DISCUSSION ITEMS

1. Chamber of Commerce Contributions Discussion

At the previous City Council meeting on July 2nd, Councilor Del Rosario asked staff to add a Chamber of Commerce contribution amount to the agenda for discussion. Councilor Del Rosario asked the City Council to consider increasing the financial contributions made to the Payson Santaquin Area Chamber of Commerce to supplement their increased support for business in the City. The increased contributions would support an increase in social media and website advertising for local businesses. Mayor Olson and staff agreed that a 50% increase to contributions would not be a significant impact on the budget. Mayor Olson and Council Members agreed that a portion of any increase would go directly to the Chamber and a separate portion would be allotted to the use of Council Member Del Rosario in his efforts to support the Chamber of Commerce Santaquin breakfast club and other events. The increase to contributions to the Chamber of Commerce will come before the council at a Regular City Council meeting in a future budget amendment.

2. Upcoming Agenda Items

Manager Beagley discussed with members of the City Council items on the upcoming Regular City Council Meeting agenda.
