beneficiaries under this MOU, through one or any combination of the following methods: reviews of agency reports; telephone contact to ensure Veterans are receiving the services according to the VDC plan; and, on-site monitoring of Veterans’ care. Veteran and family satisfaction with these services may also be discussed. All records concerning Veterans’

care will be readily accessible to VA. Upon discharge or death of the Veteran, all records will be retained by the provider for a period of at least three years following termination of care.

**A.4 SECURITY OF VETERAN INFORMATION**

Providers are covered entities under the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and thus must comply with all HIPAA privacy and security regulations.

**SECTION B – RATE STRUCTURE AND REIMBURSEMENT**

**B.1 RATE DETERMINATION – HOME CARE SERVICES**

The Veteran’s monthly budget in the VDC Program will be established between the VAMC and the Provider, based upon rates provided by the Office of Geriatrics & Extended Care (GEC), VA Central Office. GEC will provide each VAMC with a range of county-based rates sufficient to cover most cases. Rates above the range require GEC approval. Included in the bundled monthly budget is:

- (1) The Veteran-Directed Budget: These are the funds the Veteran uses to purchase services & goods in order to remain independent in the community. This amount also includes a “emergency backup” fund and planned savings. The “emergency backup” fund is used for care when agency providers are required as back-up for workers the Veteran hires, or for respite care. Planned savings are for the purchase of goods which cannot be supported in a single month’s budget.
- (2) VDC Administration: These are the funds for the service coordination and Financial Management Services (FMS) supplied by the Provider and Provider’s administrative costs.

VAMCs and Providers determining the Veteran’s monthly budget:

- 1) VAMC sets the rate based on an accepted assessment instrument then refers the Veteran to the Provider to develop a plan. This method must allow a process in which the Provider can adjust the rate with VA approval

\*All budgets will be re-evaluated annually.

**Case mix Budget Rates**

\*\*\* See individualized Budgets for SLC and surrounding areas

**B.2 REIMBURSEMENT**

All payments by the VA to the Provider will be made by electronic funds transfer. Invoices shall be submitted promptly to the authorizing VA facility following the end of the month in which services were rendered.

All invoices must include the full name and address of the provider and shall reflect the Veteran's name, social security number, number of days billed, level of care category, and per diem rate. Failure to include this information may result in delayed payments.

Spending Plan and monthly invoices are actual expenditures

VA will pay the Provider separately for the initial assessment conducted with a Veteran referred to the VDC Program. This will include a set price for either a full or a partial assessment. Assessment rates are listed in the rates described in B.1.

VA Payments made by VA under this agreement constitute the total cost of care. No additional charges will be billed to Medicare Part B, the beneficiary or his/her family, either by the Provider or any third party furnishing services or supplies required for such care, unless and until specific prior authorization in writing is obtained from the VA facility authorizing placement. The Provider will not solicit nor accept contributions, donations, or gifts from Veterans or family members.

### **SECTION C – REFERRALS**

Referral for the VDC Program must be initiated by the Veteran's VA health care team. A Provider retains the right to refuse to accept any VA referral when it is anticipated that the services required would exceed the scope of the provider's ability to meet the care needs of the Veteran.

### **SECTION D – INSTITUTIONAL CARE**

Upon learning of a VA beneficiary's institutional placement (i.e. placement in a hospital, nursing home or rehabilitation center), the Provider shall promptly notify the VA liaison that authorized the Veteran's placement in the VDC Program. When the VAMC learns of a participant's institutional placement, VAMC staff will promptly alert the Provider.

When a Veteran enrolled in this program is placed in an institution, VA will pay for certain household services and planned purchases on a case-by-case basis. VA will not pay for personal care services during the institutional stay. VA will pay for VDC Monthly Administration for the first 15 days of the institutional placement. For an institutional placement which continues beyond 15 days, the Veteran will be placed in an inactive status, at which time all payments to the provider will cease until the Veteran's status is reactivated, unless otherwise approved by GEC. The Veteran will be discharged from the program when it is determined that the VDC Program is no longer clinically appropriate. Discharges from the program are also discussed in Section F of this agreement.

### **SECTION E – DEATH OF VA BENEFICIARY**

Upon learning of a VA beneficiary's death, the Provider shall promptly notify the VA liaison that authorized the Veteran Directed Care Program. When the VAMC learns of a participant's death, VAMC staff will promptly alert the Provider. VAMCs will only pay for the monthly VDC administration costs and for services & goods purchased prior to the Veteran's death.

### **SECTION F – TERMINATION OF SERVICES**

Veterans may choose to discontinue the Veteran Directed Care Program at any time upon 7 days' notice. The VA Medical Center and/or the Provider may choose to terminate the program upon 14 days' notice of the other party. To the extent that this agreement is terminated, VA will be liable only for payment for services rendered prior to the effective date of termination.

**DISENROLLMENT:** Veterans may voluntarily disenroll at any time by notifying their Aging Network Options Counselor who will notify the VAMC Coordinator. Veterans who demonstrate the inability to self-direct services due to misuse of funds, consistent non-adherence to program rules (including refusal to cooperate with the assessment or inability or refusal to complete

required employer/employee paperwork), or an ongoing health and safety risk to themselves or others, will be required to select a representative to assist them with the responsibilities of self-direction. Veterans who refuse to select a representative, cannot locate a representative who is able and willing to manage the services, or if they lose a representative (if already required for program participation) and cannot locate a suitable replacement, they will be required to disenroll from the program. The Aging Network Resource Counselor and Veterans Administration Medical Center Coordinator will try to help the Veteran locate suitable alternative services.

**SECTION G – DISPUTE RESOLUTION**

Providers will notify the designated VA liaison of any disputes regarding level of care, covered services, or other agreement issues within 5 business days of being noted. Any disputes unable to be resolved between the provider and the VA liaison will be referred to the VA Medical Center Director or designee within 5 business days. If the Medical Center Director or designee resolution is not satisfactory for the Provider, they may appeal that decision within 5 business days to the Office of Geriatrics & Extended Care VA Central Office for a final resolution.

**ADDENDUM A**

**TO VETERANS HEALTH ADMINISTRATION**

**VETERAN DIRECTED CARE PROGRAM MEMO OF UNDERSTANDING**

The Provider will assist Veterans and their family caregivers to develop a package of services that will enable Veterans in the VDC program to:

- Receive an assessment and care planning assistance
- Decide for themselves, or with a representative, what mix of goods and services will best meet their care needs
- Manage a flexible, individual budget
- Hire and supervise their own workers, including family or friends
- Purchase items or services to live independently in the community
- Have fiscal management and counseling and support services to facilitate service delivery
- Utilize traditional service providers if necessary to supplement consumer directed care

The Provider offering VDC must supply or assist in arranging consumer/self-directed services based upon the needs and preferences of the participating Veterans and/or their representatives. Providers will provide the VDC program as a bundled package which at a minimum will include the following services:

- Home and Community-Based Services (HCBS) - some examples include, but are not limited to:
  - *Personal Care (e.g. physical or verbal assistance with eating, bathing, dressing, grooming, transferring)*
  - *Homemaker (e.g. cleaning, laundry, meal planning & preparation, shopping)*
  - *Adult Day Care*
  - *Assistive Technology (e.g. emergency response system, electronic pill minder)*
  - *Home-Delivered Meals*
  - *Caregiver Support (e.g. counseling, training)*
  - *Respite Care*
  - *Environmental Support (e.g. yard care, snow removal, extensive cleaning)*
  - *Other goods and services needed to remain safely in the community (e.g. small appliances, grab bars, ramp, lift chair, etc.)*
- Assessment (initial assessment is paid separately.)
- Options Counseling/Support Services including care management
- Fiscal Management Services

The VAMC will identify Veterans of any age who are eligible for the VDC program and refer them to the Provider. In cases when Veteran referrals come through other avenues, such as an

Aging and Disability Resource Center or AAAs, the veteran must first be enrolled in VA for health care, have a VA primary care team, meet the admission criteria for the VDC program and receive a referral from the VAMC.

For more information on terms used in this section please refer to the *Definitions of Federal Assurances Terms*, after the Assurances.

**Certification Regarding the Non-discrimination Statutes and Implementing Regulations**  
(Applies to Recipients Other than Individuals)

The applicant certifies that it will comply with the following nondiscrimination statutes and their implementing regulations: (a) Title VI of the Civil Rights Act of 1964, as amended (42 U.S.C. § 2000 et seq.), which prohibits discrimination on the basis of race, color, or national origin (note: as clarified by Executive Order 13166, reasonable steps must be taken to ensure that limited English proficient (LEP) persons have meaningful access to the programs (see IMLS guidance at 68 Federal Register 17679, April 10, 2003)); (b) Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. § 701 et seq. including §794), which prohibits discrimination on the basis of disability (note: IMLS applies the regulations in 45 C.F.R part 1170 in determining compliance with § 504 as it applies to recipients of Federal assistance); (c) Title IX of the Education Amendments of 1972, as amended (20 U.S.C. §§ 1681– 83, 1685–86), which prohibits discrimination on the basis of sex in education programs; and (d) the Age Discrimination in Employment Act of 1975, as amended (42 U.S.C. § 6101 et seq.), which prohibits discrimination on the basis of age. (e) the requirements of any other nondiscrimination statute(s) which may apply.

**Certification Regarding Debarment and Suspension**

The applicant shall comply with 2 C.F.R. Part 3185 and 2 C.F.R. Part 180, as applicable. The authorized representative, on behalf of the applicant, certifies to the best of his or her knowledge and belief that neither the applicant nor any of its principals: are presently excluded or disqualified; have been convicted within the preceding three years of any of the offenses listed in 2 C.F.R. § 180.800(a) or had a civil judgment rendered against it or them for one of those offenses within that time period; are presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State, or local) with commission of any of the offenses listed in 2 C.F.R. § 180.800(a); or have had one or more public transactions (Federal, State, or local) terminated within the preceding three years for cause or default.

Where the applicant is unable to certify to any of the statements in this certification, he or she shall attach an explanation to this application.

The applicant, as a primary tier participant, is required to comply with 2 C.F.R. Part 180 subpart C (Responsibilities of Participants Regarding Transactions Doing Business with Other Persons) as a condition of participation in the award. The applicant is also required to communicate the requirement to comply with 2 C.F.R. Part 180 subpart C (Responsibilities of Participants Regarding Transactions Doing Business with Other Persons) to persons at the next lower tier with whom the applicant enters into covered transactions.

As noted in the preceding paragraph, applicants who plan to use IMLS awards to fund contracts should be aware that they must comply with the communication and verification requirements set forth in the above Debarment and Suspension provisions.

In addition, the applicant agrees by submitting a proposal that, should the proposal be funded with LSTA/ARPA federal funds, the grantee shall not knowingly enter into any project-related transactions (as defined under “lower tier covered transaction”) with a person who is debarred, suspended, proposed for debarment, ineligible or voluntarily excluded from participation on this covered transaction, unless authorized by the IMLS.

The applicant further agrees by submitting this proposal to include without modification the following cause in all lower tier covered transactions in all solicitations for lower tier covered transactions:

1. The prospective lower tier participant certified, by submission of the proposal, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from participation in this transaction by any federal department or agency.
2. Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

A grantee may rely on the certification of a prospective sub-recipient that is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A grantee may decide the method and frequency by which it determines the eligibility of its "principals."

Except when specifically authorized by the IMLS, if a grantee knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to the remedies available to the federal government, the IMLS may terminate this transaction for cause or default.

This certification is a material representation of fact upon which reliance is placed when the transaction is made or entered into. Submission of this certification is a prerequisite for making or entering into the transaction imposed by 31 U.S.C. § 1352. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure, or as otherwise required by law. In addition, in accordance with Federal appropriations law, no IMLS funds may be used for publicity or propaganda purposes for the preparation, distribution, or use of any kit, pamphlet, booklet, publication, electronic communication, radio, television, or video presentation designed to support or defeat the enactment of legislation before the Congress or any State or local legislature or legislative body or designed to support or defeat any proposed or pending regulation, administrative action, or order issued by the executive branch of any State or local government. ## San Juan County Utah

Parcel Fabric Implementation

Prepared By: Alison Walker

Frontier Precision GPS/GIS Technical Services Manager and Project Manager

August 2021

San Juan County Utah currently has parcel data in shapefiles and Google Earth files (.kmz). Record drawings that contain the legal boundaries of the parcels are stored in TIF files and PDF files.

The County is ready to implement [Esri's Parcel Fabric](#).

Frontier will complete the following steps for a successful implementation.

### Implementation of Parcel Fabric

**Ensure proper Esri licensing is in place:** Frontier will assist in determining current licensing levels and working with Esri to upgrade if required. The cost of Esri licensing is not included in this contract but will be paid separately directly to Esri. Two different deployments are outlined below.

Parcel fabric enterprise and single-user deployments require the following licensing:

Deployment	Required ArcGIS Pro license level	Includes	Web and mobile clients
Enterprise	Standard/Advanced	GIS Professional user type (Standard/Advanced) and the ArcGIS Parcel Fabric user type extension	ArcGIS Parcel Fabric add-on license is required
Single-user	Standard/Advanced	ArcGIS Pro license (Standard/Advanced)	Not supported

**Create the Parcel Fabric:** An empty parcel fabric will be created in the GIS system. After initial creation, parcel types, domains, field names, and related tables can be customized to fit the County's data and future needs. Initial fabric creation, consulting, and customization – up to 6 hours.

AN EMPLOYEE-OWNED COMPANY

📍 154 1st Avenue West | Jerome, ID 83338 📞 208.324.8006

**Migrate existing parcels:** Approximately 80 shapefiles containing just under 4000 parcels, along with a .kmz file containing an additional 5000 parcels will be imported to the parcel fabric. This involves multiple steps:

- Combine all shapefiles and .kmz
- Append merged data to parcel fabric feature class mapping ownership information and parcel numbers to the parcel fabric fields
- Import PLSS data including the Township and Section polygons along with the MasterPLSS points.
- Set parcel topology rules
- Cleanup parcel data:
  - o Remove duplicate and overlapping lines
  - o Tie parcel corners to PLSS control

With just under 10,000 existing parcels to migrate and clean, Frontier estimates approximately 32 hours of work to complete this step assuming the parcels are closely aligned with the PLSS control already. This would include creating subdivision parcels, and if needed, historical parcels. Time will increase if more manual cleanup is required and a change order may be required.

**Enter record information from TIF and PDF files:**

- Create and update parcel records based on record drawings to include the COGO (coordinate geometry) information to improve the overall accuracy and legal descriptions of parcel boundaries.
- Re-build parcels based on parcel records.

Frontier was provided record information for approximately 500 parcels. Much of the COGO data will be populated in the previous step. However, these records will be used to check the quality of the incoming data and ensure the records match the GIS. For records that do not match, new parcel records will be created and added to the fabric. Contract accounts for up to 90 hours of work depending on the quality of the original data and the ability of Frontier services staff to easily locate parcels in the GIS from the record drawings. If additional drawings are found and need to be included, a change order may be required.

**Documentation:** Frontier will document all steps and data cleanup as the project progresses, and documentation on customized parcel types, domains, fields, and related tables will be provided to the County prior to training. Frontier will also document any custom workflows that are created and will

provide directions to the County for ongoing maintenance in written or video form. Documentation of project and custom workflows – up to 24 hours.

**Training:** Frontier Precision’s goal is always to enable the end-user to continue to maintain and effectively use the updated GIS system. A successful implementation means that after the existing data is migrated and cleaned and the fabric is in place, the County would then be entirely self-sufficient in keeping the data up to date. This contract allows for 12 hours of remote training to be split up into 1-2 hour segments a few times a month. This gives users a chance to take in the training in manageable sections and then practice what has been learned prior to the next session. Frontier will continue to work with the County as needed until the close of the contract.

## Payment Breakdown

## Assumptions

Frontier Precision is making the above estimates based on the following assumptions:

- If the County is set up with Enterprise licensing, the software is set up, Portal is functional, and Frontier Precision would have full access. If needed Frontier can also provide services to assist with Enterprise configuration at an additional cost.
- All existing parcels and their associated data have been provided to Frontier for examination.
- Frontier Precision will be given access to the County's GIS through VPN or Remote Desktop. If needed, Frontier can provide its own licensing if software needs to be installed on the Remote Desktop.
- San Juan County staff will be available to answer questions about parcel records, participate in training, and provide IT assistance as needed with the remote access to the GIS.
- The county intends to use Frontier's GIS services for the full project. If reduced scope is requested, services rates are subject to change.

Thank you for considering Frontier's GIS Services for this project. We strive to improve everyone's access to GIS and enable users to manage and maintain their GIS systems moving forward. Please do not hesitate to request references or additional information if required.

RE: Investigation of Indian Boarding Schools

The Honorable Debra Haaland  
U.S. Secretary of the Interior  
1849 C Street NW  
Washington, DC 20240

Dear Secretary Haaland,

The recent discovery of Native American children buried at former Indian boarding school locations, reminds us of a horrendous chapter in our nation's history. The federal government kidnapped hundreds of thousands of Native American children, taking them from their families, homes, and Native communities. The children were imprisoned at Indian boarding schools where they were robbed of their native language, culture, traditions, and community, were physically and mentally abused, and subjected to violence and worse. Sometimes, they died in captivity. The racist policy of forced assimilation was designed to deprive Native children of their essential identity and to weaken and destroy Native cultures. The irreversible damage to individual Native children, their families and Native cultures is beyond comprehension.

Native children living in San Juan County were among those taken from their families and forced to endure mental and physical abuse and racist practices at Indian boarding schools.

We understand the U.S. Department of the Interior is undertaking an investigation into the atrocities that occurred at Indian boarding schools across the country, and into the continuing consequences of the boarding school program. We fully support a thorough and immediate investigation.

As part of the investigation, we request that the Department consult with all Tribal entities that have members living in San Juan County, in order to share sensitive information and honor sacred Native burial traditions. Due to the legacy of trauma and Native cultural destruction that arose from the era of Indian boarding schools, we request that the Department of Interior work with the Indian Health Service to provide culturally appropriate trauma support services for Native communities in San Juan County, UT, as the Department's investigation of the Indian boarding school program will almost certainly trigger painful memories for many of our Native residents.

Sincerely,

Willie Grayeyes,  
Commission Chairman

FROM THE NAVAJO POLICE DEPARTMENT 09.02.21

29 state and county officers and deputies take Navajo Navajo Department of Law Enforcement Officer's Oath of Office after completing cross commission training

WINDOW ROCK, AZ – On Wednesday, 29 officers and deputies representing the New Mexico State Police, McKinley County Sheriff's Office, Sandoval County Sherriff's Office, Socorro County Sheriff's Office, and Apache County Sheriff's Office gathered at the Tse Ho Tso Learning Center in Fort Defiance, Arizona, to take the Navajo Nation Department of Law Enforcement Officer's Oath of Office after completing the Navajo Nation cross-commission training.

A brief swear-in ceremony occurred Wednesday afternoon with officers and deputies recited the officer's oath of office and code of ethics before Navajo Nation Judge, Letitia Stover, who administered the oath virtually. The ceremony marked the completion of a two-day training facilitated by Sergeant Wallace Billie with the Navajo Police Training Academy.

The 16-hour training included topics on Navajo Cultural Awareness, Community Policing, Navajo Nation Bill of Rights, Criminal Jurisdiction, Criminal Code Title 17, NN Traffic Vehicle Code, Extradition and Detainment, Navajo SORNA, Navajo Police Districts and Courts, and Navajo Nation Children's Code Title 9.

During his remarks, Chief Phillip Francisco reflected on past challenges and the change made to address those issues, crediting his commanders and district leadership for their work and support in cross-commission efforts and partnerships.

"Today is a symbolism of working together and looking out for one another. I am optimistic about the future of our agency partnerships. I want to thank all the officers for their hard work and completing this training to be cross commissioned." Chief Francisco said. "We all face the same challenges and today is a step to strengthening our partnership by work together and removing obstacles that hinder our commitment to serving our communities."

In June, Chief Francisco initiated a quarterly meeting with state, county, tribal, and local police department leadership to allow for a direct and open discussion amongst the agencies.

"Building partnership and having an open dialogue with our surrounding law enforcement departments is important. We are the largest tribal police department in the nation with a population of over 180,000 people with less than 200 officers." Chief Francisco said. "What affects us here on the Navajo Nation also affects our surrounding communities and vice versa. We need these partnerships in place to address and improved public safety for our shared communities."

Establishing cross commissions comes after months of negotiation between the municipalities through a memorandum of agreement, once established and approved, law enforcement officers can take the two-day cross commission training to be commissioned officers of the Navajo Nation.

Since 2020, the Navajo Police Department has cross-commissioned 64 officers and deputies representing the Arizona Department of Public Safety, Coconino County Sheriff's Office, Navajo County Sheriff's Office, Apache County Sheriff's Office, Socorro County Sheriff's Office, McKinley County Sheriff's Office, Sandoval County Sherriff's Office, and the New Mexico State Police with the Gallup, Grants, and Farmington District.

Future cross-commission training is expected to include the Utah and San Juan County area.

## OUTREACH EDUCATION AGREEMENT

This Outreach Education Agreement (“Agreement”) is entered into and effective as of September 1, 2021 (the “Effective Date”) by and between the University of Utah, a body politic and corporate of the State of Utah, on behalf of its Utah Poison Control Center (“University”) and San Juan Public Health Department of the State of Utah (“Health District”).

- B. Health District has the qualified personnel, equipment and experience necessary to perform such services; and
- C. The University and Health District wish to enter into this Agreement for the purpose of setting forth the general terms and conditions upon which Health District will perform the services.

### AGREEMENT

In consideration of the mutual promises, conditions and undertakings set forth herein, the parties agree as follows:

1. Scope of Work. Health District agrees to perform for the University those services (the “Services”) described in “Scope of Work September 1, 2021-Aug 1, 2022,” which is attached hereto as Appendix A and incorporated herein by this reference (the “Scope of Work”). In the event of any conflict or inconsistency between the Scope of Work and this Agreement, this Agreement shall control.
2. Compensation and Payment. Compensation will be provided for completion of outreach activities outlined in the Scope of Work. Payment will be provided after receipt of invoice for services outlined in Scope of Work up to the maximum amount authorized in Scope of Work.

Health District shall invoice the University for all fees and included expenses (the “Compensation”) by the last day of the contract period. Invoices shall include such information as the University may reasonably request, including without limitation a description of the work, the person performing the work, the date the work was performed, the number of hours worked, and a general description of all expenses (with supporting documentation provided if requested). Compensation shall be paid by the University in accordance with all applicable University policies and procedures, and shall be delivered to Health District within 30 days after receiving Health District’s invoices.

The parties agree that the total Compensation paid to Health District for the Services shall not exceed the sum of \$2,500 (unless otherwise agreed by the parties in writing).

3. Term. The term of this Agreement shall commence on the Effective Date and continue for a term of eleven (11) months or until completion of the Services if the Services are completed in less than eleven (11) months.

4. Equipment. All equipment, software, instruments and materials purchased or licensed using funds provided by the University shall remain under the ownership and control of the University.

5. Work Product. Health District shall provide the University with reproducible copies of all studies, reports, software, books, records, and all other documents developed or prepared in the performance of the Services (the "Work Product"). All such Work Product shall be the sole property of the University. Health District hereby assigns and conveys to the University all of its right, title and interest, in and to all Work Product and intellectual property rights developed or acquired by Health District in connection with the performance of the Services, including but not limited to all copyrights and patents. Health District warrants that: (i) the Services will be performed in a professional and competent manner by competent personnel; and (ii) all Work Product delivered by Health District to the University under this Agreement constitutes original work and does not infringe upon the proprietary rights of others, or if such Work Product is not original work, Health District has obtained all rights necessary to the University's use of such Work Product.

6. Confidentiality. 7. Indemnification. Health District shall indemnify, defend and hold harmless the University, its directors, officers, agents and employees against any actions, suits, proceedings, liabilities and damages to the extent caused by (i) any negligent act or omission of Health District, its officers, agents or employees in connection with the performance of the Services and this Agreement; and (ii) any claim that any Work Product delivered under this Agreement infringes any patent, copyright, trademark, service mark or other intellectual property right.

8. Insurance. Throughout the term of this Agreement, Health District shall maintain Commercial General Liability insurance with per occurrence limits of at least \$1,000,000 and general aggregate limits of at least \$2,000,000. Health District shall also maintain, if applicable to Health District's operations or performance under this Agreement, Business Automobile Liability insurance covering Health District's owned, non-owned and hired motor vehicles. Such insurance policies shall be endorsed to be primary and not contributing to any other insurance maintained by the University.

Health District shall maintain all employee related insurances, in the statutory amounts, such as unemployment compensation, worker's compensation, and employer's liability, for its employees involved in performing services under this Agreement. Health District shall also maintain "all risk" property insurance at replacement cost applicable to Health District's property or its equipment.

Health District's insurance carriers and policy provisions must be acceptable to the University's Risk and Insurance Manager and remain in effect for the duration of this Agreement. The University of Utah shall be named as an additional insured party on the Commercial General Liability insurance policy. Health District will cause any of its subcontractors who provide any materials or perform any operation relative to this Agreement, to also maintain the insurance coverages and provisions listed above.

Upon request, Health District shall submit certificates of insurance as evidence of the above required insurances to the University prior to the commencement of this Agreement (mail to: University of Utah, Office of Risk and Insurance Management, 201 South Presidents Circle, Room 110, Salt Lake City, Utah 84112, Attn: Risk Manager.) Health District shall obtain, at its expense, all required government licenses, permits and approvals for the performance of the Services, except those licenses, permits and approvals which the Scope of Work specifies will be obtained by the University.

10. Conflicts of Interest. With respect to all products, goods, and services which are or may be offered by or through Health District in connection with this Agreement, Health District hereby represents and warrants that Health District does not have any direct or indirect financial incentive or other interest: (i) in any such products, goods, or services; or (ii) with any Third Party Vendor providing such products, goods or services. In the event any actual or potential conflict of interest should arise, Health District shall immediately notify and disclose to the University, in writing, the specifics of any such conflict of interest.

11. Relationship of Parties. In assuming and performing the obligations of this Agreement, the University and Health District are each acting as independent parties and neither shall be considered or represent itself as a joint venturer, partner, agent or employee of the other.

12. Termination. The University may terminate this Agreement at any time, with or without cause, by giving written notice thereof to Health District. Termination shall be effective fifteen (15) days after receipt of notice. Termination shall not relieve either party of any obligation, including without limitation the obligation to pay for Services provided, or liability accrued hereunder prior to such termination, or rescind or give rise to any right to rescind any payments made prior to the time of such termination.

13. Miscellaneous.

13.1 Assignment. Neither party shall assign or transfer any interest in this Agreement, subcontract any portion of the work to be performed, or assign any claims for money due or to become due under this Agreement, without the prior written consent of the other party.

13.2 Governing Law. This Agreement shall be interpreted and construed in accordance with the laws of the State of Utah, without application of any principles of choice of laws.

13.3 Equal Opportunity. Neither party shall discriminate against any employee, applicant for employment, or recipient of services on the basis of race, religion, color, sex, age, disability, or national origin.

13.4 Taxes. Health District shall pay all taxes which may be levied or incurred in connection with the performance of any services under this Agreement, including taxes levied or incurred against Health District's income, inventory, property, sales, or other taxes.

13.5 Severability. In the event any provision in this Agreement is held to be invalid or unenforceable, such invalidity or unenforceability shall not affect the validity of any other provision hereof and this Agreement shall be construed as if such invalid or unenforceable provision were not contained herein; provided that the Agreement as so modified preserves the basic intent of the parties.

13.6 Nonwaiver. A waiver by either party of any breach of this Agreement shall not be binding upon the waiving party unless such waiver is in writing. In the event of a written waiver, such waiver shall not affect the waiving party's rights with respect to any other or further breach.

13.7 Entire Agreement. This Agreement, together with each of the appendices hereto, constitute the entire agreement between the parties with respect to the subject matter hereof, and there are no covenants, terms or conditions, express or implied, other than as set forth or referred to herein. This Agreement may not be amended, modified or canceled except as provided by written agreement of the parties signed by the party against whom enforcement is sought.

San Juan County

**A. Scope and Purpose of Representation**

1.1 San Juan County (“CLIENT”) hires the law firms of PHIPPS DEACON PURNELL, PLLC and LANCE ANDREW, P.C. as CO-LEAD COUNSEL in the investigation and prosecution of a lawsuit arising under the laws of the State of Utah for any and all claims against manufacturers, distributors and prescribers of prescription opiates and those acting in concert with them who caused, or contributed to cause, the damages incurred by San Juan County arising out of aggressive marketing and distribution of opiates in and to the County (collectively, “Defendants”). The claims include, but are not limited to: negligence, fraud, misrepresentation, violations of deceptive trade practices and consumer protection statutes, nuisance, civil RICO or conspiracy, mislabeling and other causes of action arising from Defendants’ conduct in the marketing and sale of prescription opioid drugs to the American public and San Juan County. Specifically, the claims arise from Defendants’ role in the creation of the opioid epidemic that now exists in the U.S. and in San Juan County, the substantial economic harm the opioid epidemic has caused San Juan County by way of direct and indirect costs incurred, the physical harm to the life, health, safety and property of San Juan County and its residents, and the lucrative profits reaped by Defendants despite knowing that they were defrauding San Juan County (“the Representation”).

1.2 CLIENT hereby retains and employs CO-LEAD COUNSEL. The San Juan County Commission has, by its approval of this Agreement, found that CLIENT has a substantial need for these legal services which cannot be adequately performed by the attorneys of CLIENT or other government attorneys, nor, because of the nature of the matter for which services will be obtained, can they be reasonably obtained from attorneys in private practice under a contract providing only for the payment of hourly fees, without regard to the outcome of the matter. The estimated amount that may be recovered from the litigation exceeds \$100,000.00.

1.3 CLIENT hereby authorizes and directs CO-LEAD COUNSEL, subject to the supervision, direction and control of the San Juan Attorney’s Office Office, to handle the Representation and to take all actions necessary to prosecute and assist in the prosecution of the ongoing case or any new or additional case(s) on behalf of CLIENT against Defendants. In the Representation, CO-LEAD COUNSEL may seek necessary and appropriate injunctive relief, damages, civil penalties, costs and attorney’s fees, and such other pecuniary recovery as may be provided for by the laws of the State of Utah and/or any relevant local, state and/or federal statutory and/or common law.

1.4 The term of this Agreement shall end after the conclusion of the Representation unless either party extends or terminates this Agreement in accordance with its provisions.

1.5 CLIENT is hiring as CO-LEAD COUNSEL the law firms of PHIPPS DEACON PURNELL, PLLC and LANCE ANDREW, P.C. The two firms will share equally in the responsibilities in the legal representation of CLIENT and will also share equally in any fees. The primary attorneys handling this legal representation for CLIENT will be Martin Phipps of PHIPPS DEACON PURNELL, PLLC, and Jessica Andrew of LANCE ANDREW, P.C. In the event of a dispute between CO-LEAD COUNSEL regarding representation of CLIENT, Martin Phipps shall be lead/managing attorney and make any final decision regarding the legal representation with the consent of CLIENT. CO-LEAD COUNSEL agrees to perform necessary legal work with reference to the Representation, and will work specifically under the supervision, direction and control of the San Juan County Attorney's Office. To ensure the timely and efficient completion of this matter, other attorneys or paralegals may also be assigned.

1.6 To enable CO-LEAD COUNSEL to provide effective representation, CLIENT agrees to do the following: (1) disclose to CO-LEAD COUNSEL, fully and accurately and on a timely basis, all facts and documents within CLIENT'S knowledge that are or might be material, or that CO-LEAD COUNSEL may request, (2) keep CO-LEAD COUNSEL apprised on a timely basis of all developments relating to the Representation that are or might be material, (3) attend meetings, conferences, and other proceedings when it is reasonable to do so, and (4) otherwise cooperate fully with CO-LEAD COUNSEL. Finally, if Client has any concern or problem with CO-LEAD COUNSEL, their attorneys or employees at any time, CLIENT agrees to immediately tell the primary attorney of each law firm about any concerns or problems and not wait until a later time.

1.7 Neither party shall assign, in whole or in part, any duty or obligation of performance under this Agreement without the express written permission of the other parties, unless otherwise authorized in this Agreement.

1.8 The person or entity that CO-LEAD COUNSEL represents is San Juan and CO-LEAD COUNSEL'S attorney-client relationship does not include any related persons or entities. If any potential conflict arises with respect to the Representation, CO-LEAD COUNSEL will make full disclosure of the possible effects of such Representation on the professional judgment of each individual associated with CO- LEAD COUNSEL working on Representation. Such disclosure shall be made to San Juan Attorney's Office or any other attorney designated by the San Juan County Commission.

1.9 CLIENT represents that it has identified to CO-LEAD COUNSEL, to allow them to check conflicts, all individuals and entities reasonably known to it that are or may become involved in this matter, including all individuals or entities affiliated with CLIENT. CLIENT will notify CO-LEAD COUNSEL if it becomes aware of any other

individuals or entities that are or may become involved so that CO-LEAD COUNSEL can update their conflicts checks.

1.10 It is understood and agreed that CO-LEAD COUNSEL's engagement is limited to the Representation. CO-LEAD COUNSEL is not being retained as general counsel, and CO-LEAD COUNSEL'S acceptance of this Agreement does not imply any undertaking to provide legal services other than those set forth in this Agreement.

1.11 Any expressions on CO-LEAD COUNSEL'S part concerning the outcome of the Representation, estimates of time frames or amounts, or any other legal matters, are based on CO-LEAD COUNSEL'S professional judgment and are not guarantees. Such expressions, even when described as opinions, are necessarily limited by CO-LEAD COUNSEL'S knowledge of the facts and are based on CO-LEAD COUNSEL'S views of the state of the law at the time they are expressed. CO-LEAD COUNSEL has made no promises or guarantees to CLIENT about the outcome of the Representation, and nothing in these terms of engagement shall be construed as such a promise or guarantee.

1.12 Throughout the course of the matter, we will send, to an email address CLIENT provides, electronic copies of documents relevant to the matter and these will be CLIENT's file copies. CLIENT is responsible to keep CO-LEAD COUNSEL informed as to any changes in the email address. If CLIENT requires use of a third party service to deposit or receive documents, CLIENT assumes responsibility for any security risks associated with the third party service. CLIENT is entitled upon written request to electronic copies of any files in CO-LEAD COUNSEL's possession relating to the engagement, such as pleadings, motions, discovery, legal memoranda, correspondence, depositions, expert opinions, business records, exhibits or potential evidence, witness statements, agreements, and legal or transactional documents (but excluding recorded mental impressions, research notes, legal theories, internal memoranda, unfiled pleadings, and internal accounting records and other documents not reasonably necessary to the representation), subject to CO-LEAD COUNSEL's right to make copies of any files CLIENT withdraws. If CLIENT requires paper copies of CLIENT's file, CLIENT will be responsible for copy charges at the Firms' standard rates. At the conclusion of the Representation, CO-LEAD COUNSEL will return to CLIENT any documents that COUNSEL is specifically requested to return. As to any documents so returned, CO-LEAD COUNSEL may elect to keep a copy of the documents in COUNSEL'S stored files. CLIENT owns all final work product generated from the Representation. Paper files may be sent to a storage facility or destroyed after the close of a matter if no request from the CLIENT is received.

1.13 Consultations and communications with firm internal ethics and professional responsibility counsel is protected by the firm's own attorney-client privilege and is not subject to discovery; records of these consultations are property of the firm and not part of CLIENT's file.

1.14 Cell Phone and Email Communication. CO-LEAD COUNSEL may communicate with CLIENT by cell phone or unencrypted email which may be capable

of being intercepted by others and therefore may be deemed no longer protected by the attorney-client privilege. CO-LEAD COUNSEL's preferred method of communication with CLIENT is through email. CLIENT must inform CO-LEAD COUNSEL if CLIENT does not want them to email CLIENT or discuss privileged matters on cell phones or if CLIENT wants CO-LEAD COUNSEL to encrypt email. If CLIENT sends or receives electronic communications using a computer or other device or email account to which a third party has, or may gain access, or if CLIENT sends electronic communications or files to a document repository such as Dropbox, CLIENT communications are not secure and may be deemed no longer protected by attorney-client privilege. If CLIENT uses a computer or other device or email account which a third party owns or to which a third party has, or may gain access, CLIENT must inform CO-LEAD COUNSEL.

1.15 Subpoenas and Testimony. If a third-party subpoenas CO-LEAD COUNSEL's records of services performed for CLIENT or requires CO-LEAD COUNSEL to testify concerning such services, CO-LEAD COUNSEL will ask CLIENT whether it wants them to assert CLIENT's attorney-client privilege (to the extent CLIENT may properly do so). CLIENT will pay CO-LEAD COUNSEL for their time and expenses reasonably incurred in relation to any such demand, including, but not limited to, time and expenses for searching and copying records, reviewing documents, designating privileged documents, appearing at depositions or hearings, and litigating issues raised by the request.

States Mail, postage prepaid, return receipt requested, addressed to:

San Juan Committee

1.18 Such notices shall be considered given and complete upon successful transmission or upon deposit in the United States Mail.

1.19 It is expressly understood that CO-LEAD COUNSEL has no authority to settle or otherwise compromise the position of the CLIENT or any of its officers. The San Juan County Attorney's Office and the San Juan County Commission retain all authority to settle the case.

1.20 Nothing herein shall be construed as creating any personal liability on the part of any officer or agent of CLIENT.

1.21 CO-LEAD COUNSEL shall provide CLIENT's attorney with reports on the status of the Representation as requested by CLIENT. No settlement of any claim, suit, or proceeding shall be entered into without the approval of the San Juan County Commission in consultation with the San Juan County Attorney's Office.

1.22 It is further agreed that CO-LEAD COUNSEL shall not associate other firms to appear as ASSOCIATED COUNSEL without the prior written consent of the San Juan County Attorney's Office. CO-LEAD COUNSEL's intent to associate ASSOCIATED COUNSEL shall be in writing, shall set forth the reasons that COUNSEL wishes to associate ASSOCIATED COUNSEL and shall be in compliance with Section 1.5 of the Utah Rules of Professional Conduct ("URPC"). Any counsel approved by the San Juan County Attorney's Office pursuant hereto shall be considered a contracting party to and bound by the terms and conditions of this Agreement and shall confirm their agreement to be so bound in writing provided to the San Juan County Attorney's Office prior to their association.

1.23 CO-LEAD COUNSEL will share any legal fees as follows:

PHIPPS DEACON PURNELL, PLLC      65%

LANCE ANDREW, P.C.                      35%

1.24 The basis for this division of legal fees will be "joint responsibility," as that term is defined in Rule 1.5(e), Utah Rules of Professional Responsibility CLIENT consents to this sharing or division of legal fees between/among these identified law firms and the basis described.

1.25 No actions and/or disputes between or amongst CO-LEAD COUNSEL will affect CLIENT'S recovery, nor will it give rise to any liability on the part of CLIENT.

1.26 Termination of Engagement. Either party may terminate this engagement at any time for any reason by written notice. In the event of termination after the commencement of the case, CLIENT agrees to pay CO-LEAD COUNSEL for their fees and expenses incurred, with fees calculated on a pro-rated hours basis, from any recovery ultimately recovered by CLIENT. Nevertheless, if CLIENT terminates this engagement other than for cause, CLIENT shall reimburse CO-LEAD COUNSEL for all expenses incurred by CO-LEAD COUNSEL in representing CLIENT prior to the date of termination regardless of any recovery ultimately recovered by CLIENT. If CLIENT requests that CO-LEAD COUNSEL incur fees or expenses in transitioning this matter to different counsel, CLIENT will pay CO-LEAD COUNSEL for their fees and expenses incurred in making the transition. Termination will be effective only to the termination of CO-LEAD COUNSEL's services prospectively and all other terms of this letter agreement will survive the termination. In addition, the attorney-client relationship will be deemed automatically terminated without notice and CO-LEAD COUNSEL may treat CLIENT as a former client for purposes of the Rules of Professional Conduct if (i) CO-LEAD COUNSEL has completed the services they have agreed to perform or (ii) have performed no work on CLIENT's behalf for six consecutive months for any reason (such as because CLIENT has abandoned its matter, been unavailable, or unresponsive). Should CO-LEAD COUNSEL subsequently be asked to render additional services, and in the event they do so without executing a new agreement, they will be deemed to have re-established their relationship with CLIENT pursuant to the terms of the original agreement.

1.27 No Post-Termination Responsibility to Provide Services. Upon cessation of CO-LEAD COUNSEL's active involvement in a particular matter (even if they continue active involvement in other matters on CLIENT's behalf), they will have no further duty to monitor or inform CLIENT of future developments or changes in law which may be relevant to the matter. Unless agreed to in writing to the contrary, CO-LEAD COUNSEL will have no obligation to monitor, notify CLIENT concerning, or comply with renewal, registration, continuation, or notice dates or similar deadlines that may arise from or relate to the matters for which they were engaged.

1.28 Publicity. Unless otherwise provided in writing, CO-LEAD COUNSEL may use CLIENT's name and logo on their websites (including a link to the home page of CLIENT's website) and in their marketing materials solely for the limited purpose of referring to CLIENT as a client of the firms.

## **B. Fees and Expenses**

2.01 Contingent Fee. CO-LEAD COUNSEL will only be compensated for legal services rendered in this matter if a recovery is obtained. The fee to be paid to CO-LEAD COUNSEL will be a percentage of the TOTAL RECOVERY. TOTAL RECOVERY means: the total of all amounts received (including the reasonable value of any non-monetary proceeds) by settlement, arbitration award, or judgment, including any award of attorney's fees or punitive damages.

2.02 Expenses. All expenses will be reimbursed or paid from CO-LEAD COUNSEL's share of the TOTAL RECOVERY after applying the percentages listed in paragraph 2.04 below. As between CO-LEAD COUNSEL, all expenses incurred will be reimbursed first, in full, from CO-LEAD COUNSEL's share of the TOTAL RECOVERY before the division of legal fees, which legal fees will be divided as set forth in paragraph 1.23 above.

2.03 Receipt of Funds. Any funds recovered through settlement or judgment will be deposited in one of the CO-LEAD COUNSEL's trust account for disbursement in accordance with the foregoing terms.

2.04 Calculation of Fee. From the TOTAL RECOVERY (as set forth above, before expenses, which will be reimbursed or paid from and included in CO-LEAD COUNSEL's share), CO-LEAD COUNSEL will receive a percentage based on the following schedule:

- a. Thirty-five percent (35%) of the TOTAL RECOVERY.
- b. If CO-LEAD COUNSEL's representation is terminated for any reason, they will be entitled to reimbursement of their expenses and pro-rated hours, to be paid out of any ultimate recovery received by CLIENT.

### **C. Joint Representation**

3.01 CO-LEAD COUNSEL has advised CLIENT that CO-LEAD COUNSEL may represent other clients ("Other Clients") with claims similar to those of CLIENT. Further, CO-LEAD COUNSEL has advised CLIENT that there are important potential advantages and disadvantages to participating in a joint representation in which CO-LEAD COUNSEL represent multiple clients pursuing similar claims. CLIENT consents to the law firms' joint representation of CLIENT and such Other Clients. CLIENT agrees that CO-LEAD COUNSEL may mediate or otherwise negotiate CLIENT'S claims in combination with Other Clients' claims. If a defendant makes a "global settlement offer" that offers one sum of money to settle more than one client's claims, then CLIENT agrees that CO-LEAD COUNSEL can share the identity of each jointly-represented client, the settlement amount proposed for each, and the nature of each jointly-represented client's claims with all other clients, including CLIENT—and that CLIENT'S identity and confidential settlement information will also be shared with the other clients in a "global settlement offer" situation.

### **D. Other Provisions**

4.1 This Agreement will be construed without regard to any presumption or rule requiring construction or interpretation against the party drafting same. If any provision of this Agreement is held to be illegal, invalid, or unenforceable under present or future laws, then such provision will be modified to conform to such laws, and the balance of

this Agreement will remain in full force and effect. Each waiver in this Agreement is subject to the overriding and governing rule that it will be effective only if and to the extent that (1) it is not prohibited by applicable law and (2) applicable law neither provides for nor allows any material sanctions to be imposed against a party for having bargained for and obtained it. This Agreement is the entire agreement and understanding between the parties in connection with the subject matter of this Agreement and supersedes and cancels all prior agreements and understandings in connection with the subject matter of this Agreement. The Parties may by **mutual agreement** amend or supplement this Agreement at any time and from time to time; provided that that they must do so **in writing**, and **such writing must be signed by CLIENT and CO-LEAD COUNSEL.**

4.2 The term of this Agreement begins upon the date it is executed by the parties and continues until the Representation is concluded. This Agreement shall be of no force or effect until approved in writing by the San Juan County Attorney’s Office.

4.3 CO-LEAD COUNSEL represents and warrants that they carry professional liability insurance in the following amounts:

PHIPPS DEACON PURNELL, PLLC \$5,000,000

LANCE ANDREW, P.C. \$2,000,000

4.4 This Agreement shall be governed and interpreted under Utah substantive law and exclusive venue and jurisdiction of any lawsuit or claim arising out of or relating to this Agreement shall lie in Salt Lake County, Utah.

4.5 Resolution of Disputes. Any dispute, claim or controversy, whether in tort, contract, or otherwise, arising out of or relating to the relationship between the CLIENT and CO-LEAD COUNSEL, or the services provided by CO-LEAD COUNSEL pursuant to this agreement or otherwise to the CLIENT will be brought and tried in any federal or state court located in the State of Utah, in Salt Lake County. Each of the parties hereby submits to and accepts for itself and in respect to its property, generally and unconditionally, the exclusive jurisdiction of the aforesaid courts and appellate courts from any appeal thereof. Each party hereby irrevocably waives any objection which it may now or hereafter have to the laying of venue of any of the aforesaid actions or proceedings and hereby further irrevocably waives and agrees not to plead or claim in any such court that any such action or proceeding brought in any such court has been brought in an inconvenient forum. To the fullest extent permitted by law, each party further agrees that personal jurisdiction over it may be effected by service of process by certified mail addressed to such party at the address provided in this agreement, and when so made be as if served upon it personally within the State of Utah.

4.6 Jury Waiver. TO THE FULLEST EXTENT PERMITTED BY LAW, EACH PARTY HEREBY WAIVES ITS RIGHTS TO A TRIAL BY JURY OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OF OR RELATED TO

THE RELATIONSHIP BETWEEN THE CLIENT AND CO-LEAD COUNSEL OR THE SERVICES PROVIDED BY CO-LEAD COUNSEL PURSUANT TO THIS AGREEMENT OR OTHERWISE TO THE CLIENT, IN ANY ACTION, PROCEEDING, OR OTHER LITIGATION OF ANY TYPE BROUGHT BY ANY OF THE PARTIES AGAINST THE OTHER PARTY, WHETHER WITH RESPECT TO CONTRACT CLAIMS, TORT CLAIMS, OR OTHERWISE. EACH PARTY HEREBY AGREES THAT ANY SUCH CLAIM OR CAUSE OF ACTION MUST BE TRIED BY A BENCH TRIAL WITHOUT A JURY.

4.7 Prevailing Party's Fees and Expenses in a Proceeding. The prevailing party in any arbitration, mediation, court action, or other adjudicative proceeding (including a bankruptcy proceeding) arising out of or relating to the relationship between the CLIENT and CO-LEAD COUNSEL or the services provided by CO-LEAD COUNSEL pursuant to this agreement or otherwise to CLIENT will be reimbursed by the party who does not prevail for its reasonable attorneys', accountants', and experts' fees, and for the costs and expenses of such proceeding or any appeal or review proceeding.

4.8 This document is a binding legal agreement. CLIENT's signature below acknowledges that it has had an opportunity to consult with other counsel and that CLIENT did so or chose not to do so before signing this agreement.
